

stop.

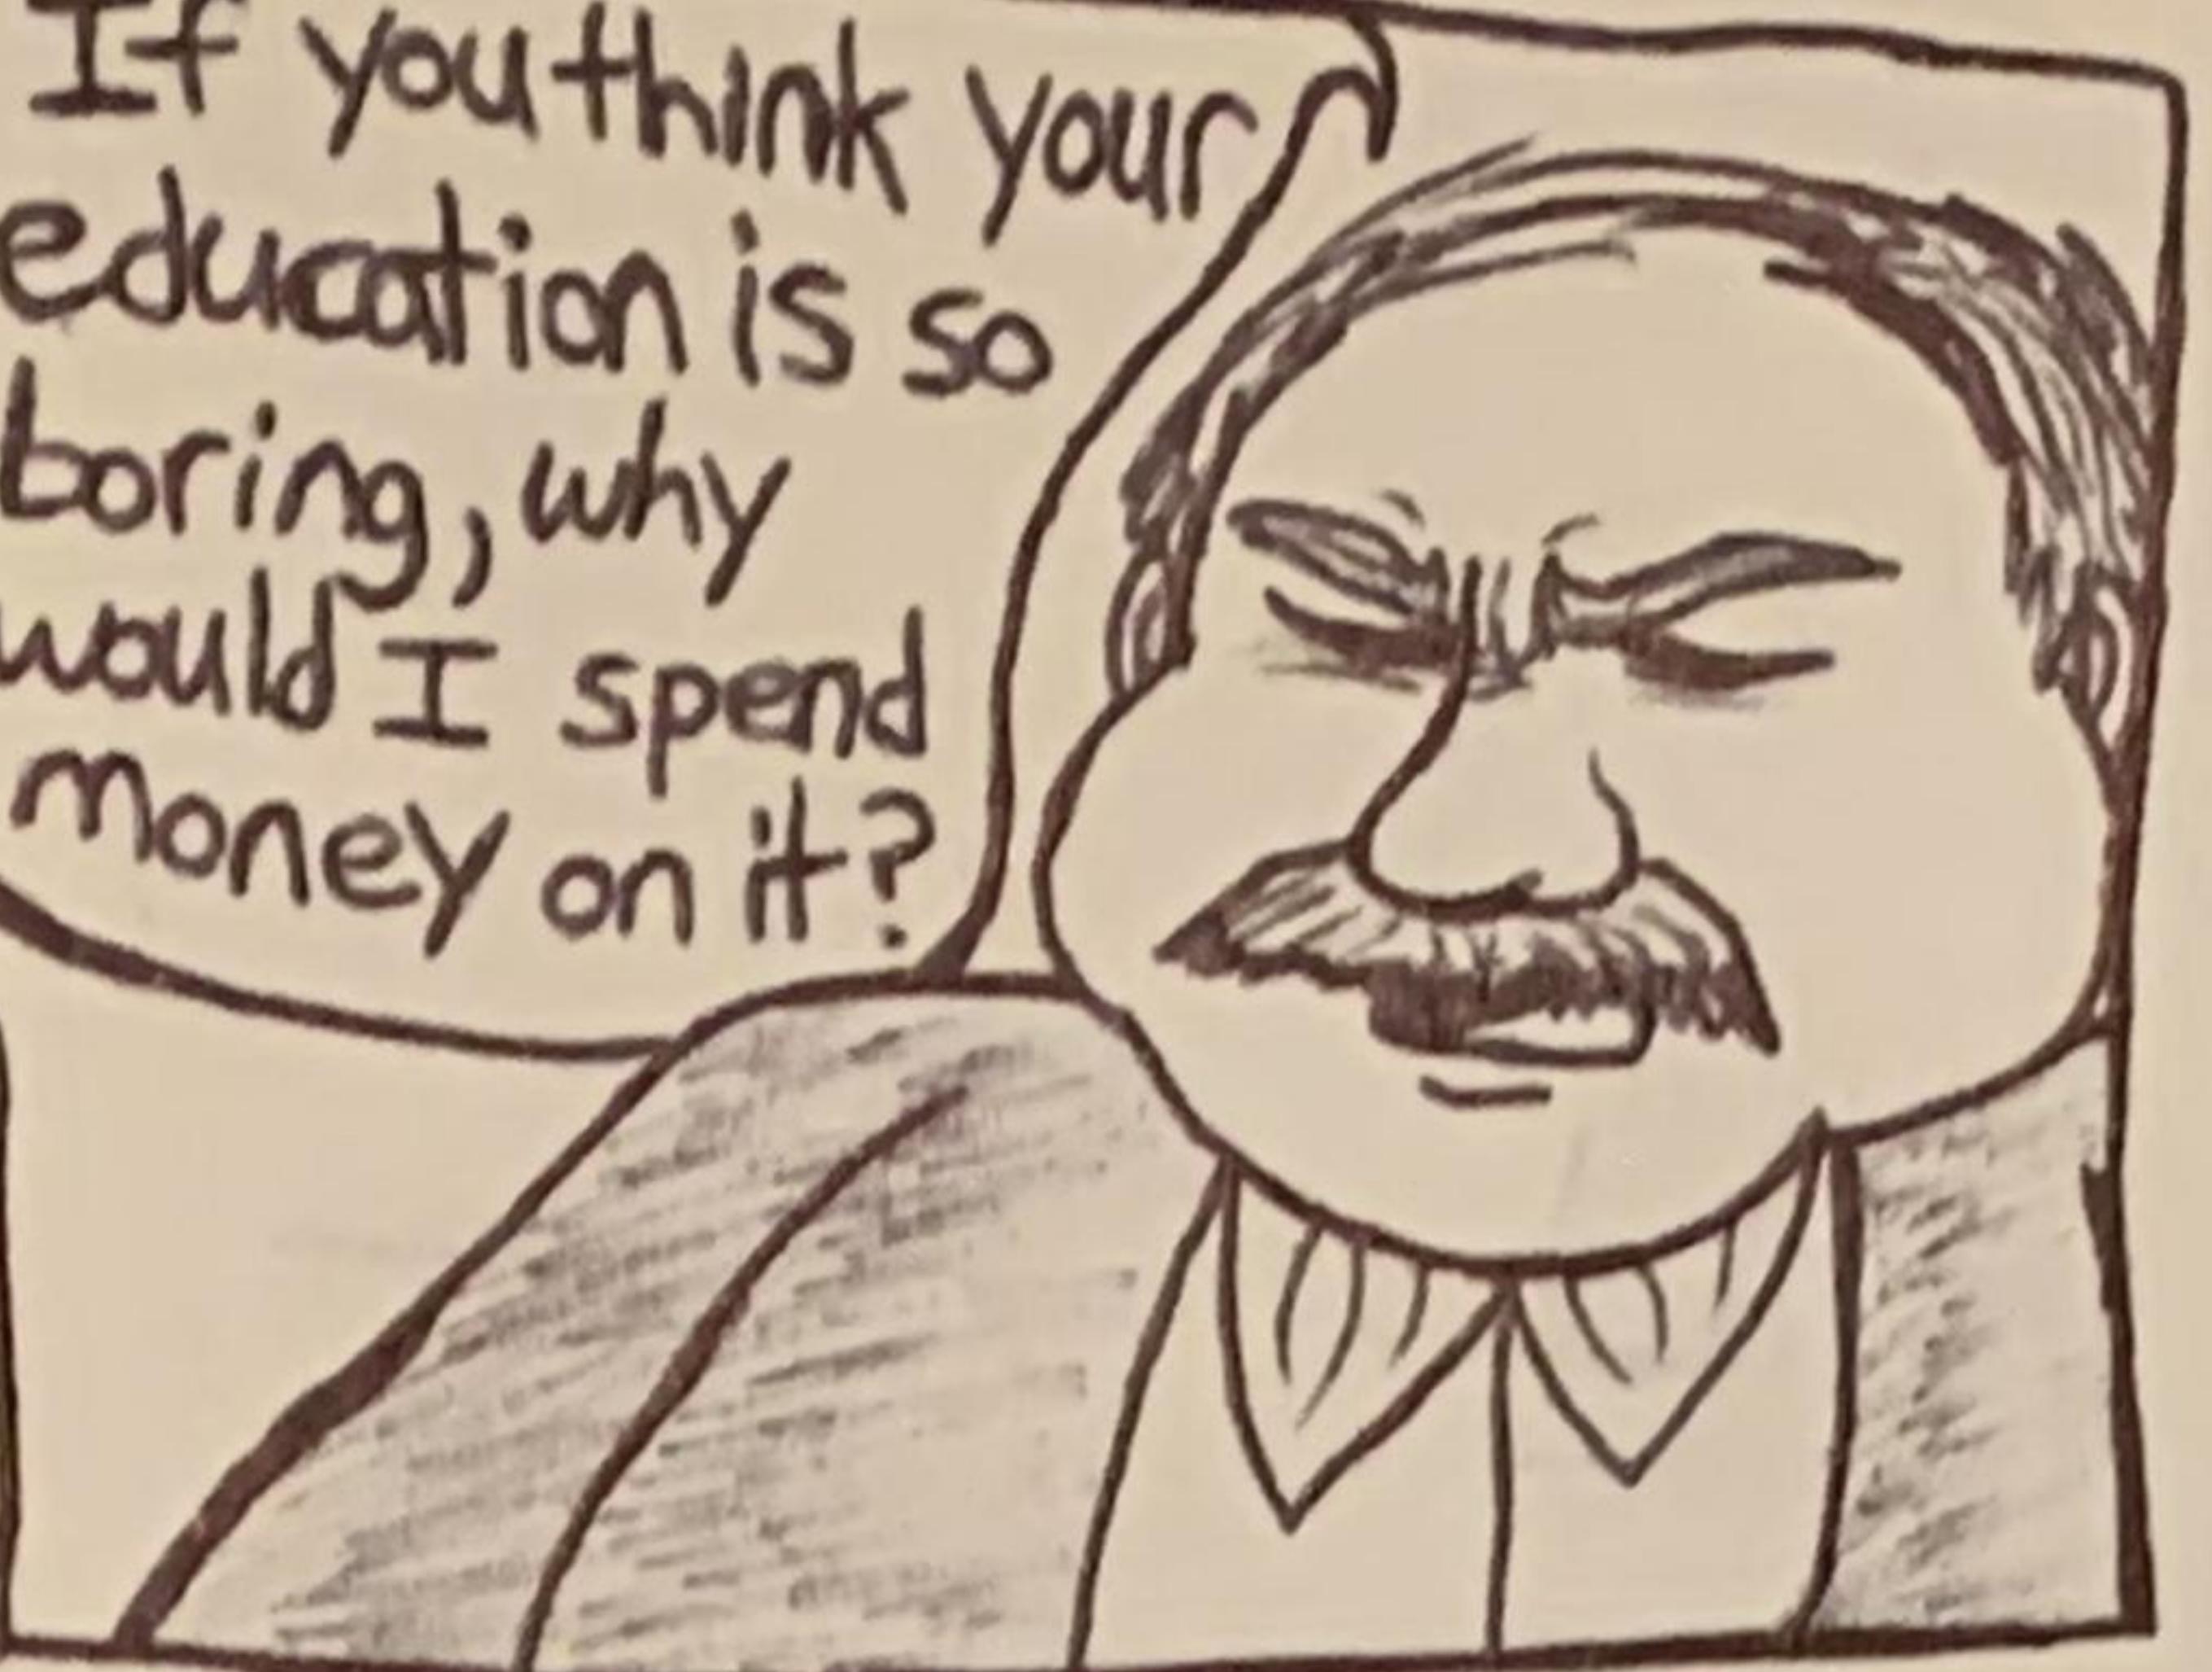

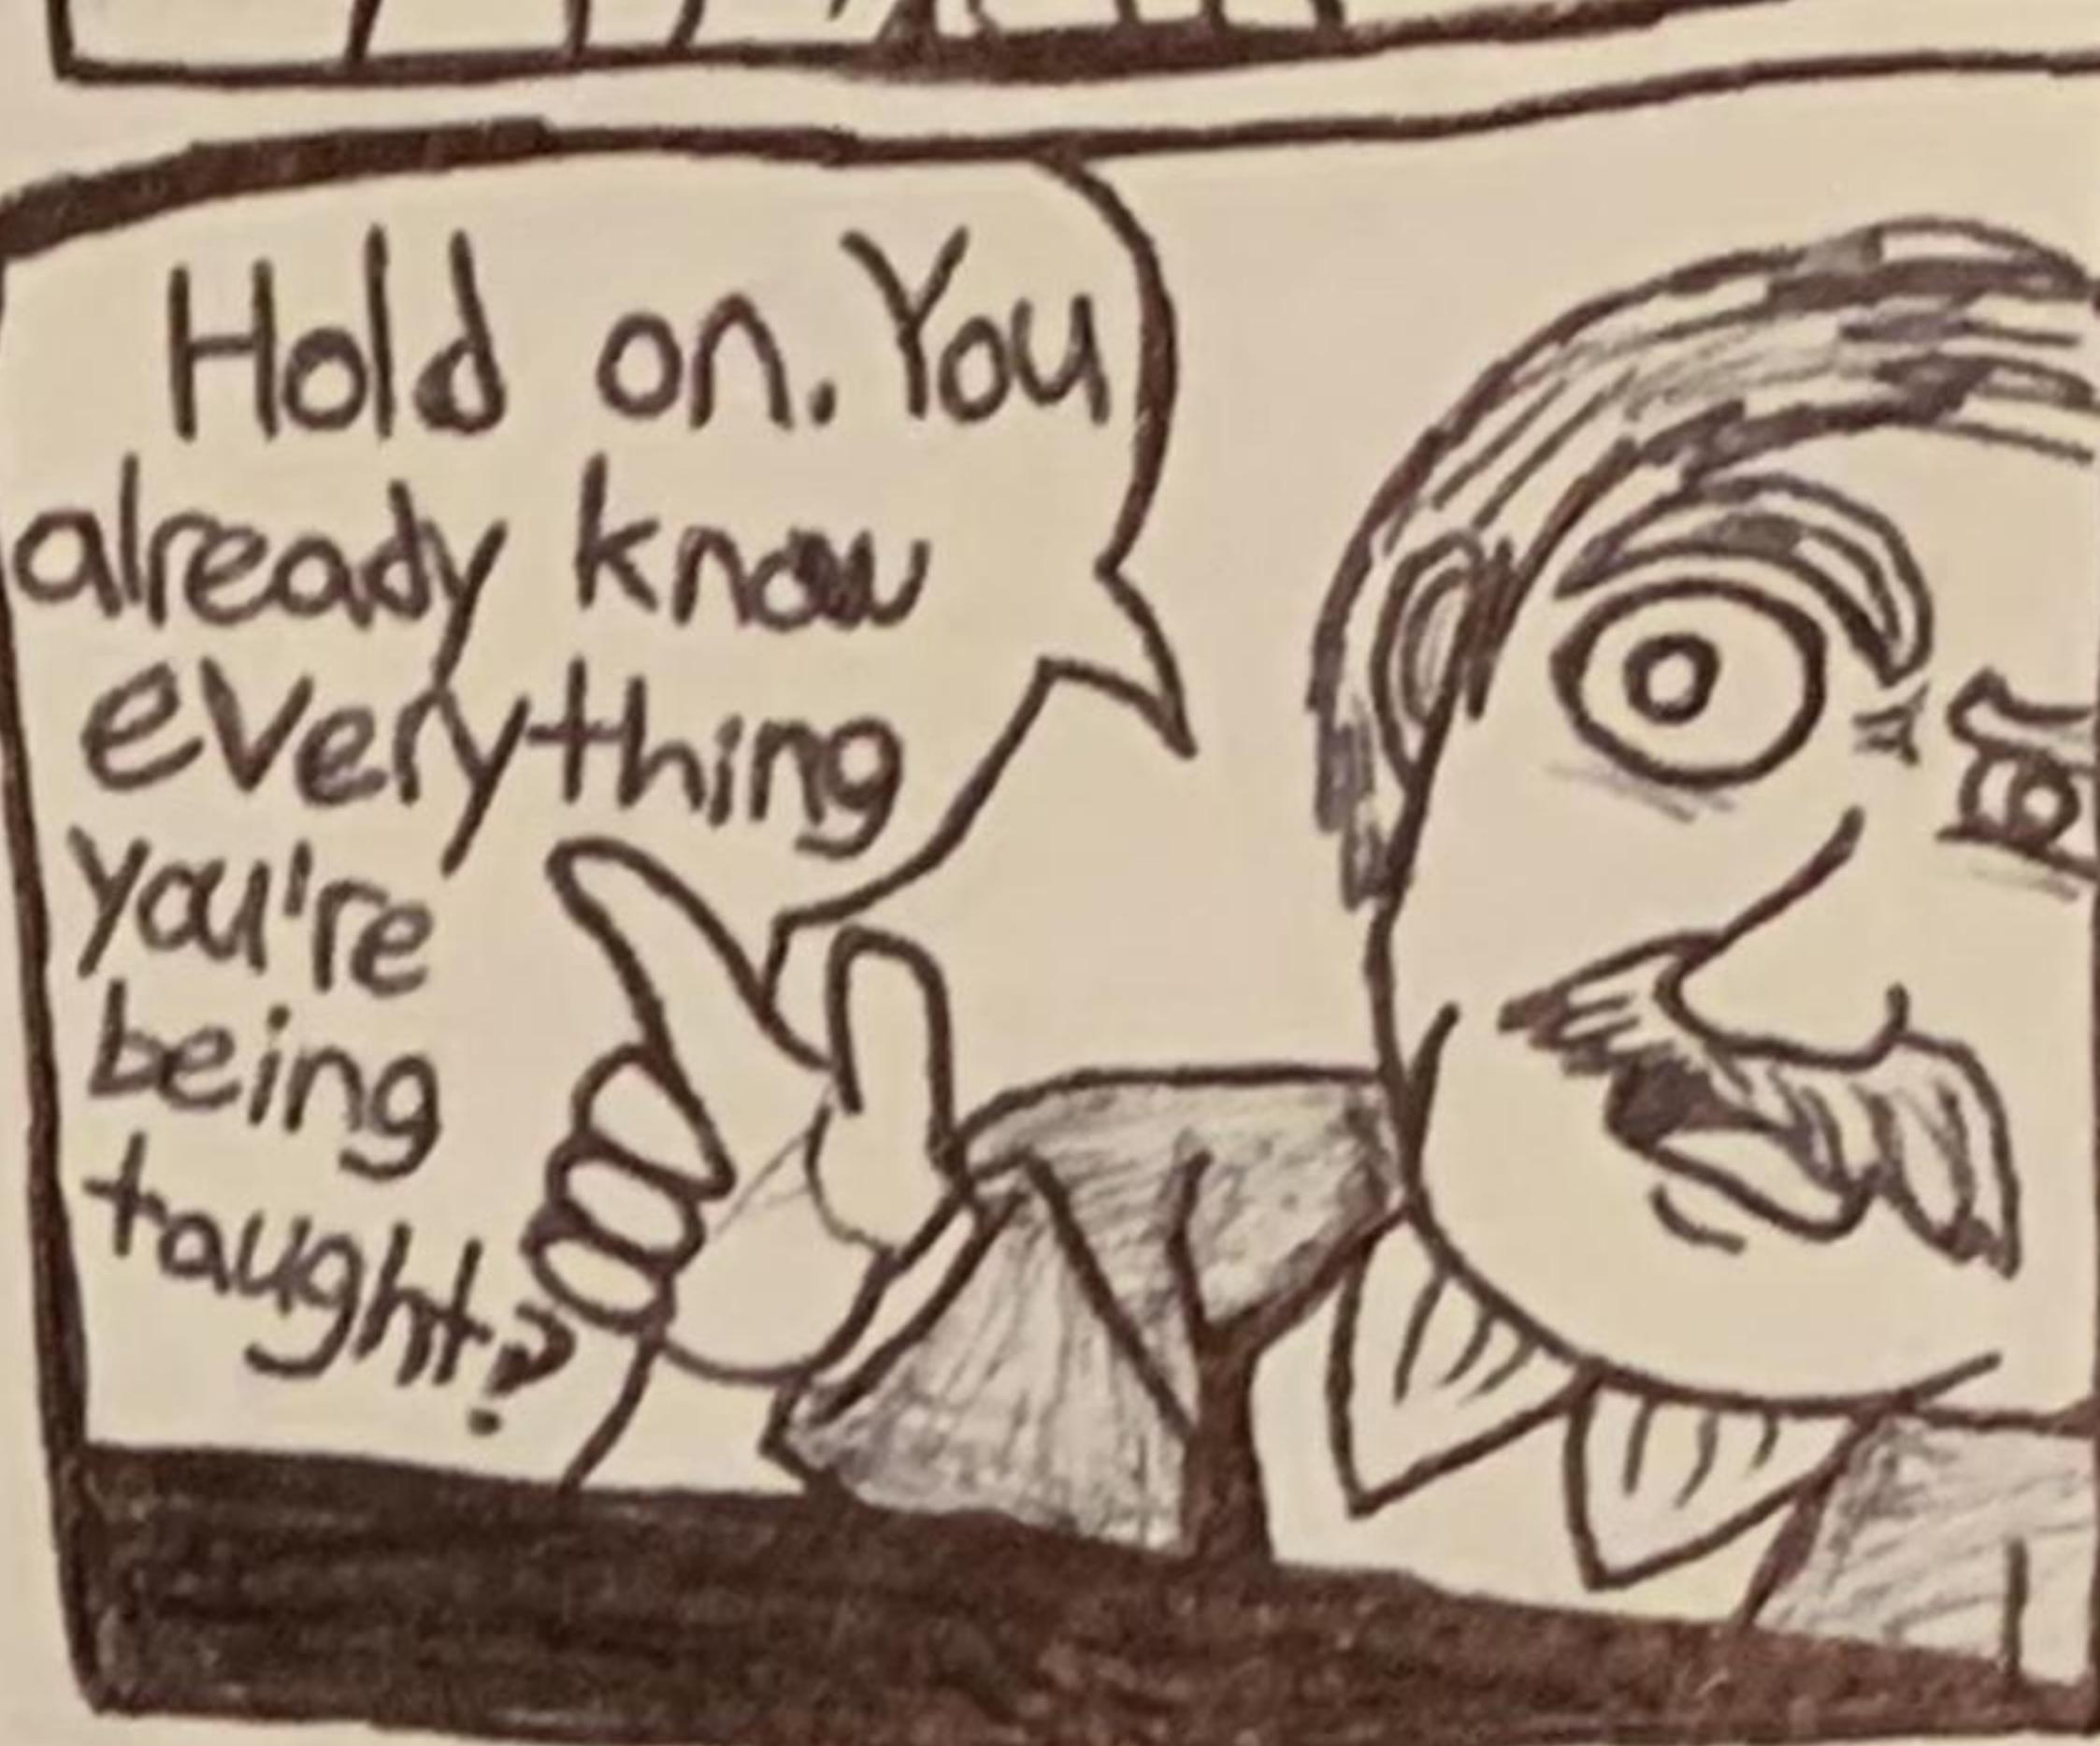

How could I possibly trust a slacker like him to study?

If you think your education is so boring, why would I spend money on it?

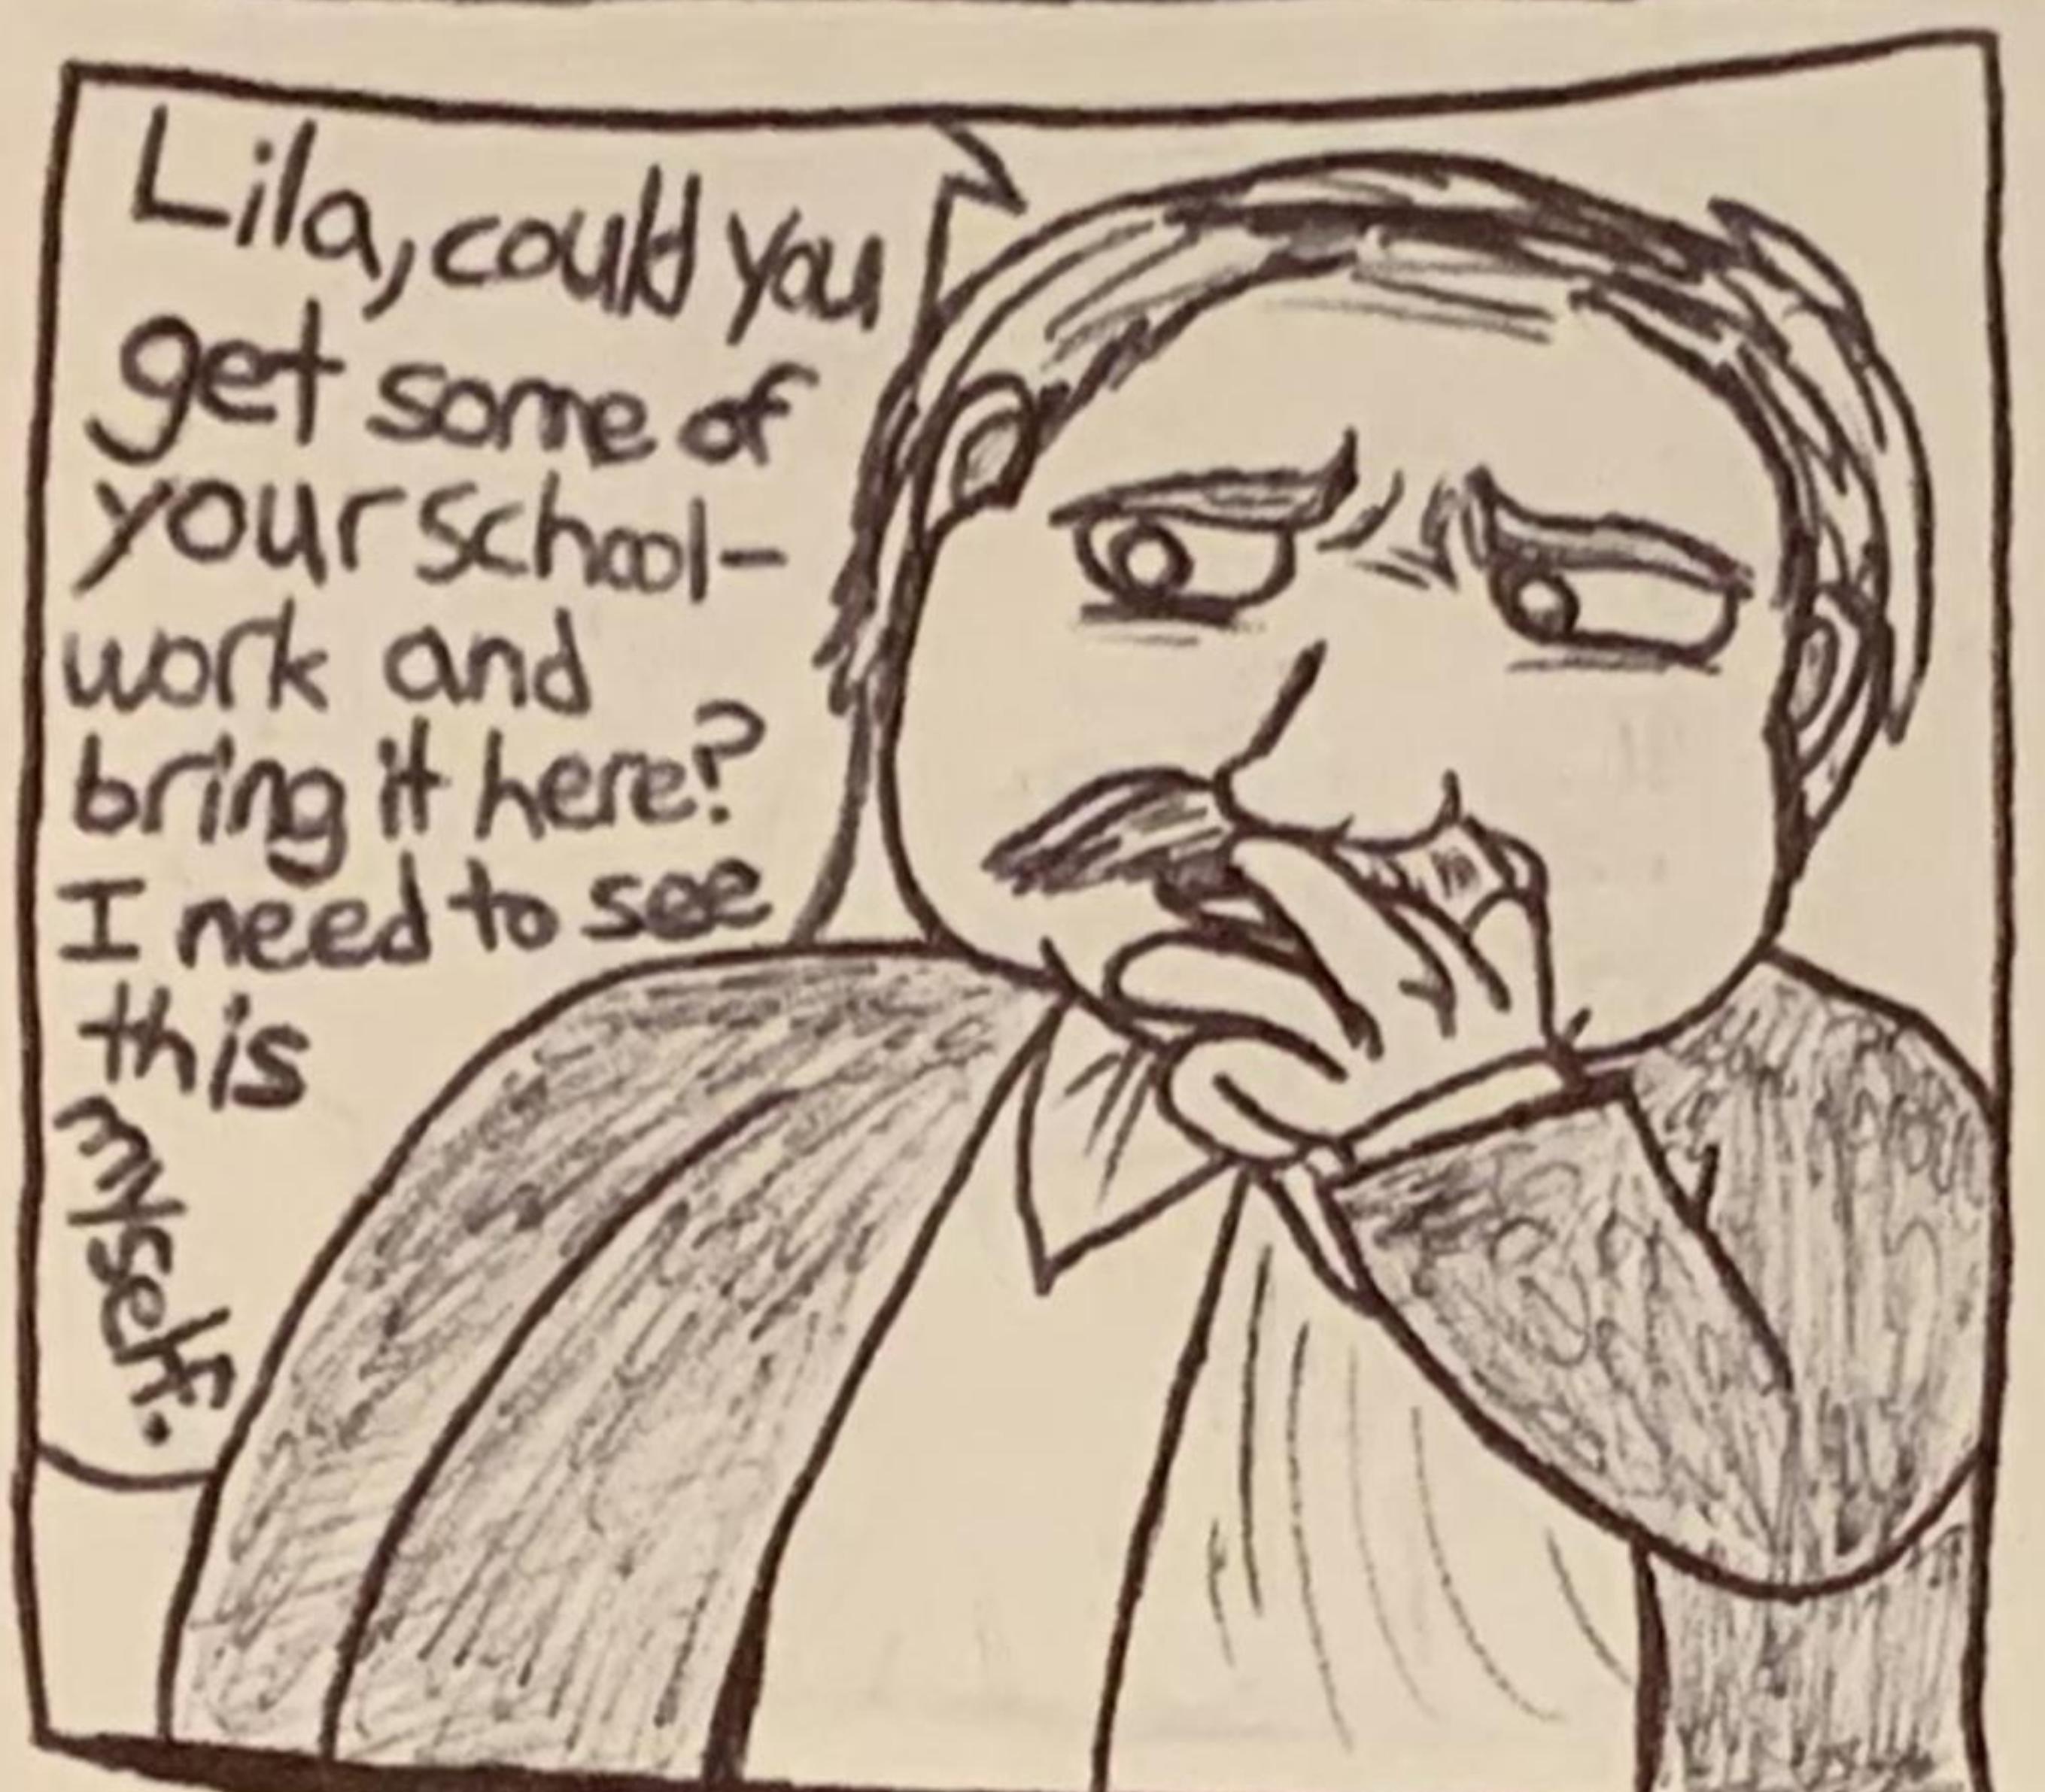

Well, I wouldn't be so bored if I were actually learning new things.

What?

Well, we don't really learn anything hard in school. That's how it is for everyone. Right, Lila?

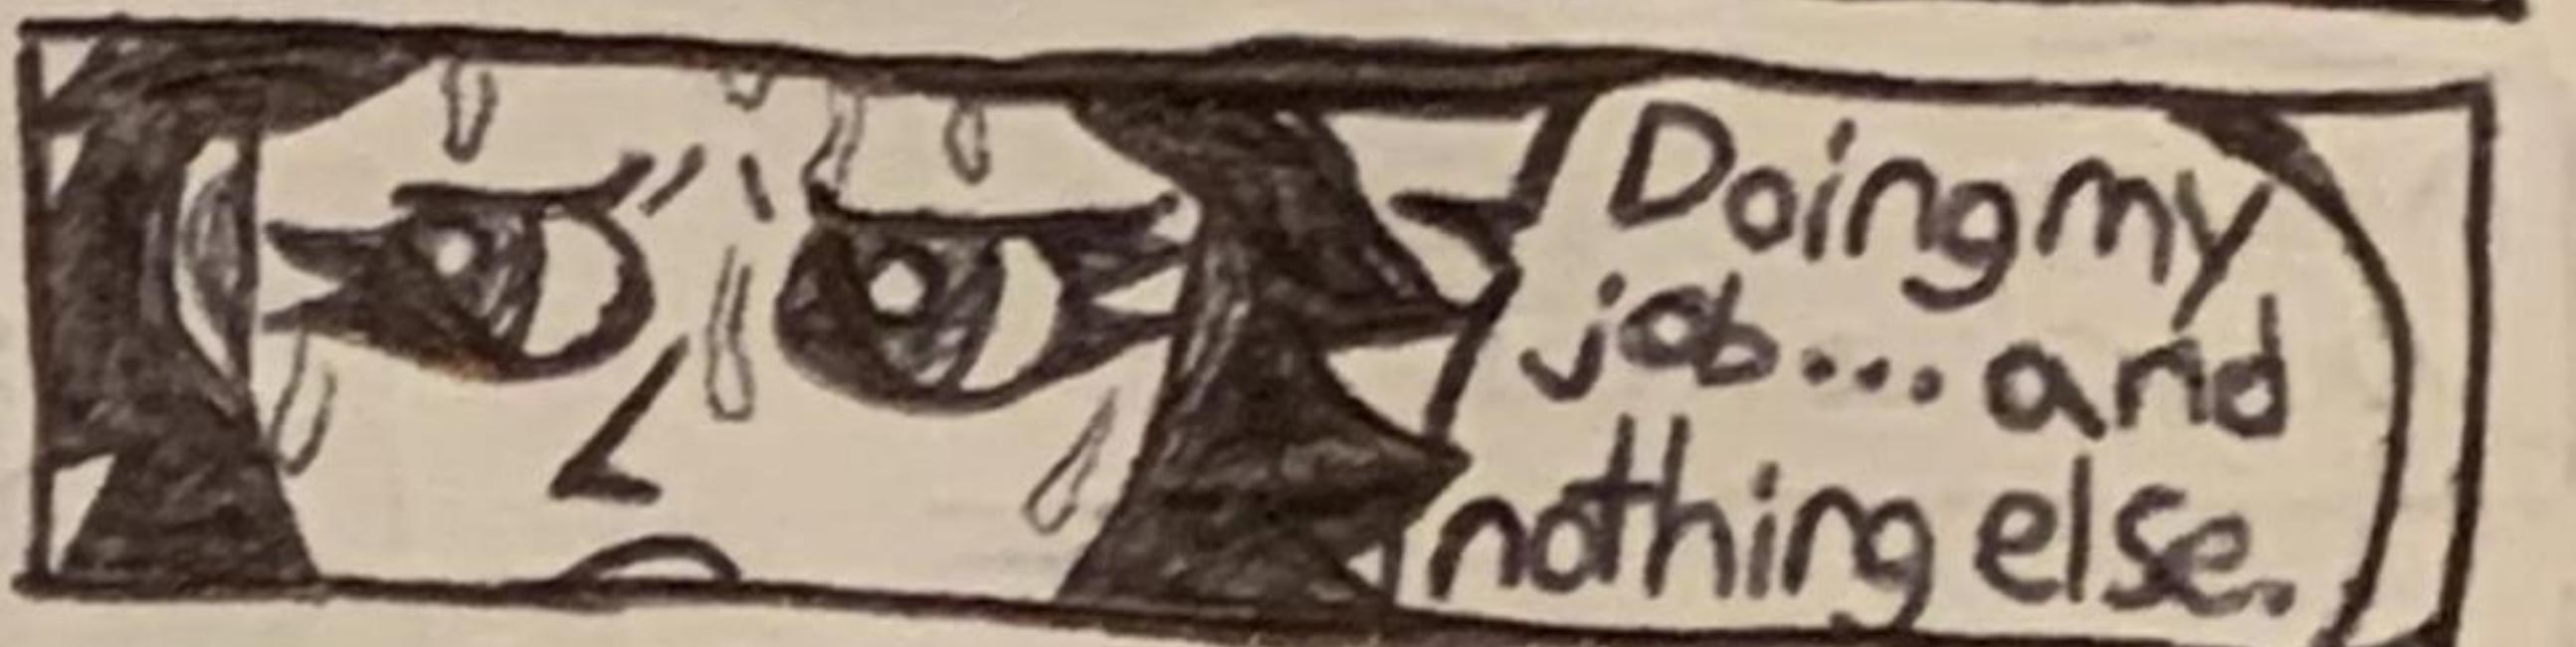

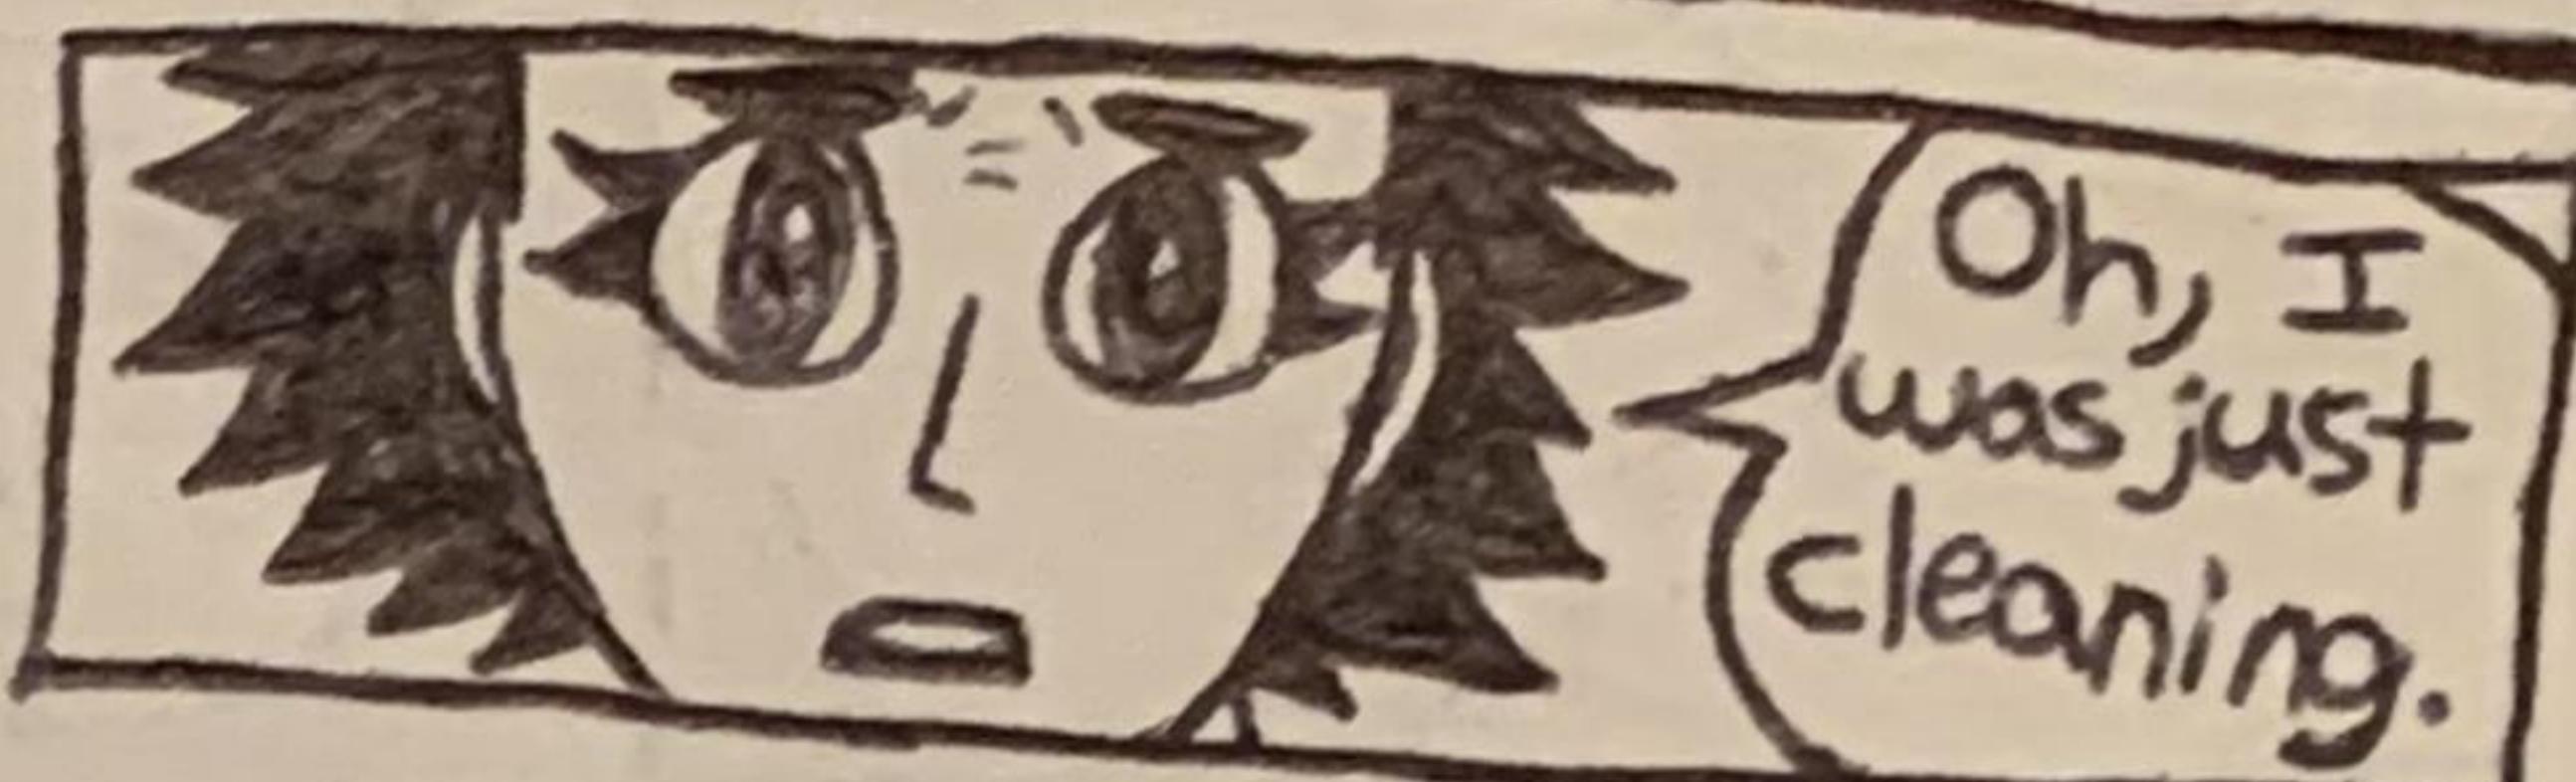

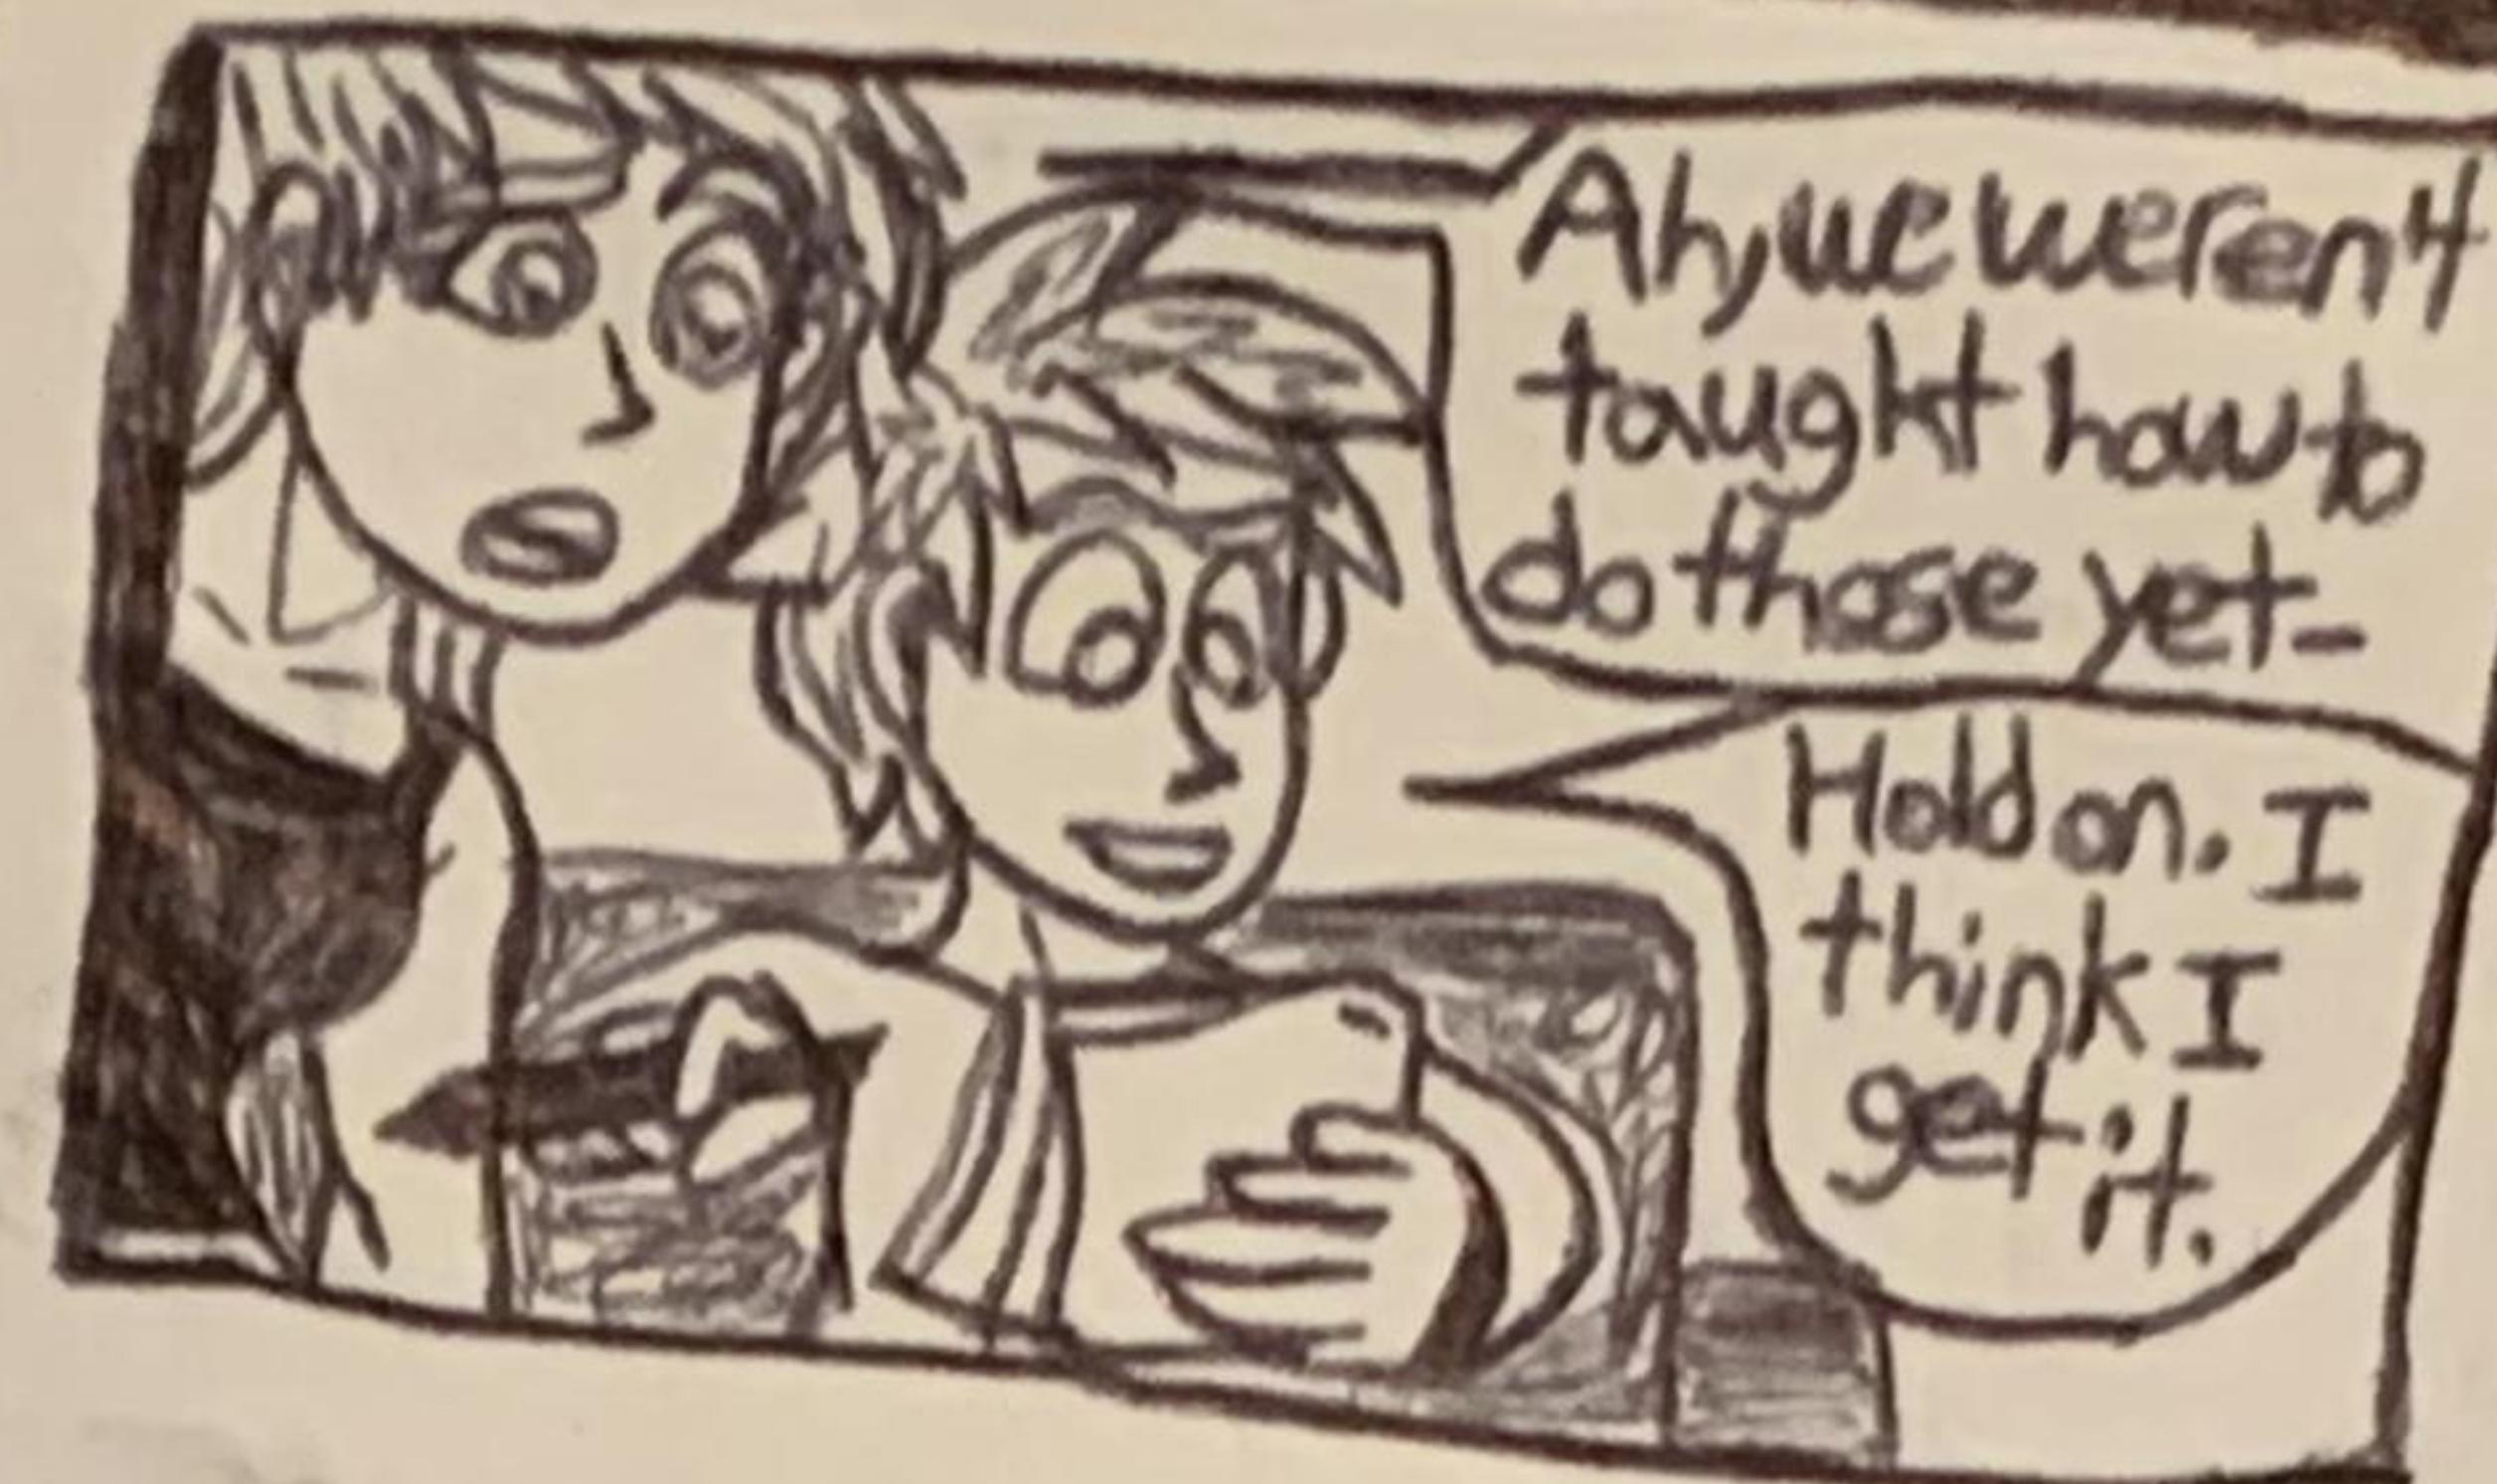

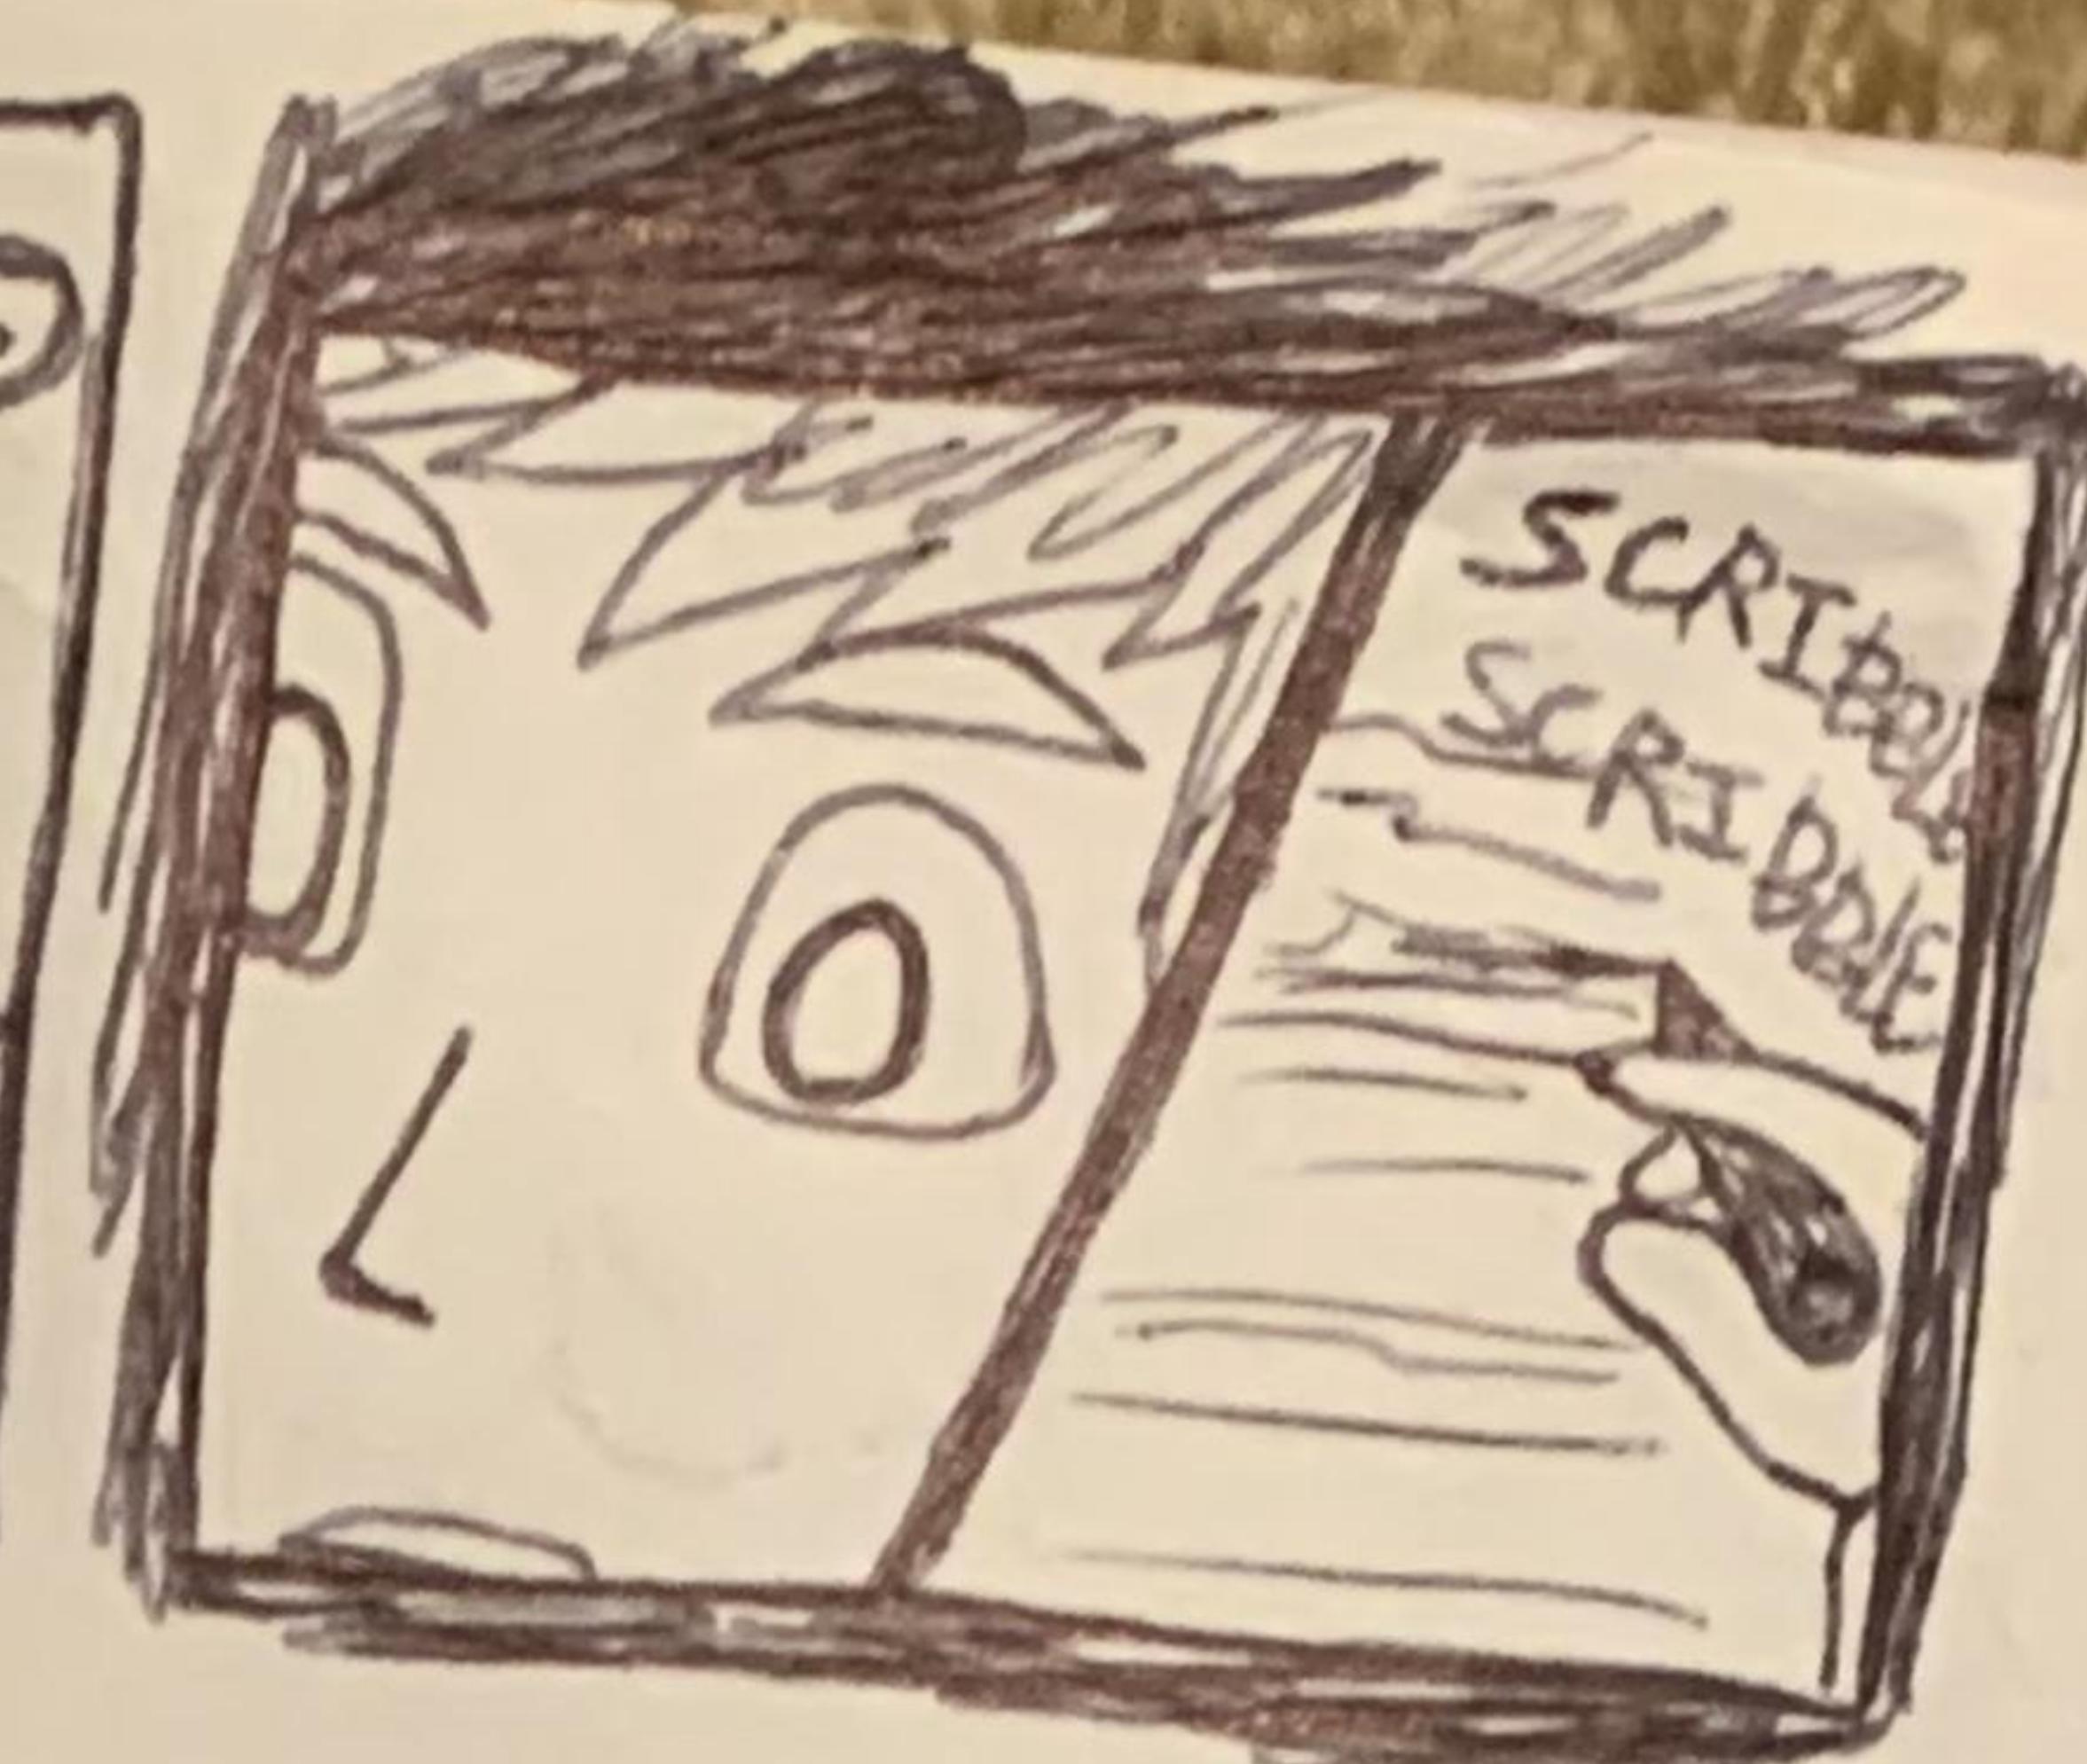

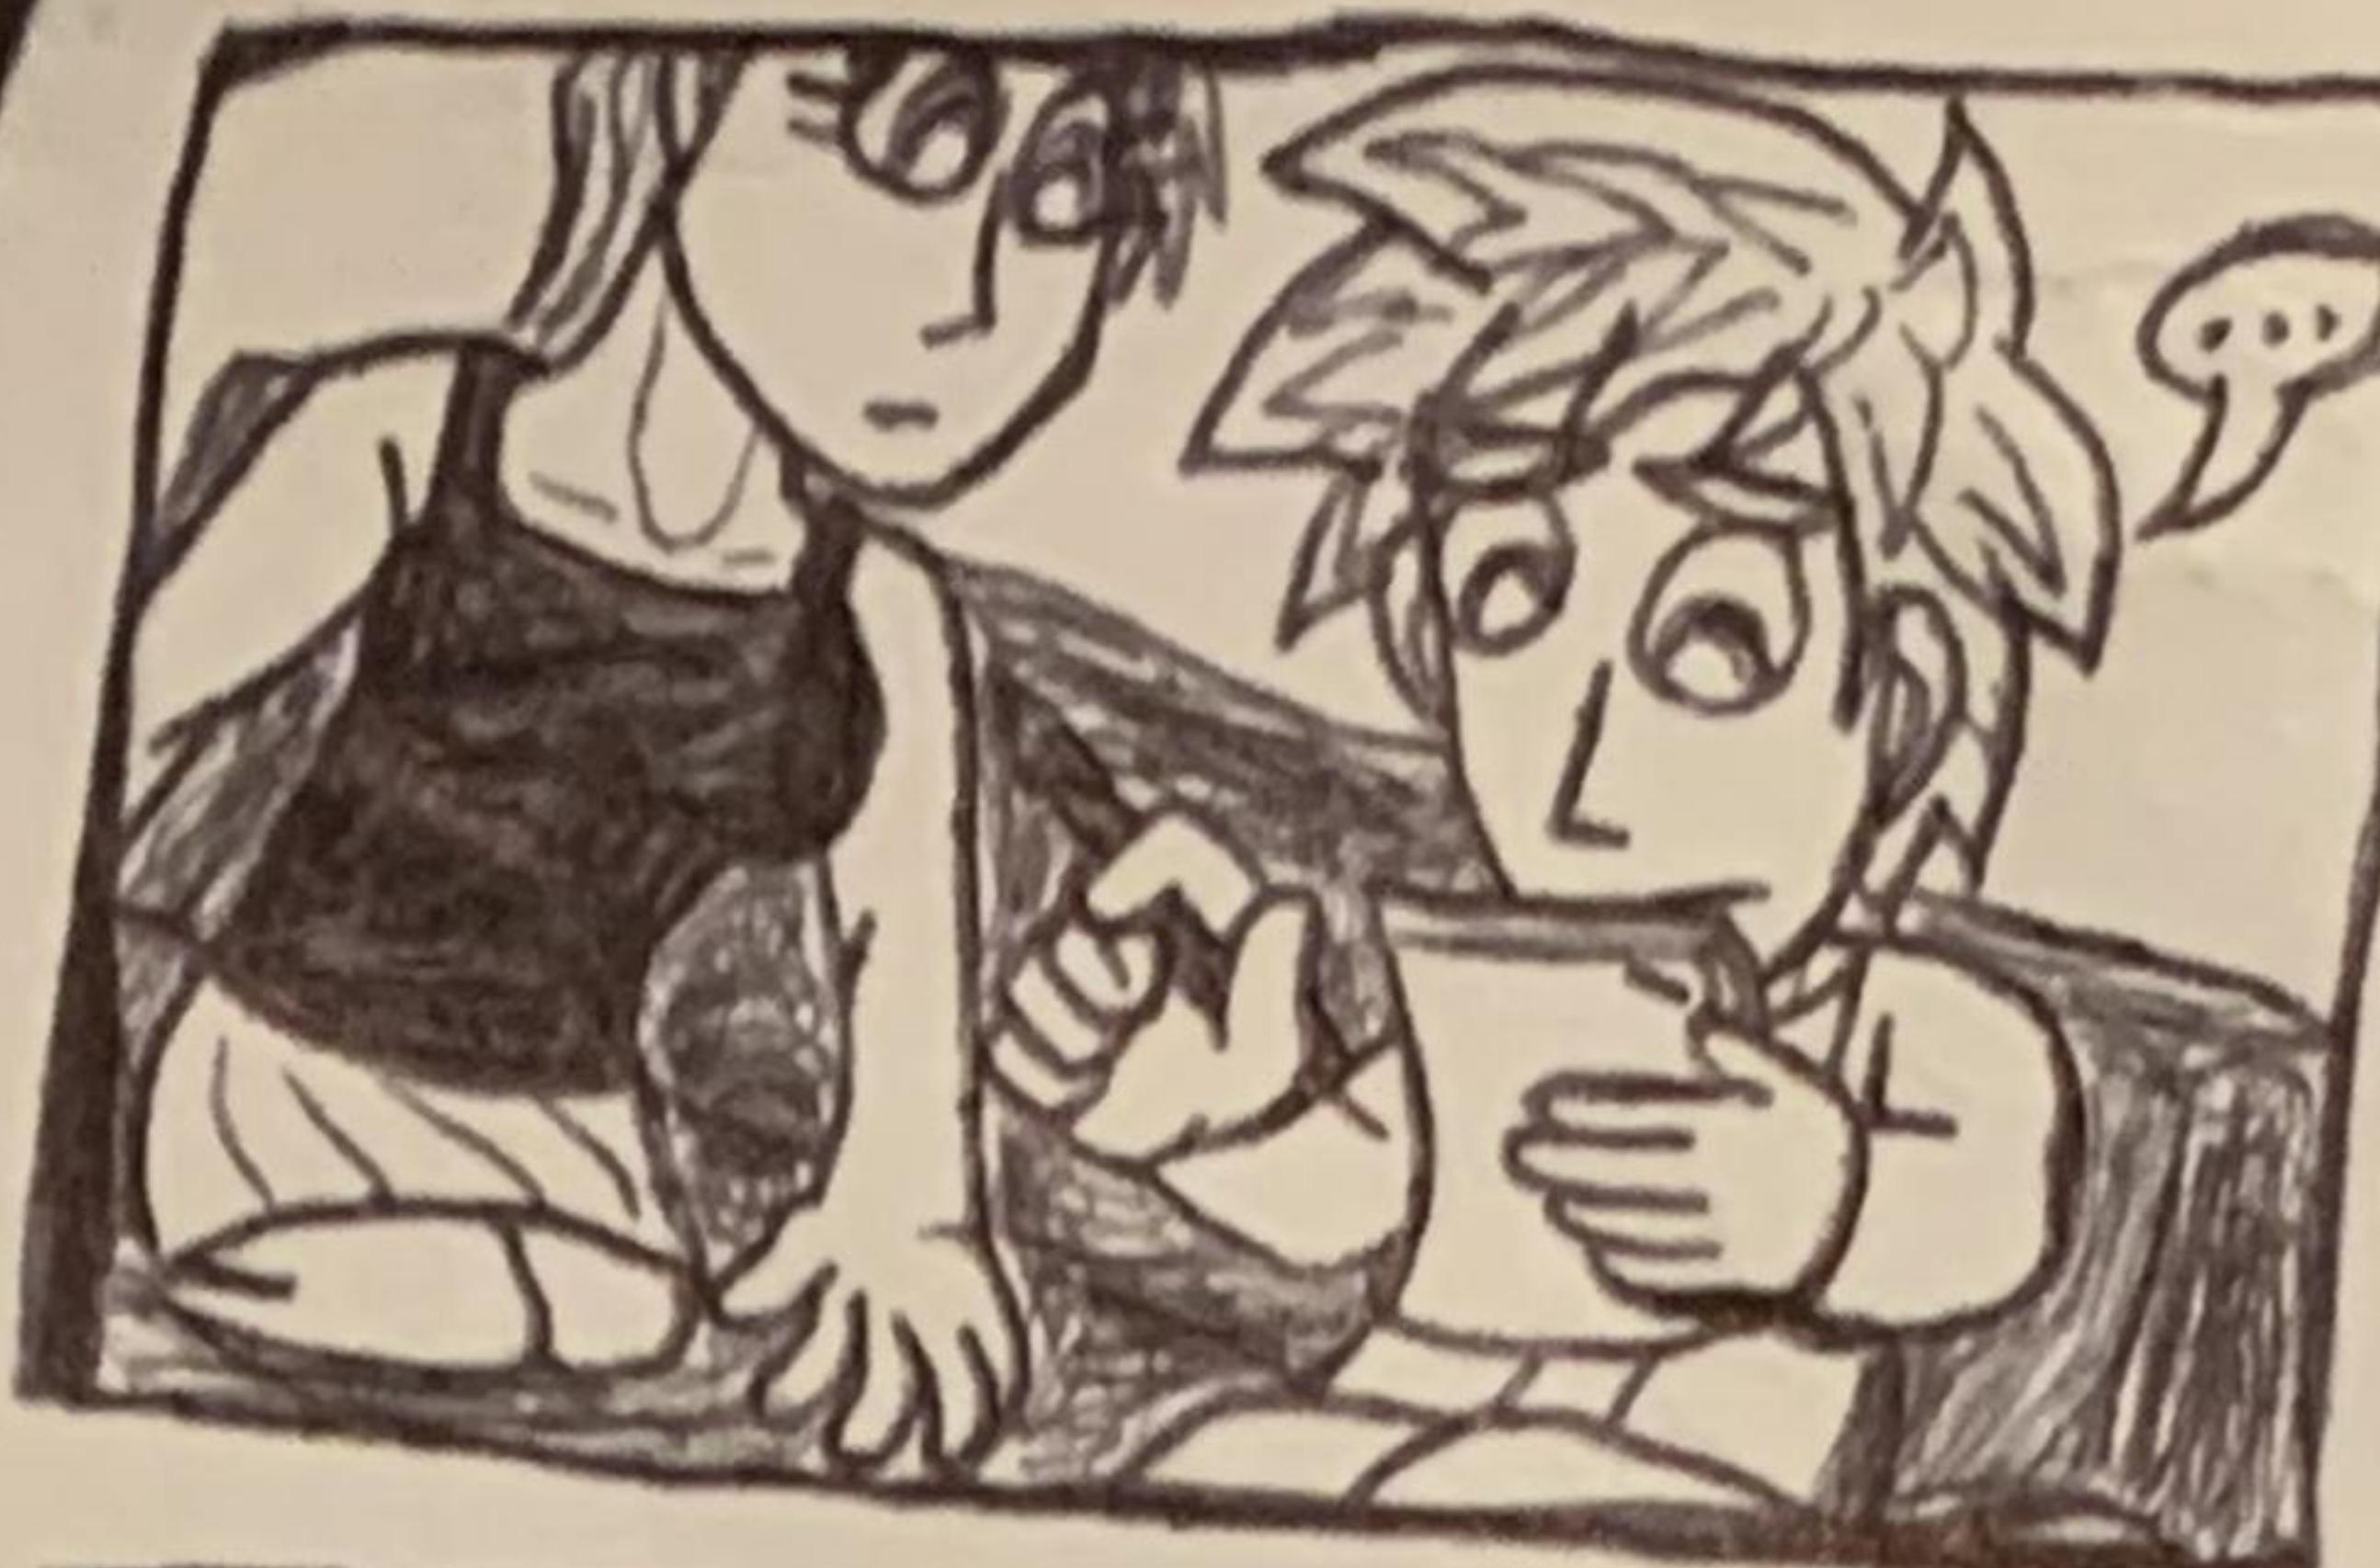

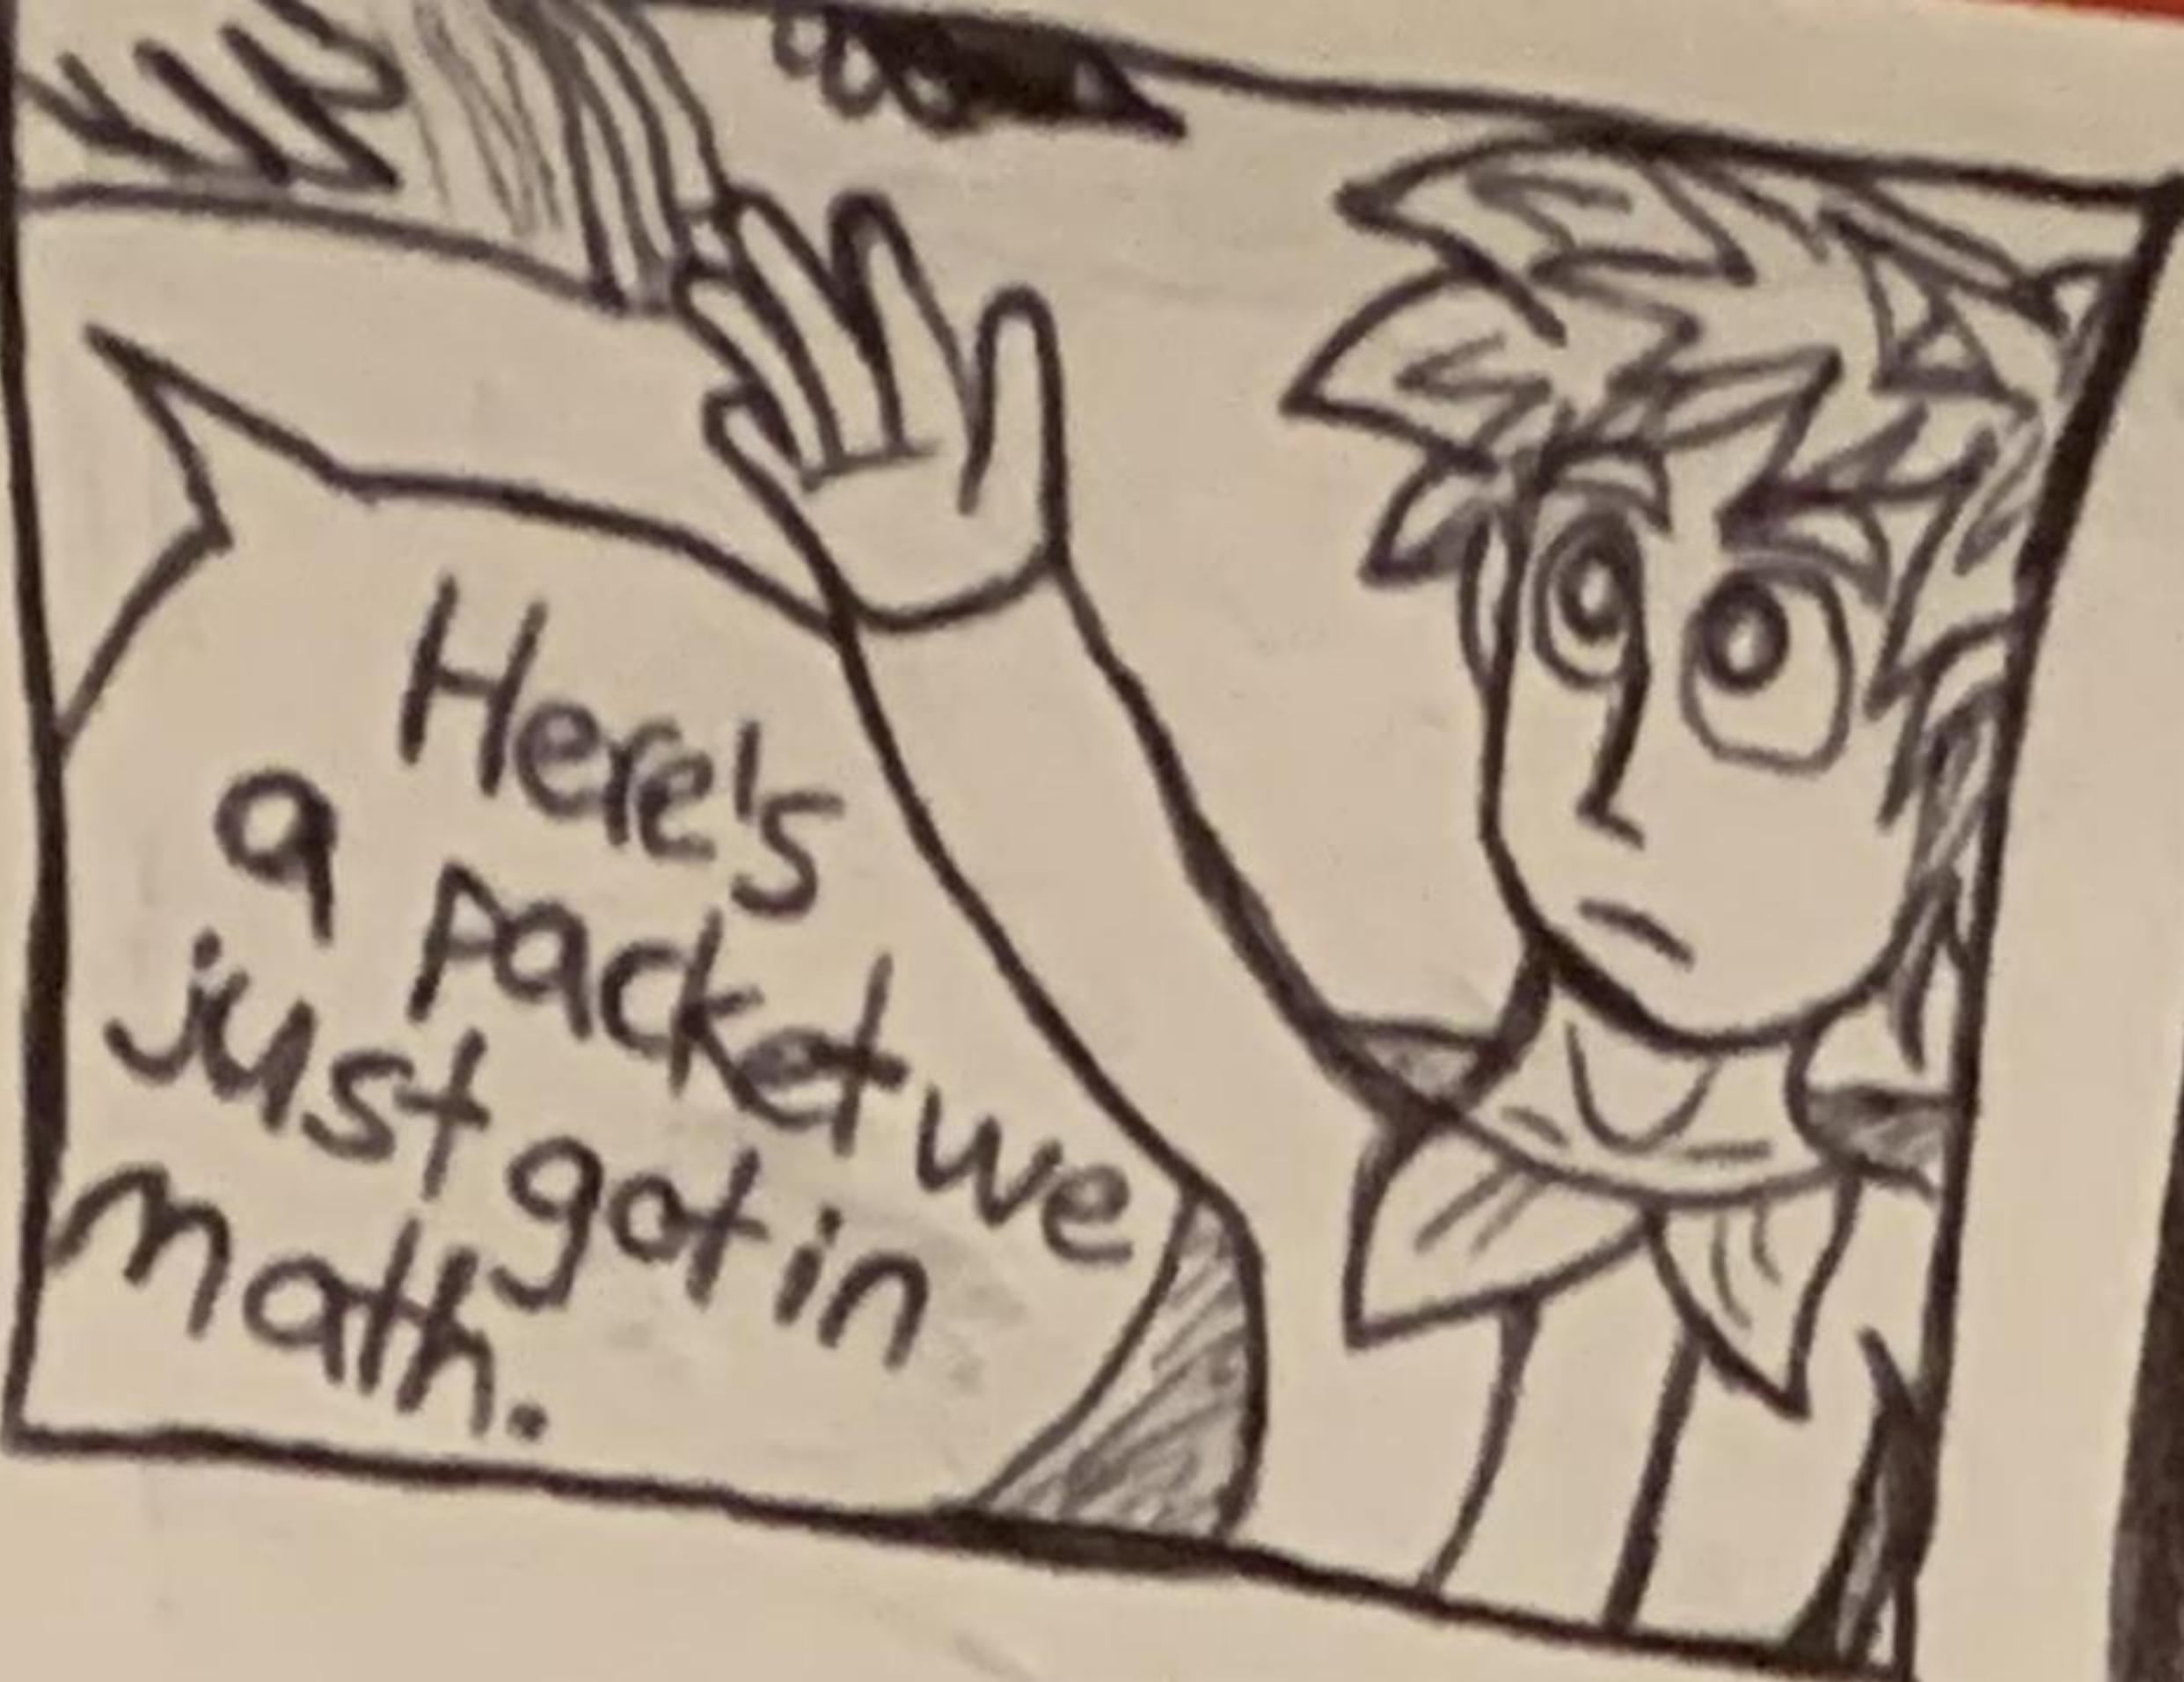

Lila, could you get some of your school-work and bring it here? I need to see this

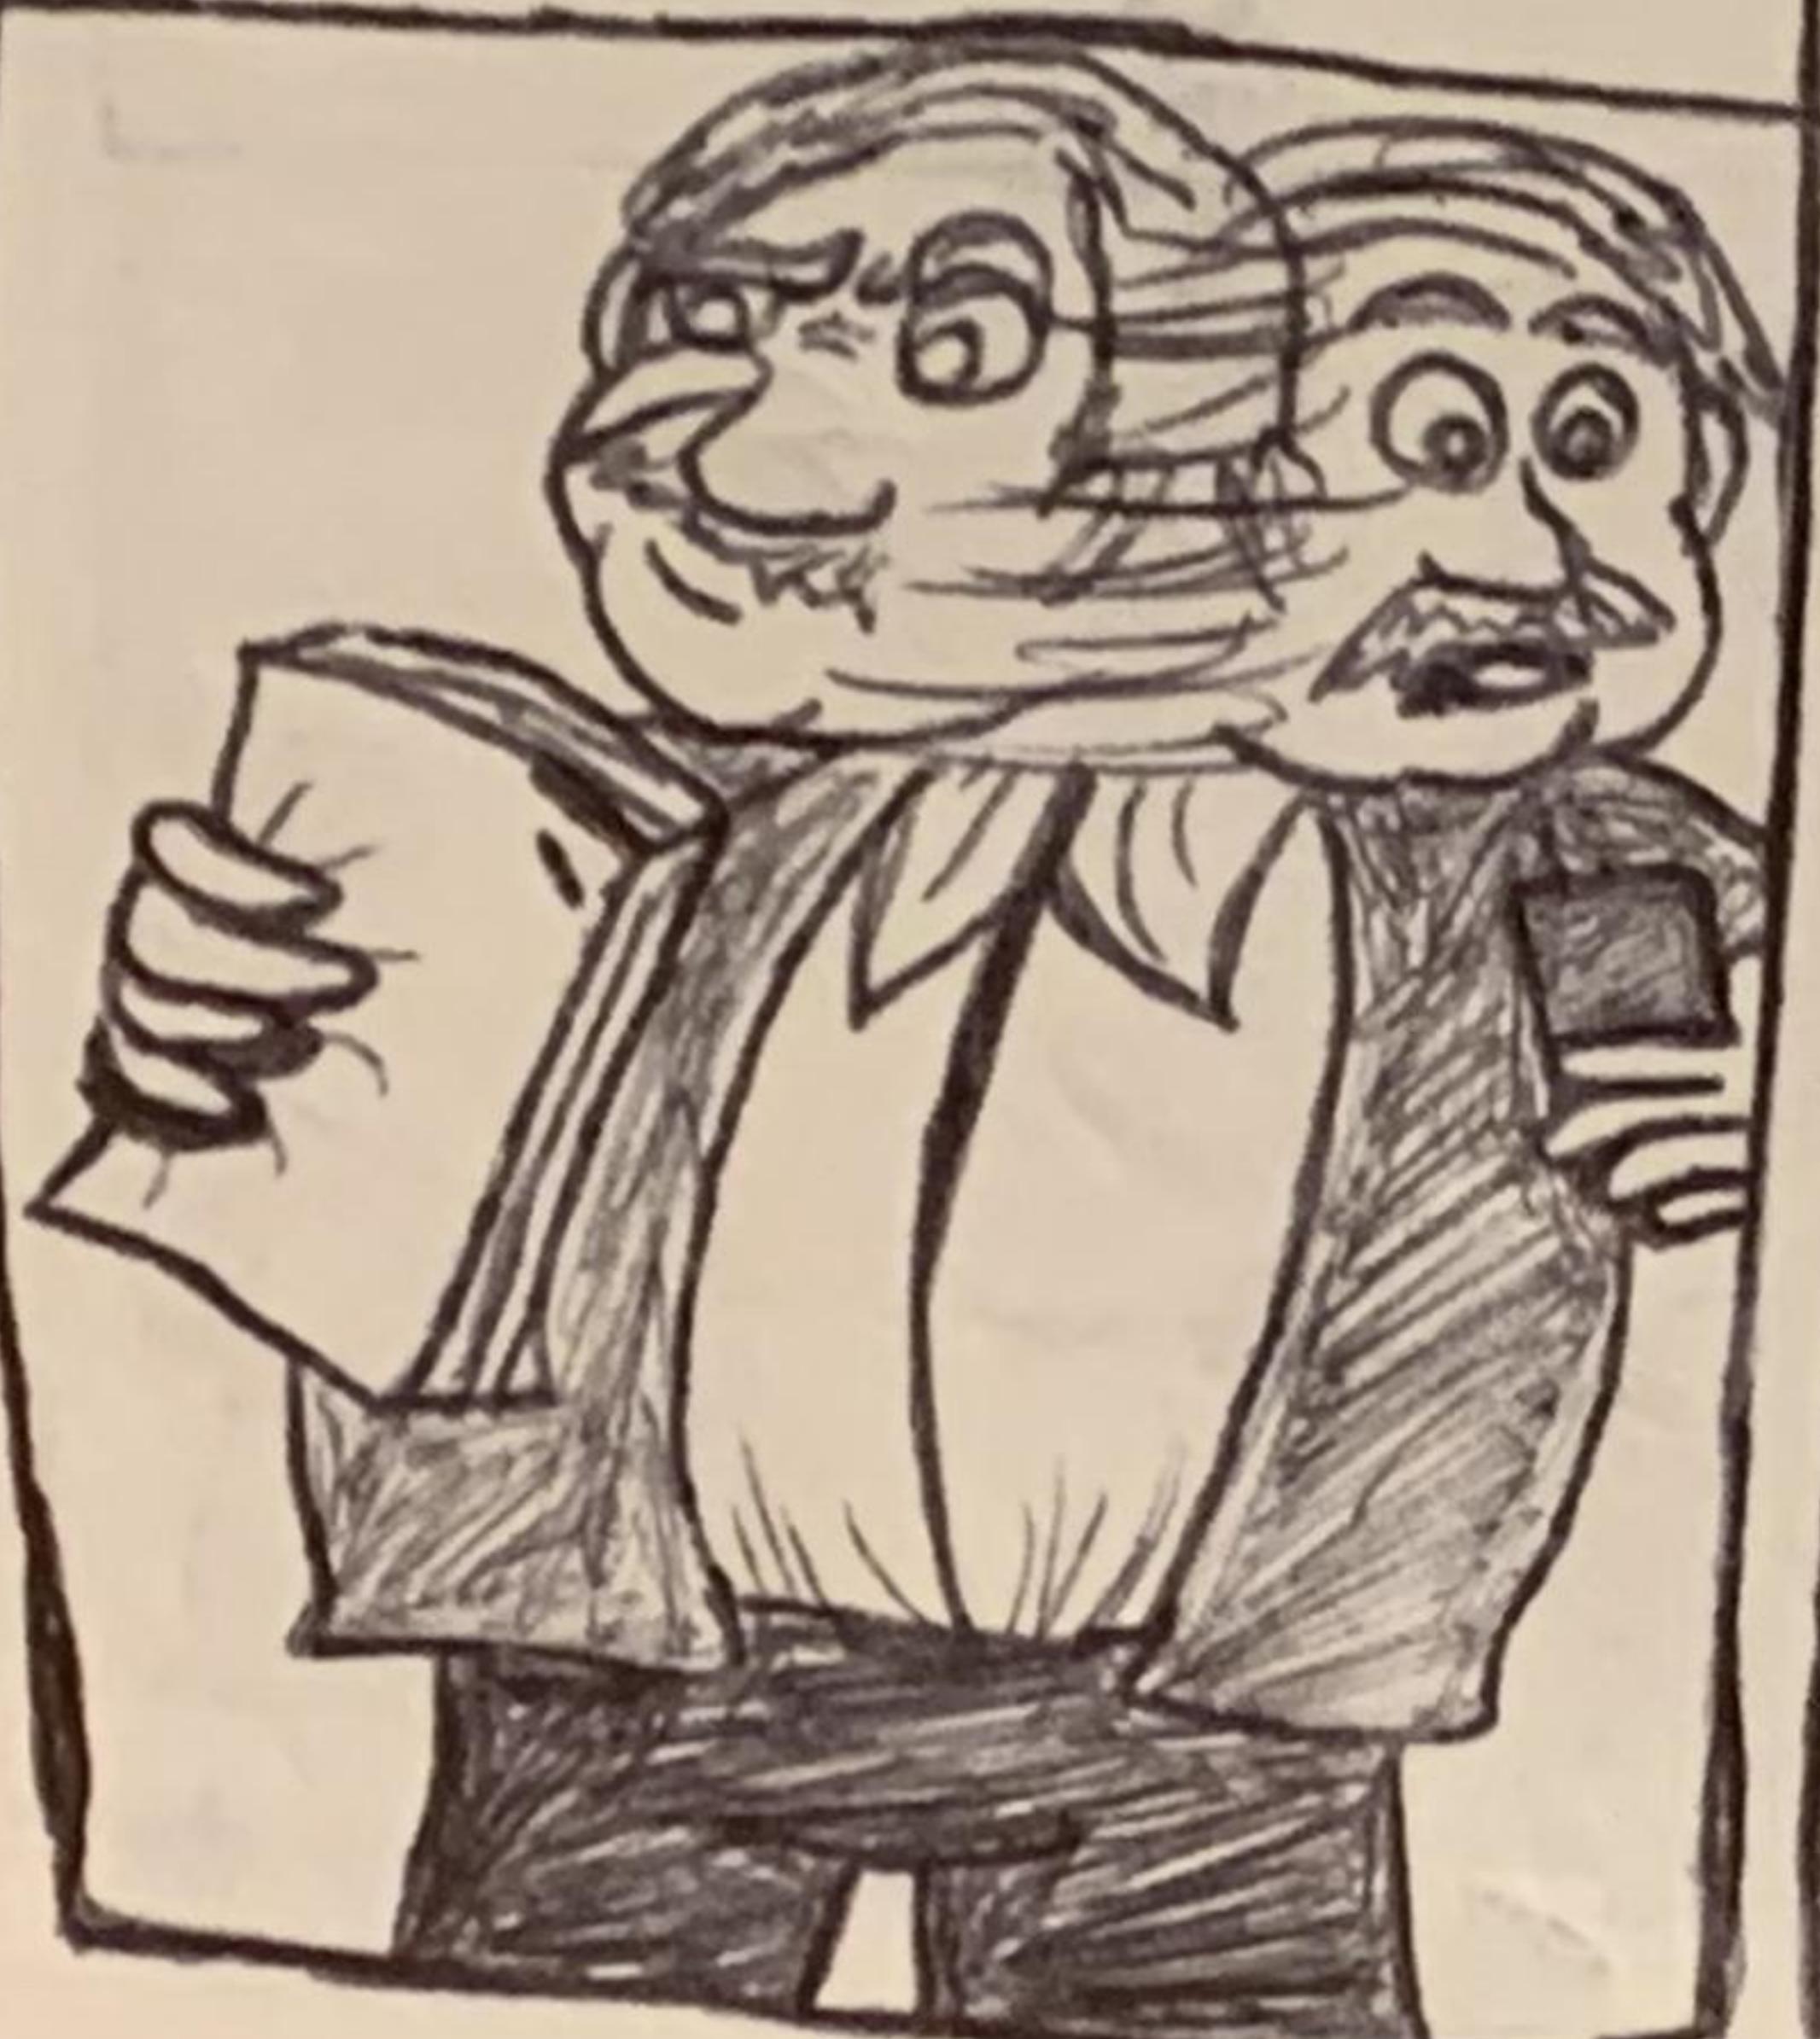

Okay. I'll be right back!

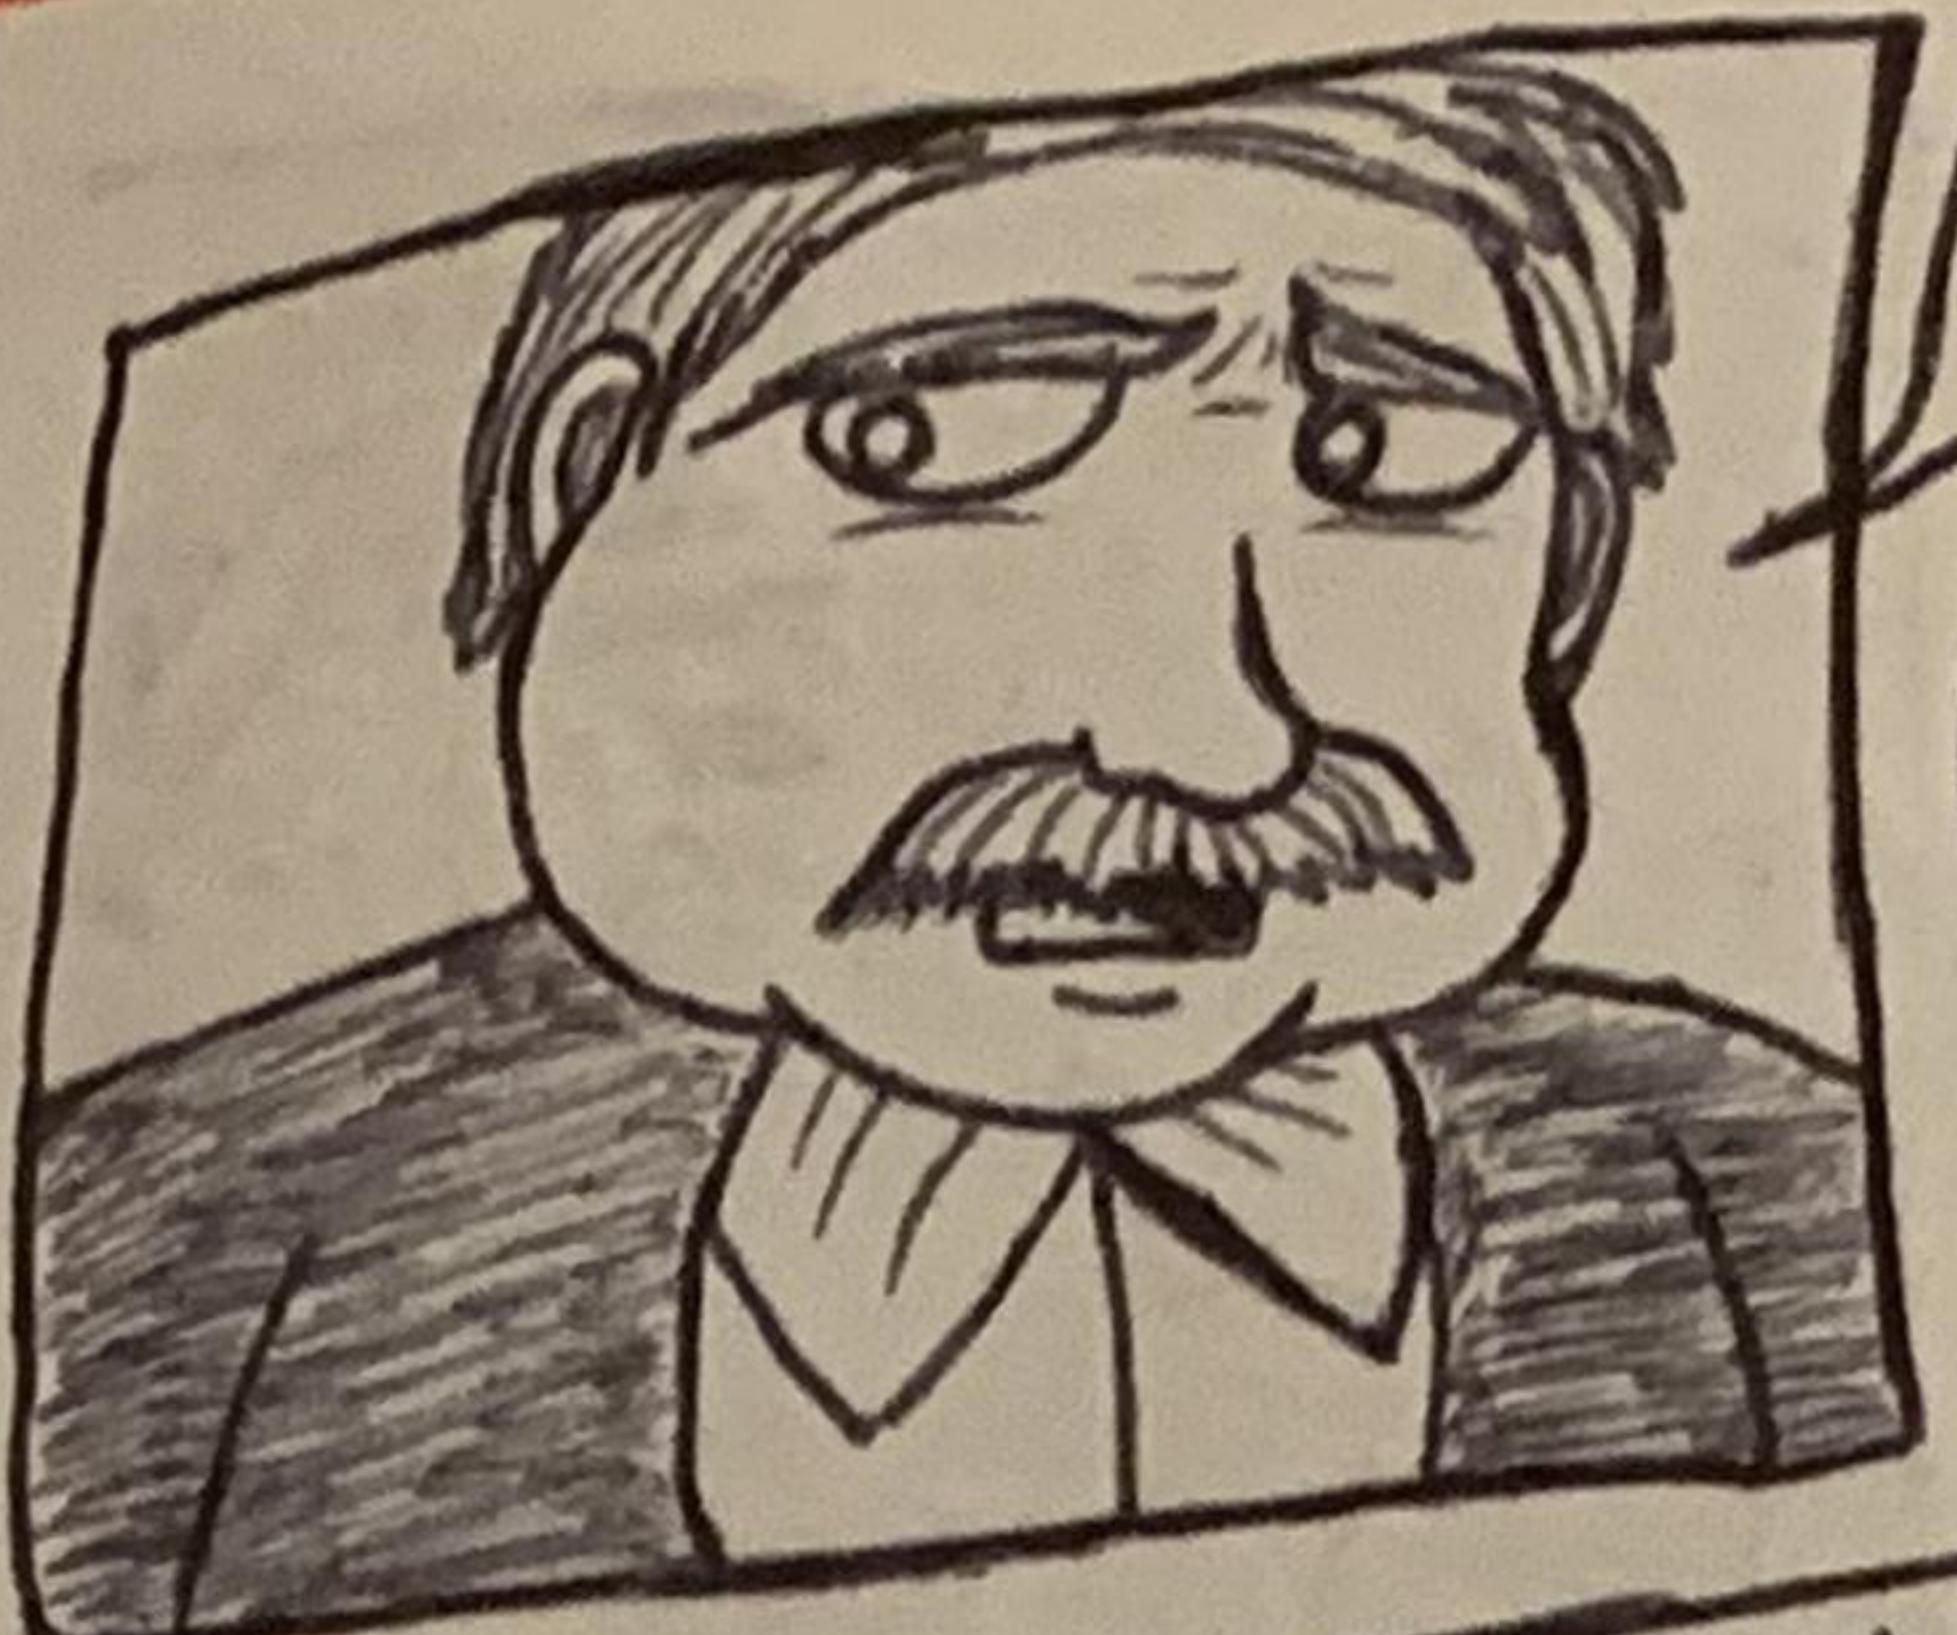

And after Cork's work
was checked...

However, you were extremely
close. If you worked with
your teachers, you could make
a fine student. Perhaps, even
fine enough for....

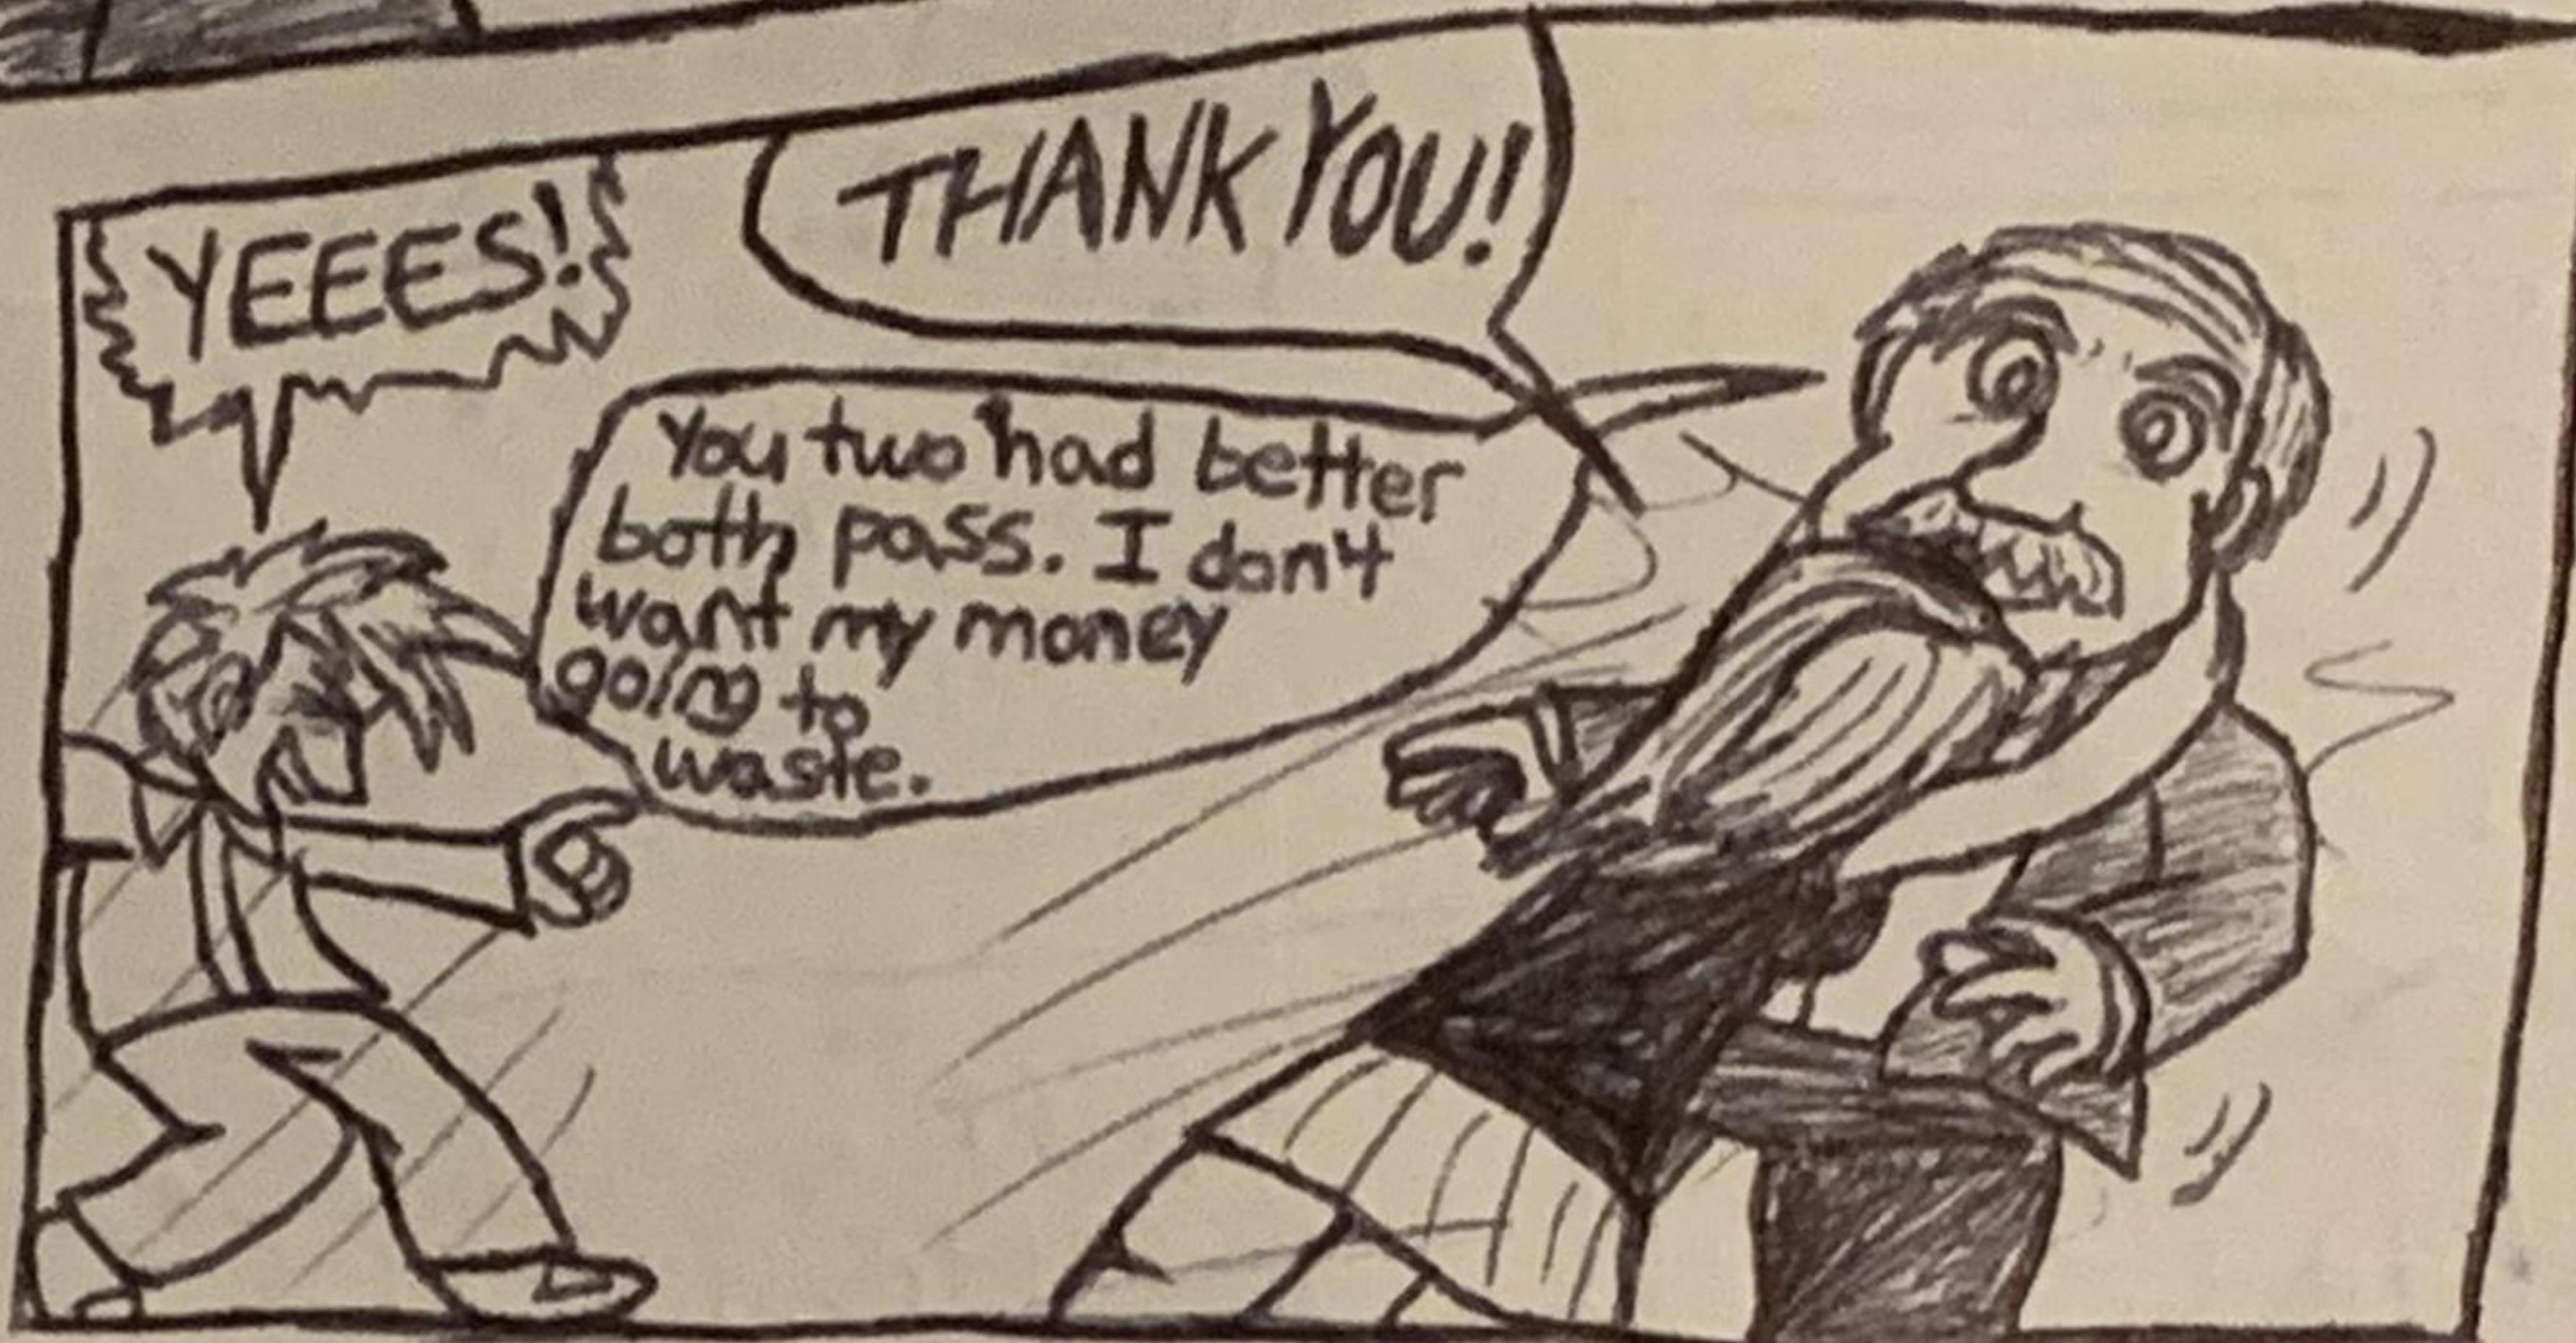

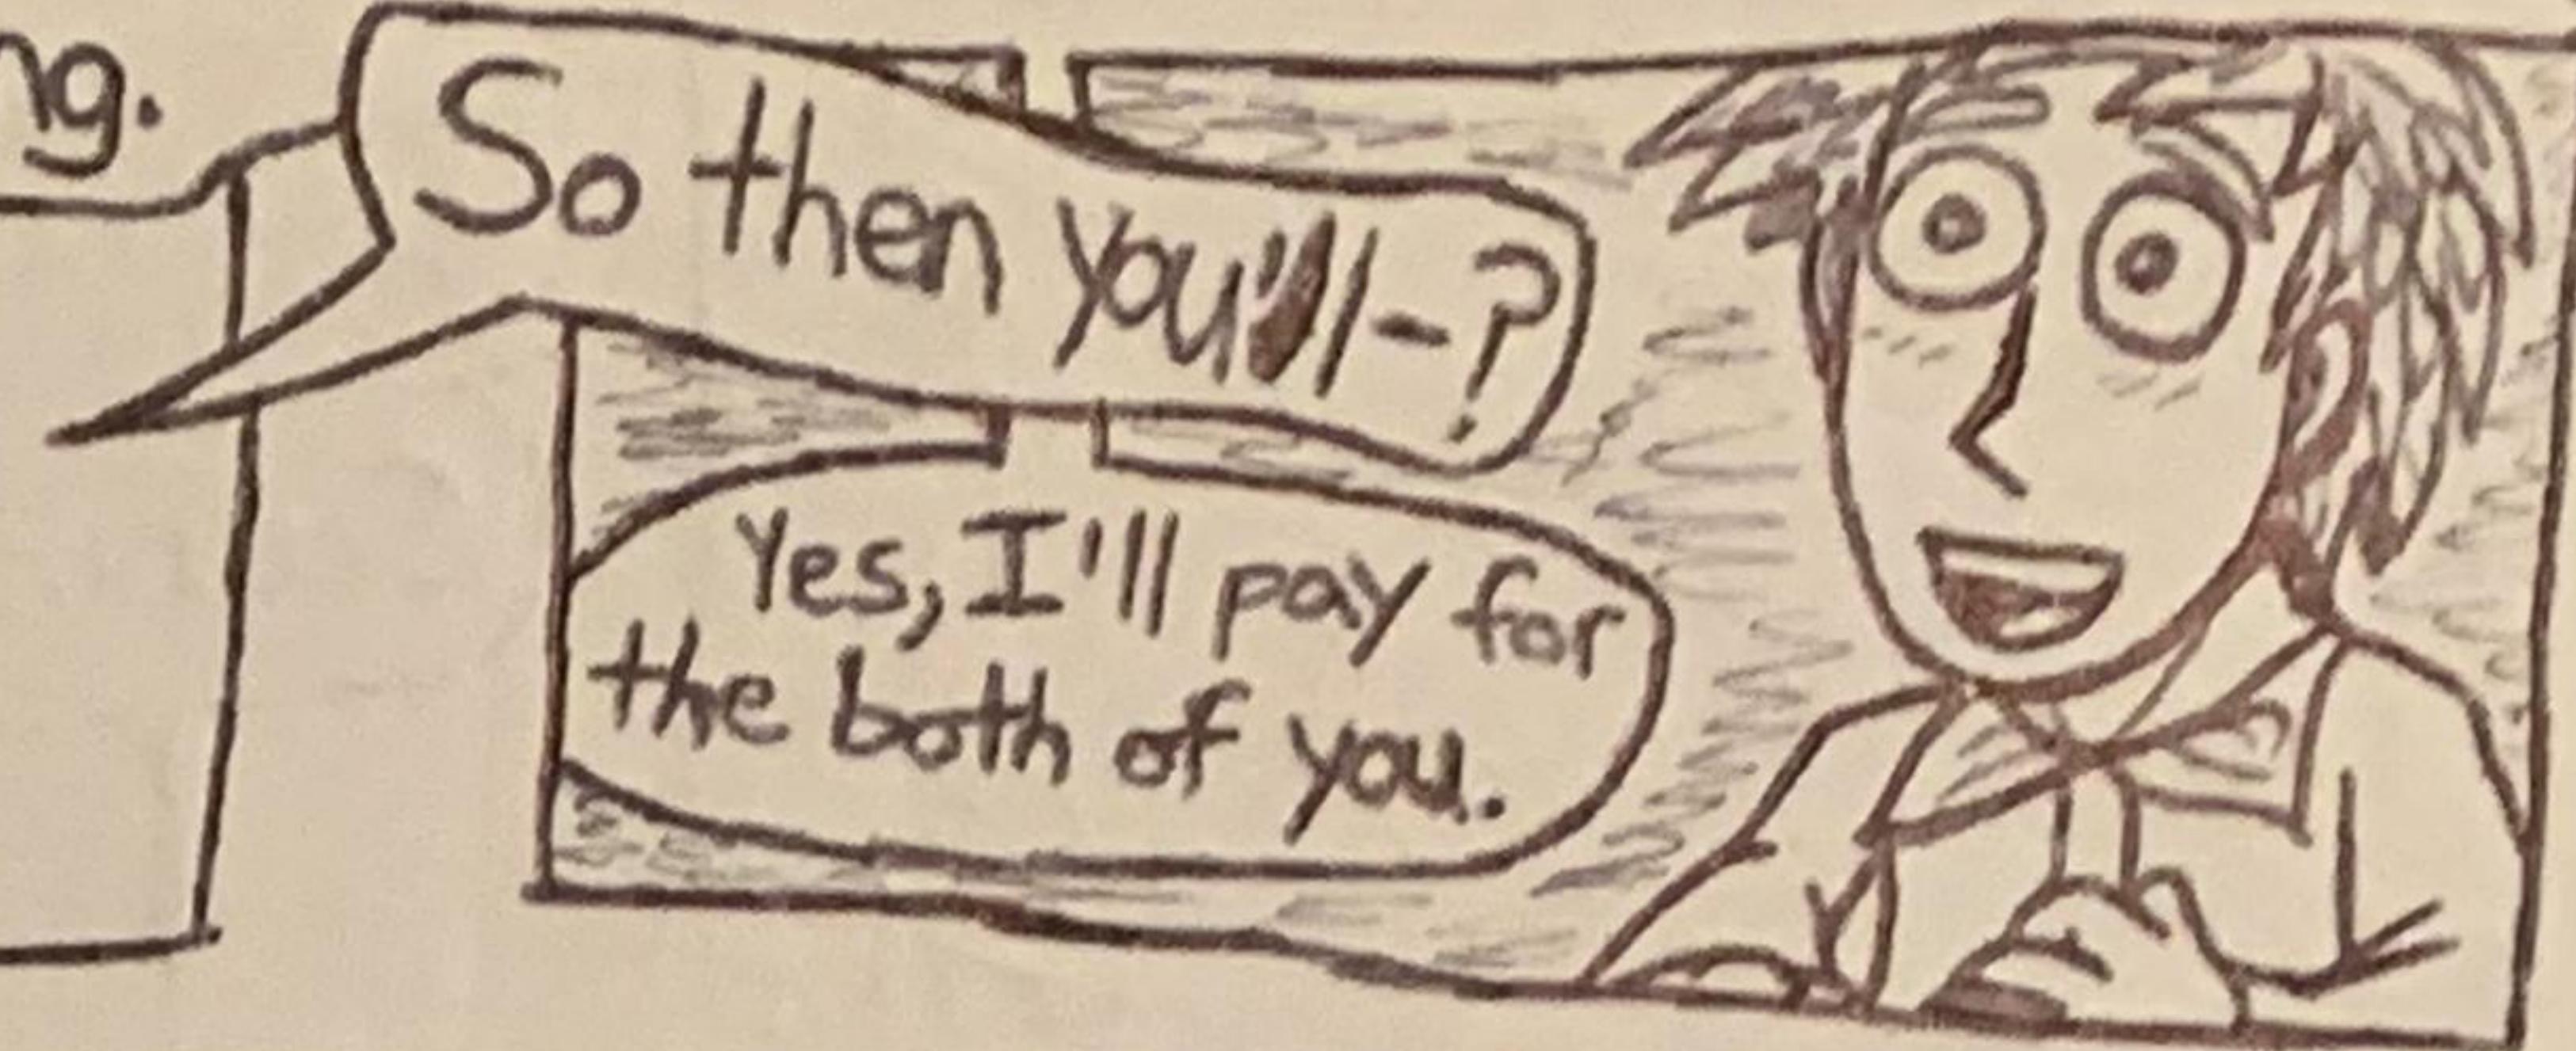

Honestly, I don't think I had the heart to refuse her from the beginning.

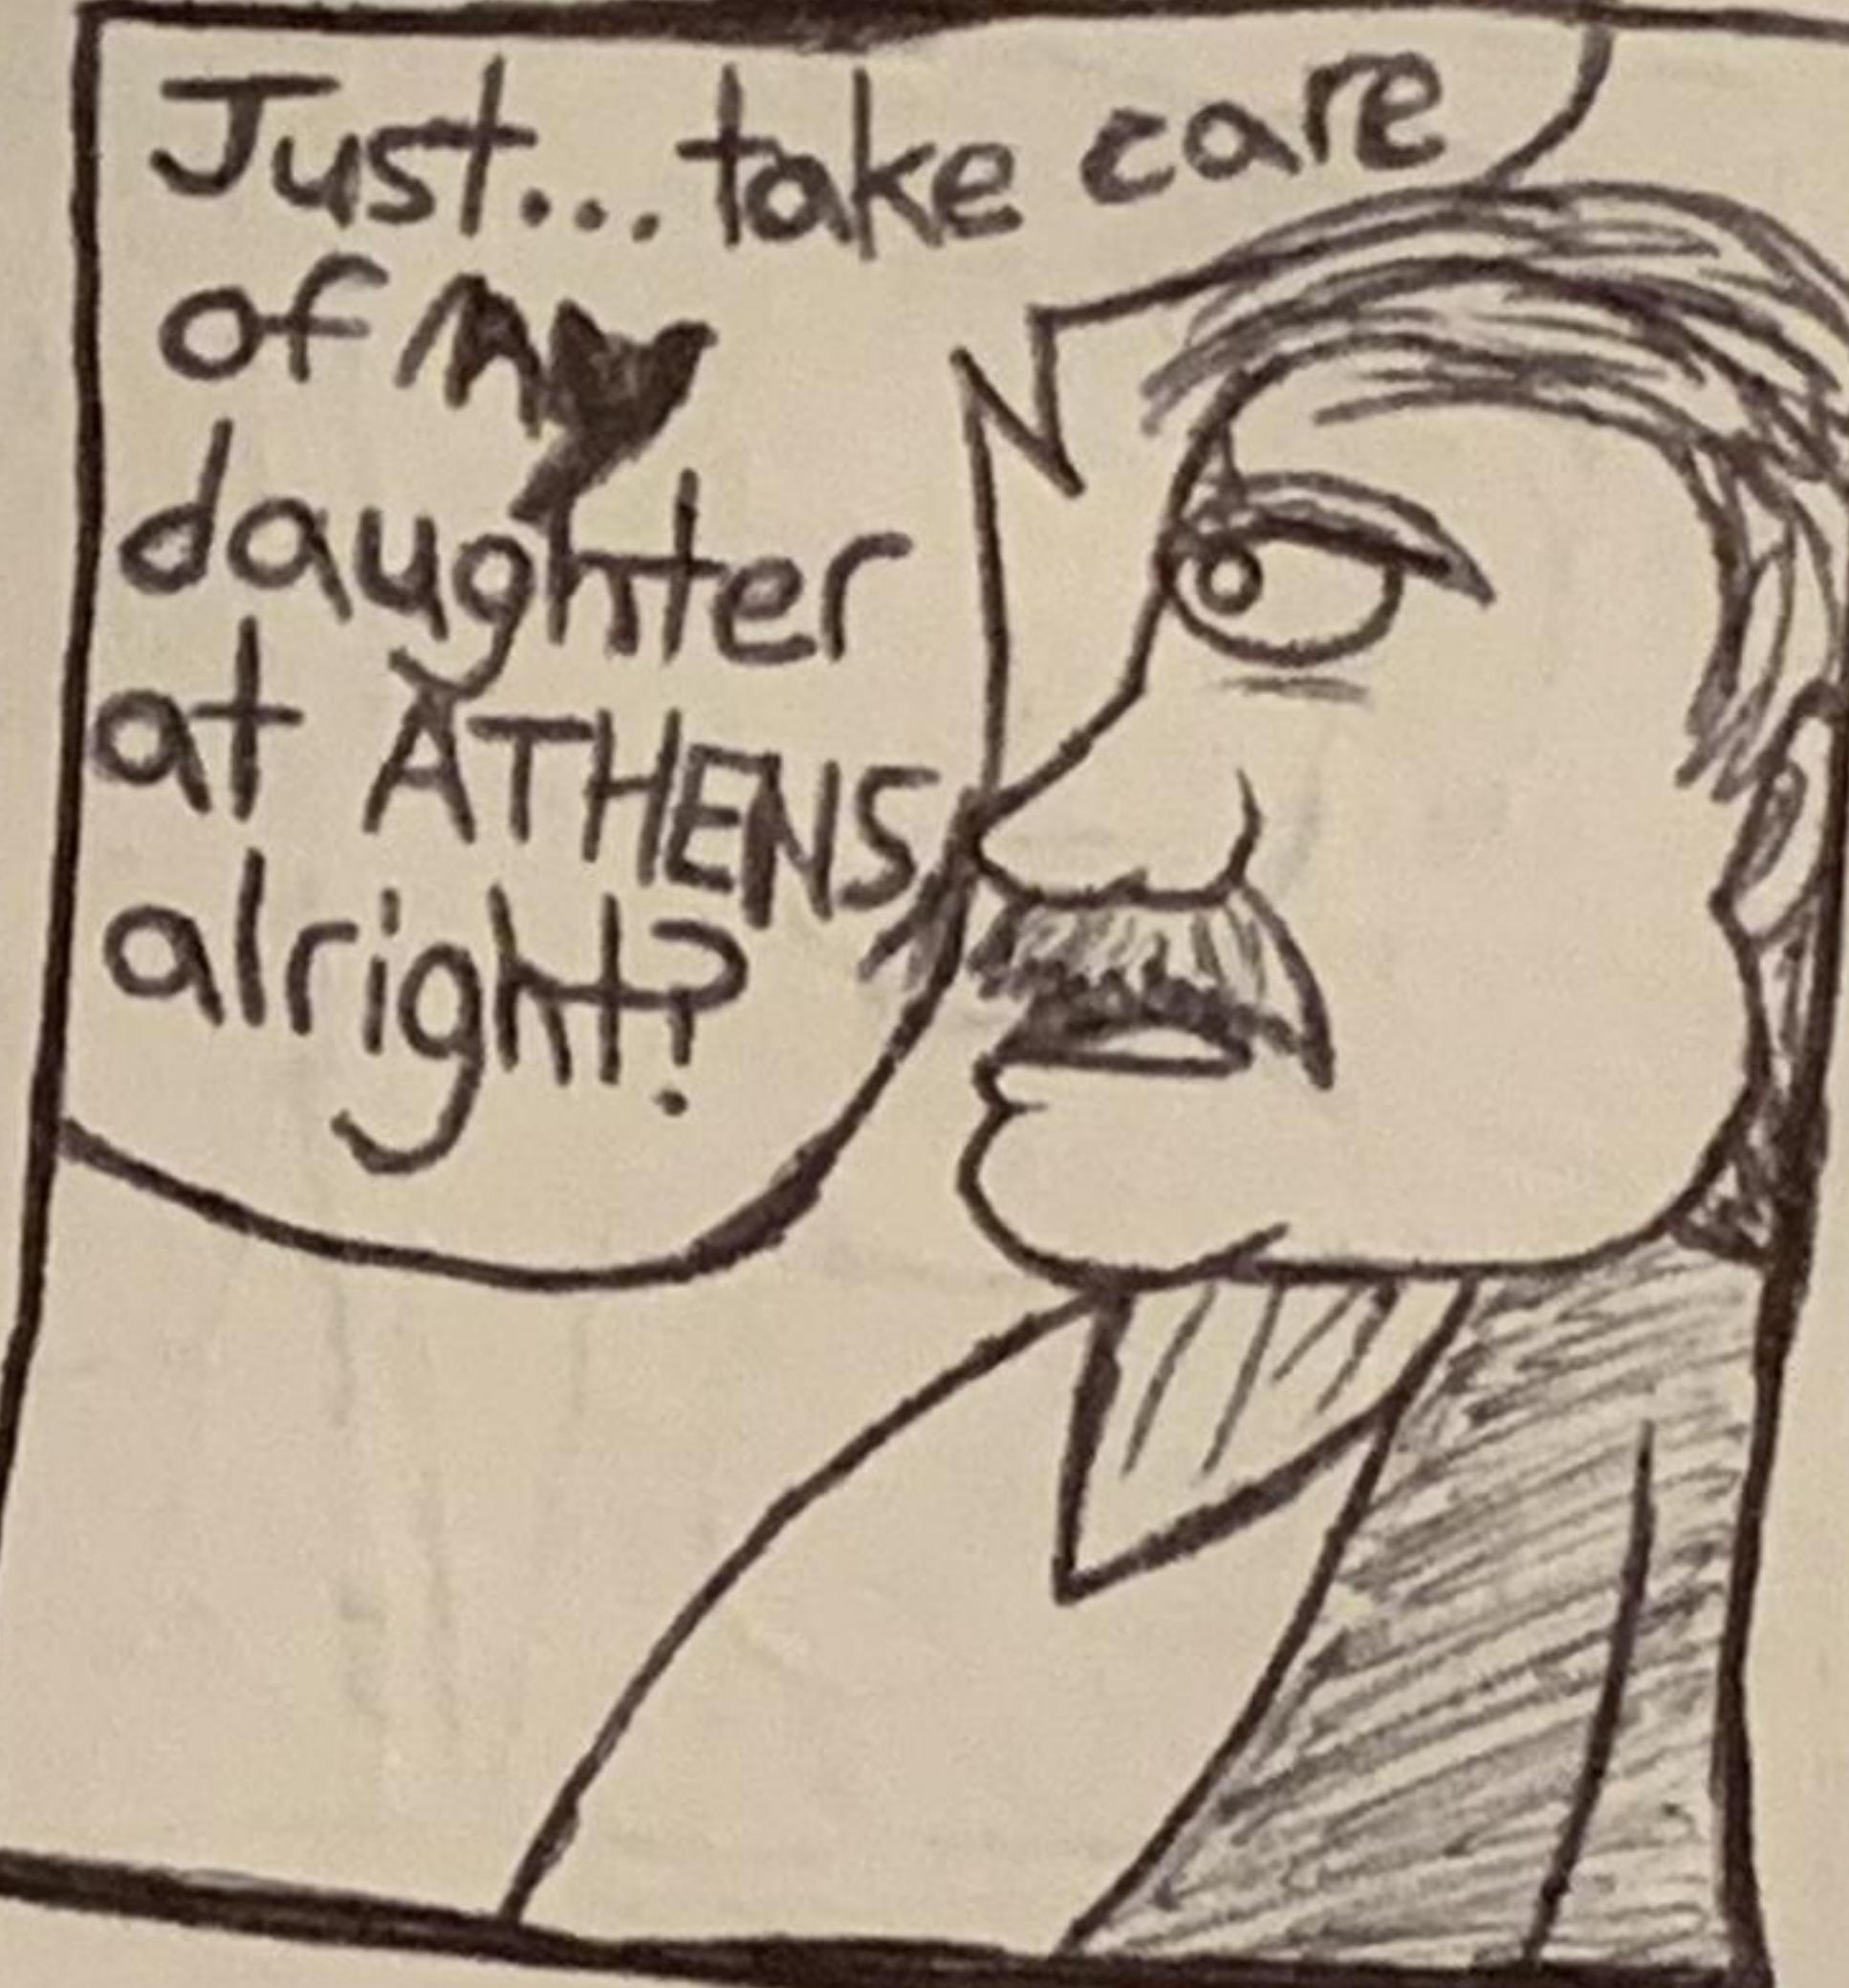

So then you'll-?

Yes, I'll pay for the both of you.

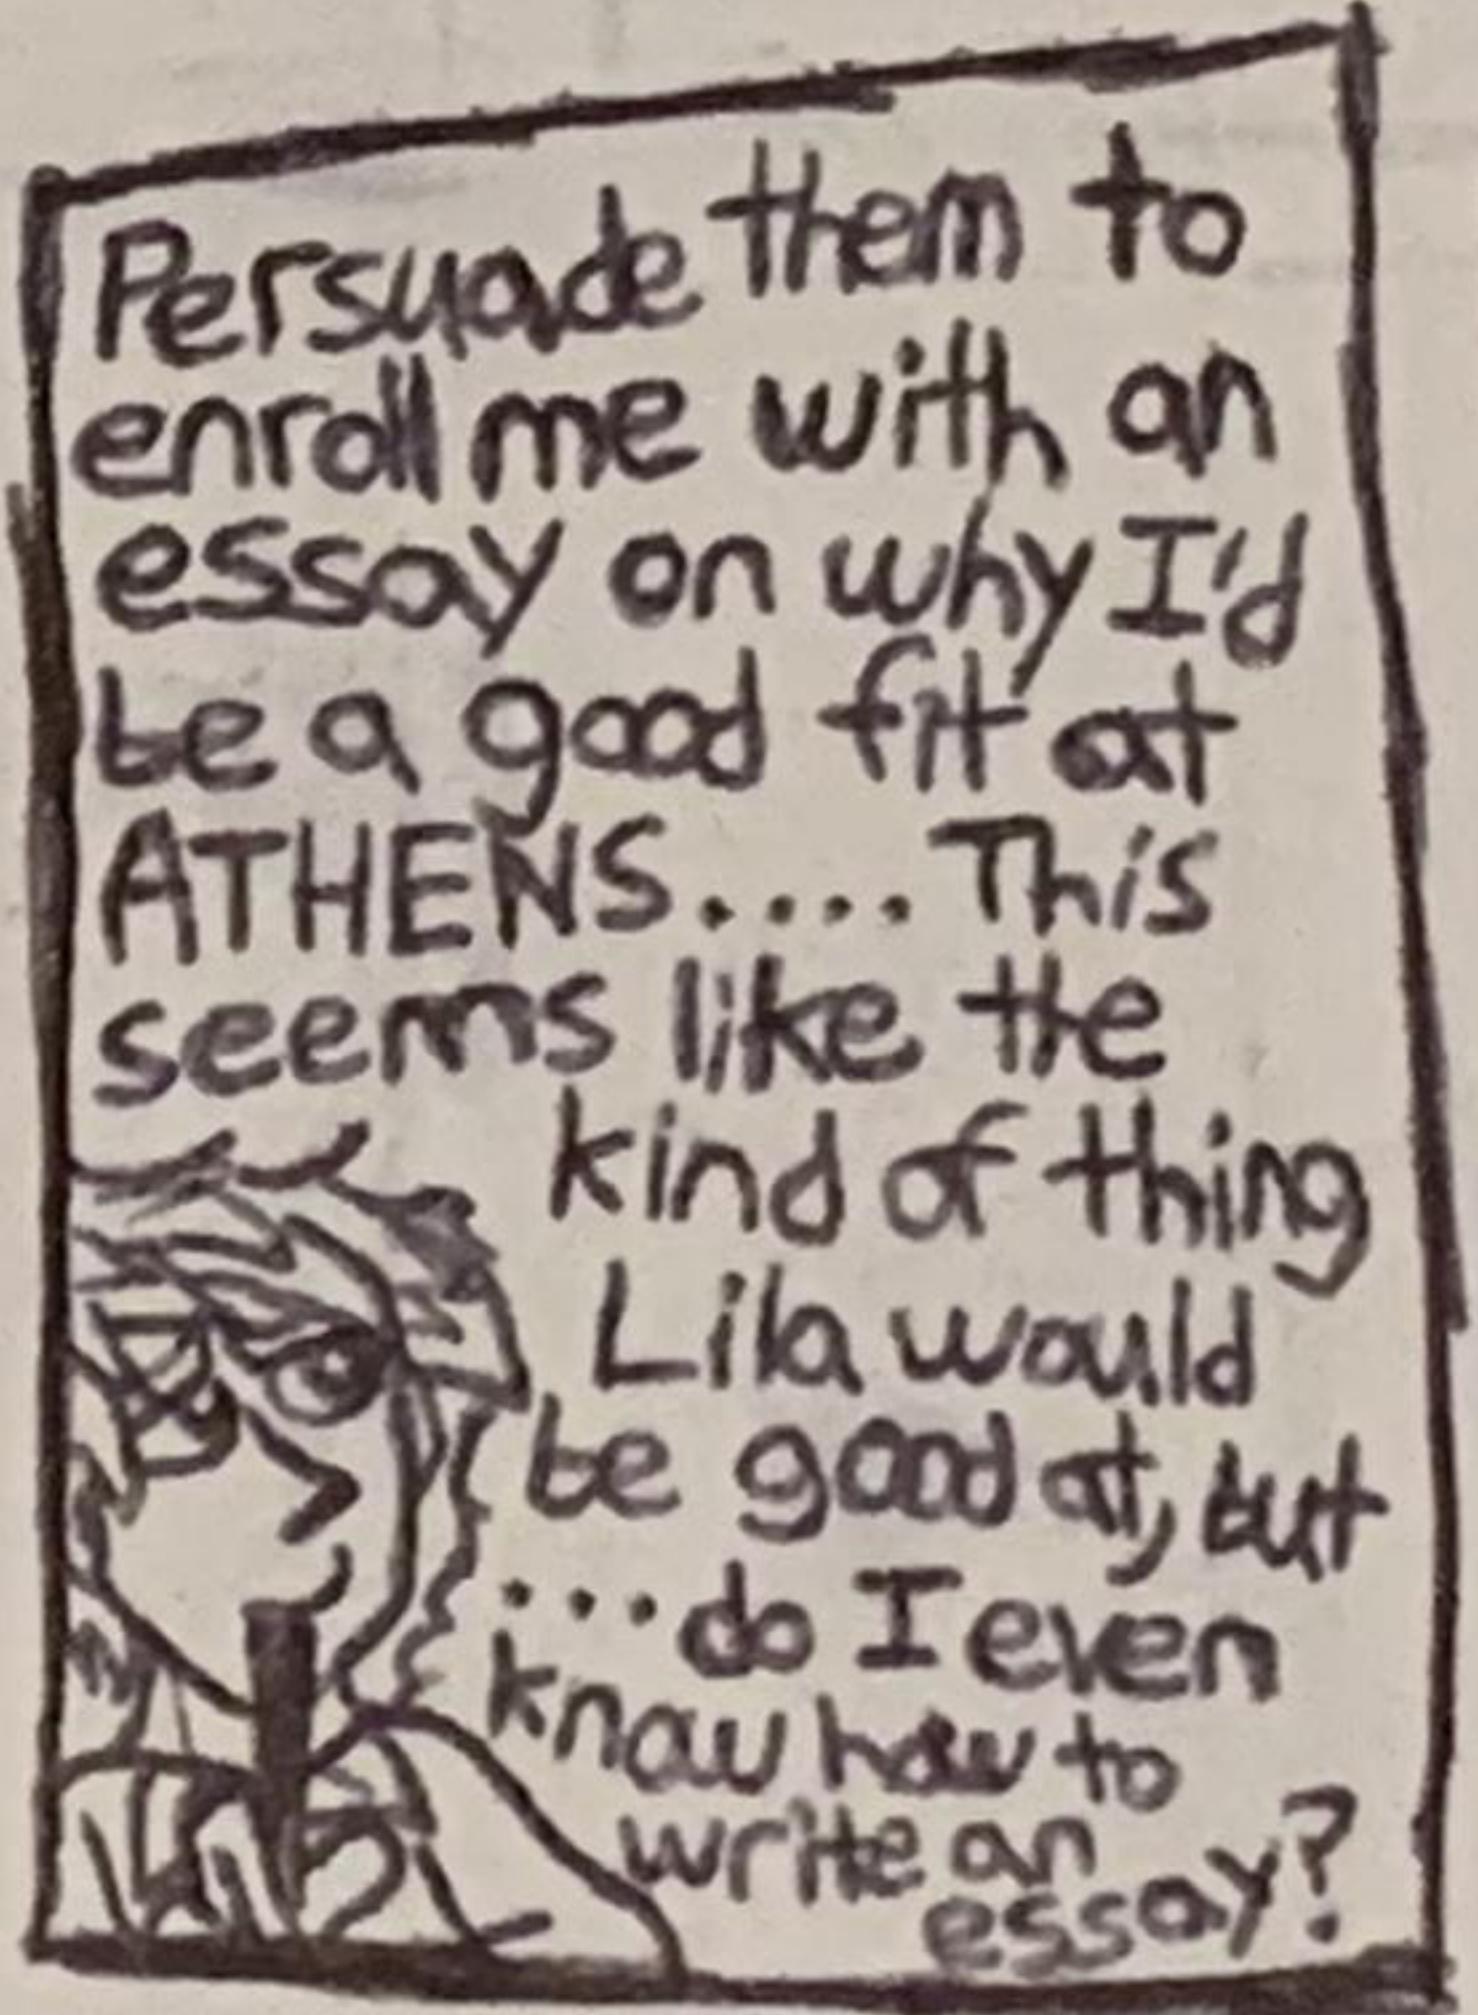

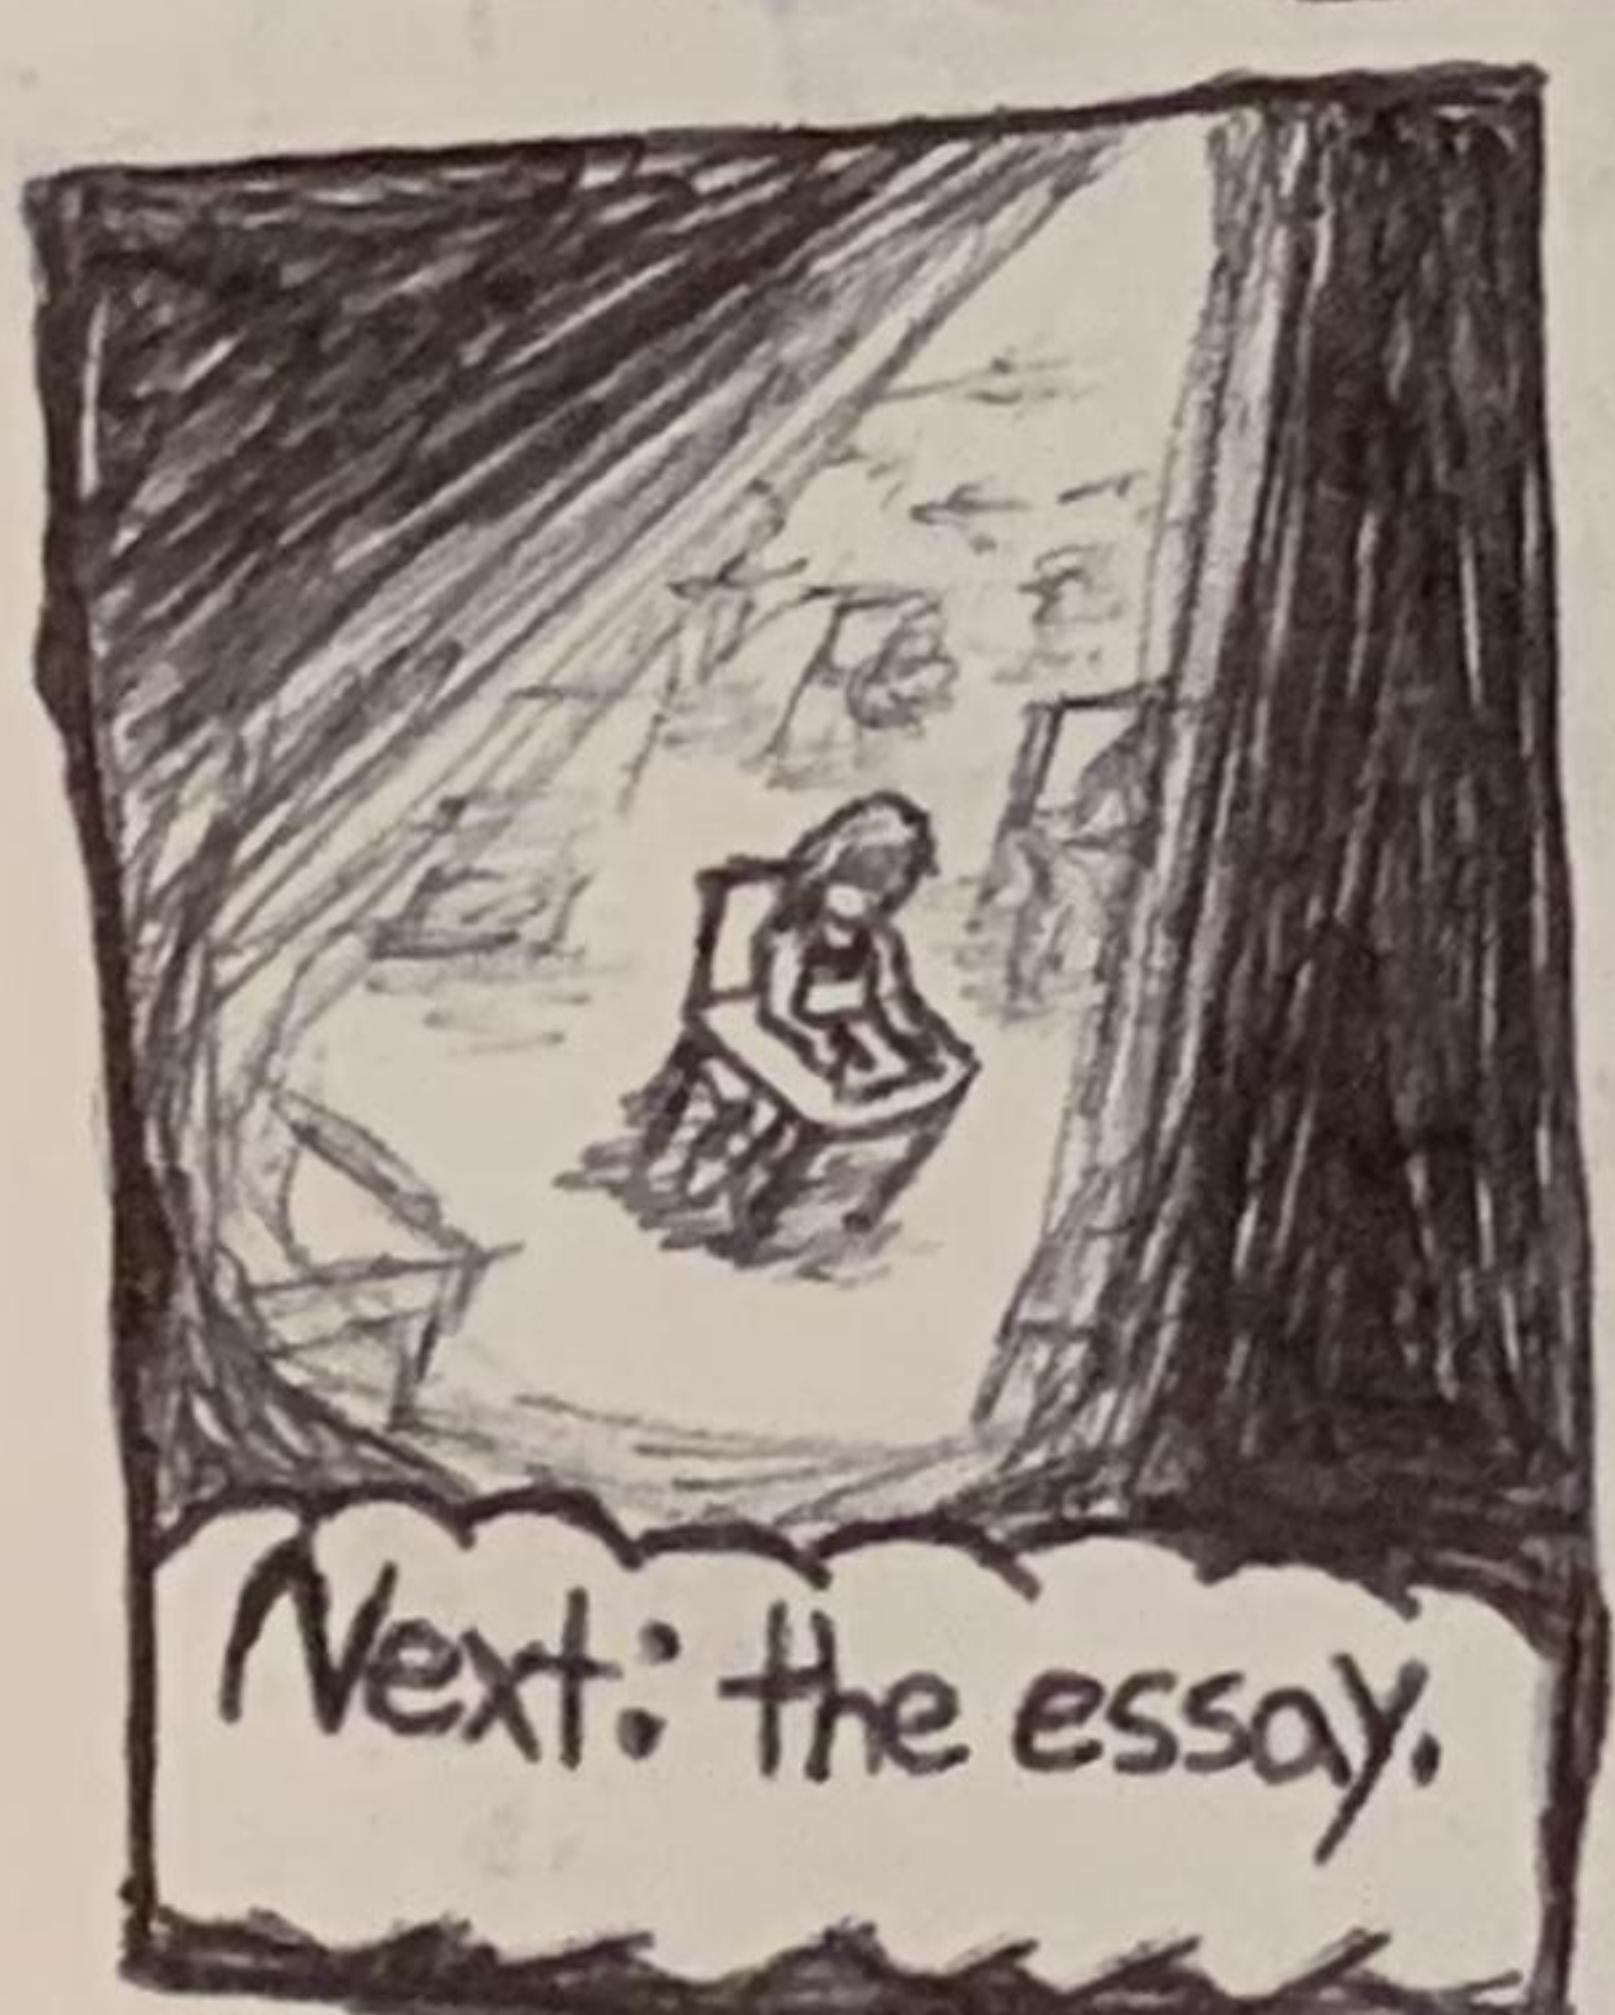

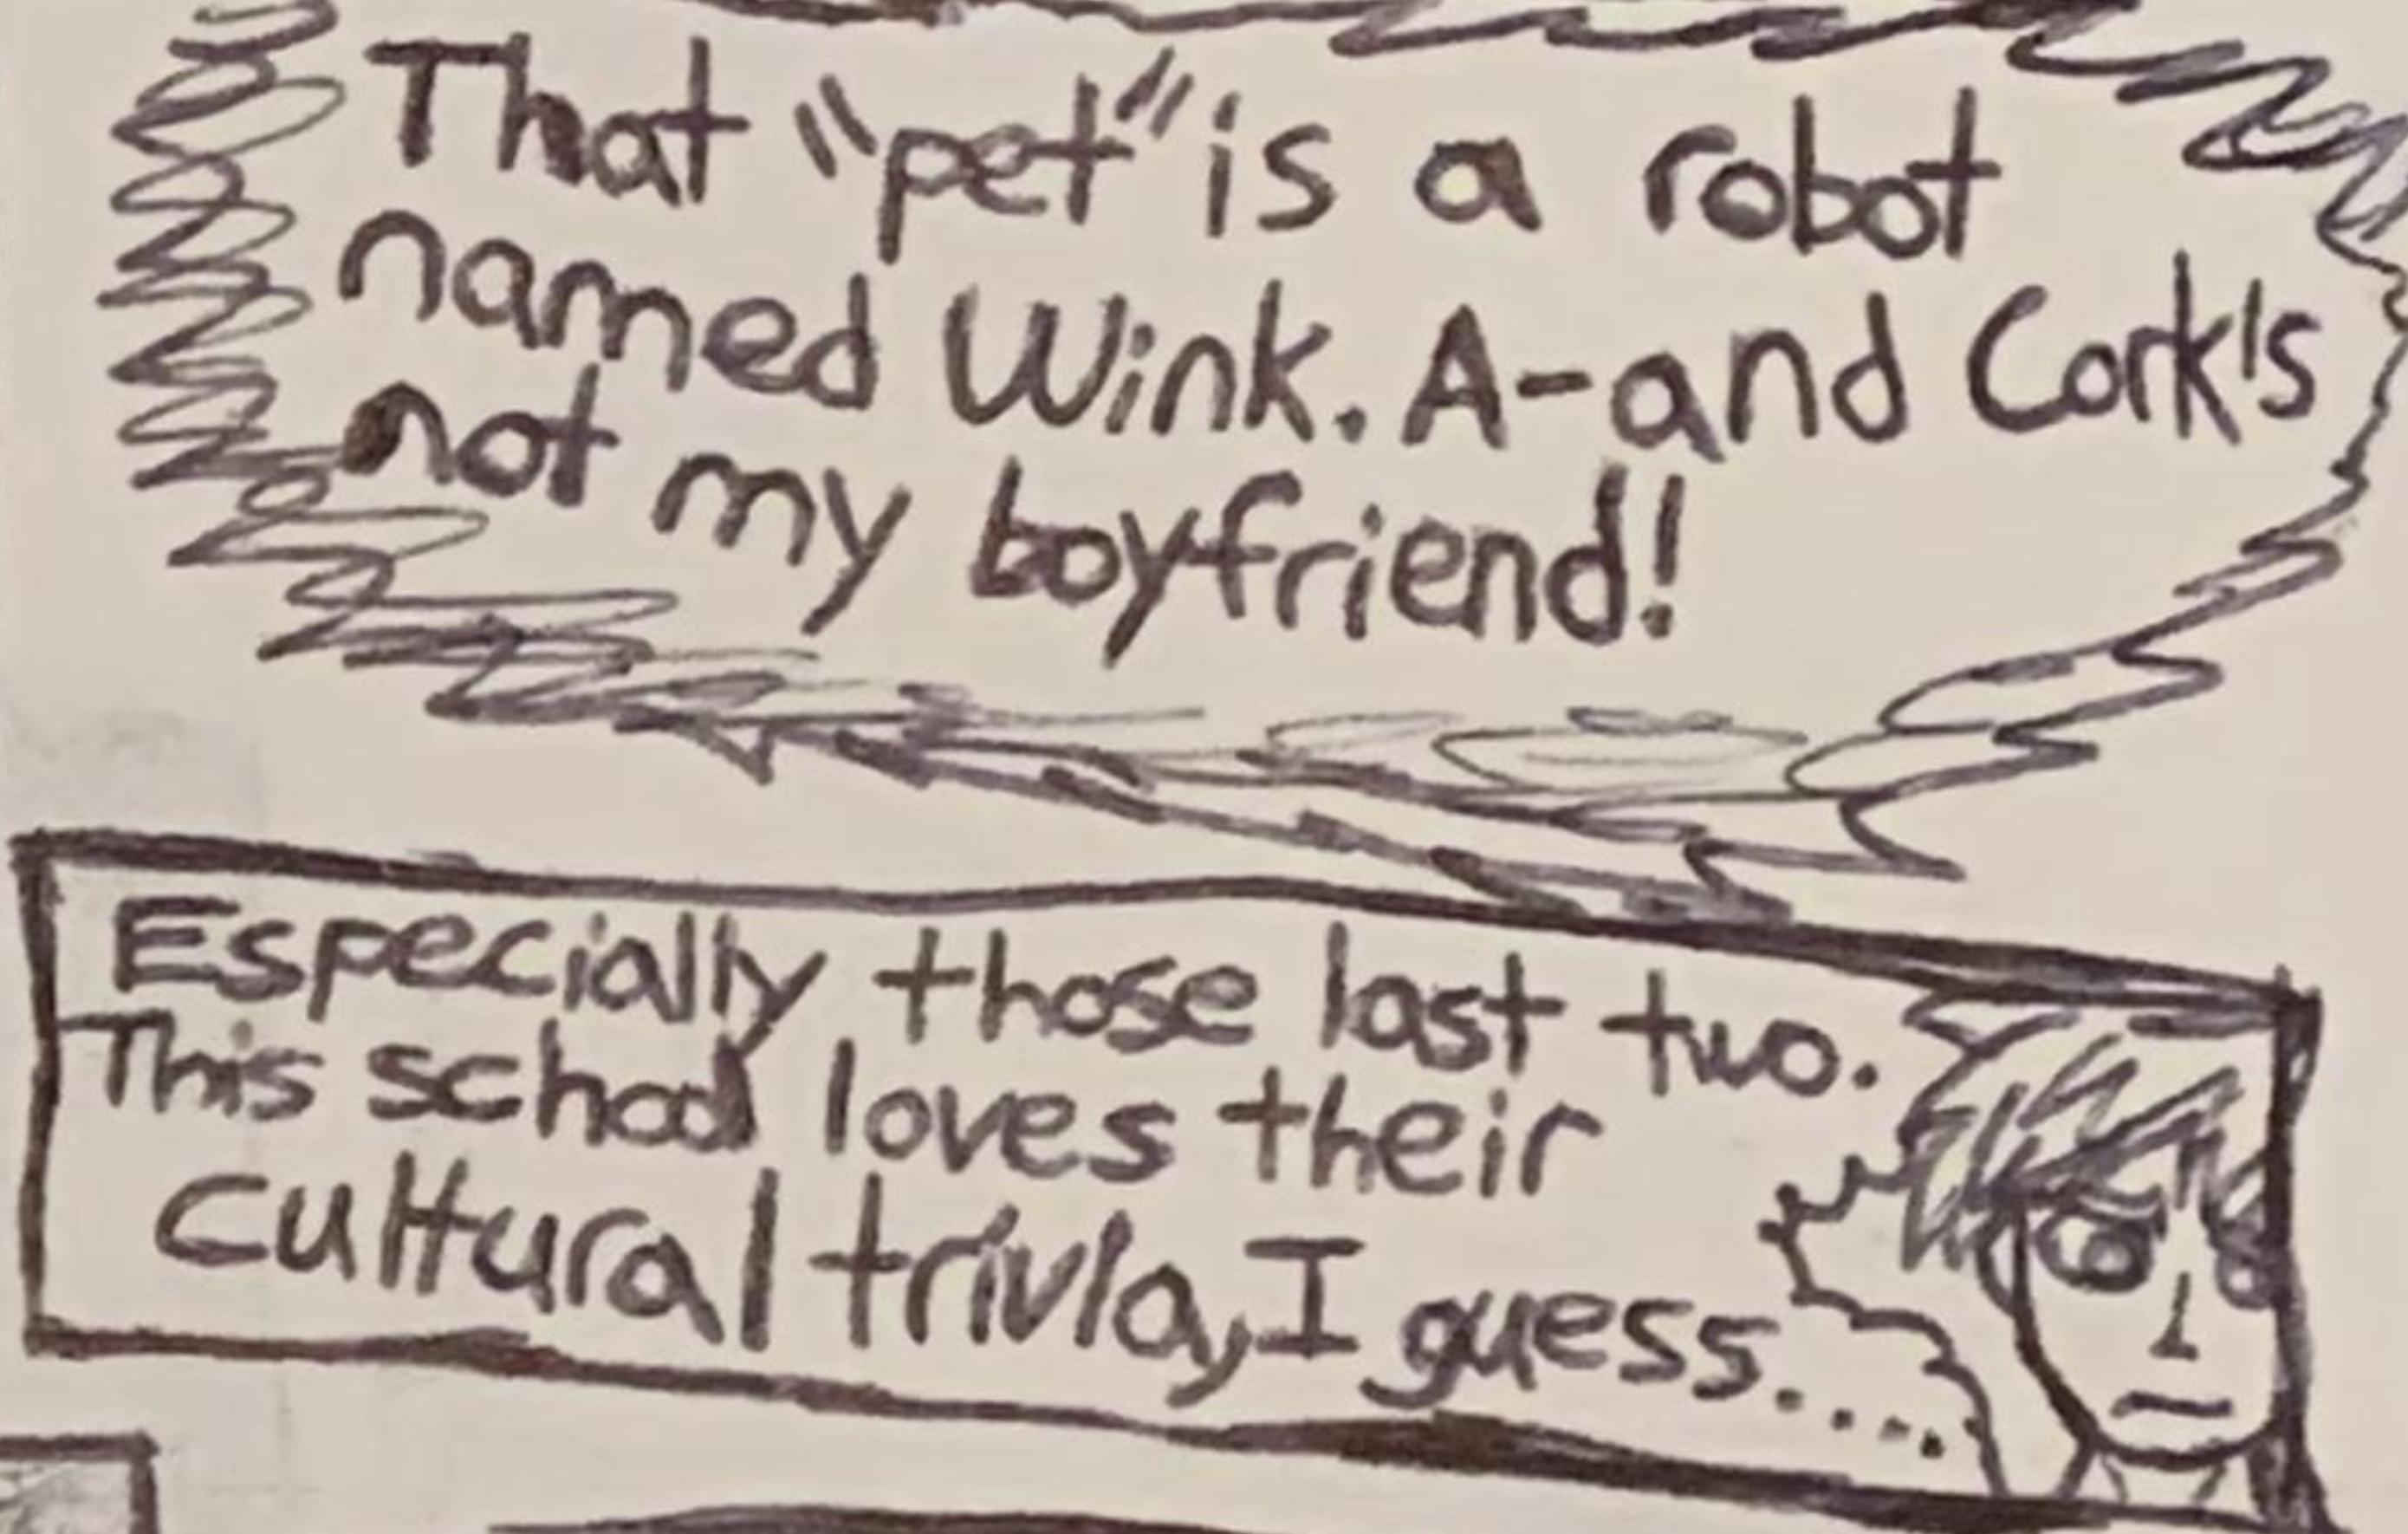

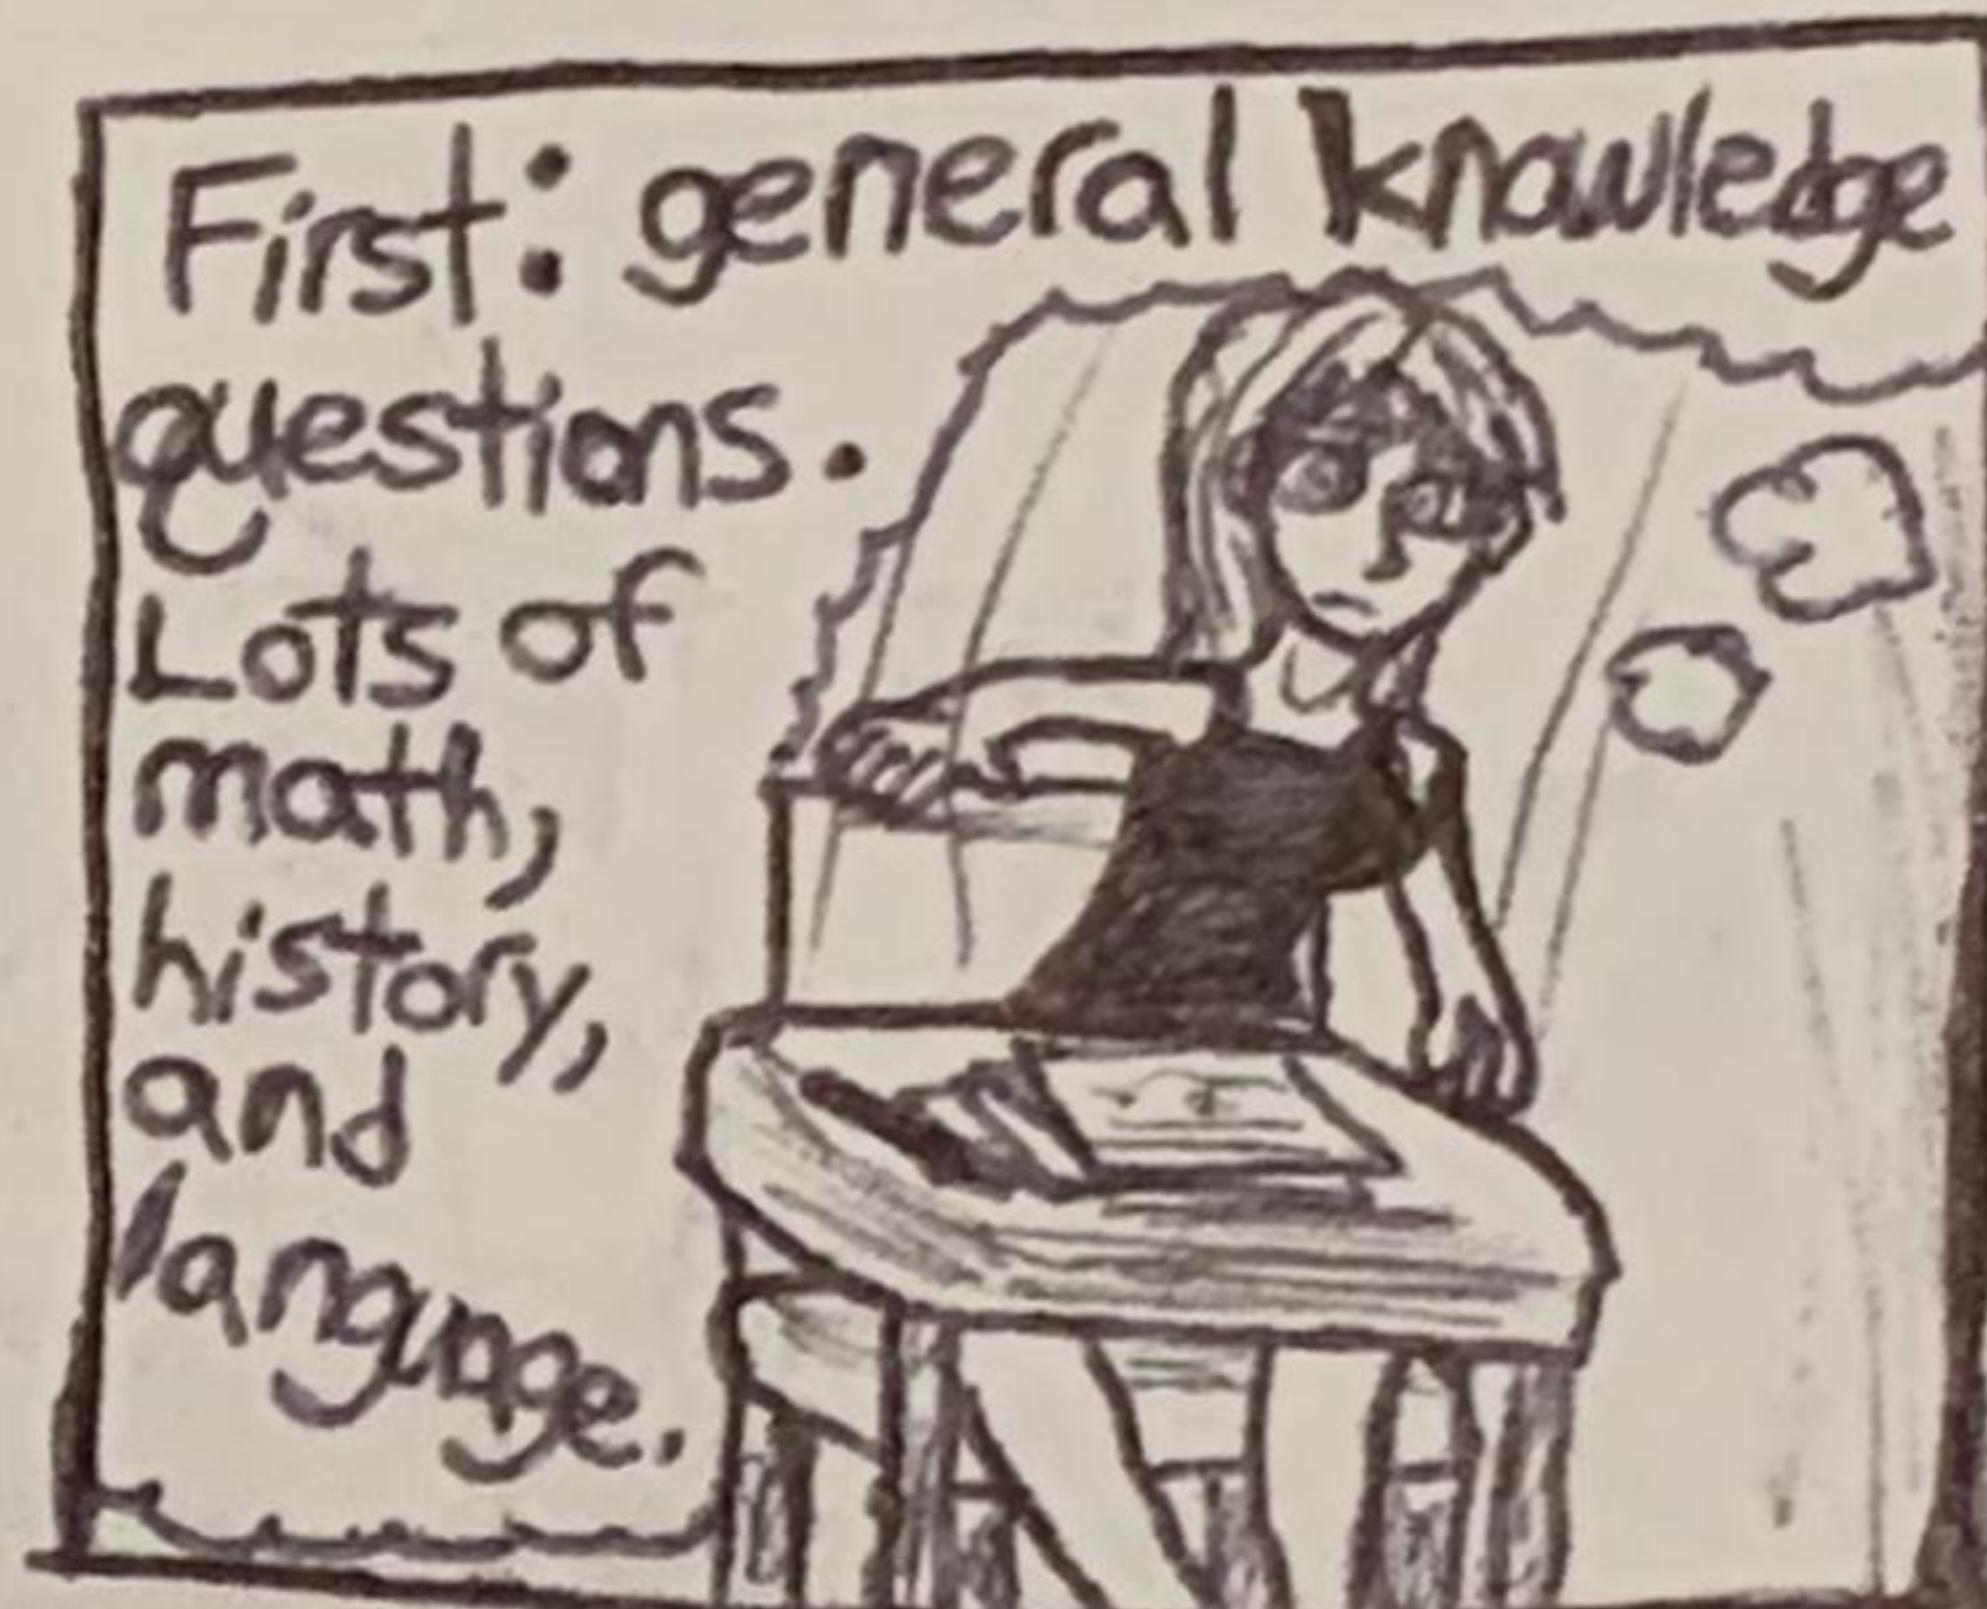

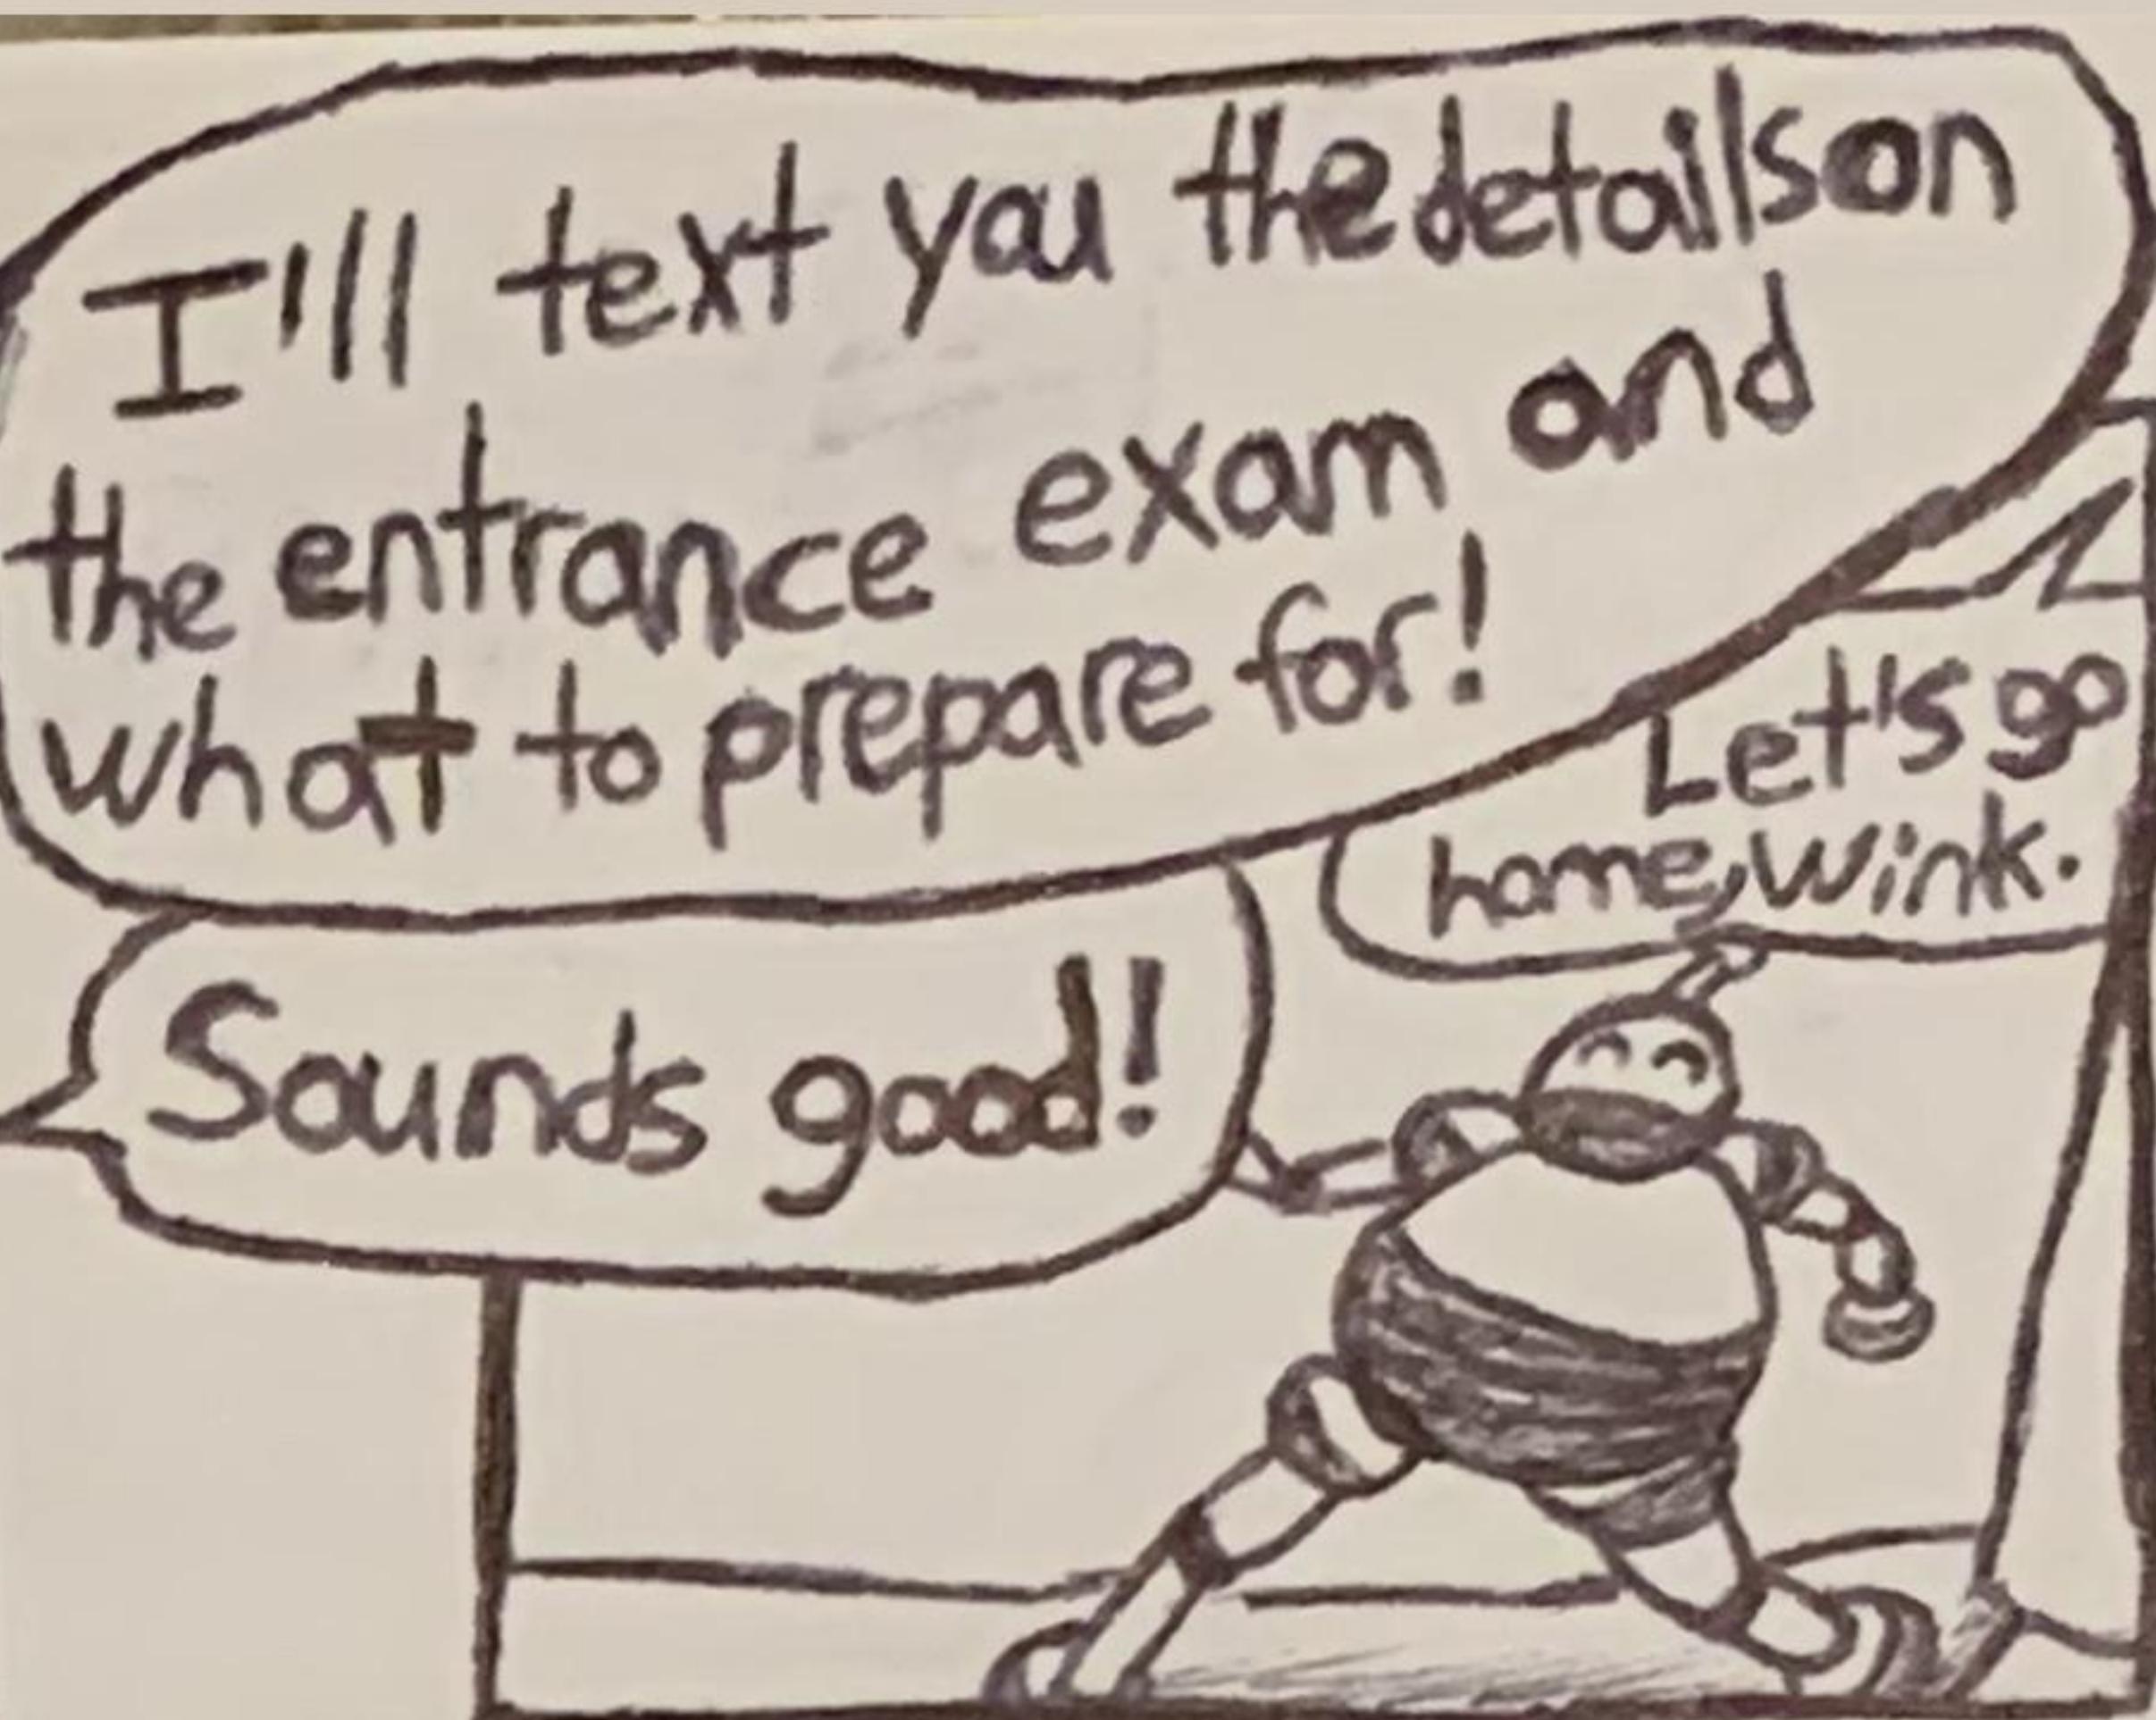

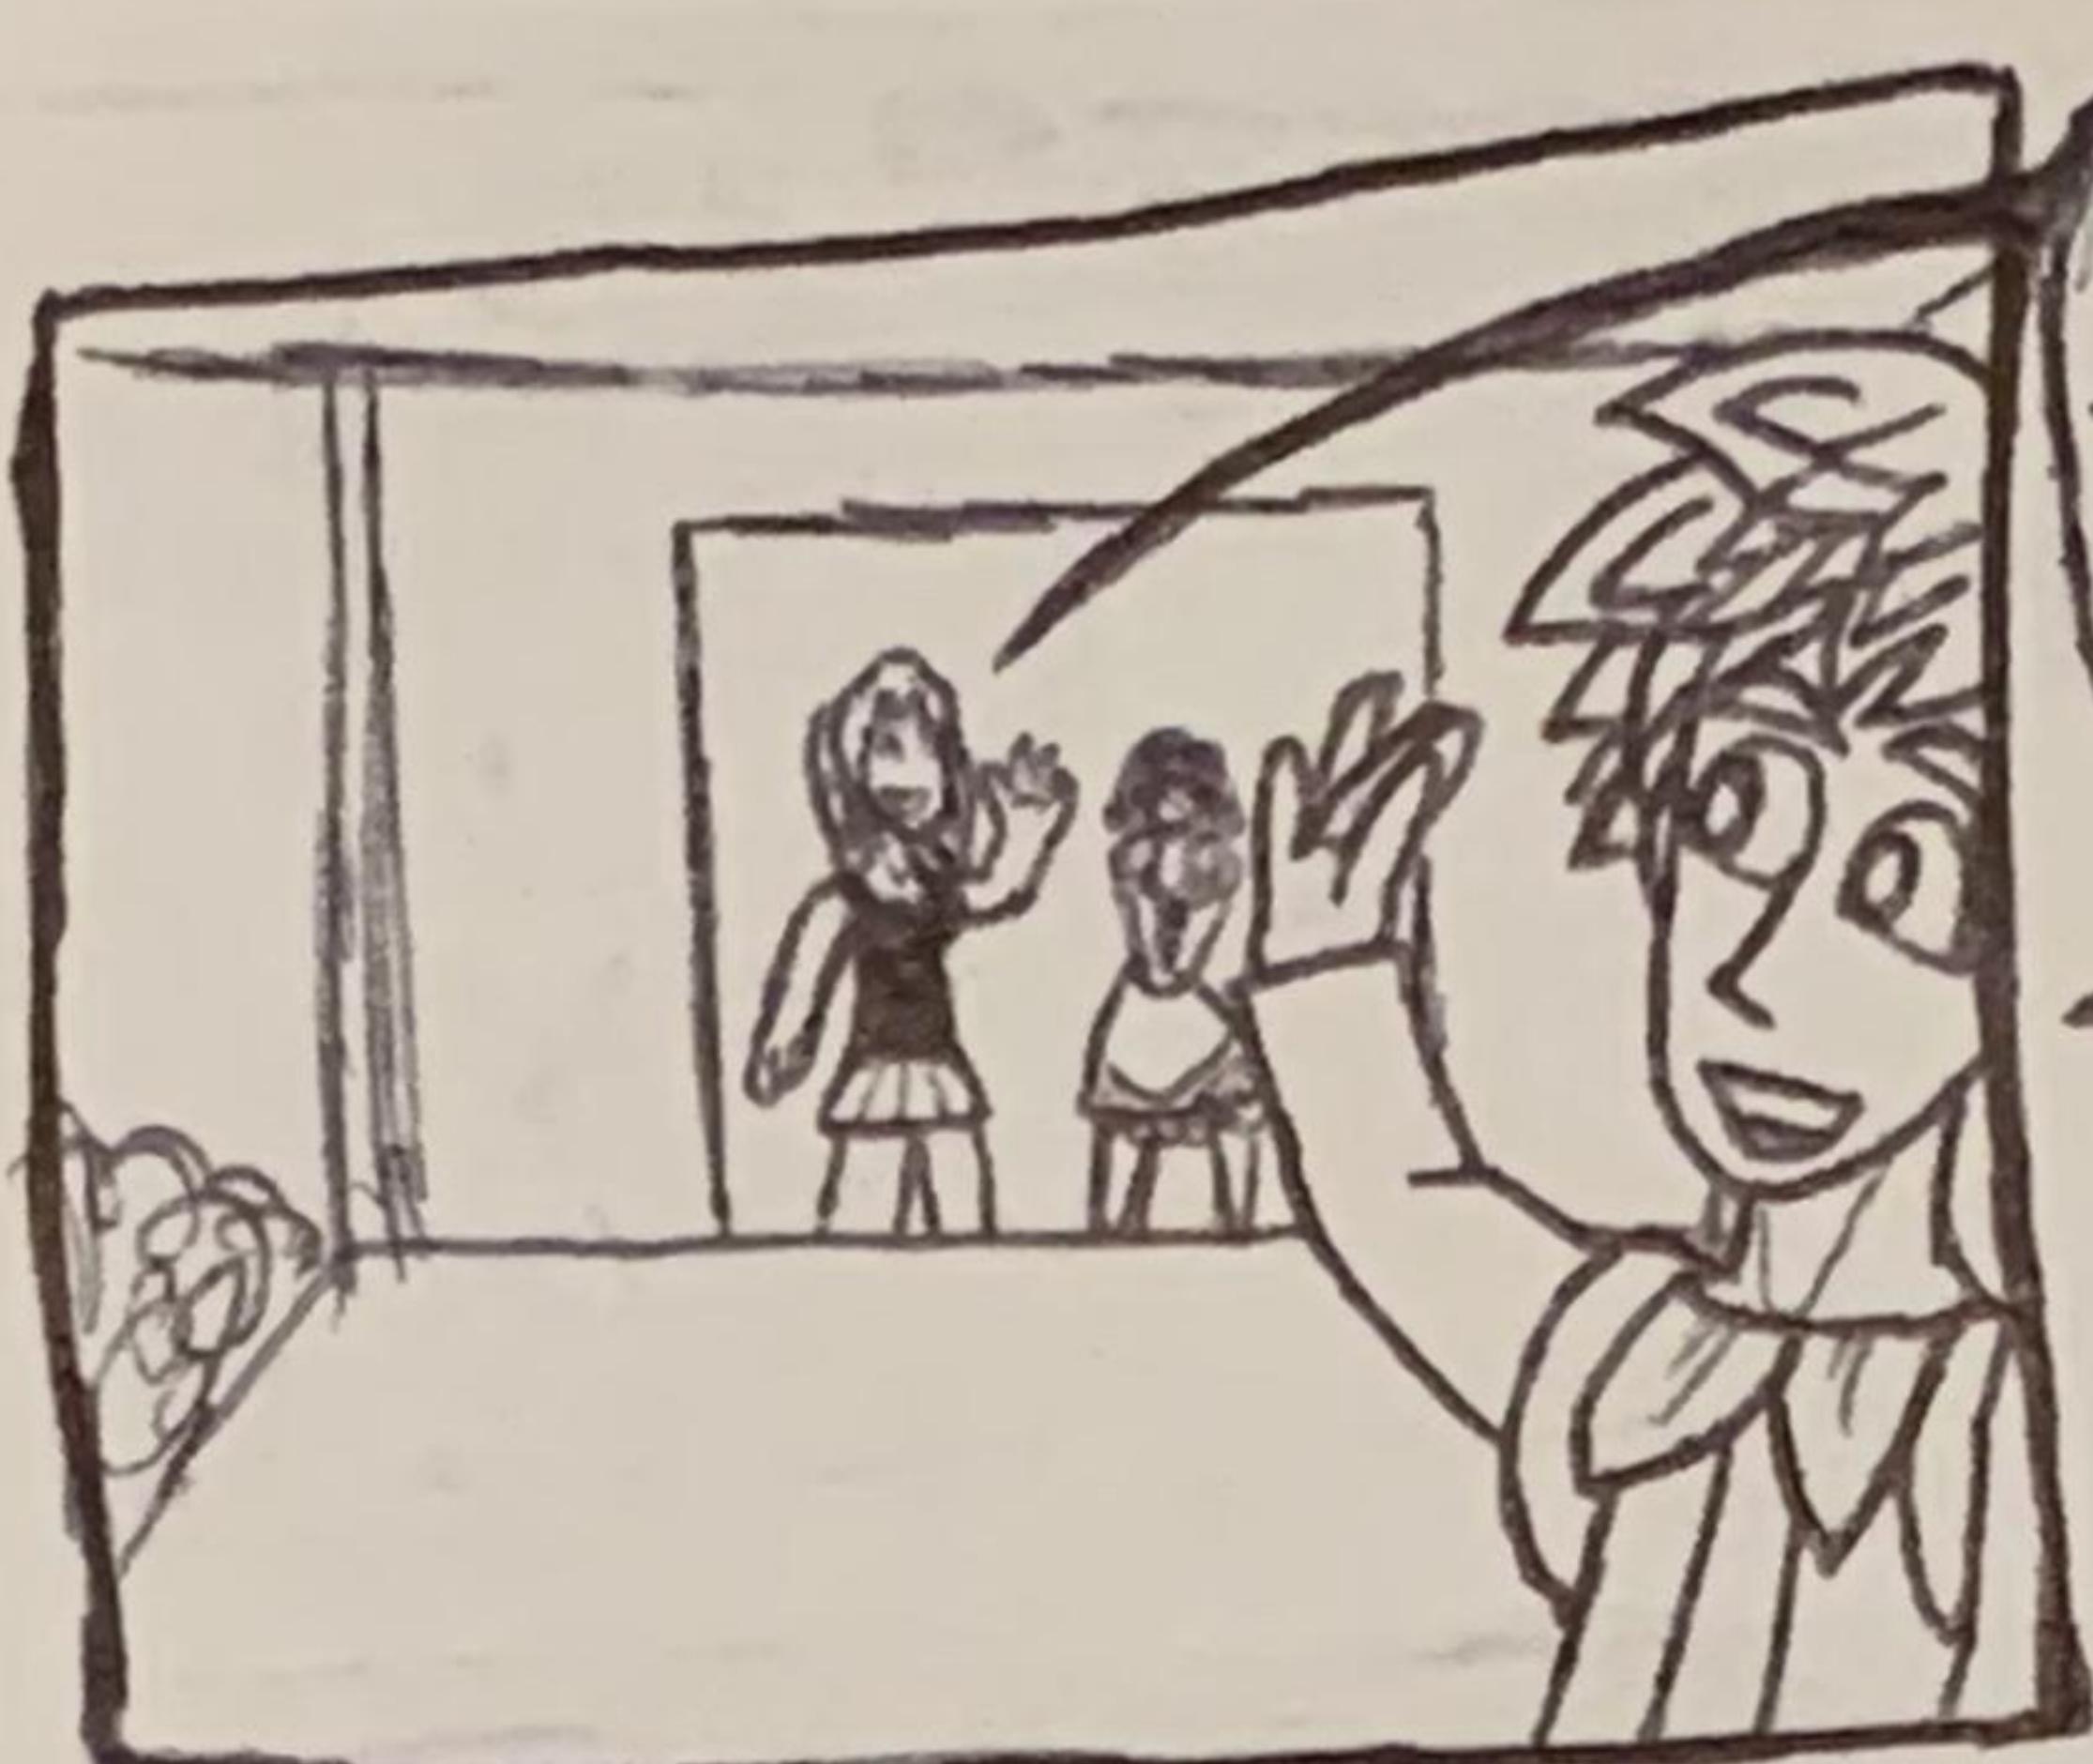

You two had better both pass. I don't want my money going to waste.

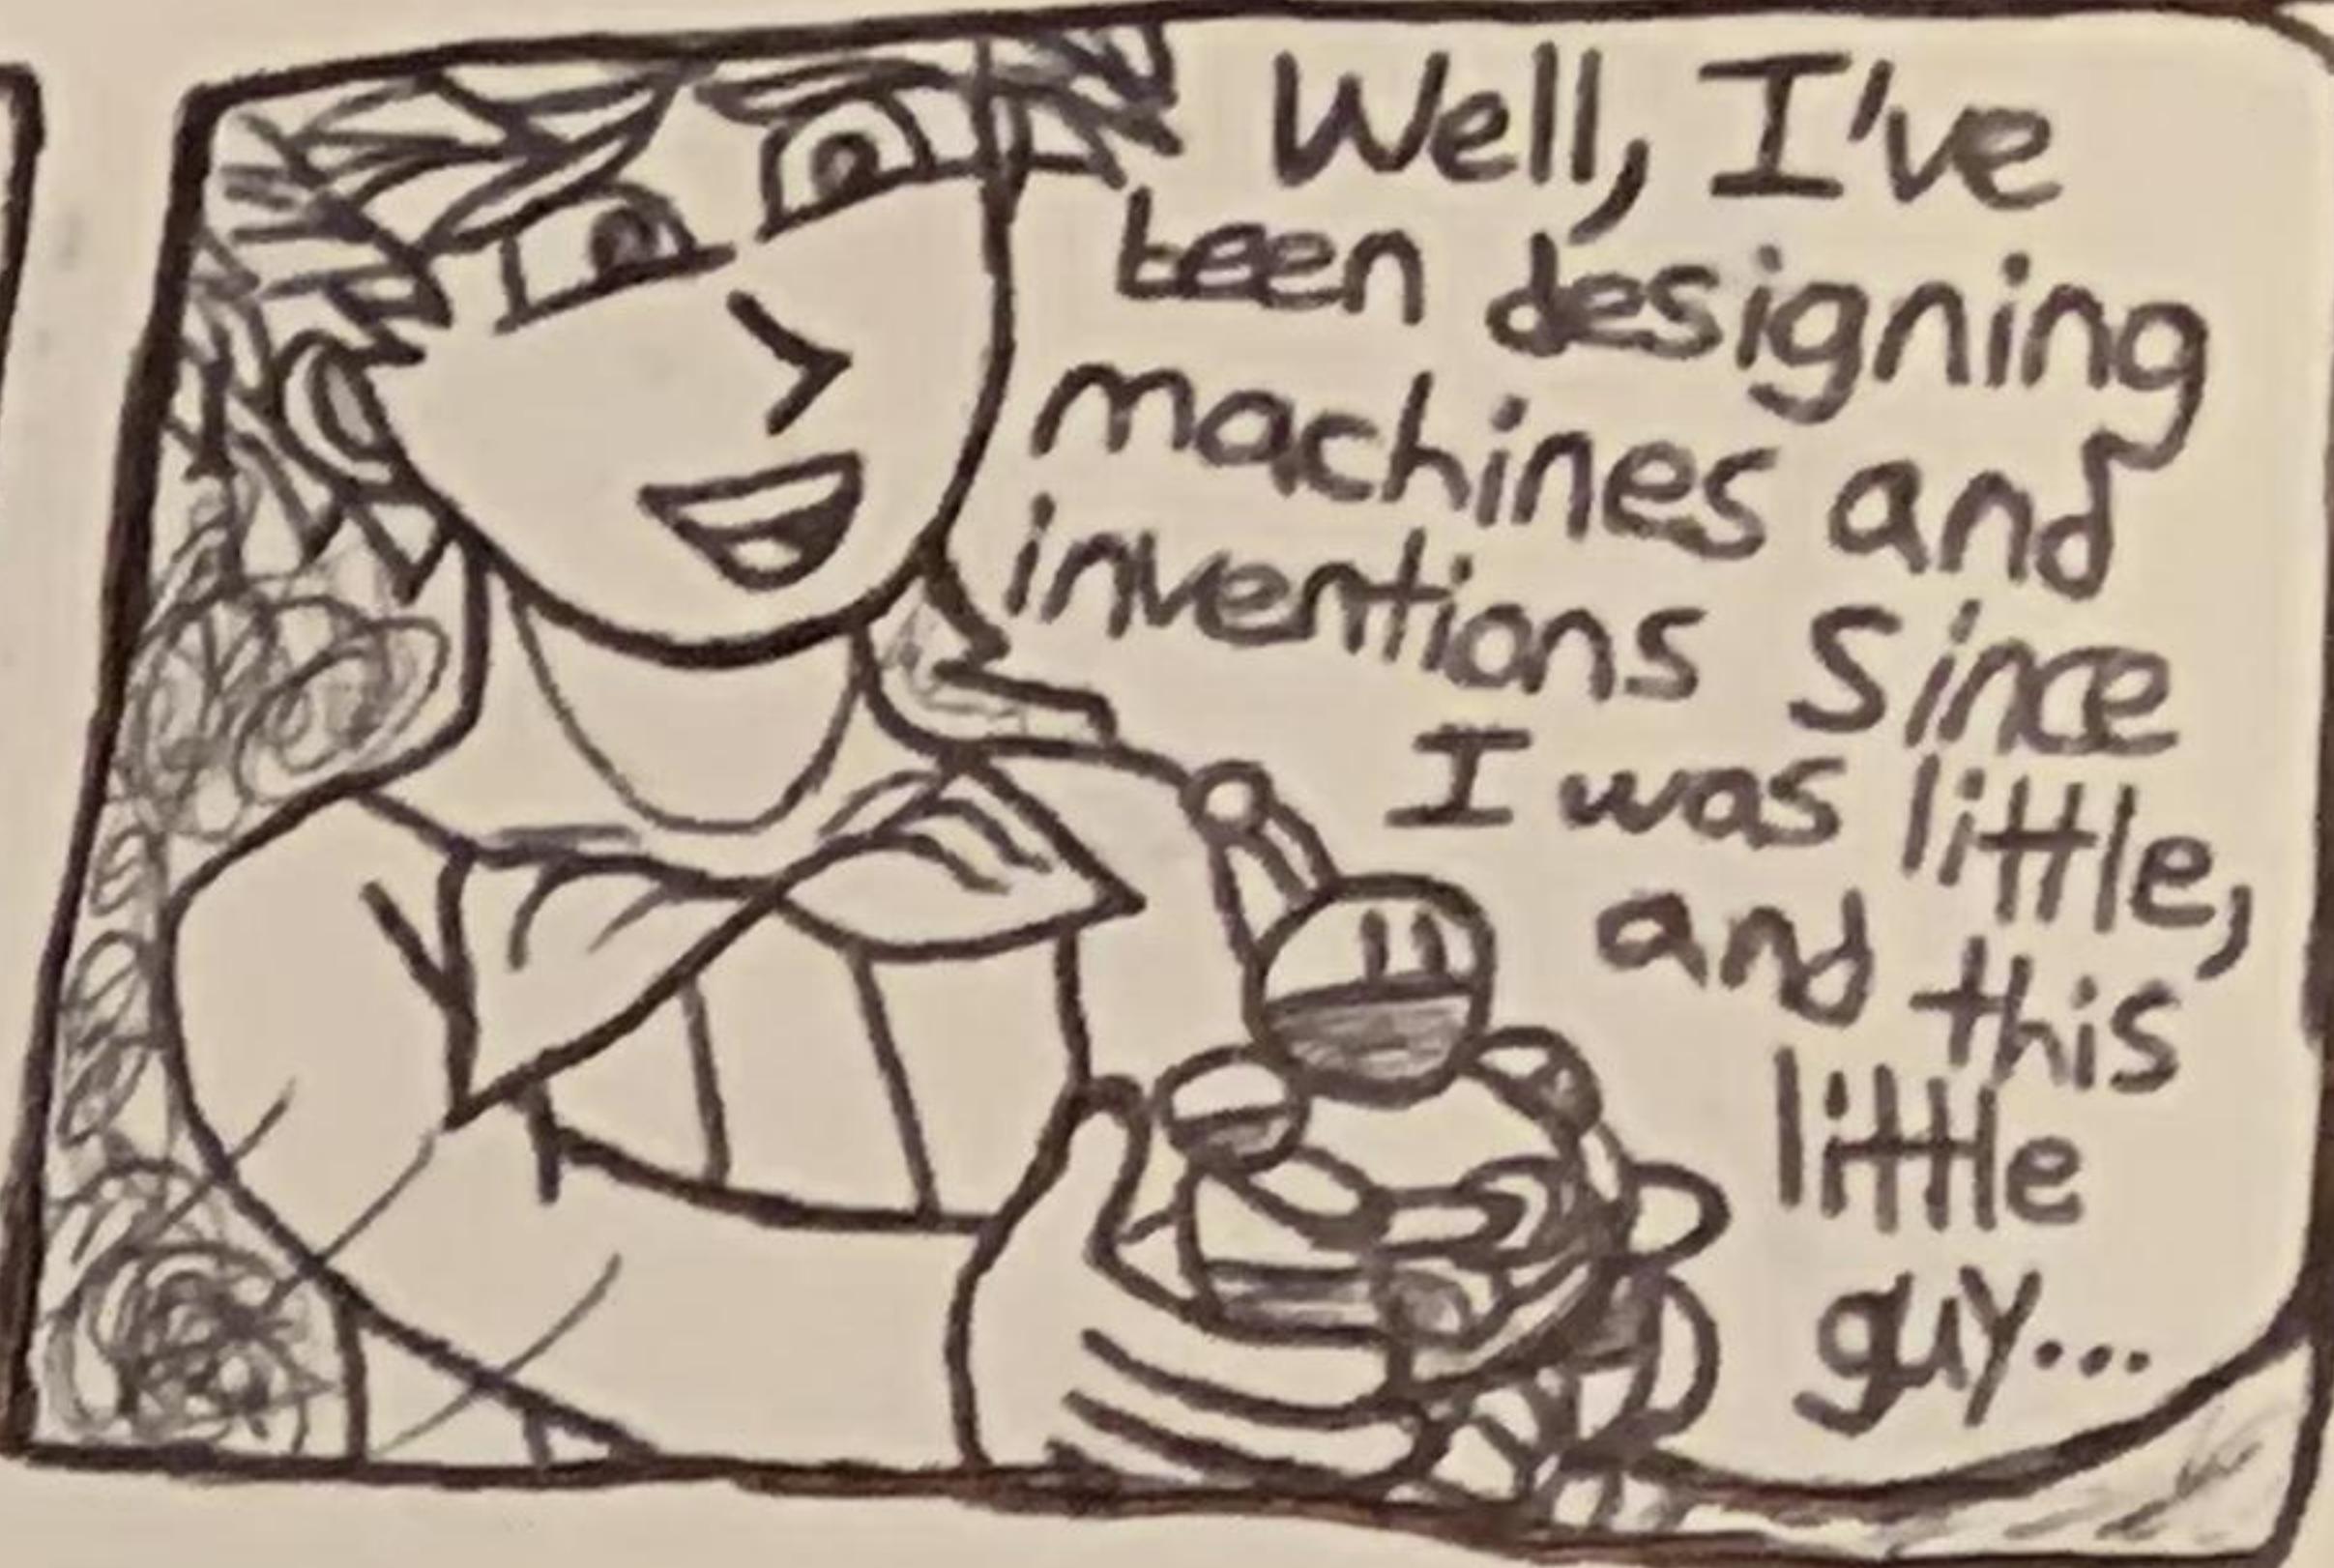

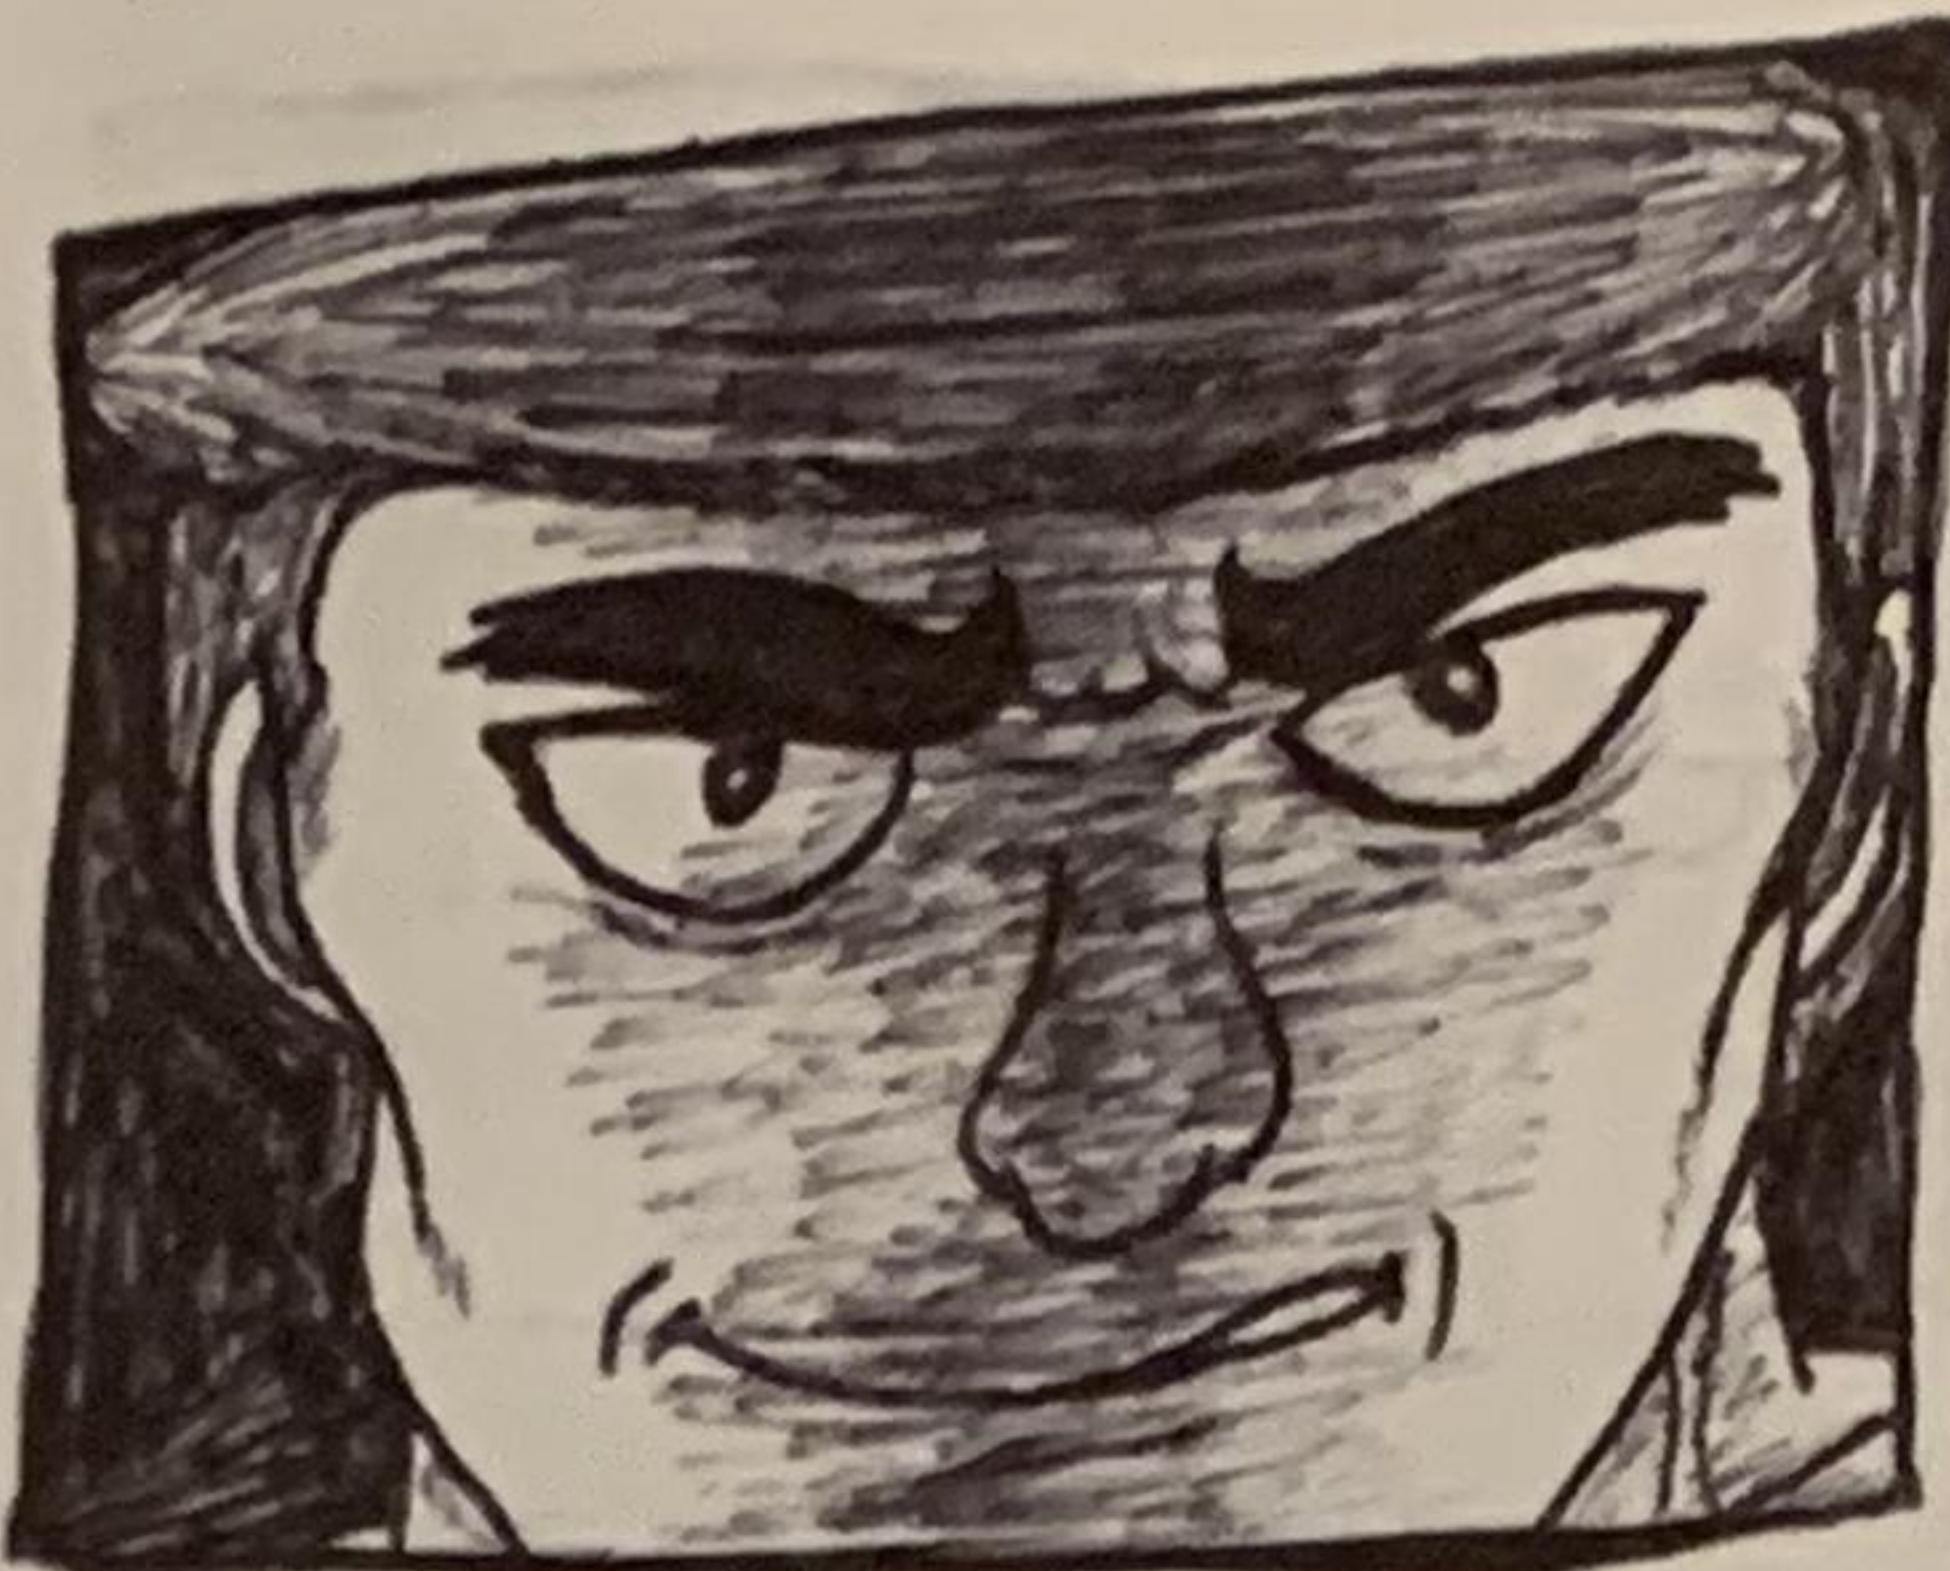

Cork.
Hmm?
Just... take care
of my
daughter
at ATHENS
alright?

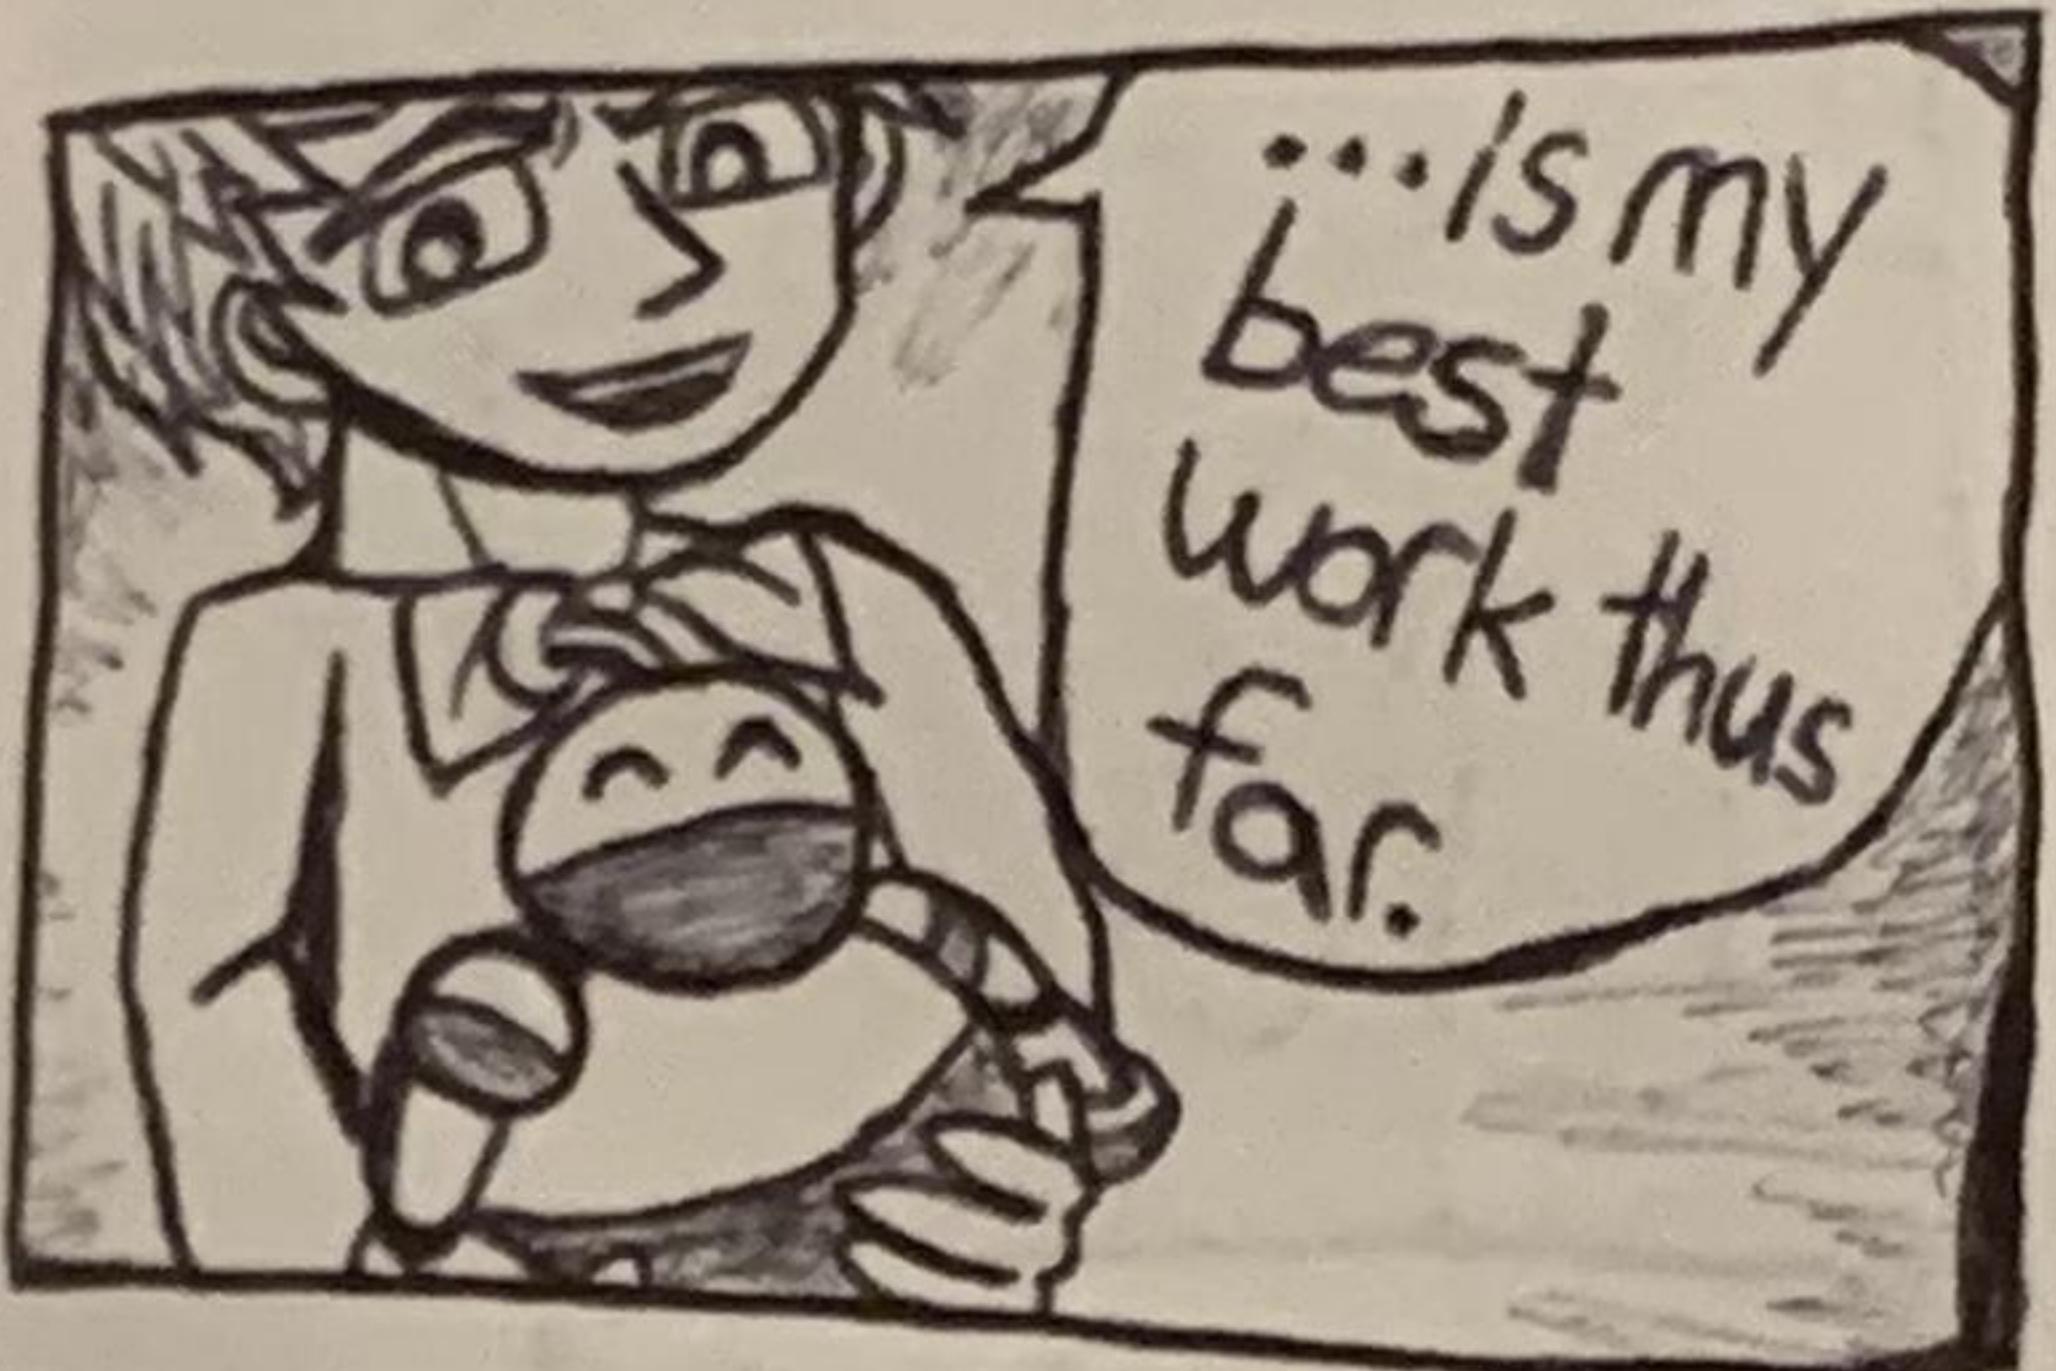

I will.
I promise.

Cork Shrewd,
you may begin.

SCARY!

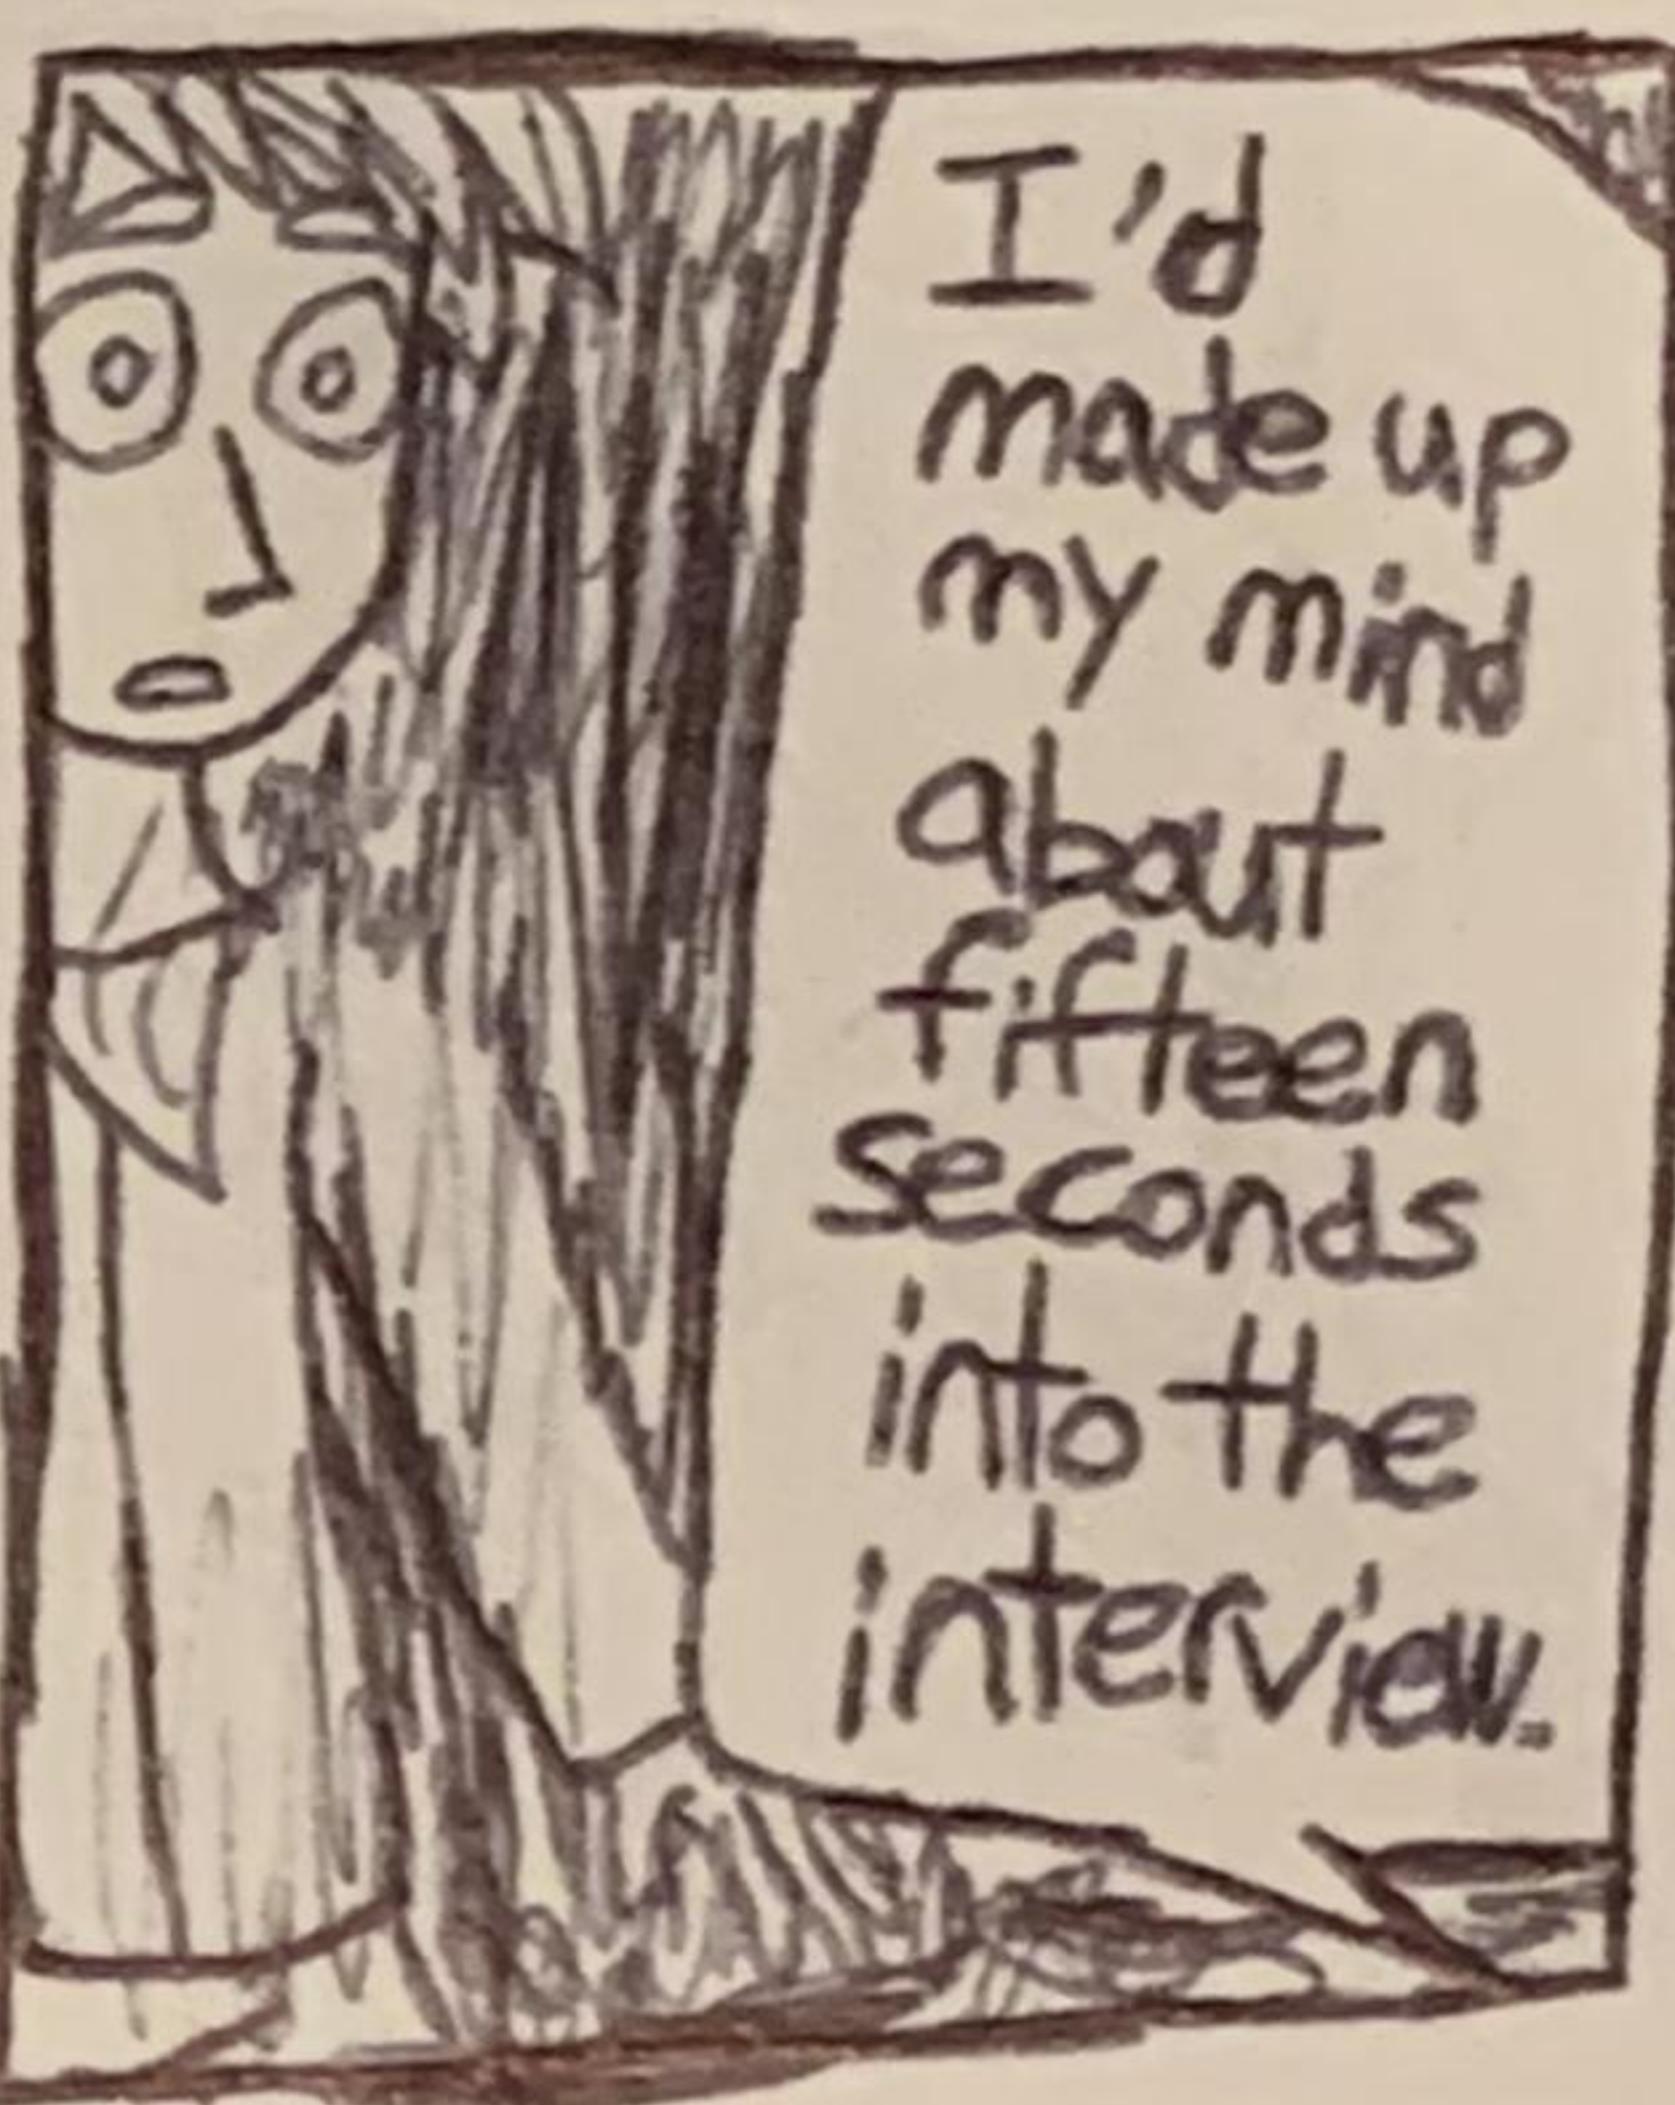

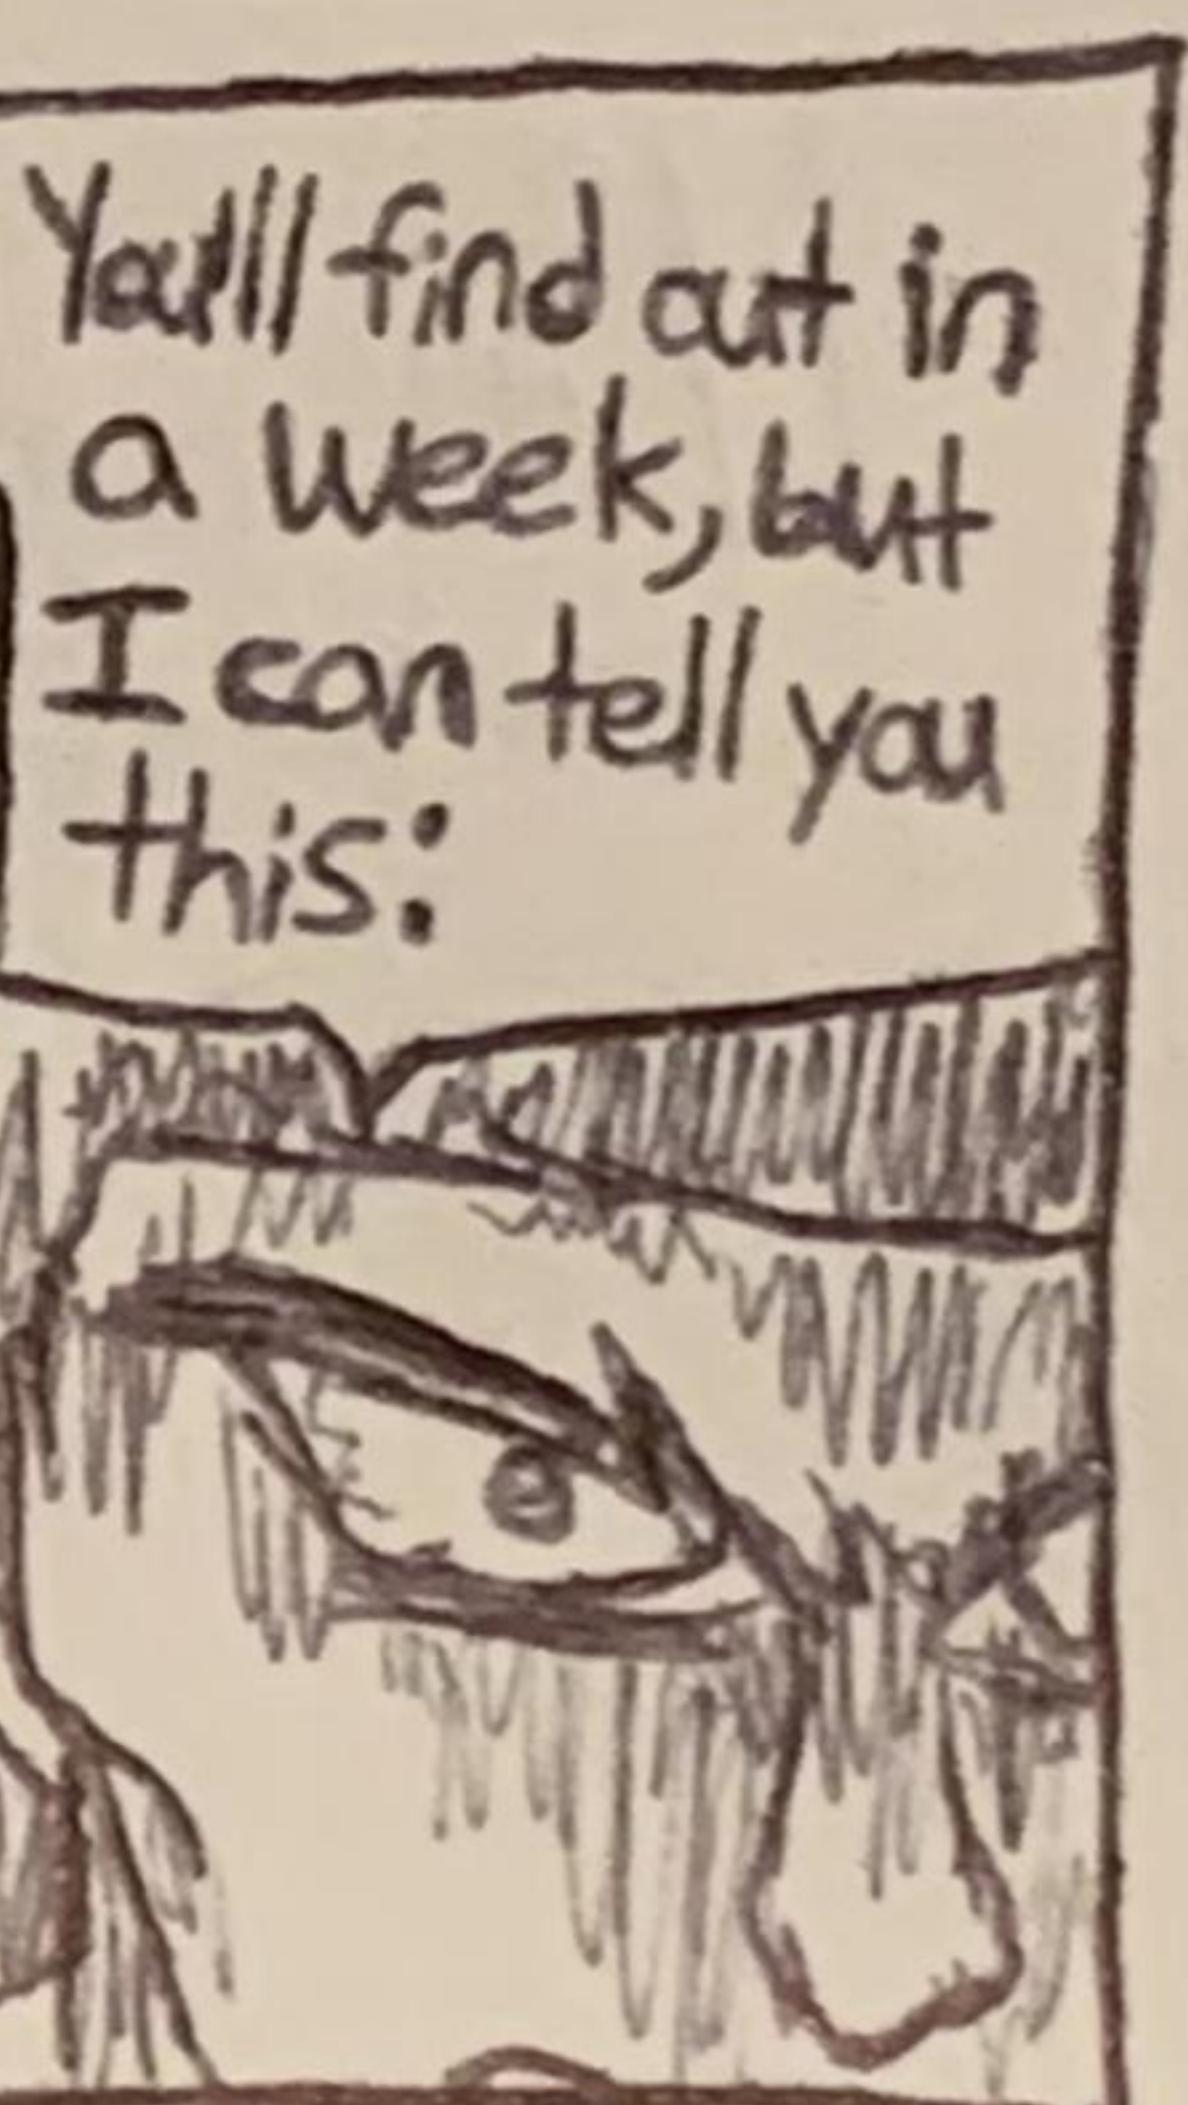

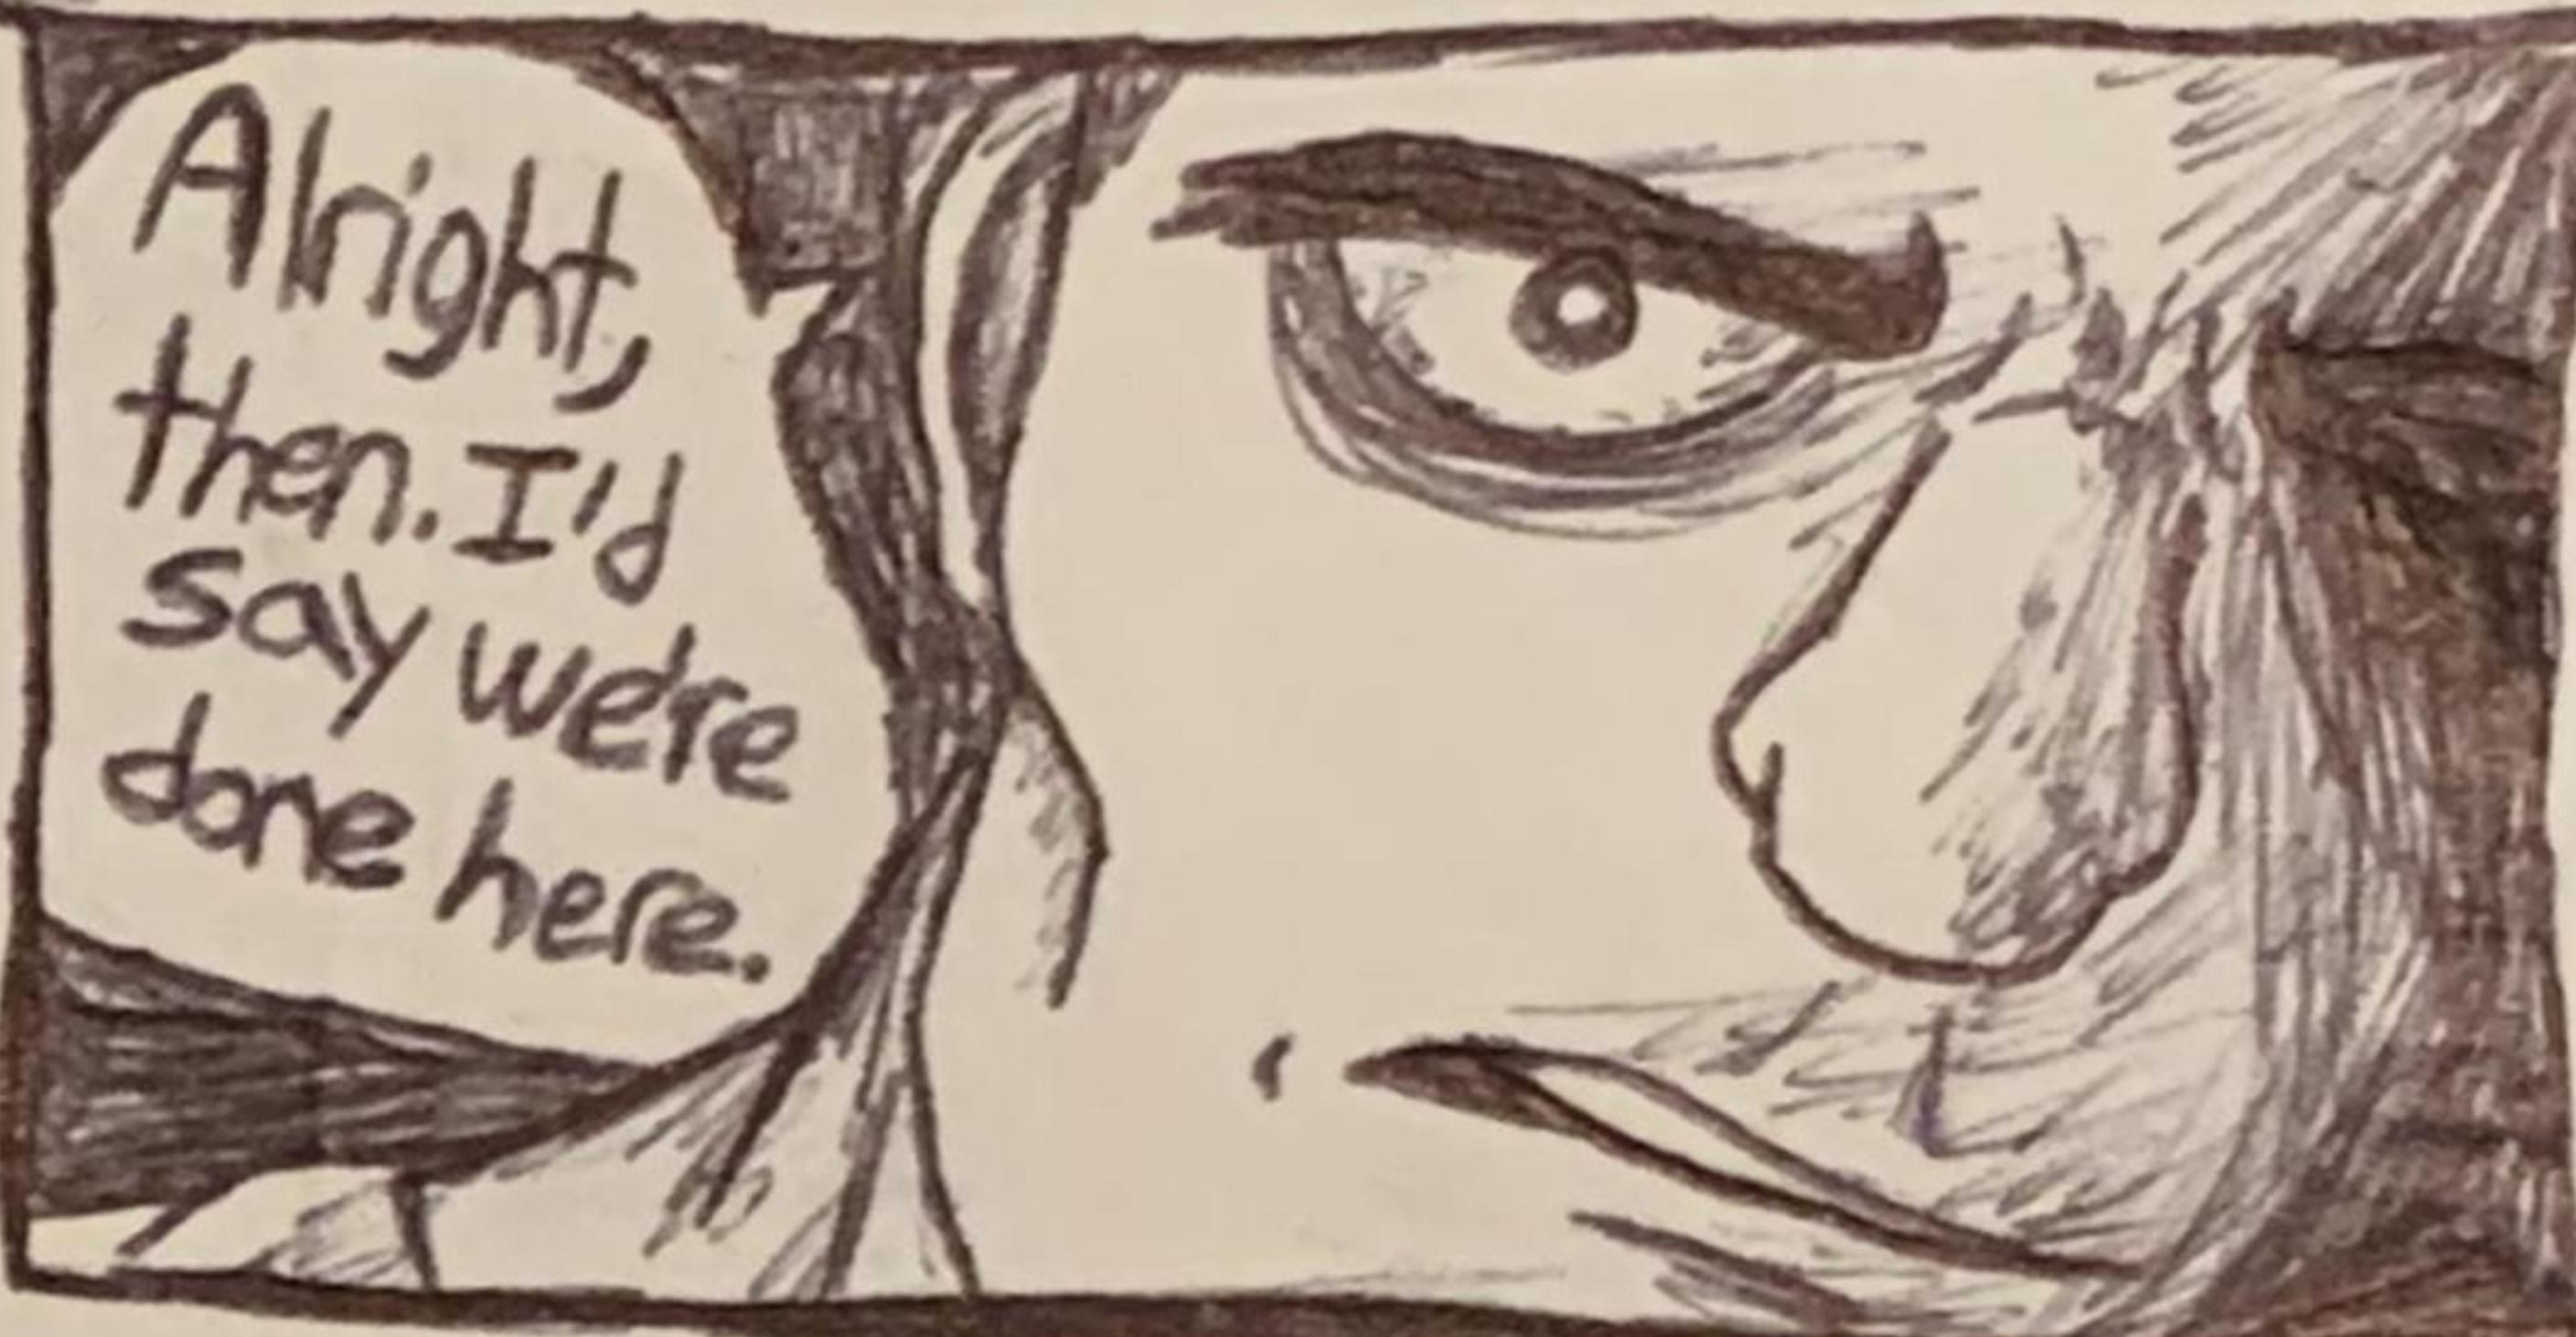

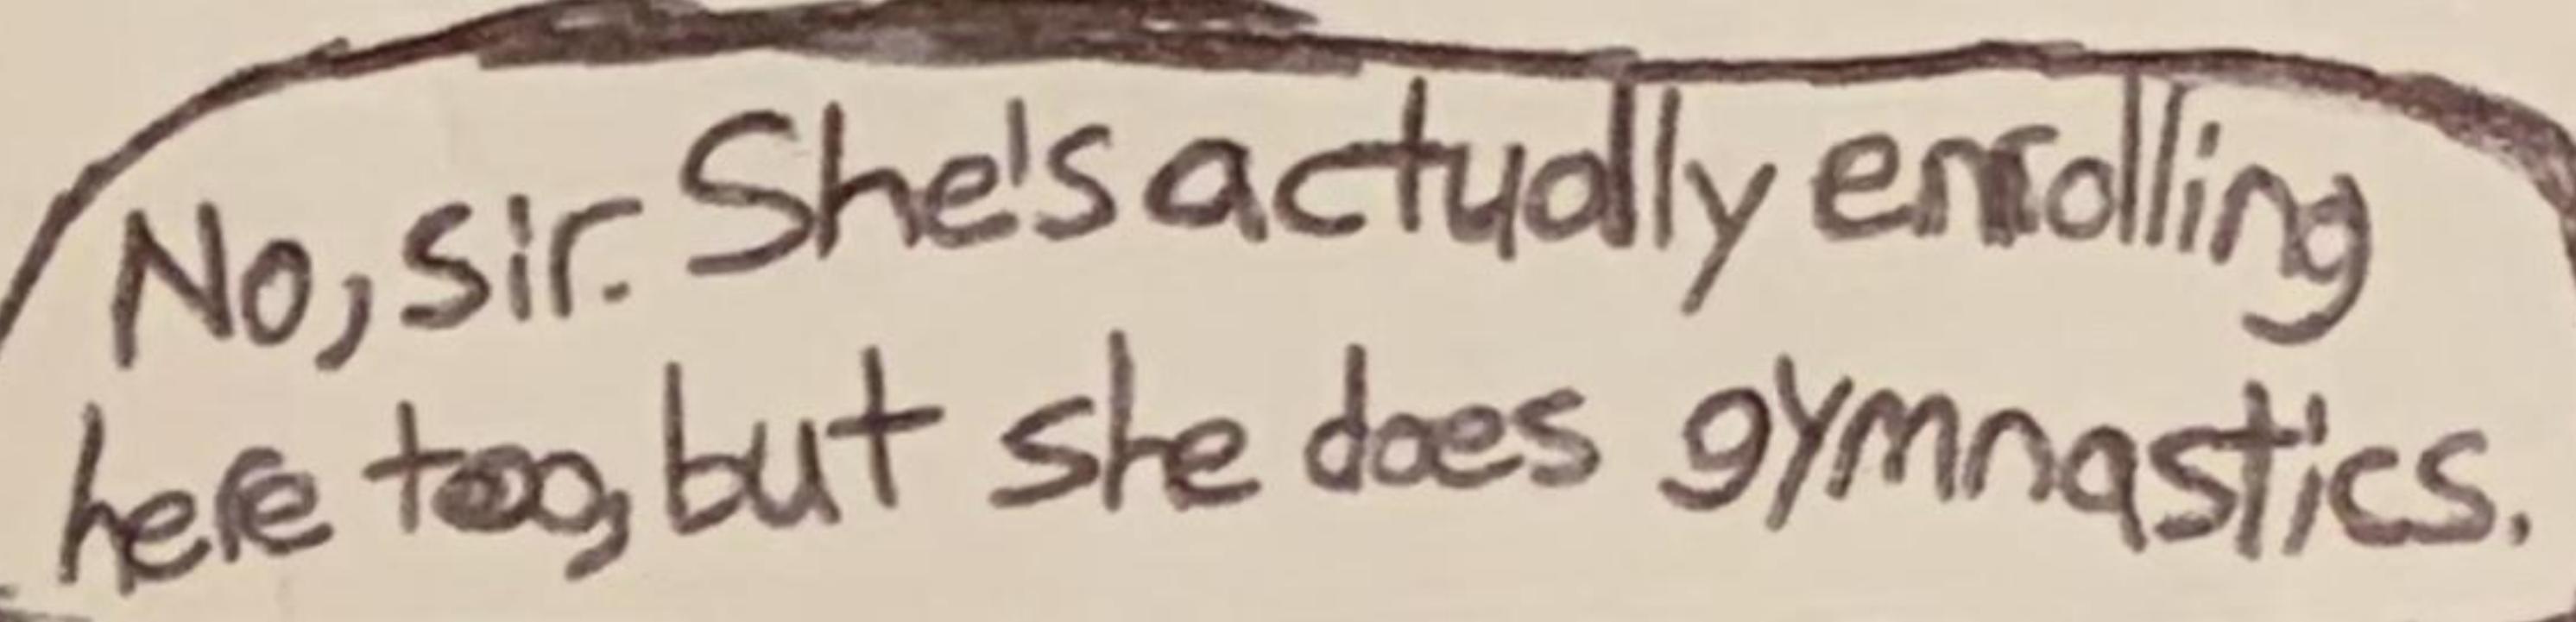

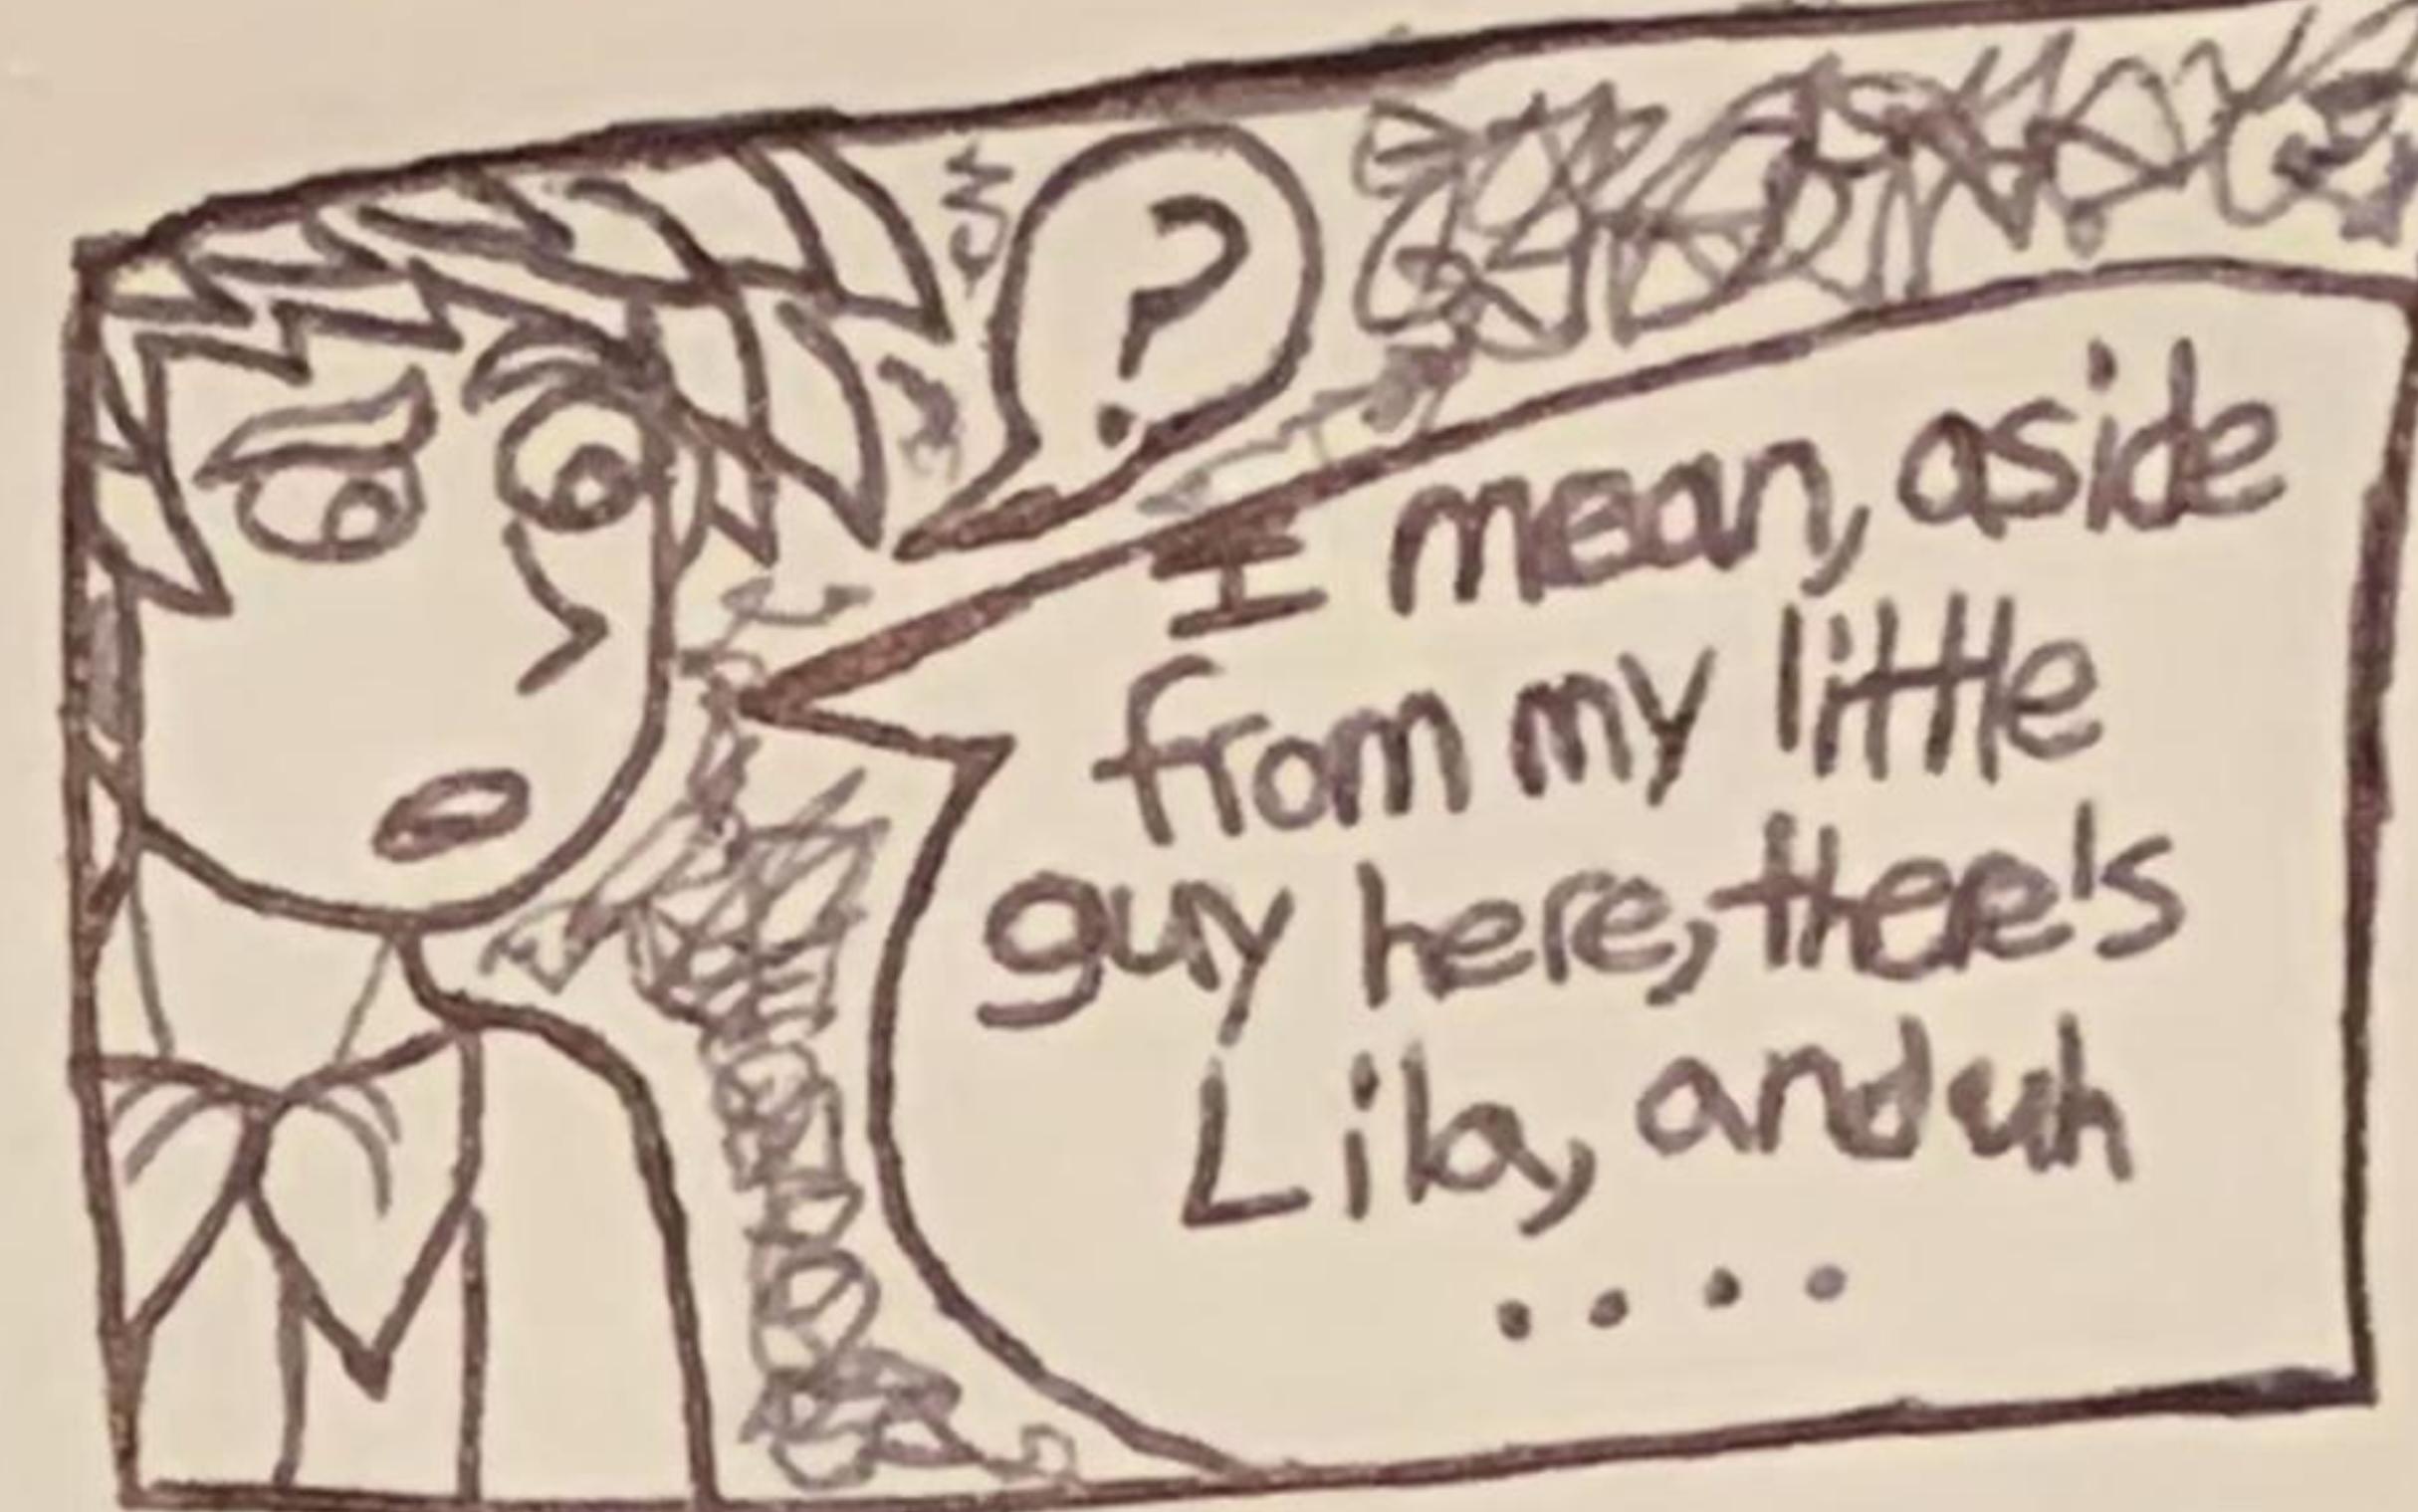

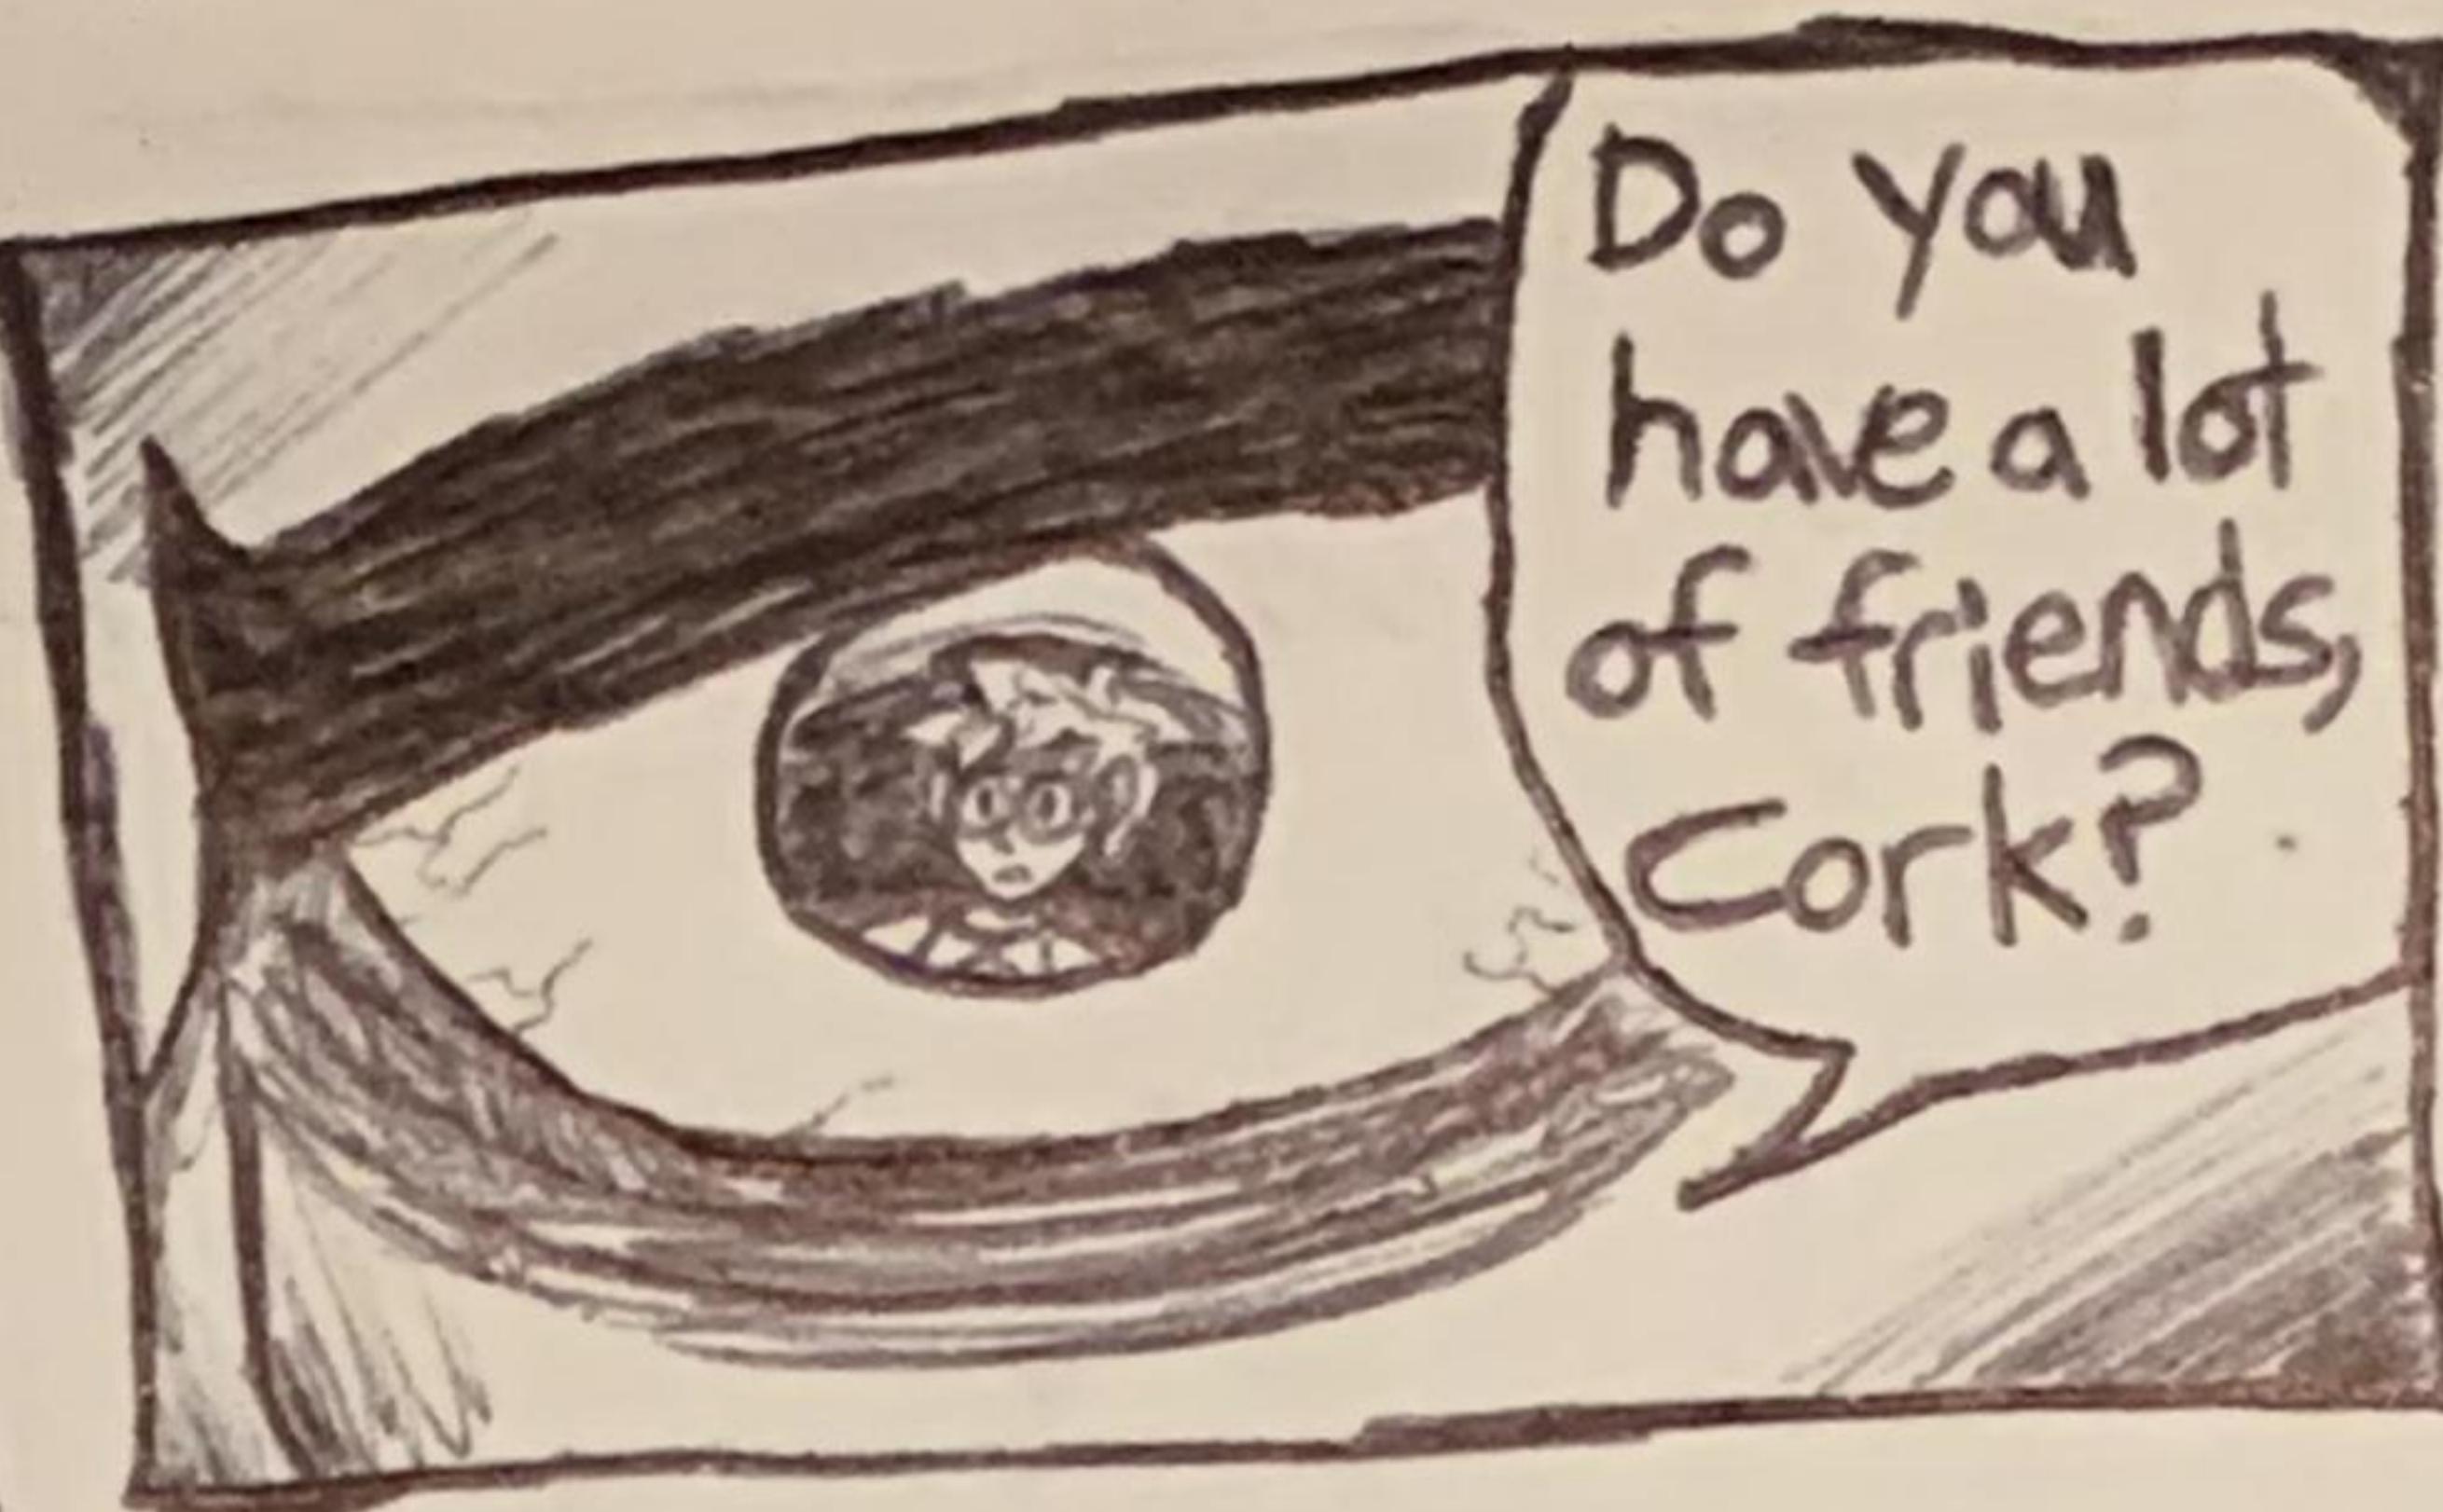

I designed his movement, balance, and spatial awareness over the course of months through ...
... facial expressions which respond to stimuli such as tone of voice...

He can recognize faces and locations
This is going well! I have all the answers!

Really, he's a conglomerate of -
And why did you design this... "robot?"

* MOST OF the answers . . .

Later that day...

I just don't get why
he'd say that.

Don't overthink it. I'm
sure you passed.

So did you do gymnastics
for them?

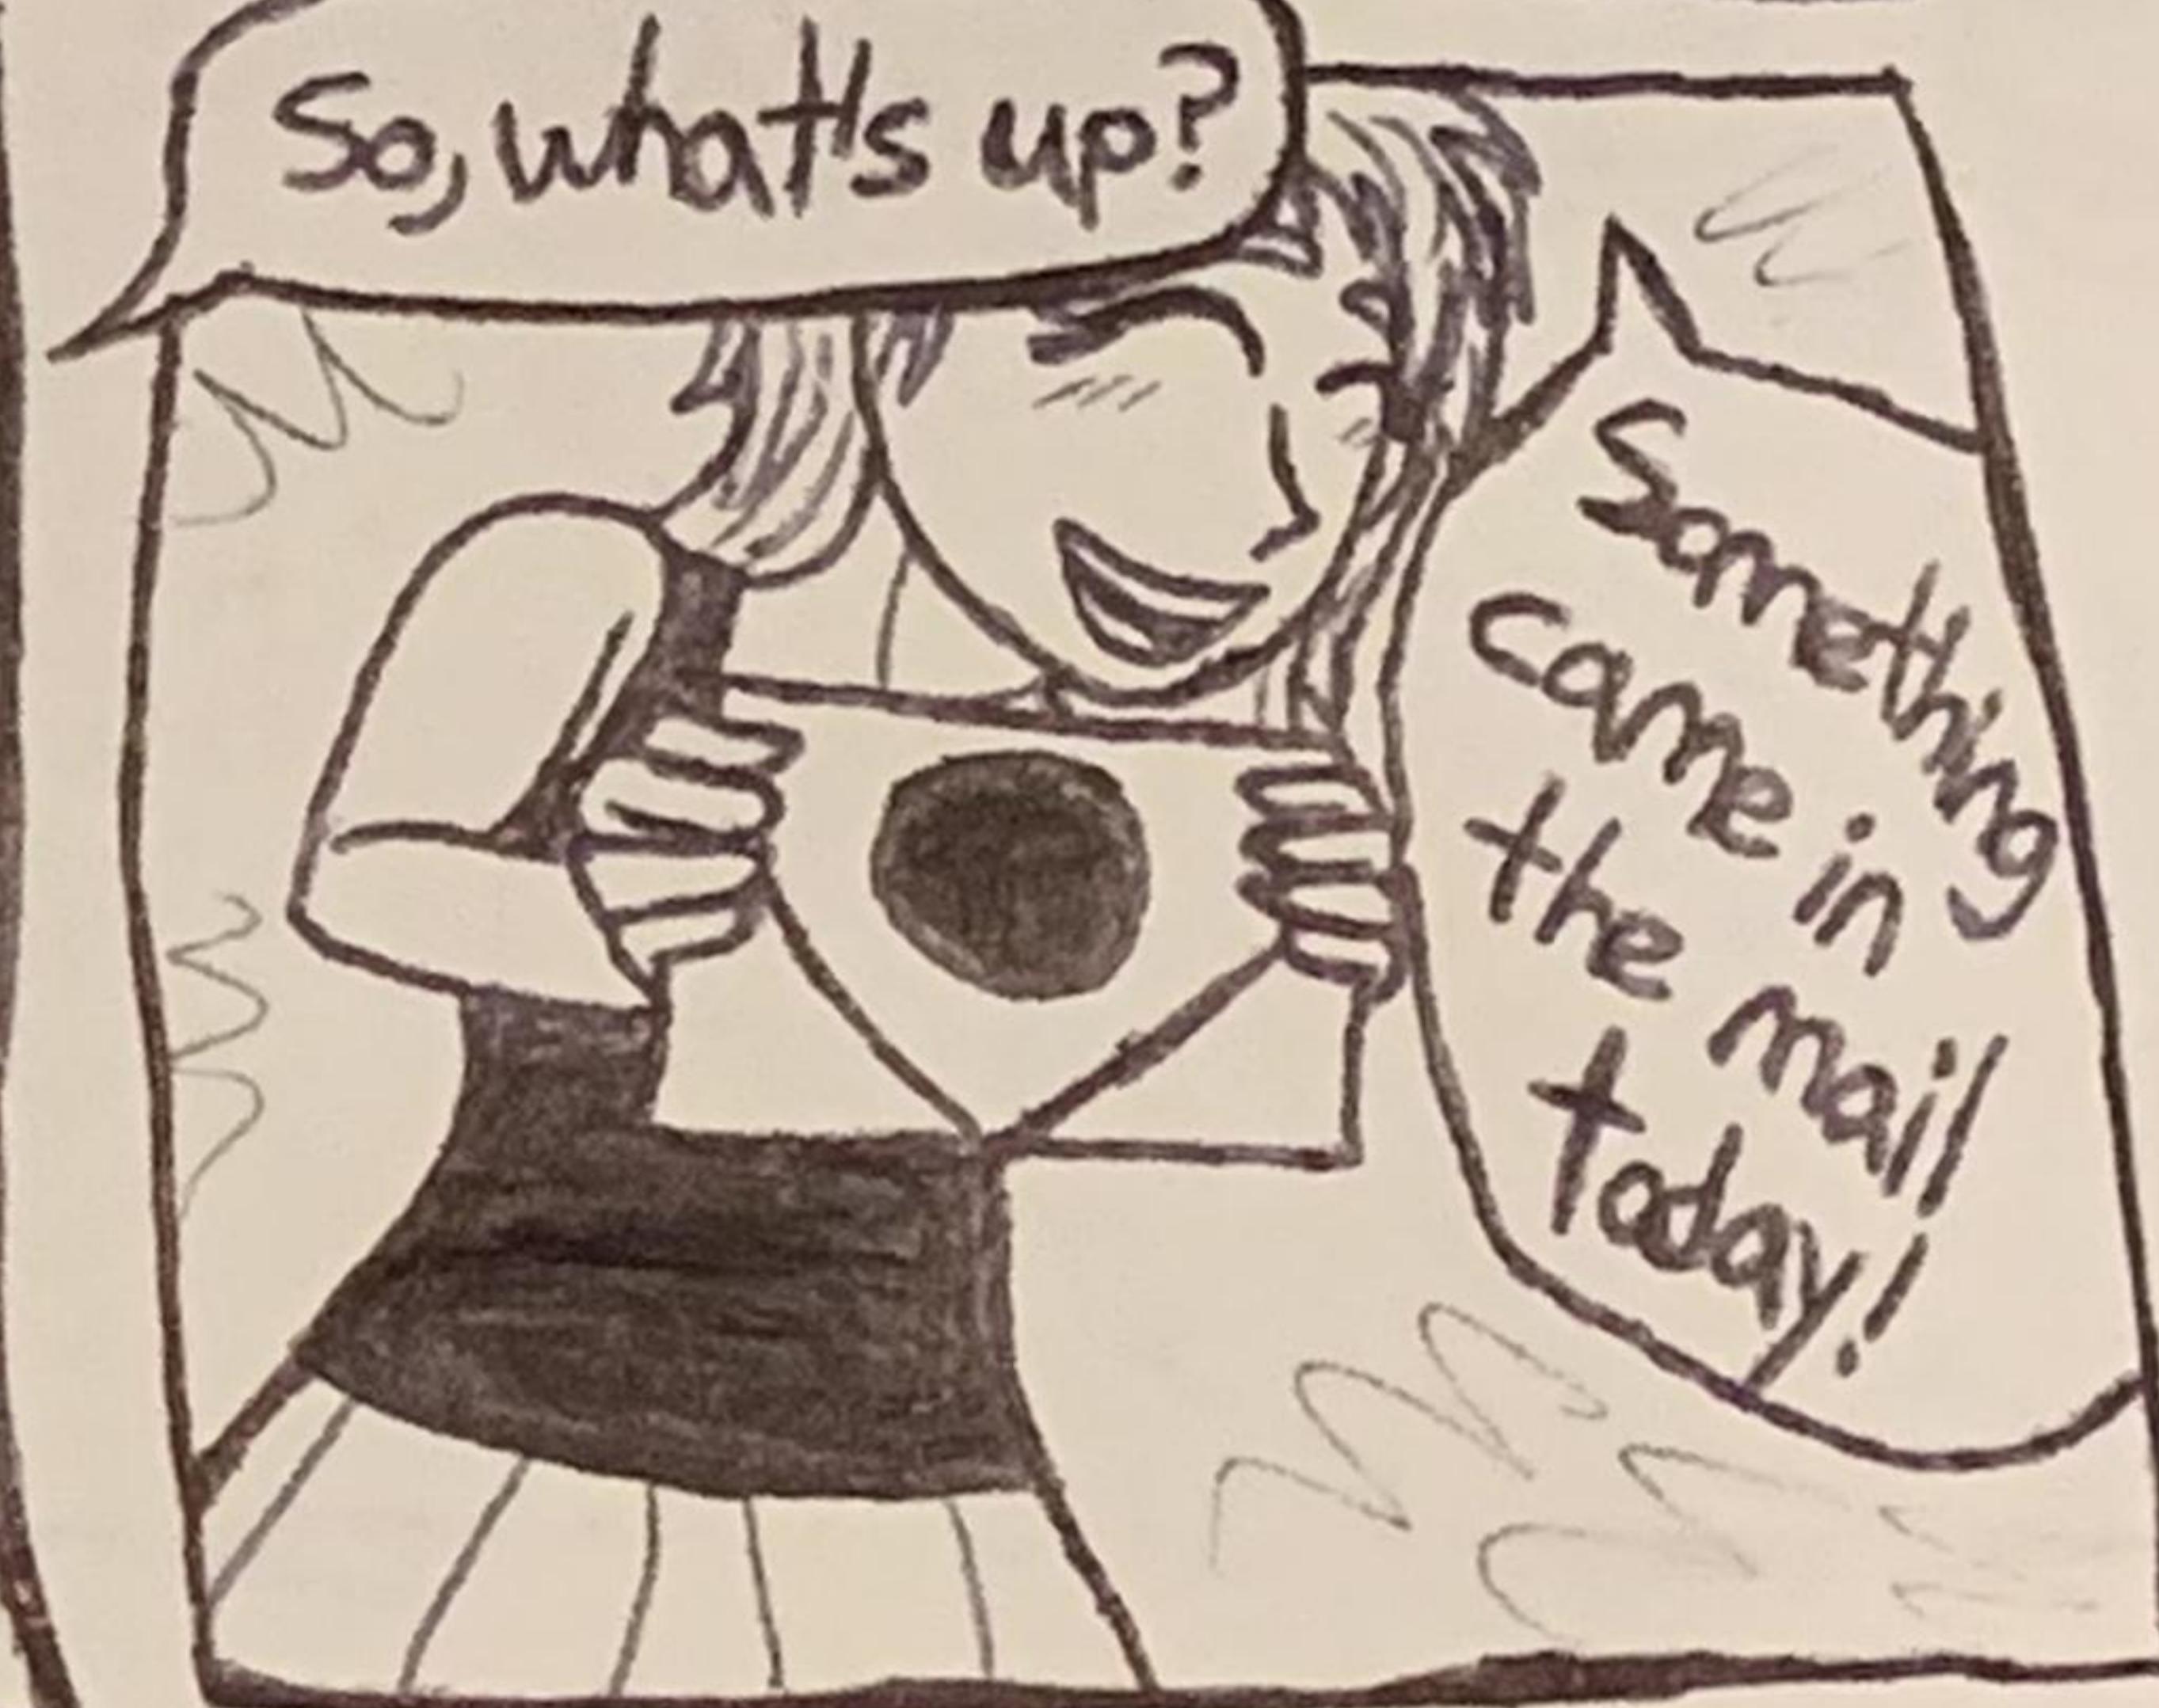

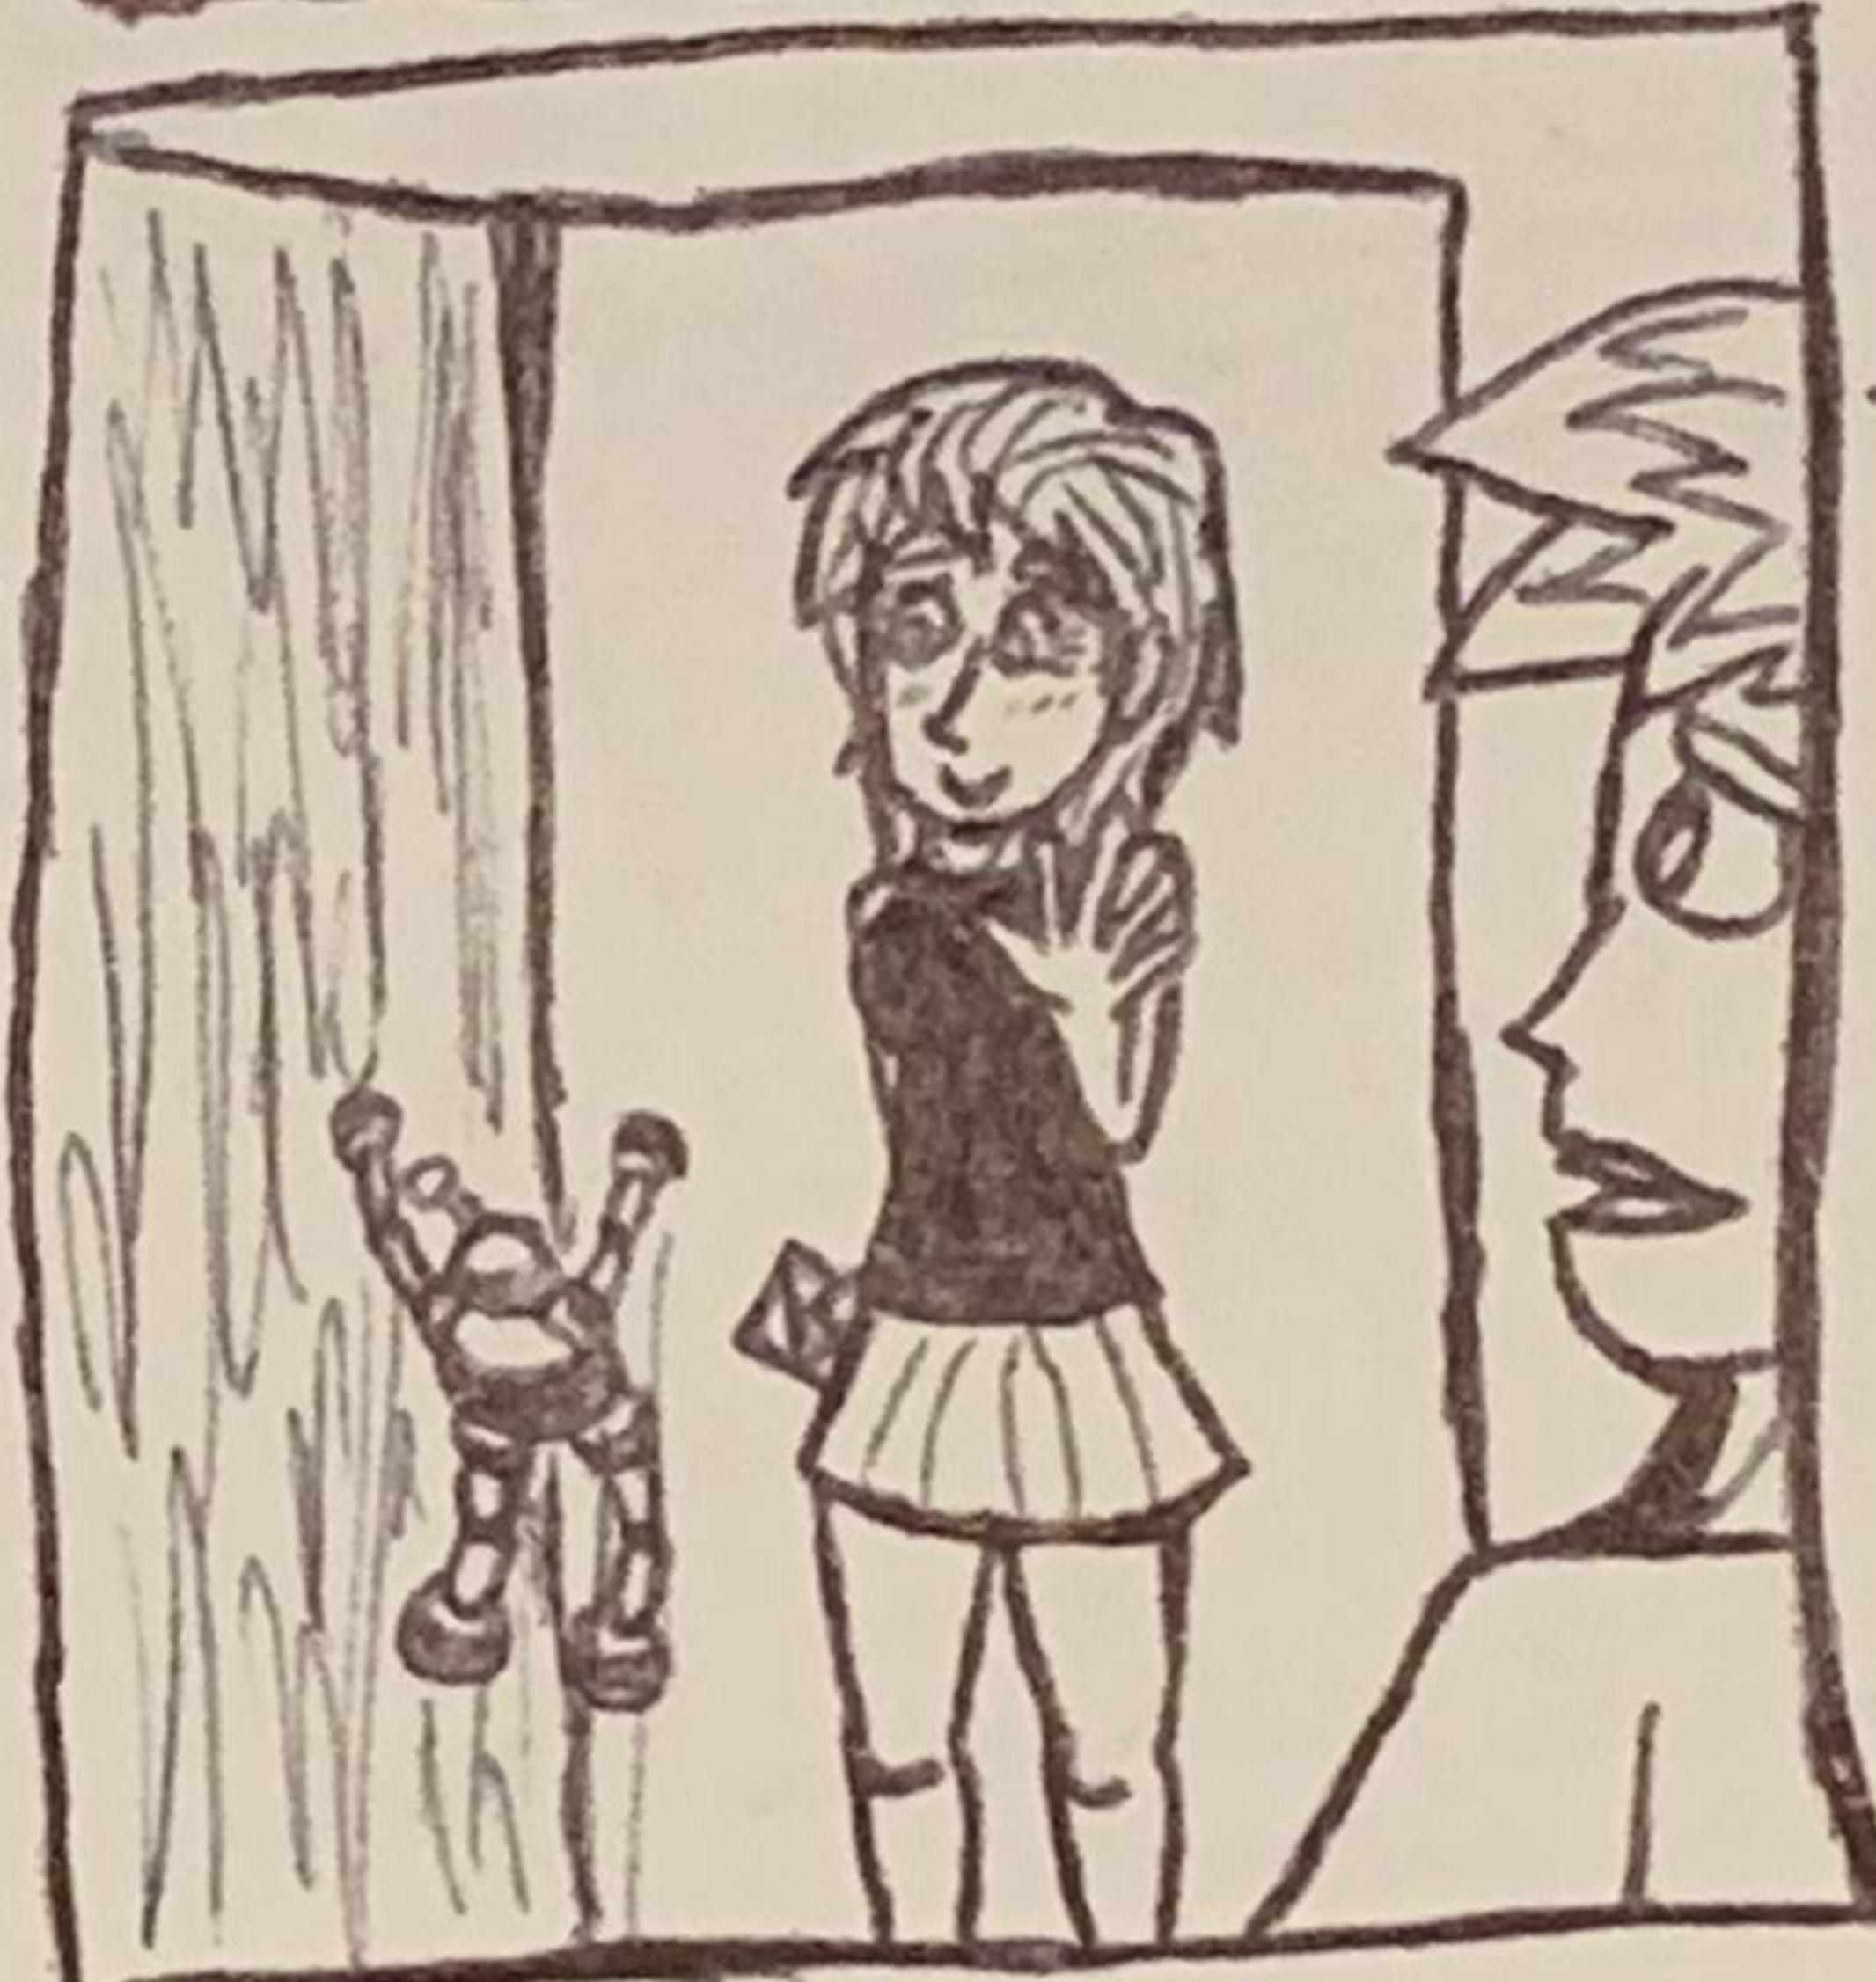

Nah. She
just asked
some
questions
and I
answered
them.

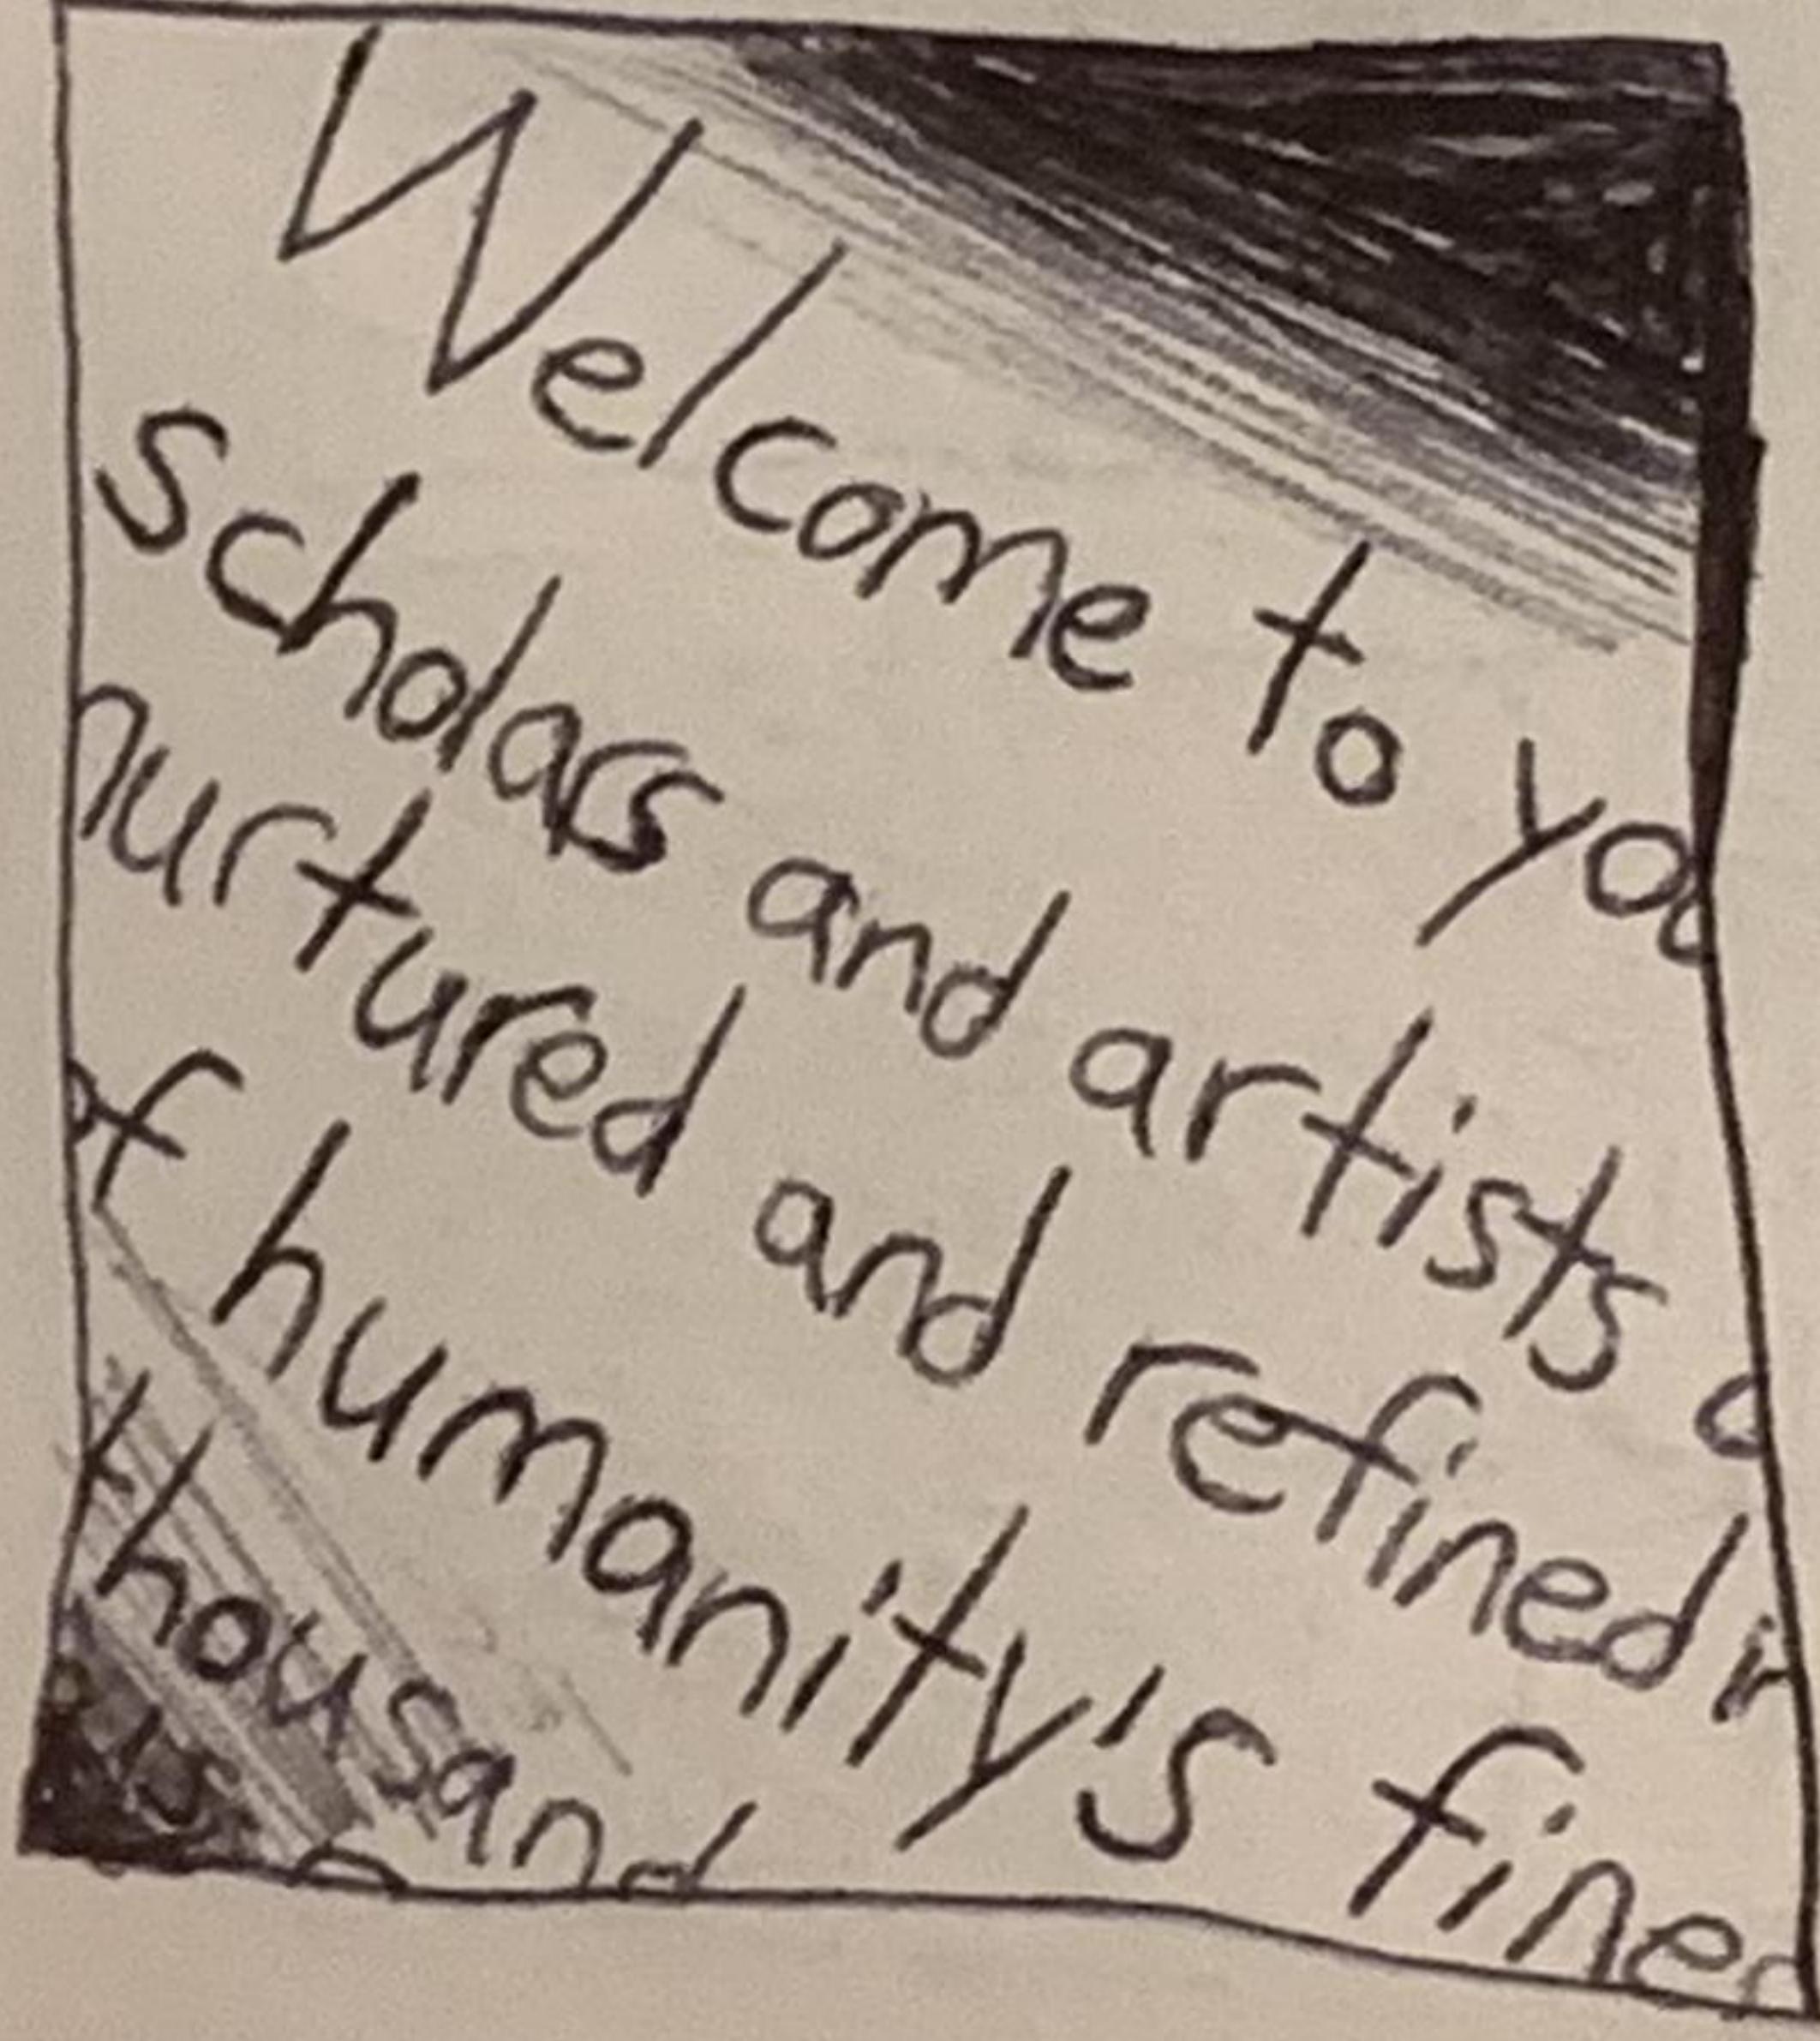

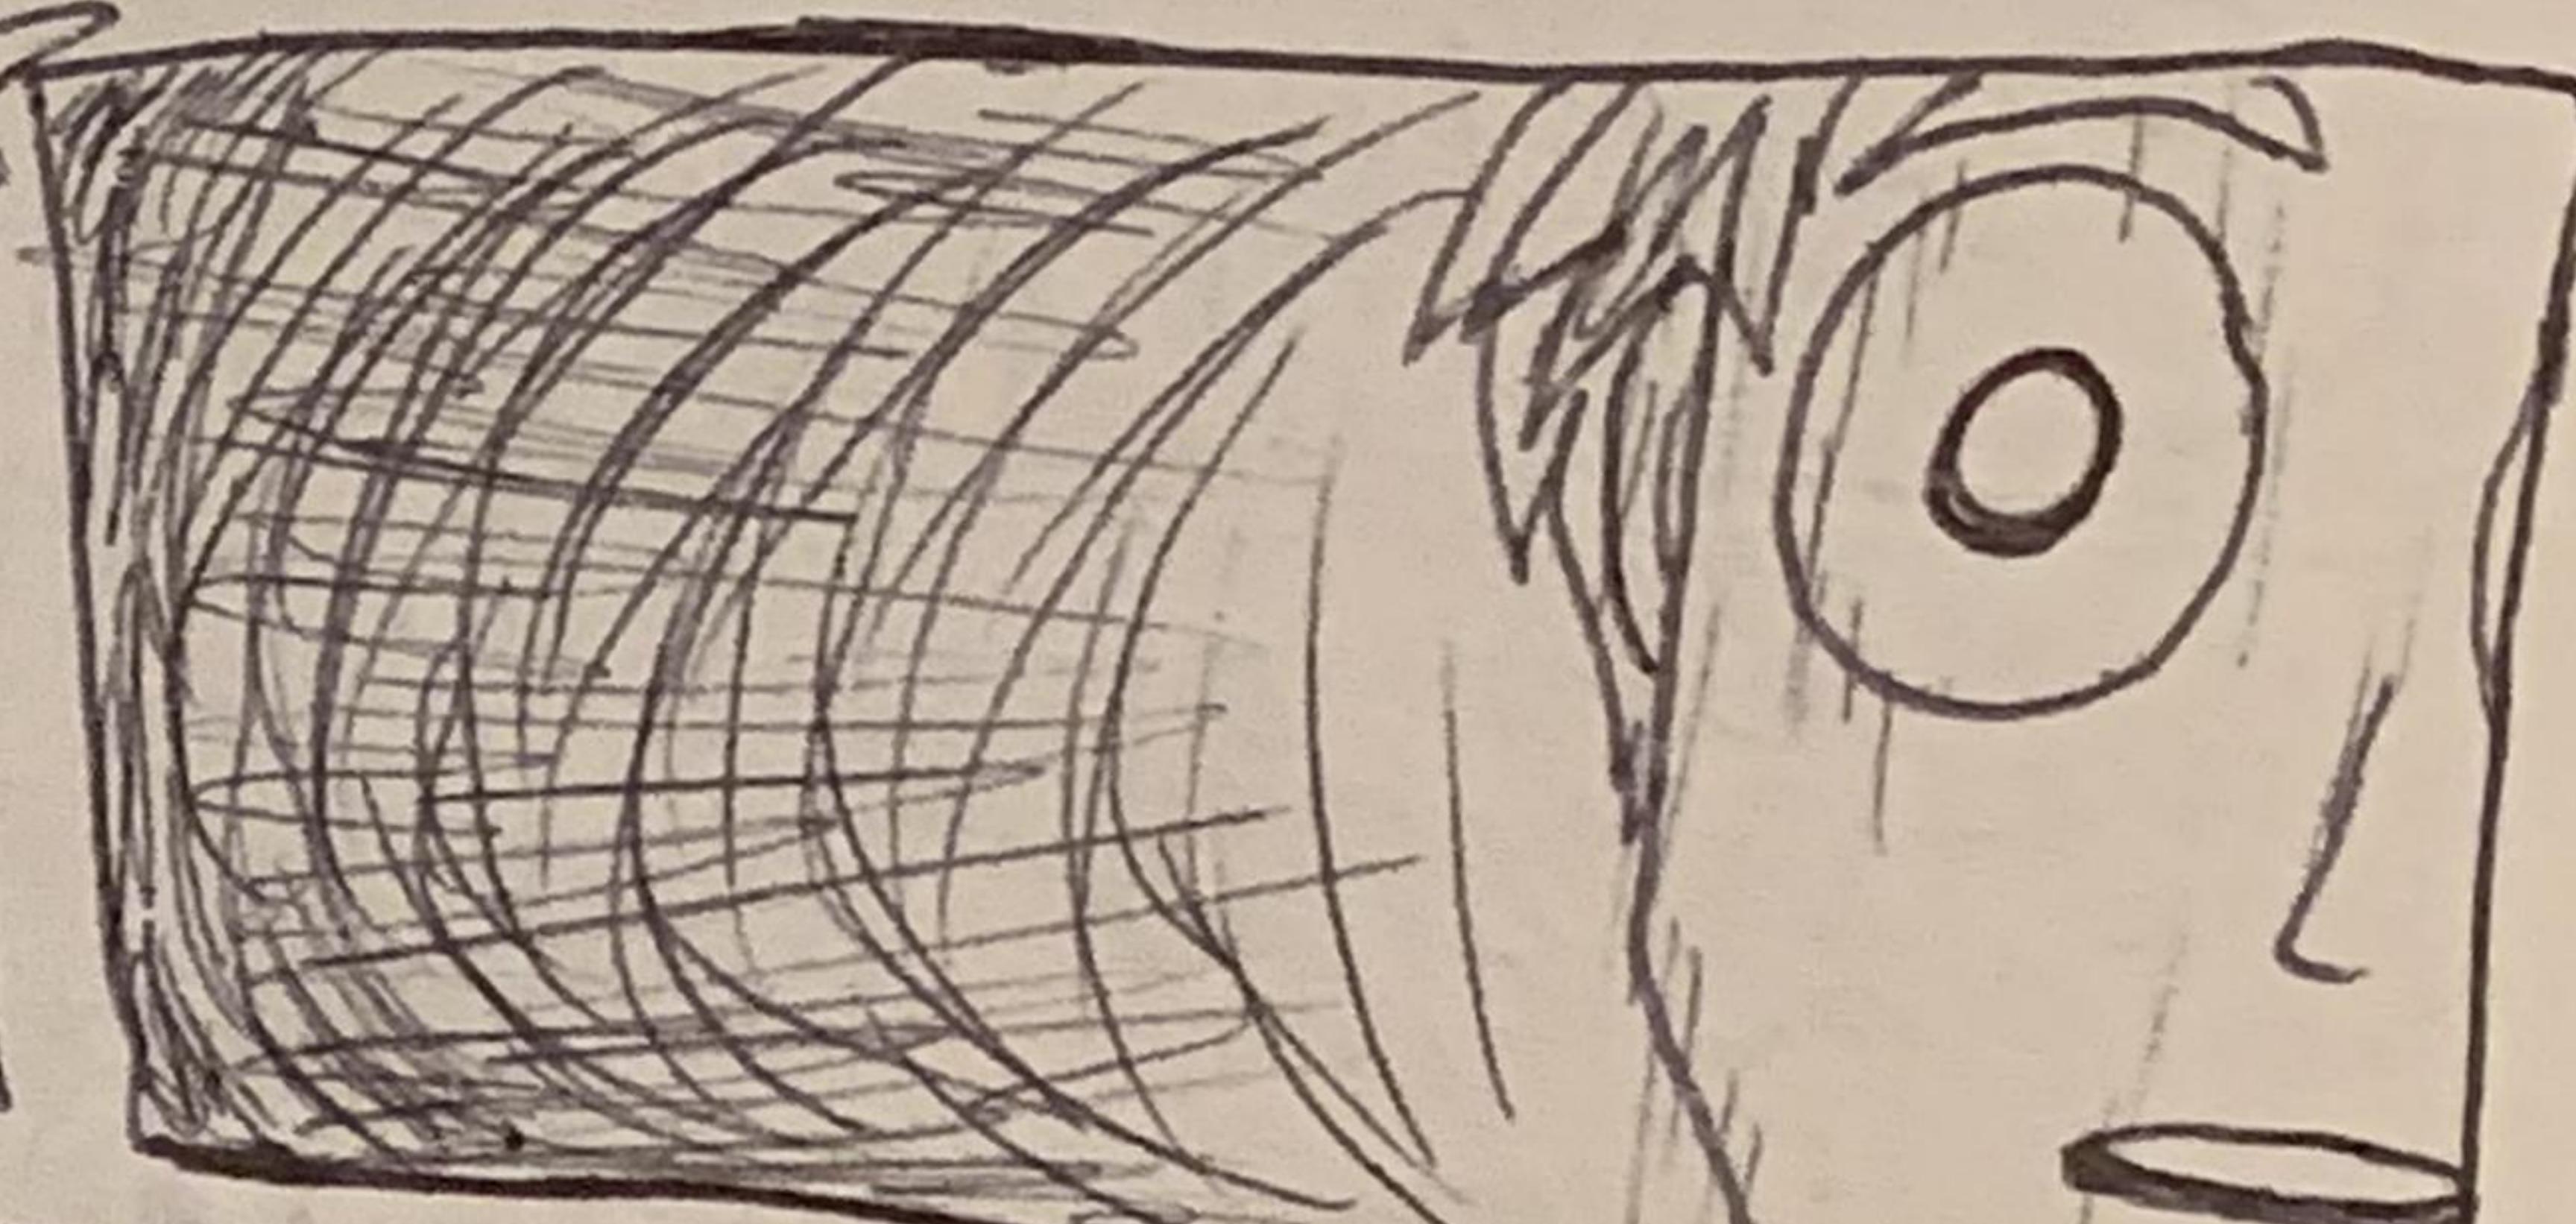

Maybe I shouldn't have tried so
hard to impress that guy with Wink.

Come to think of
it, why
didn't
you
show my
dad
Wink?

Why didn't I -?
I am so stupid! That
would've been so easy!
oh my go-

"We" did what now?

We-I'm going to med school!

What?

I just found out today. Sign here, please.

This looks more like some sort of art school to me.

They have a brand new medical branch!

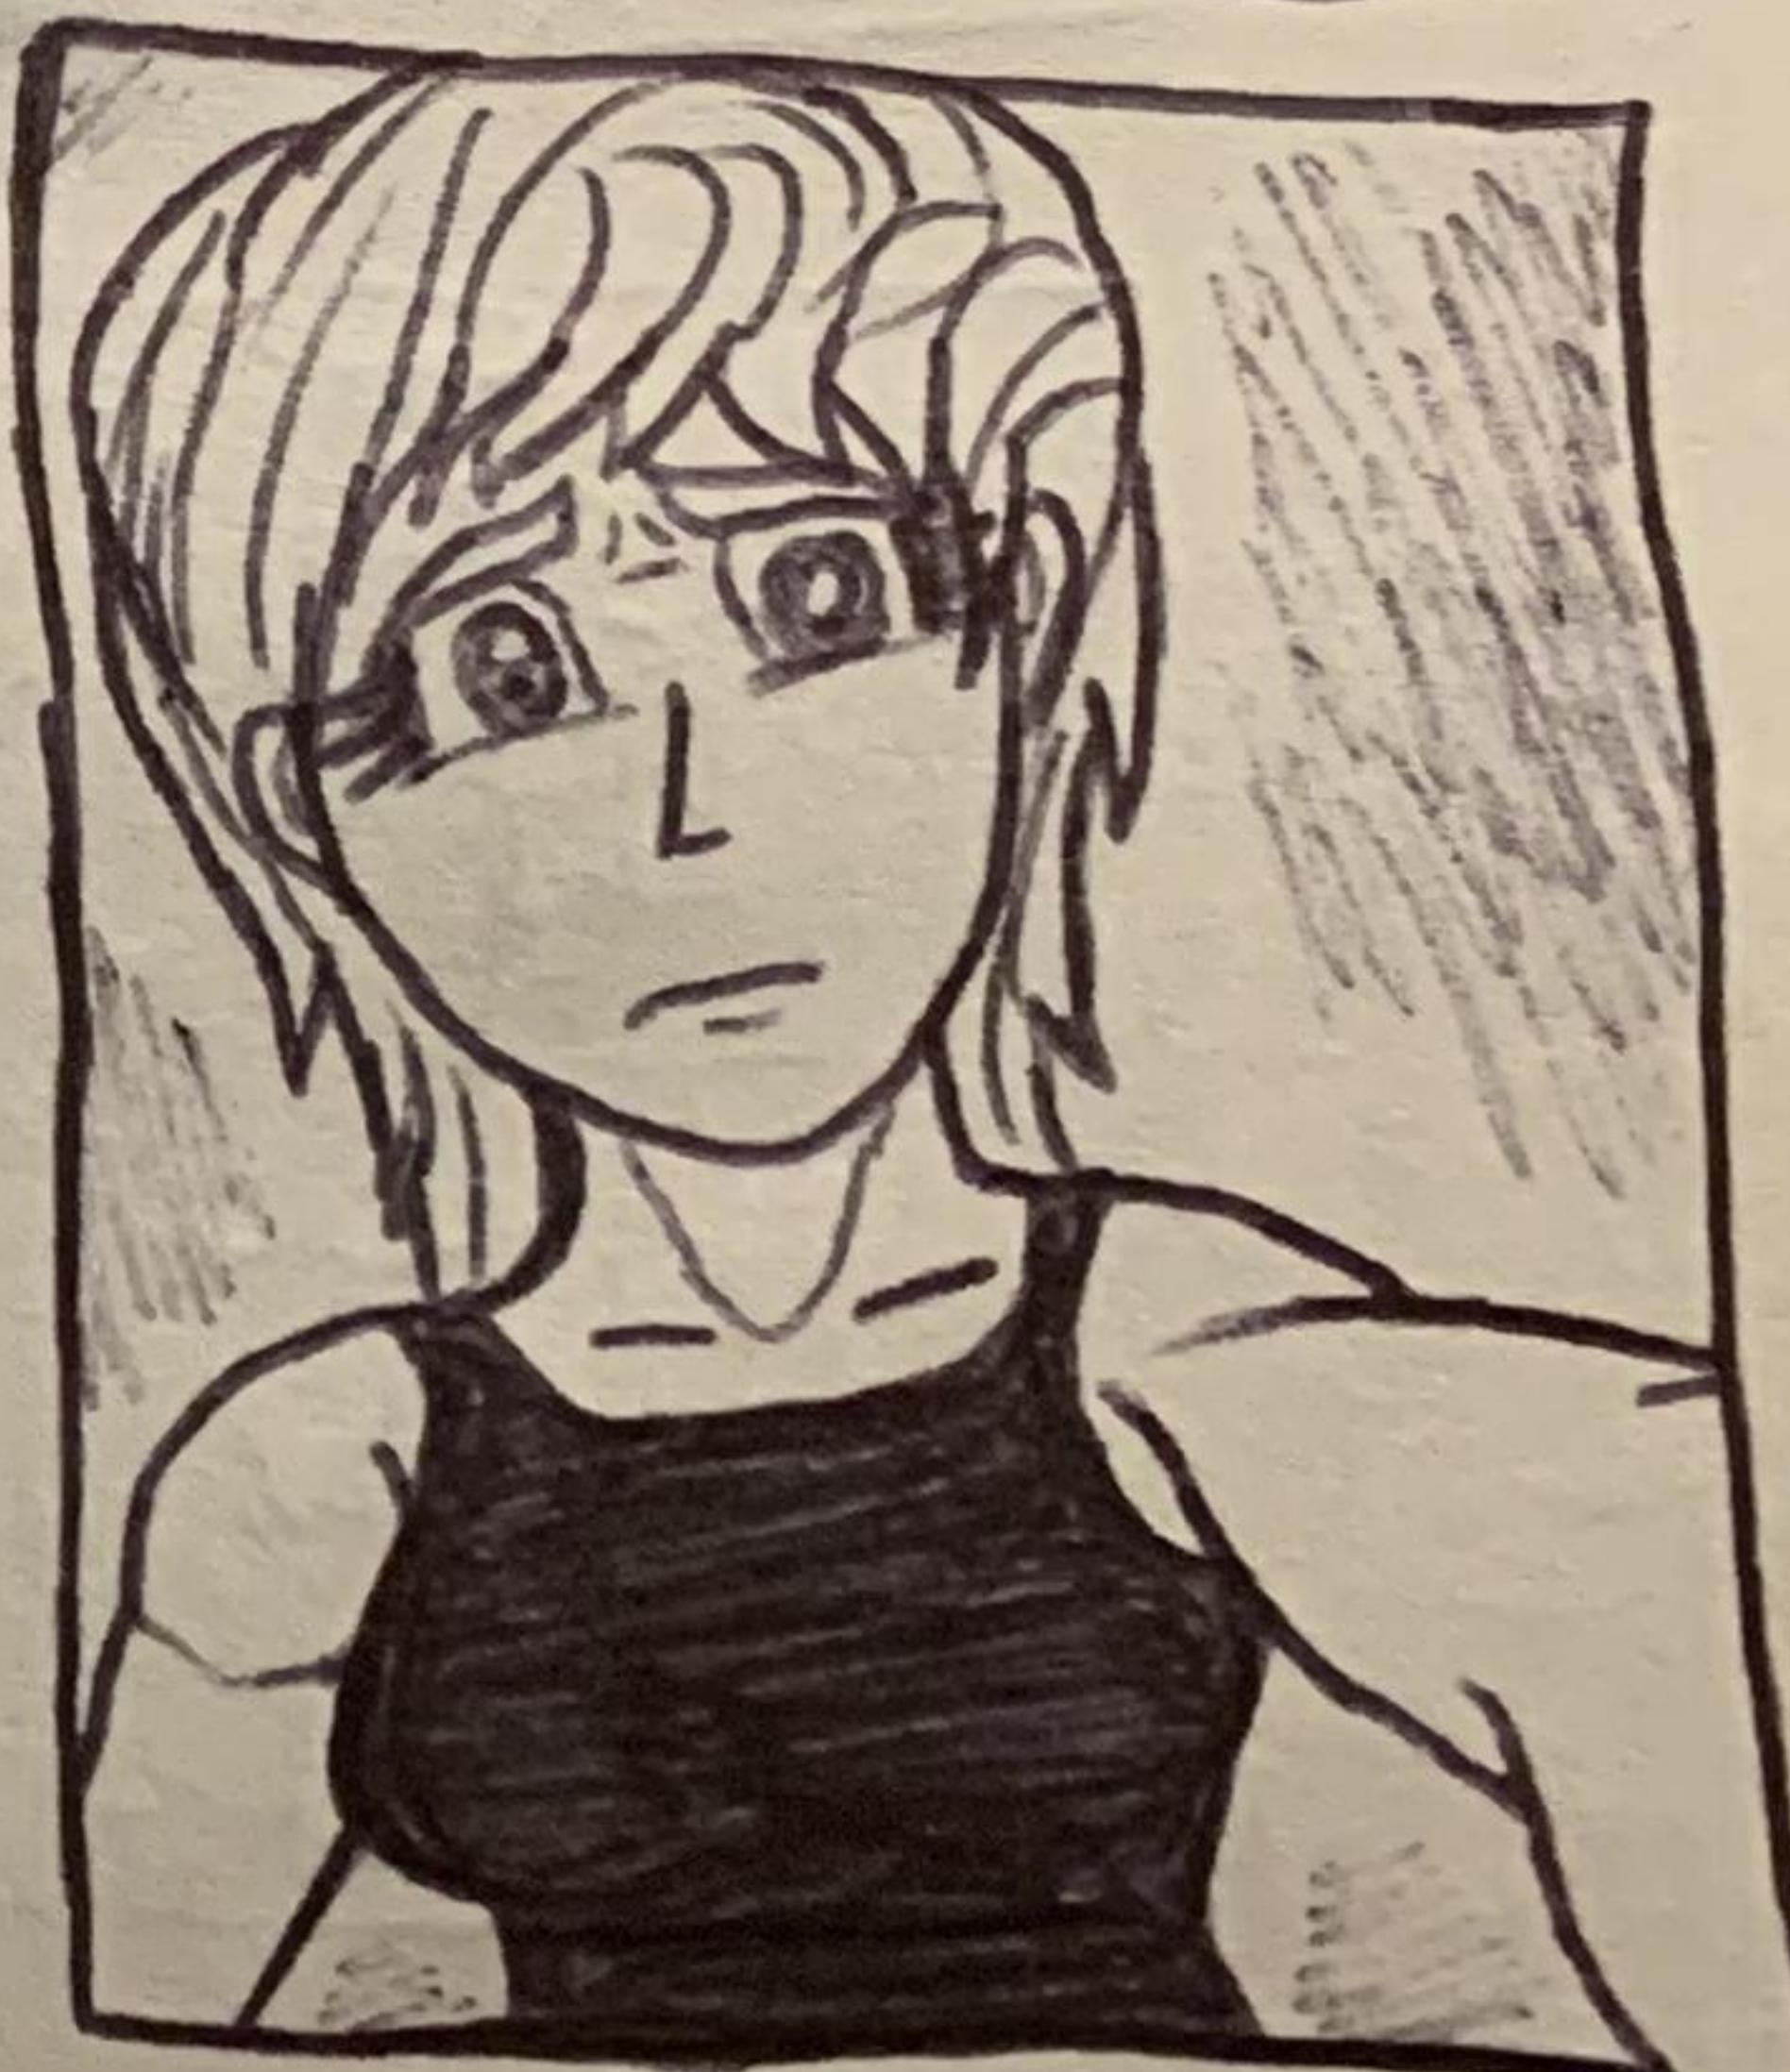

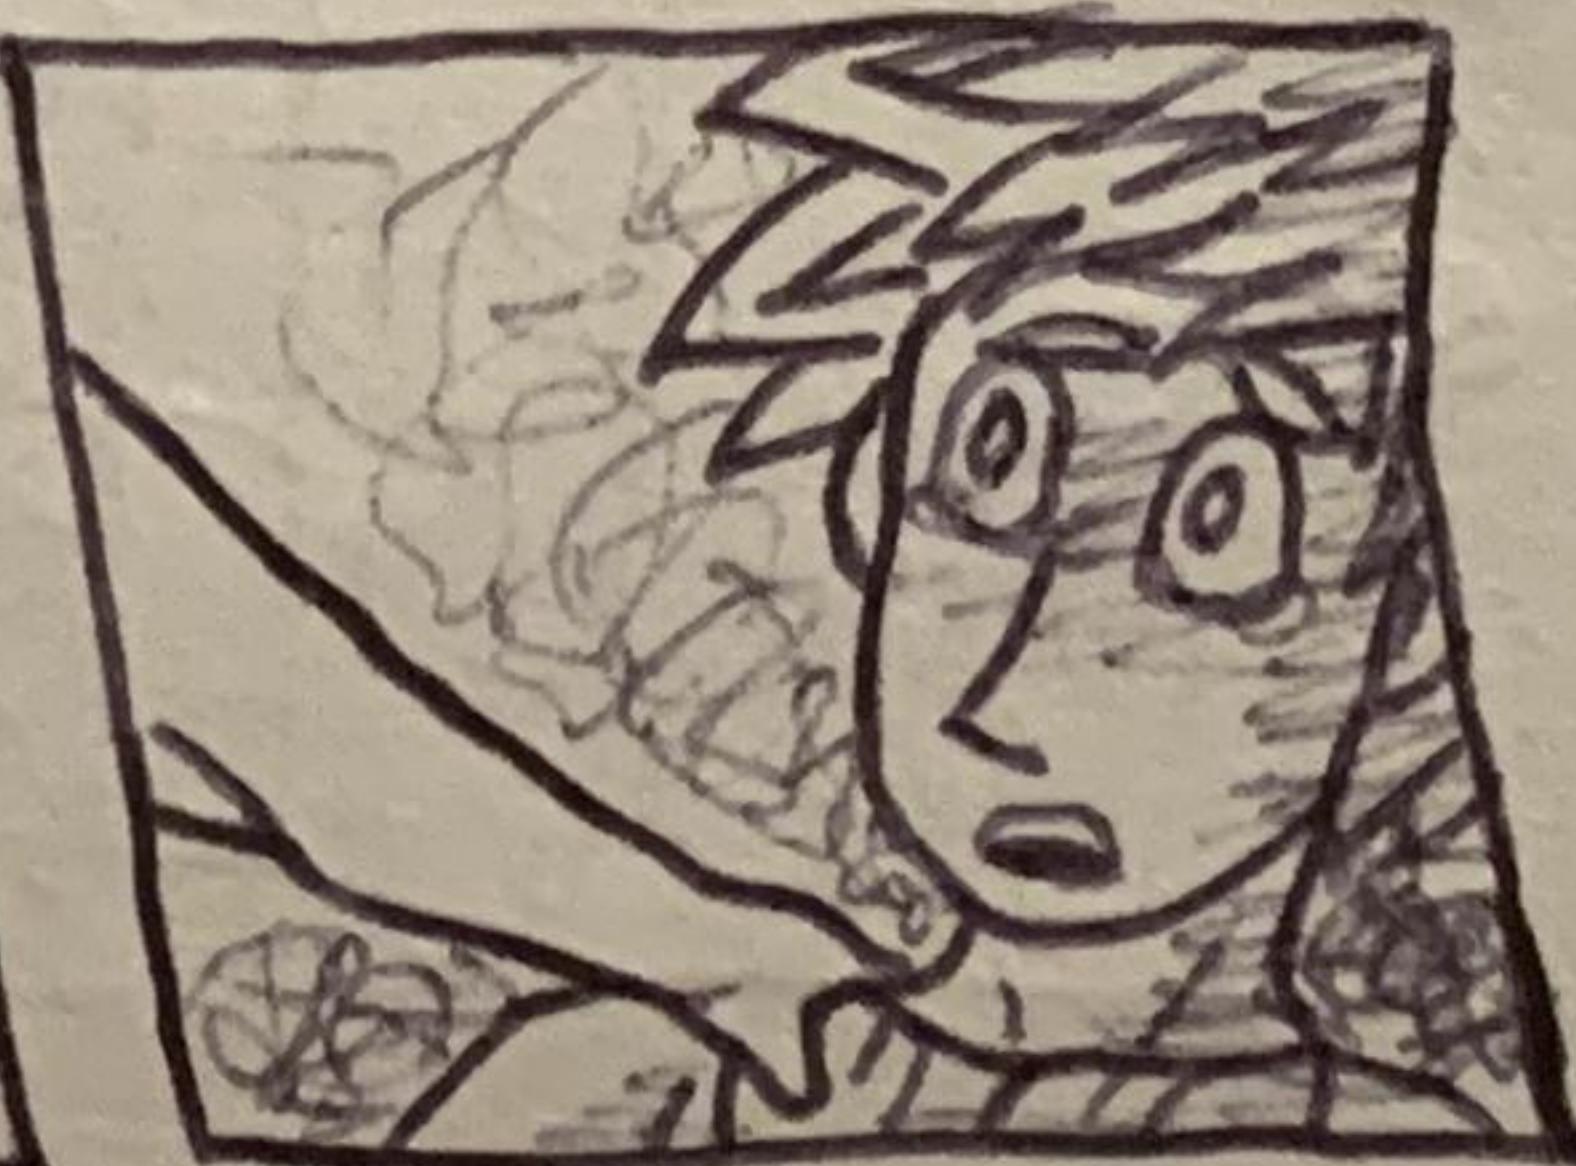

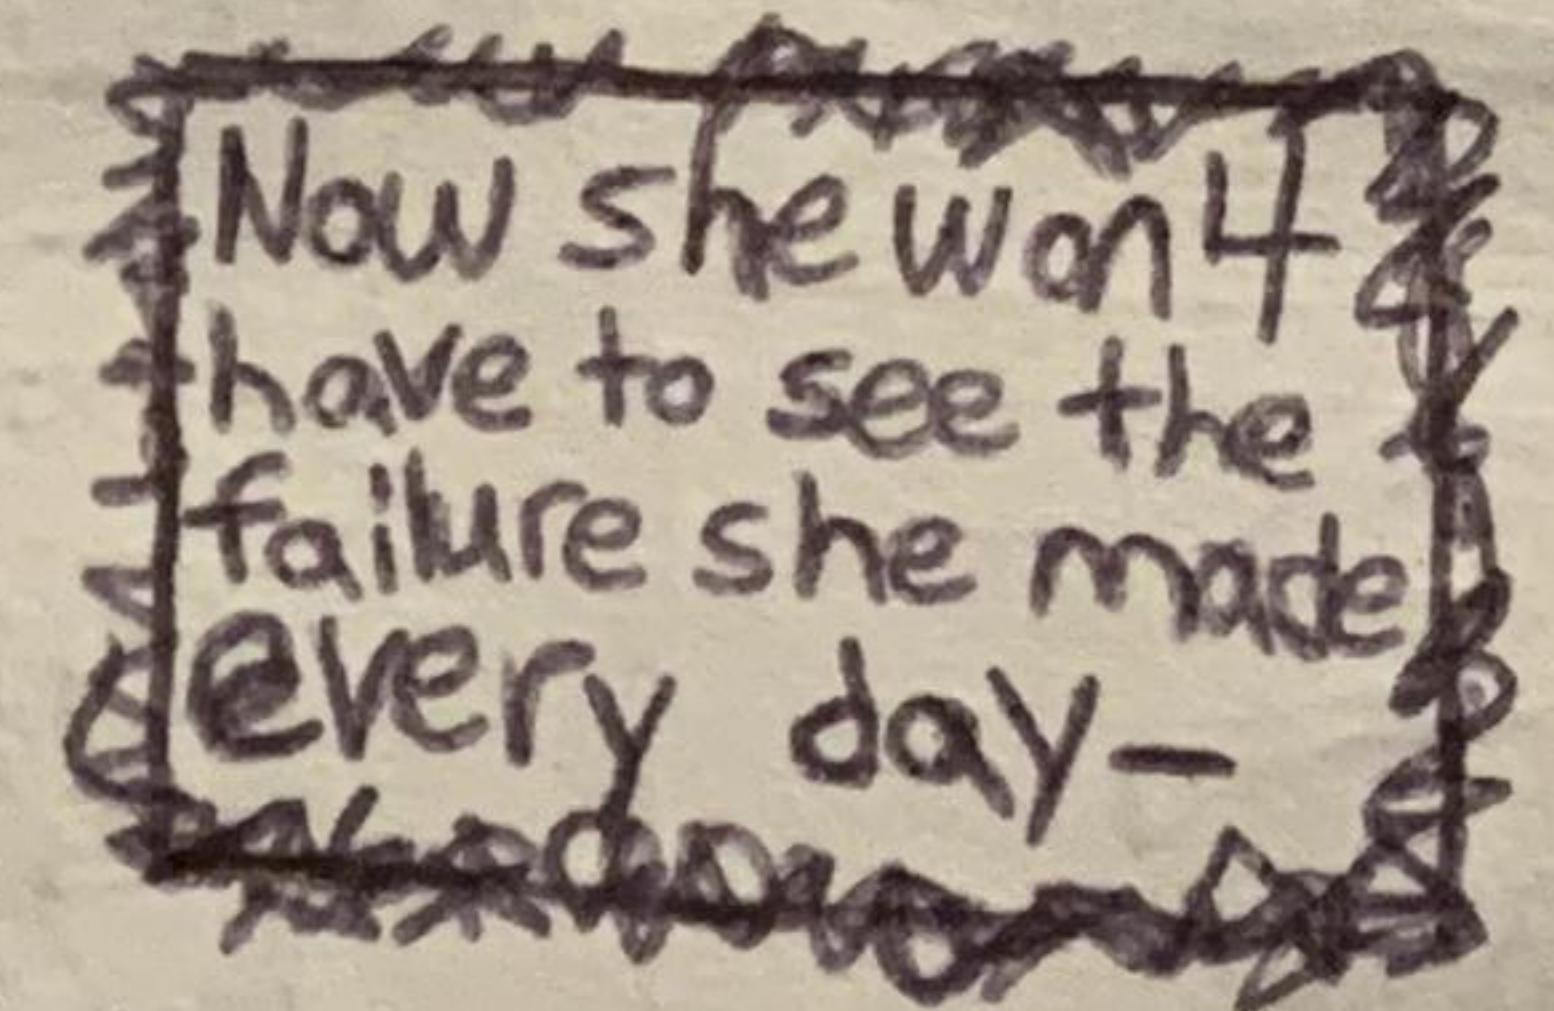

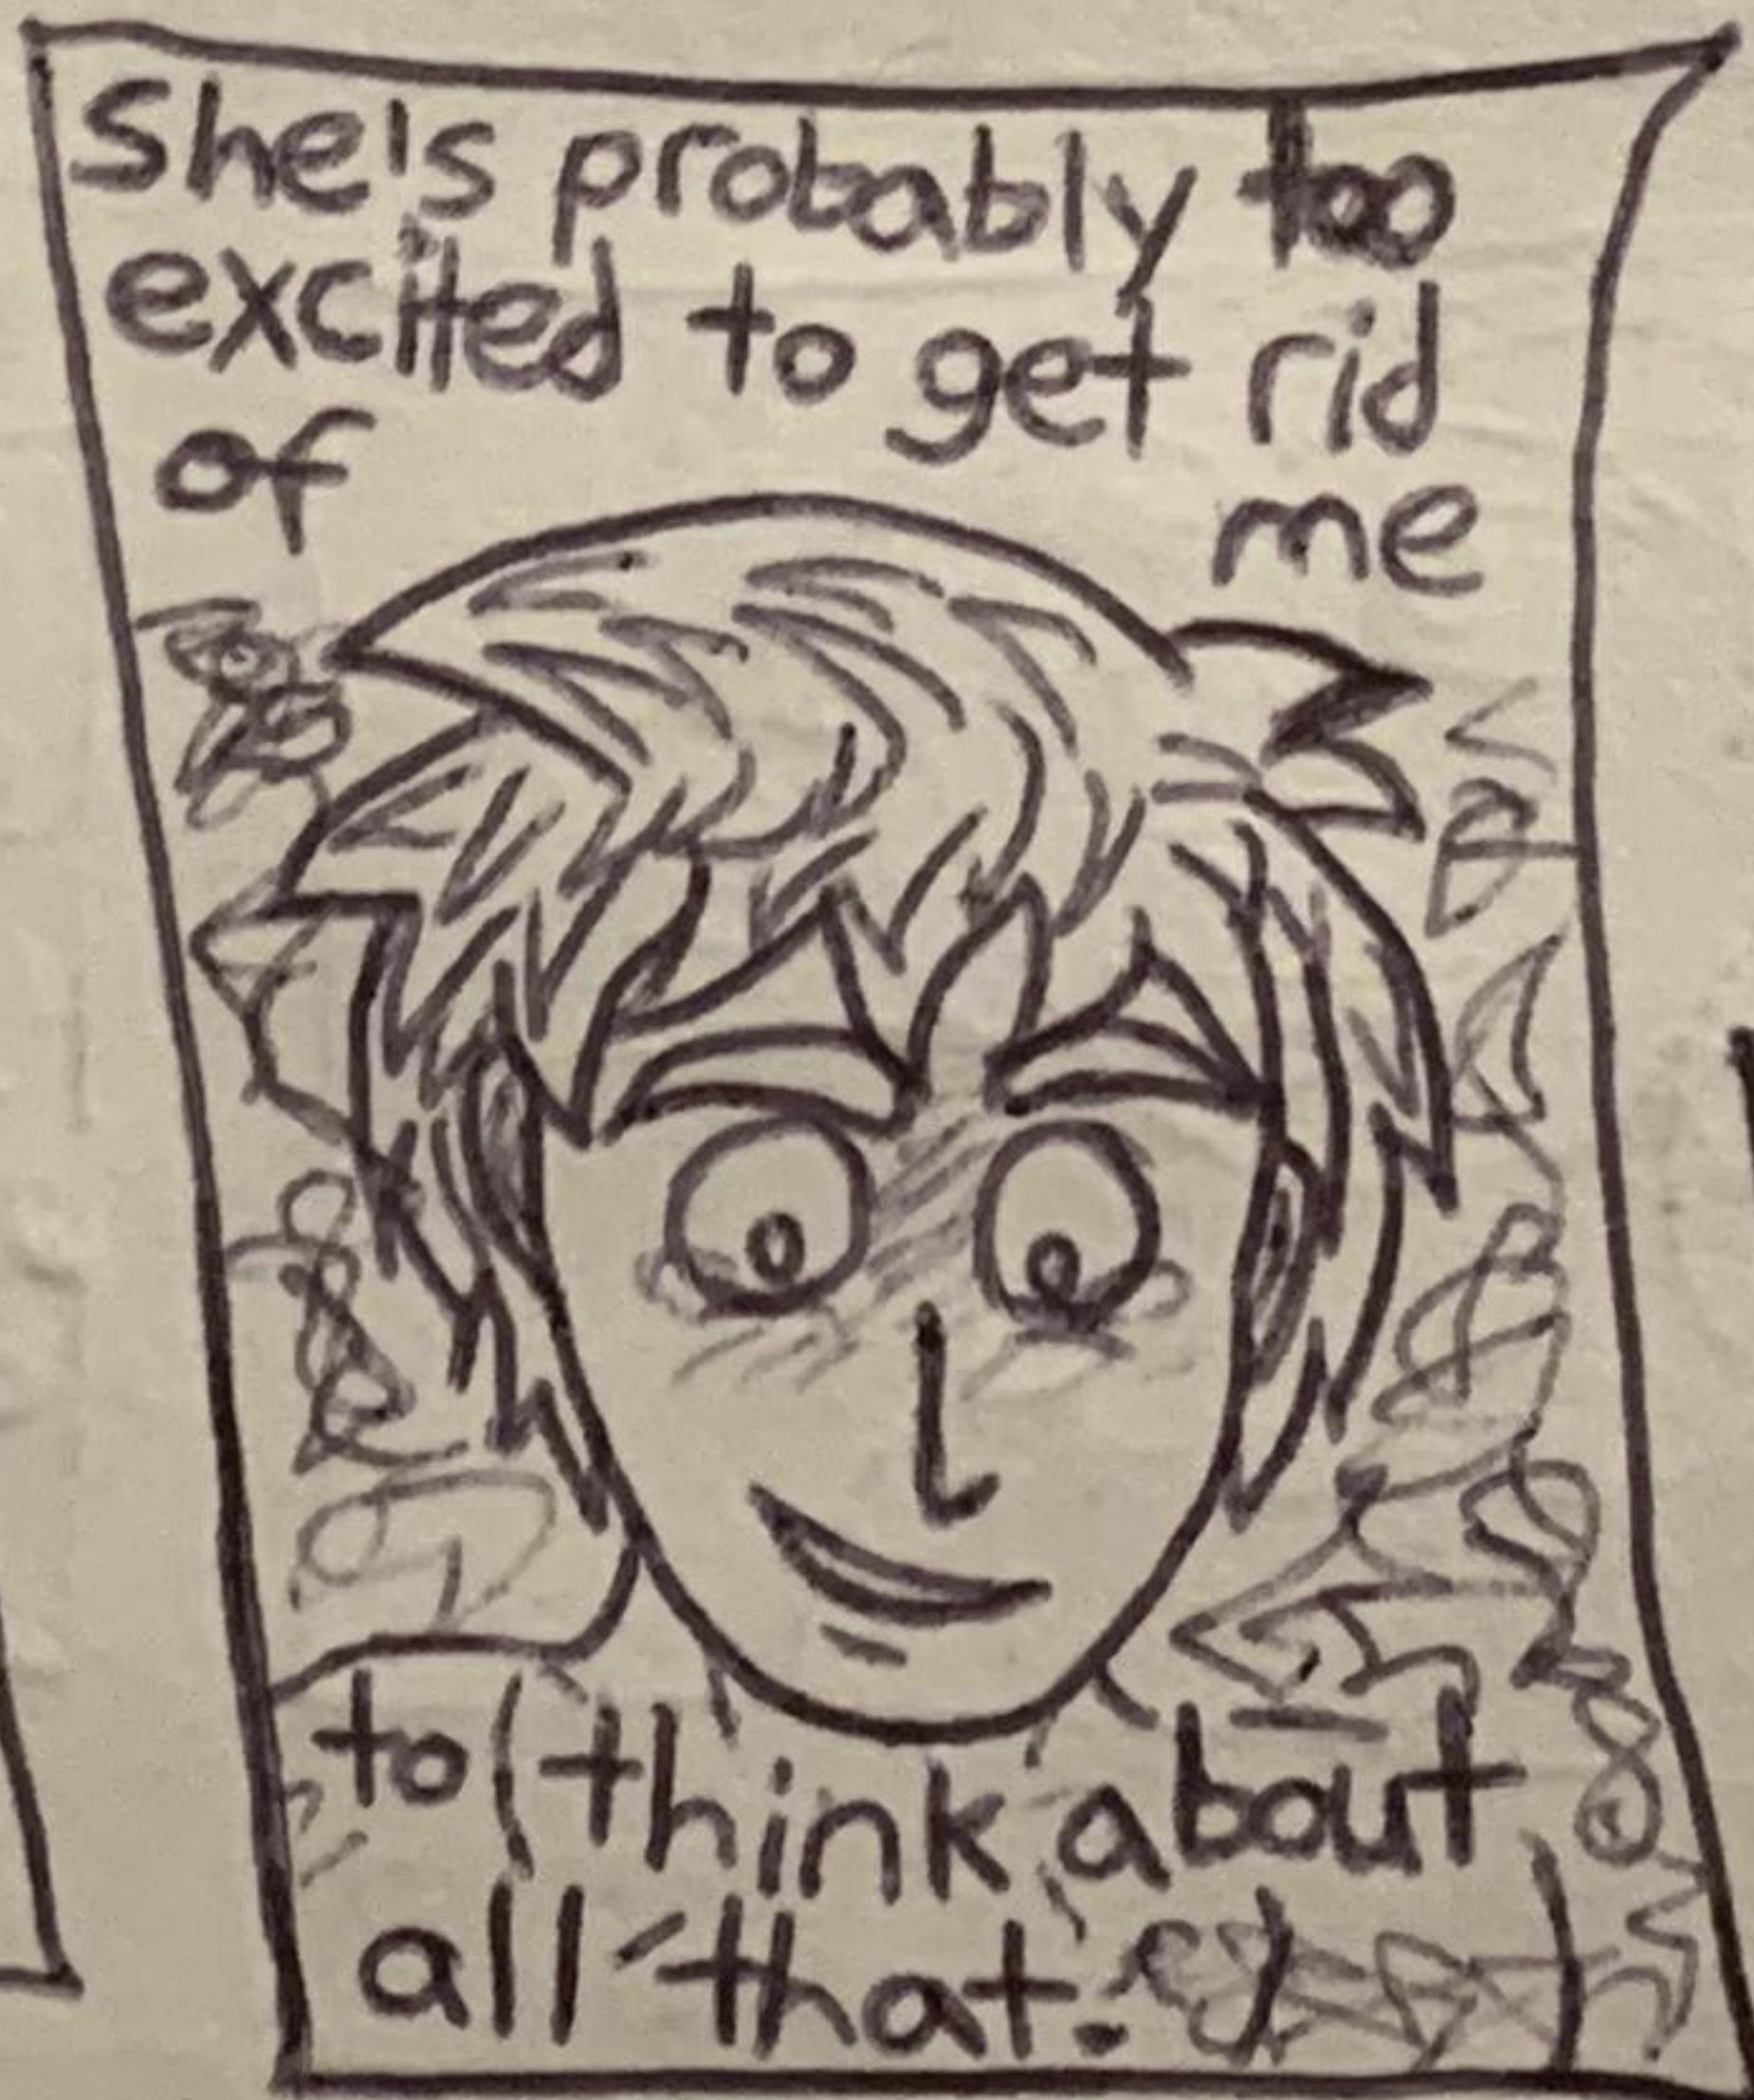

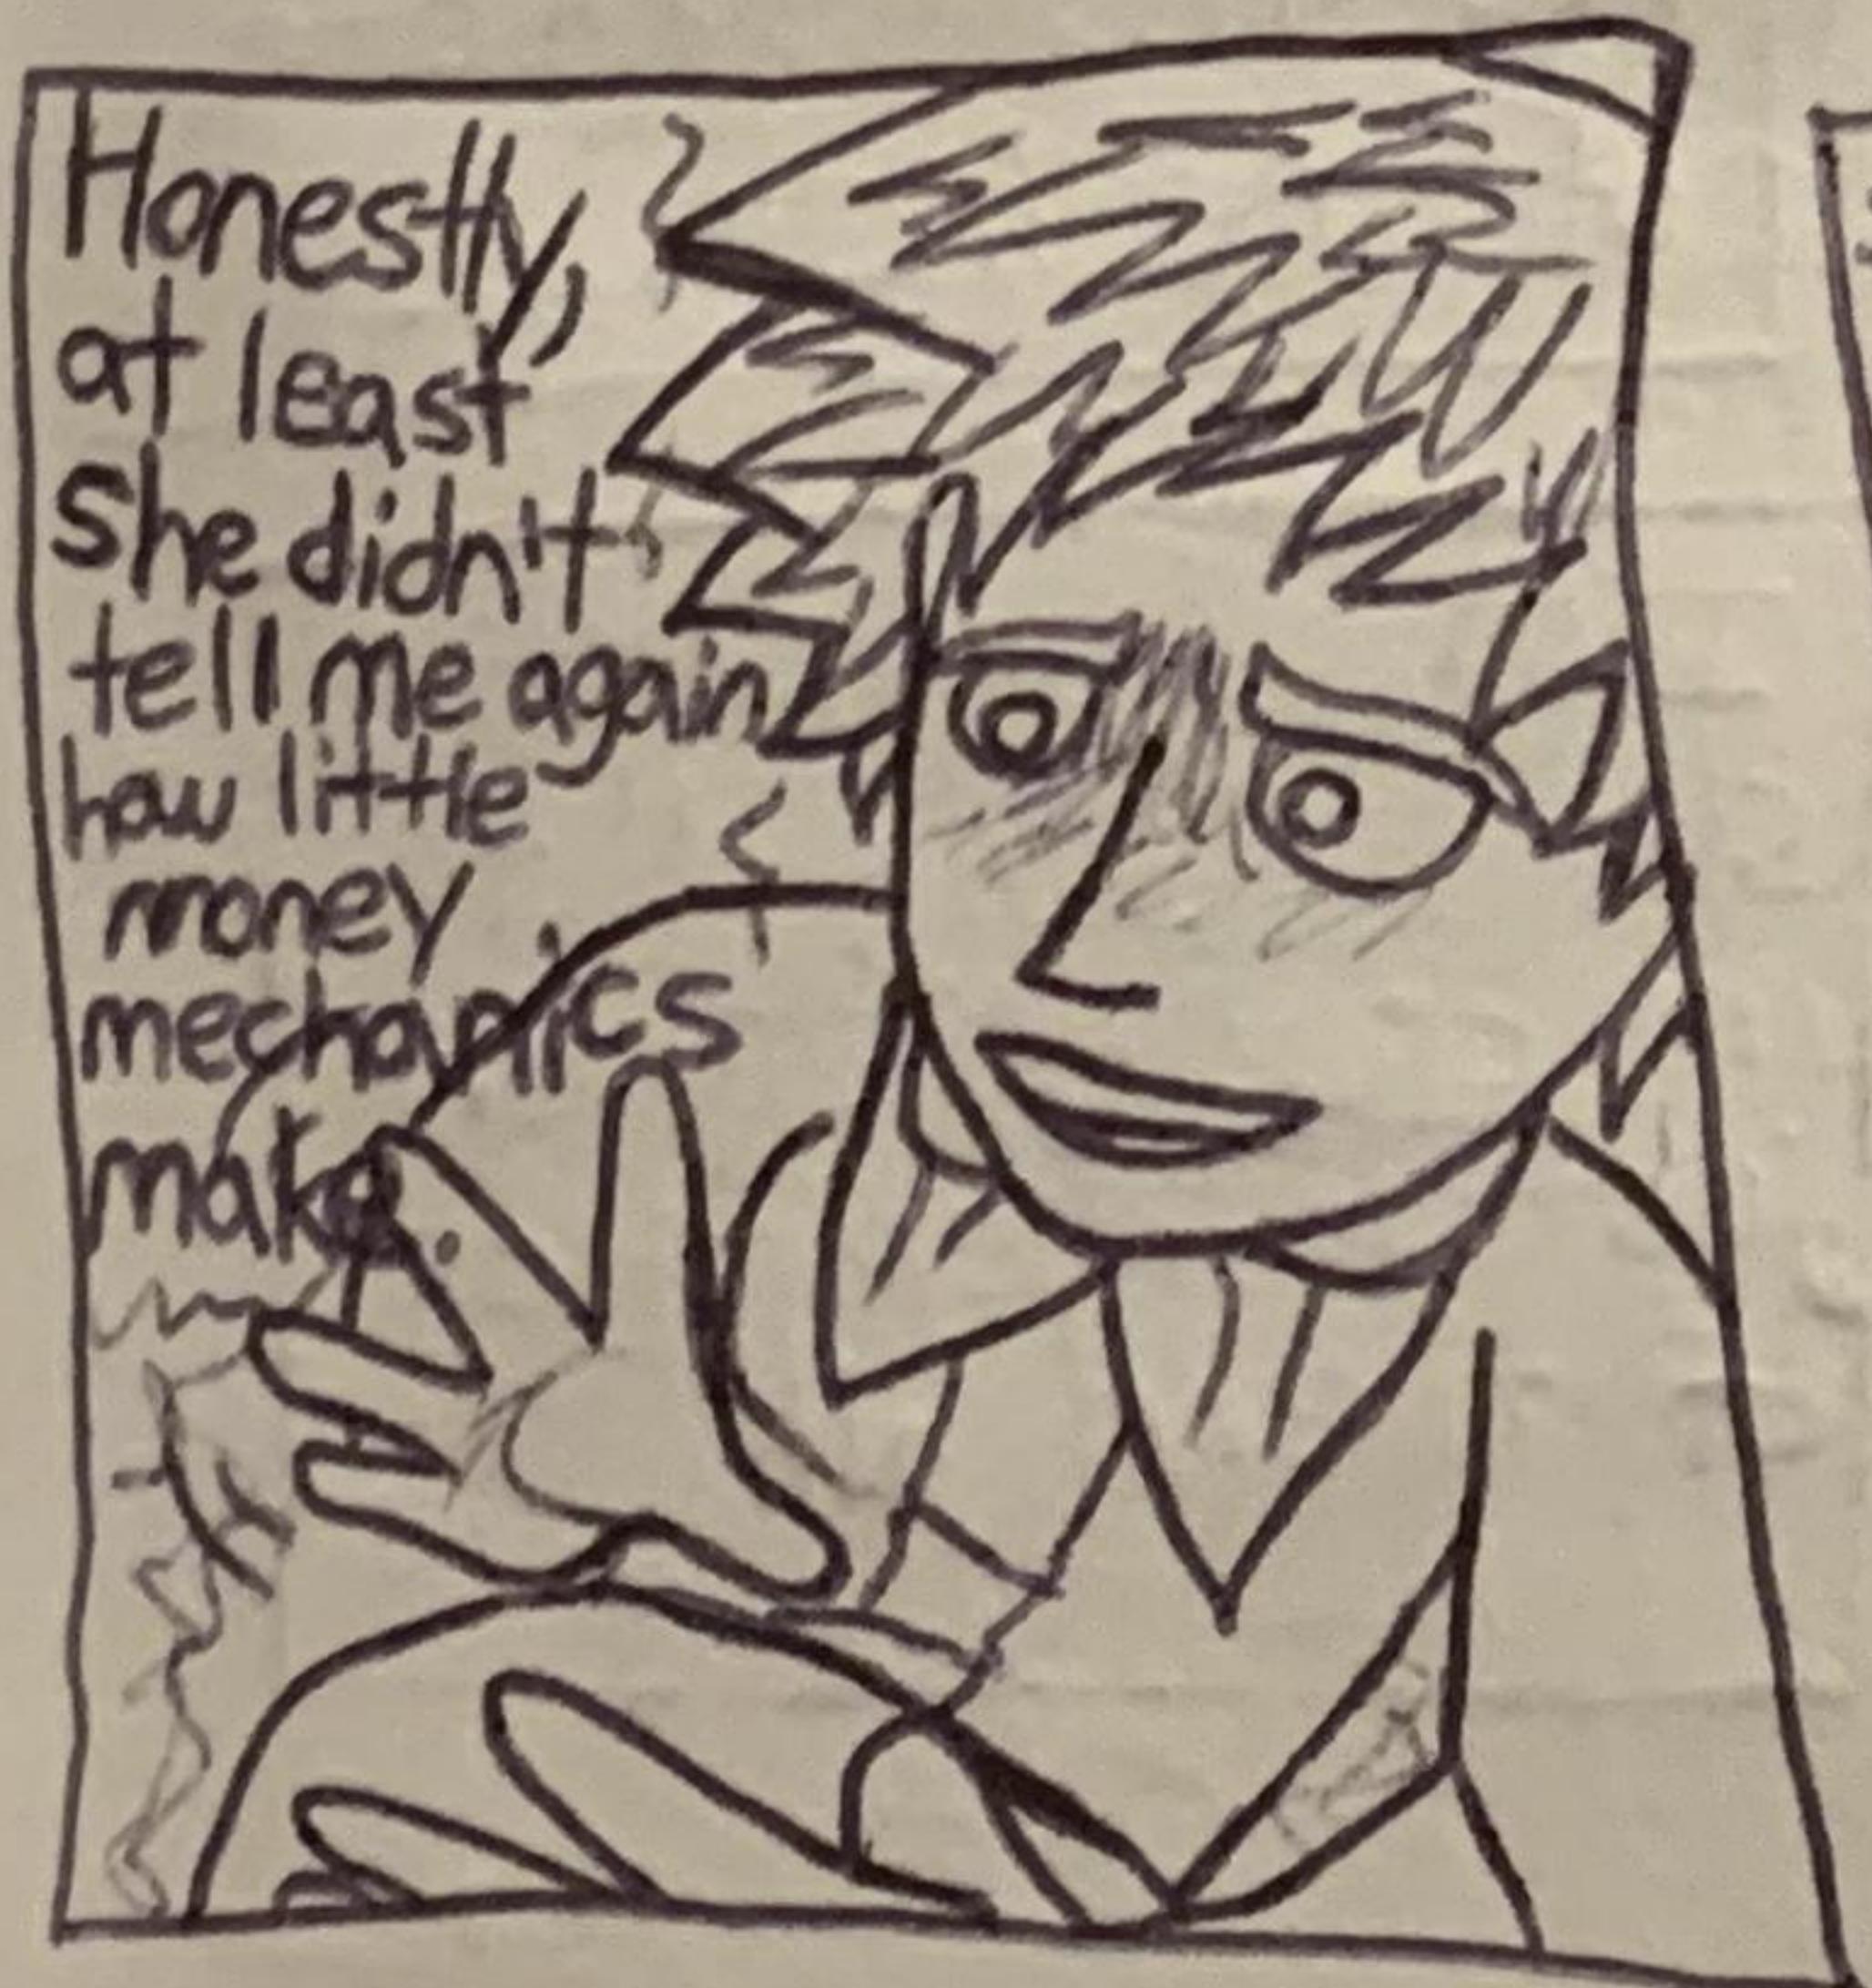

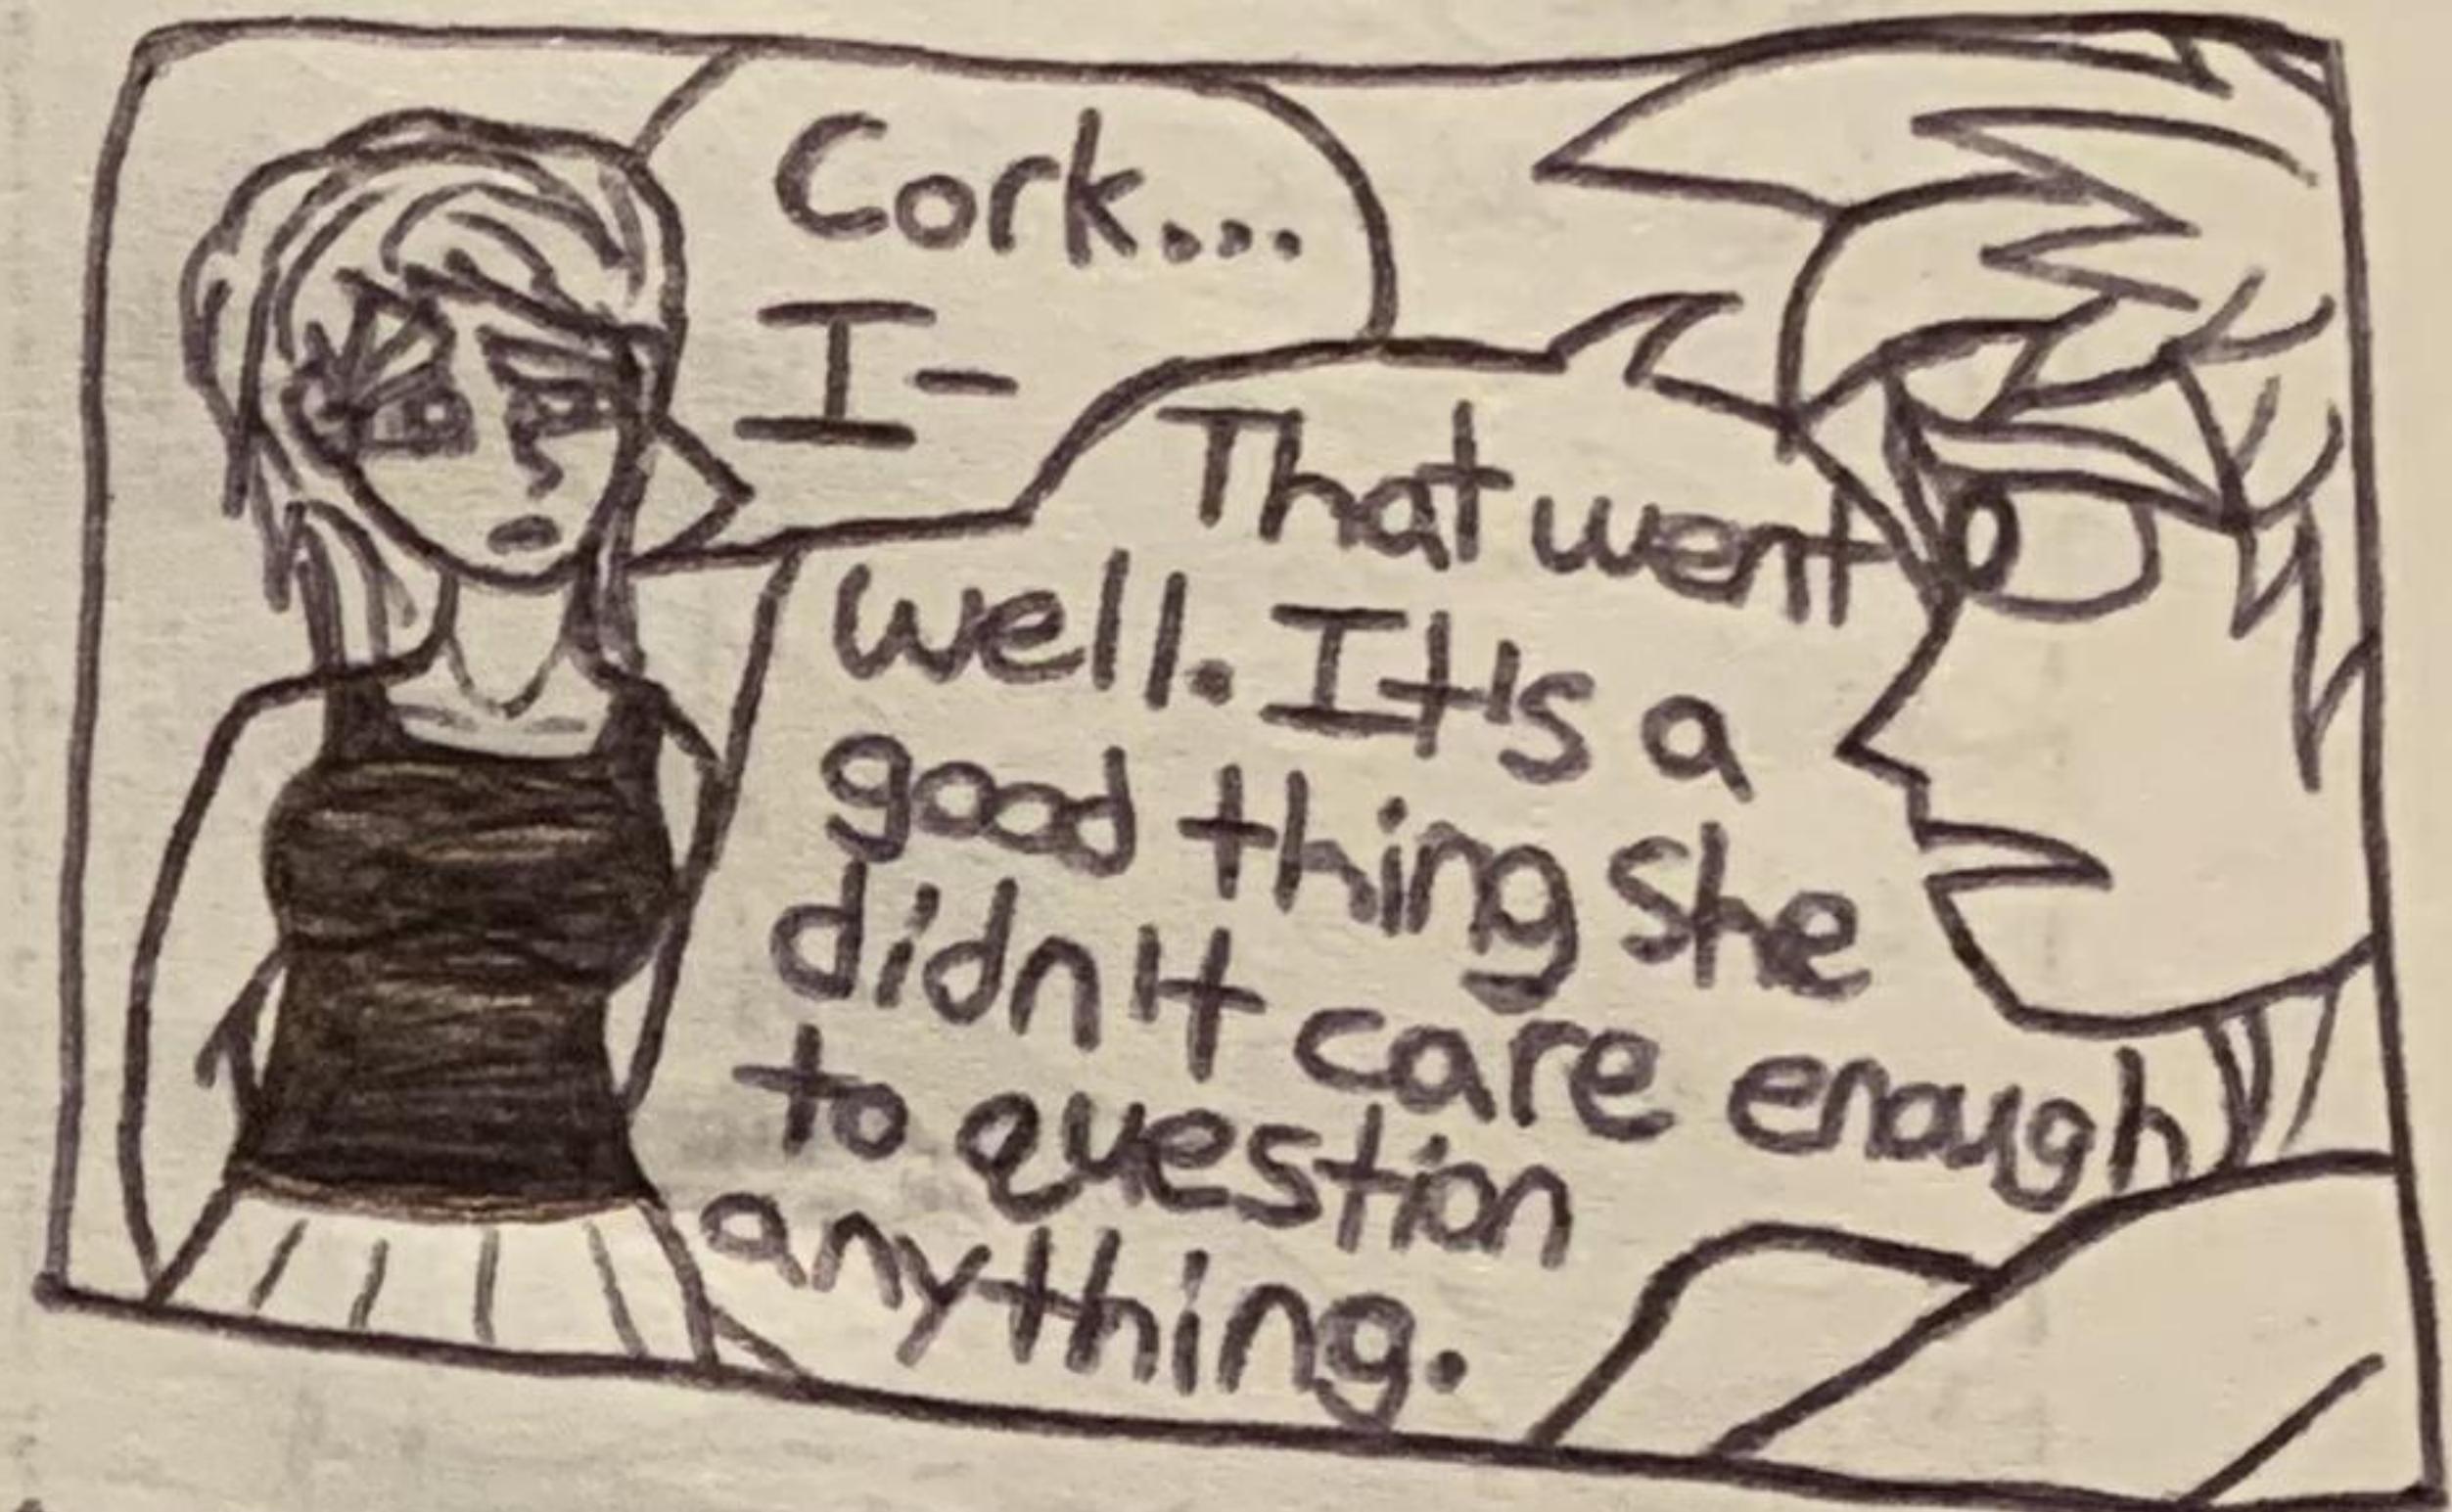

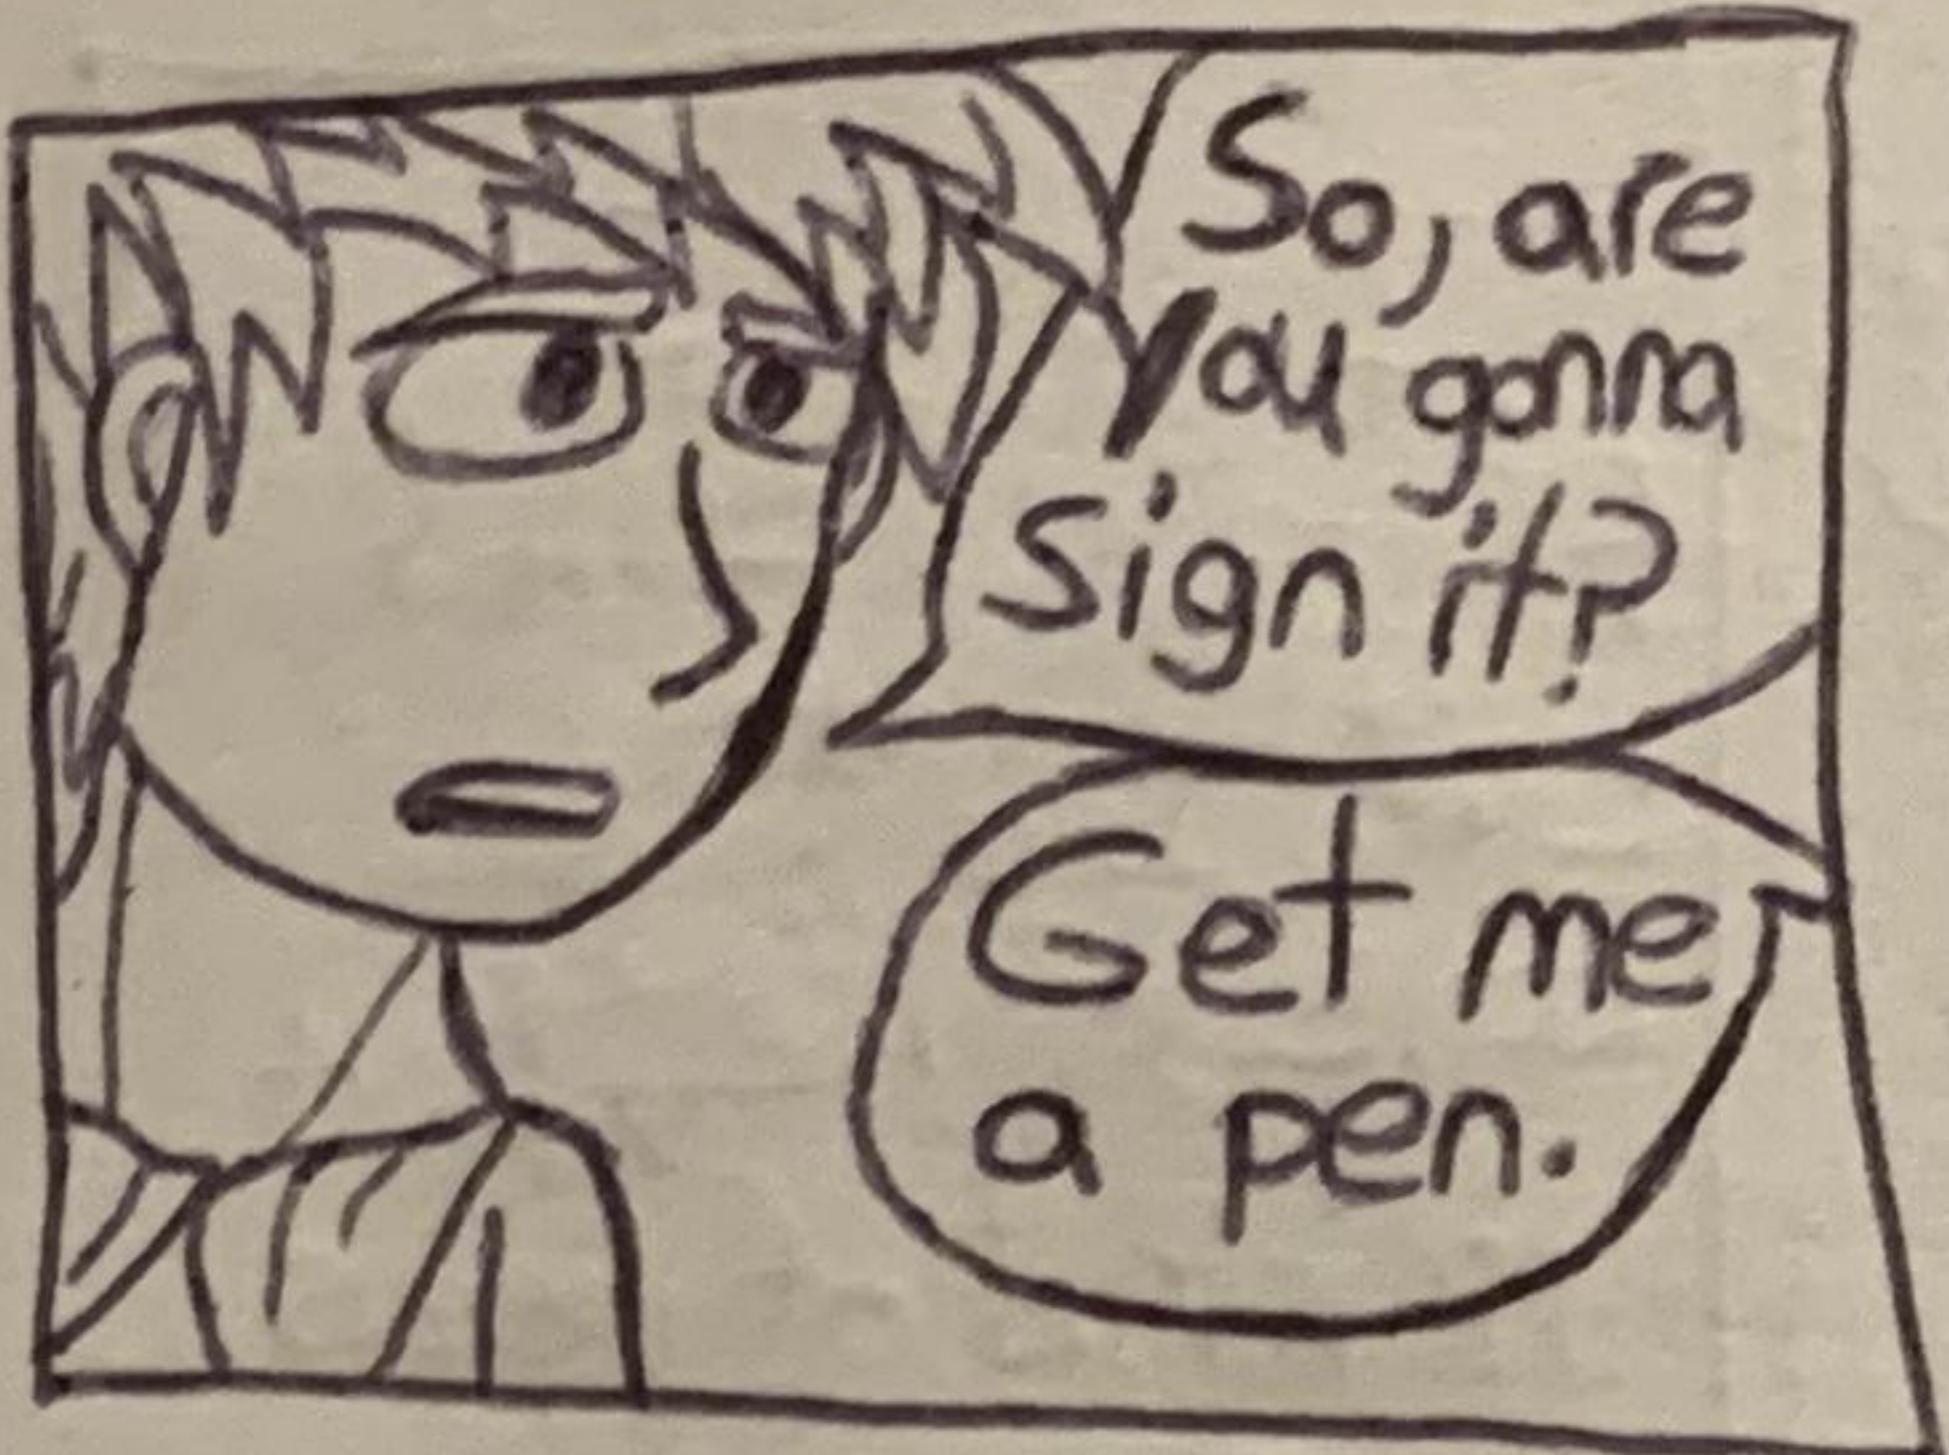

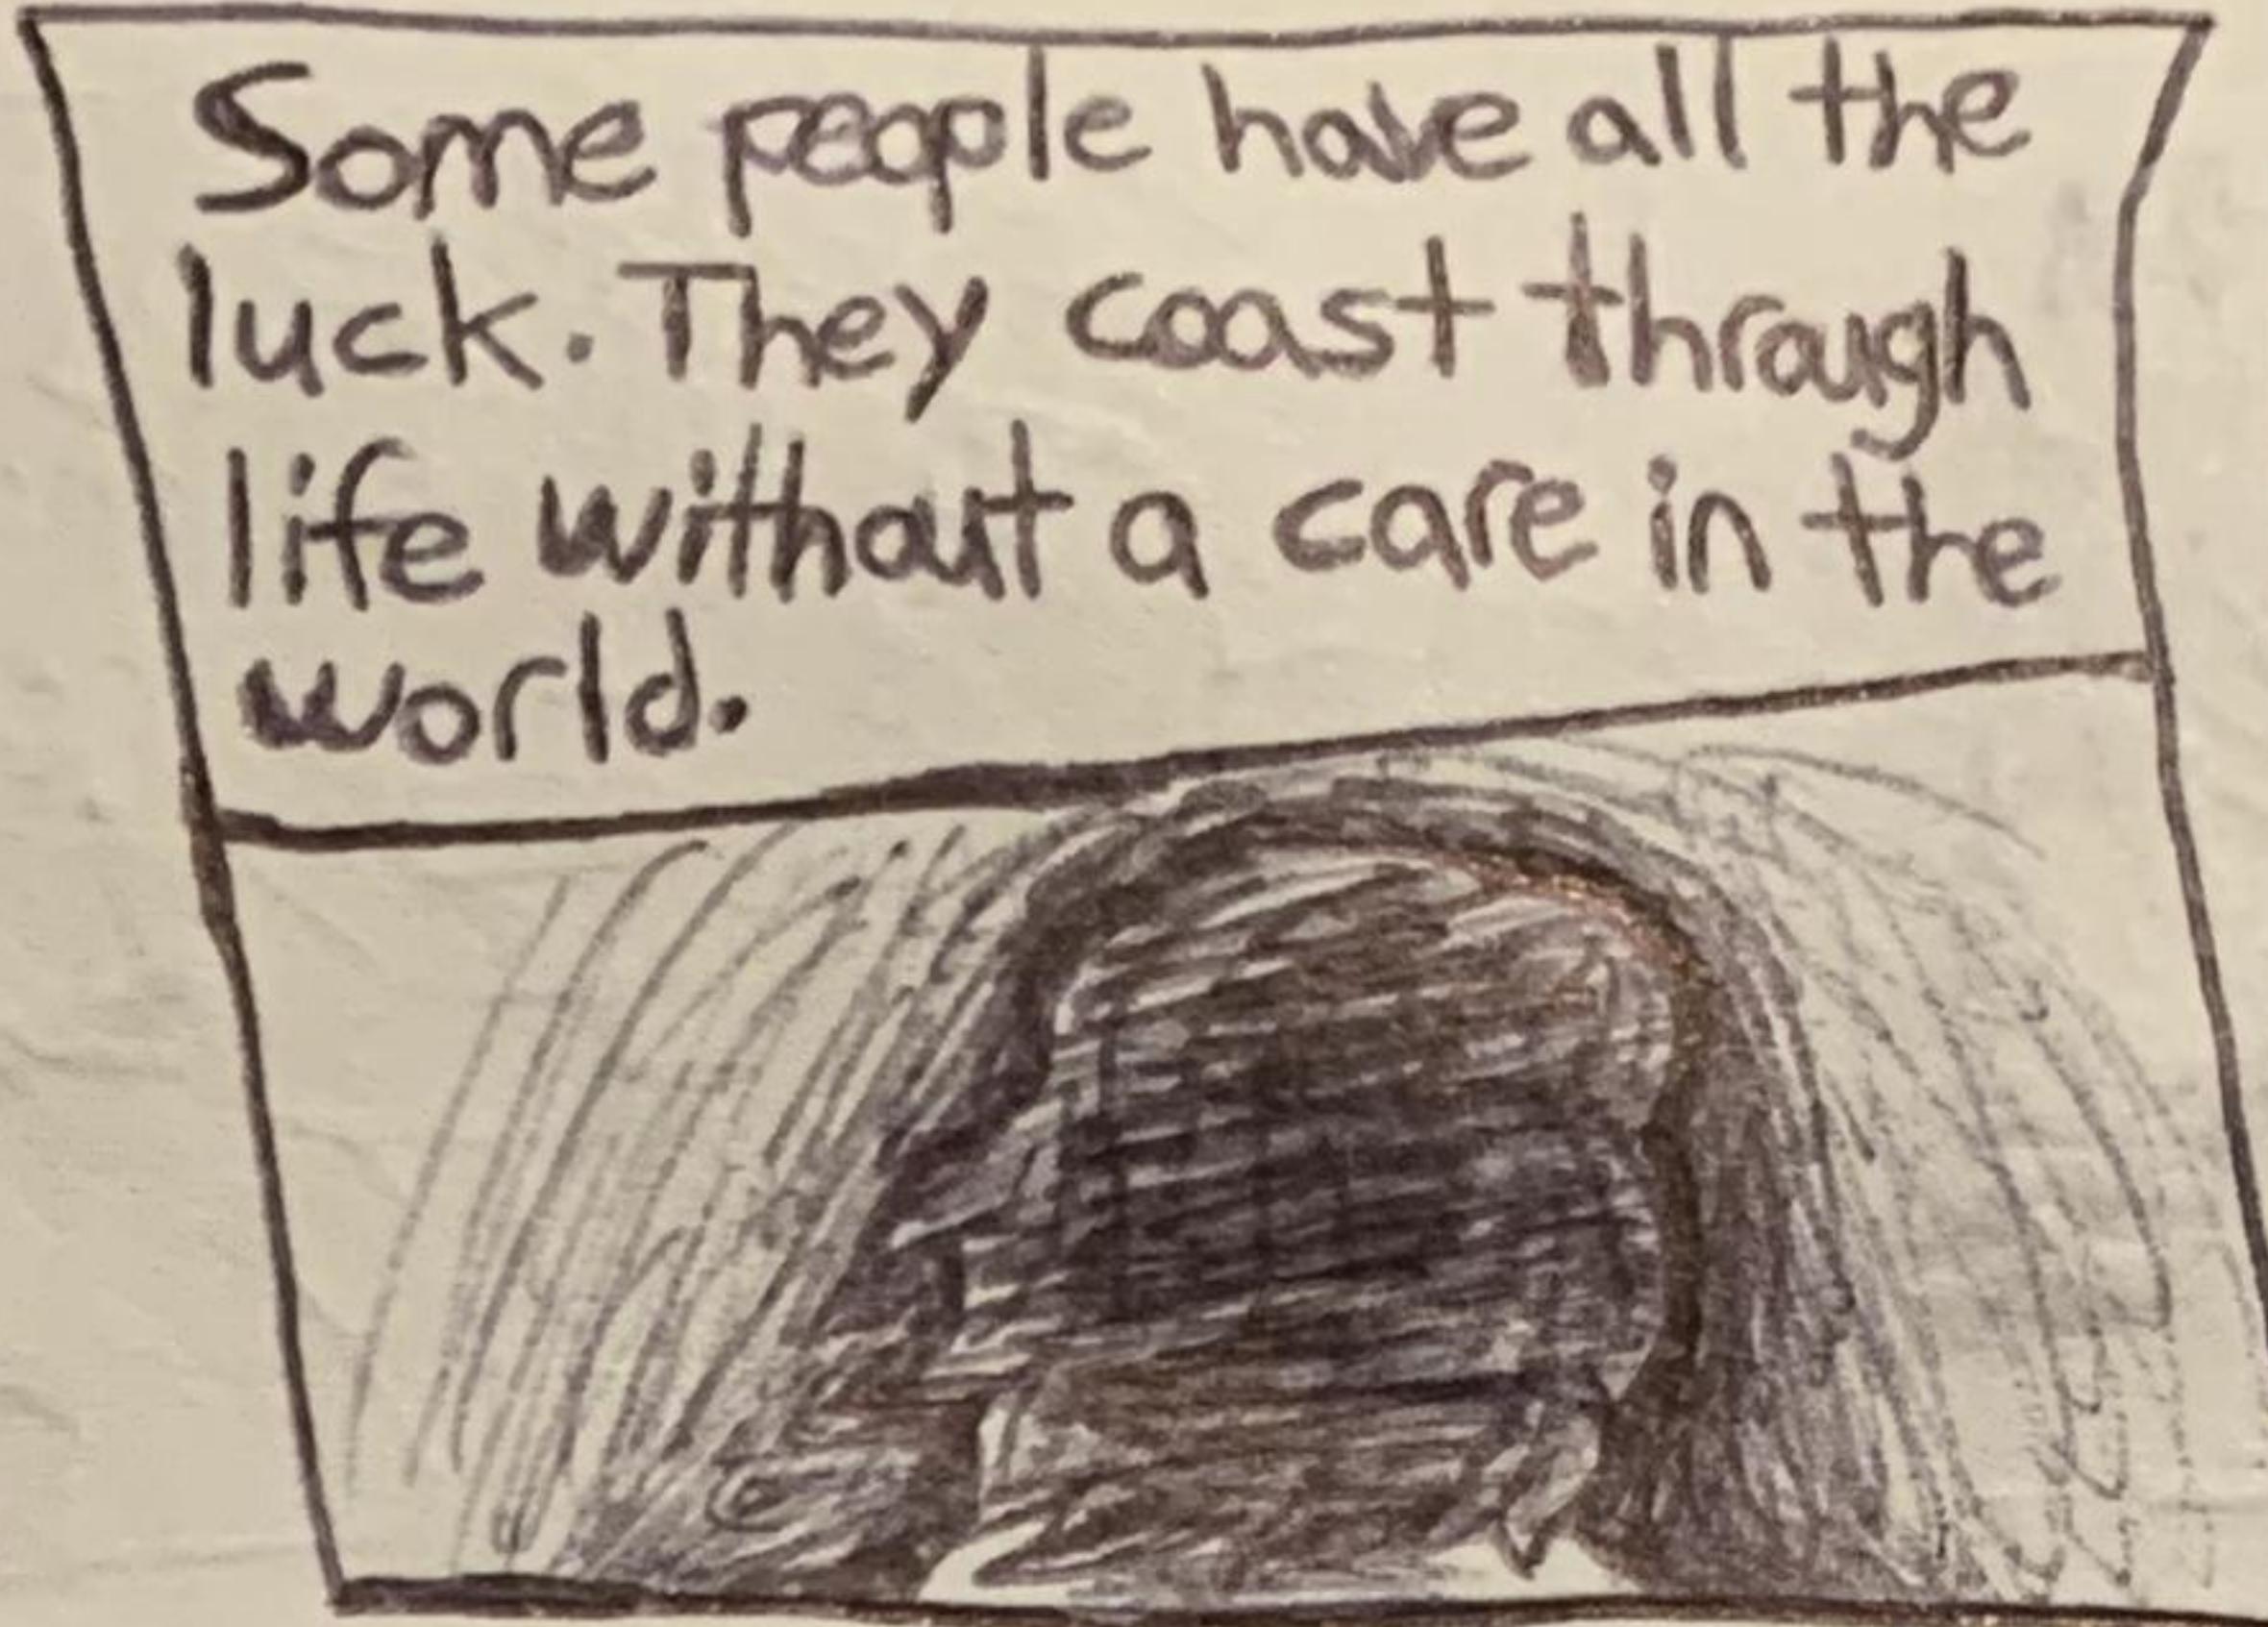

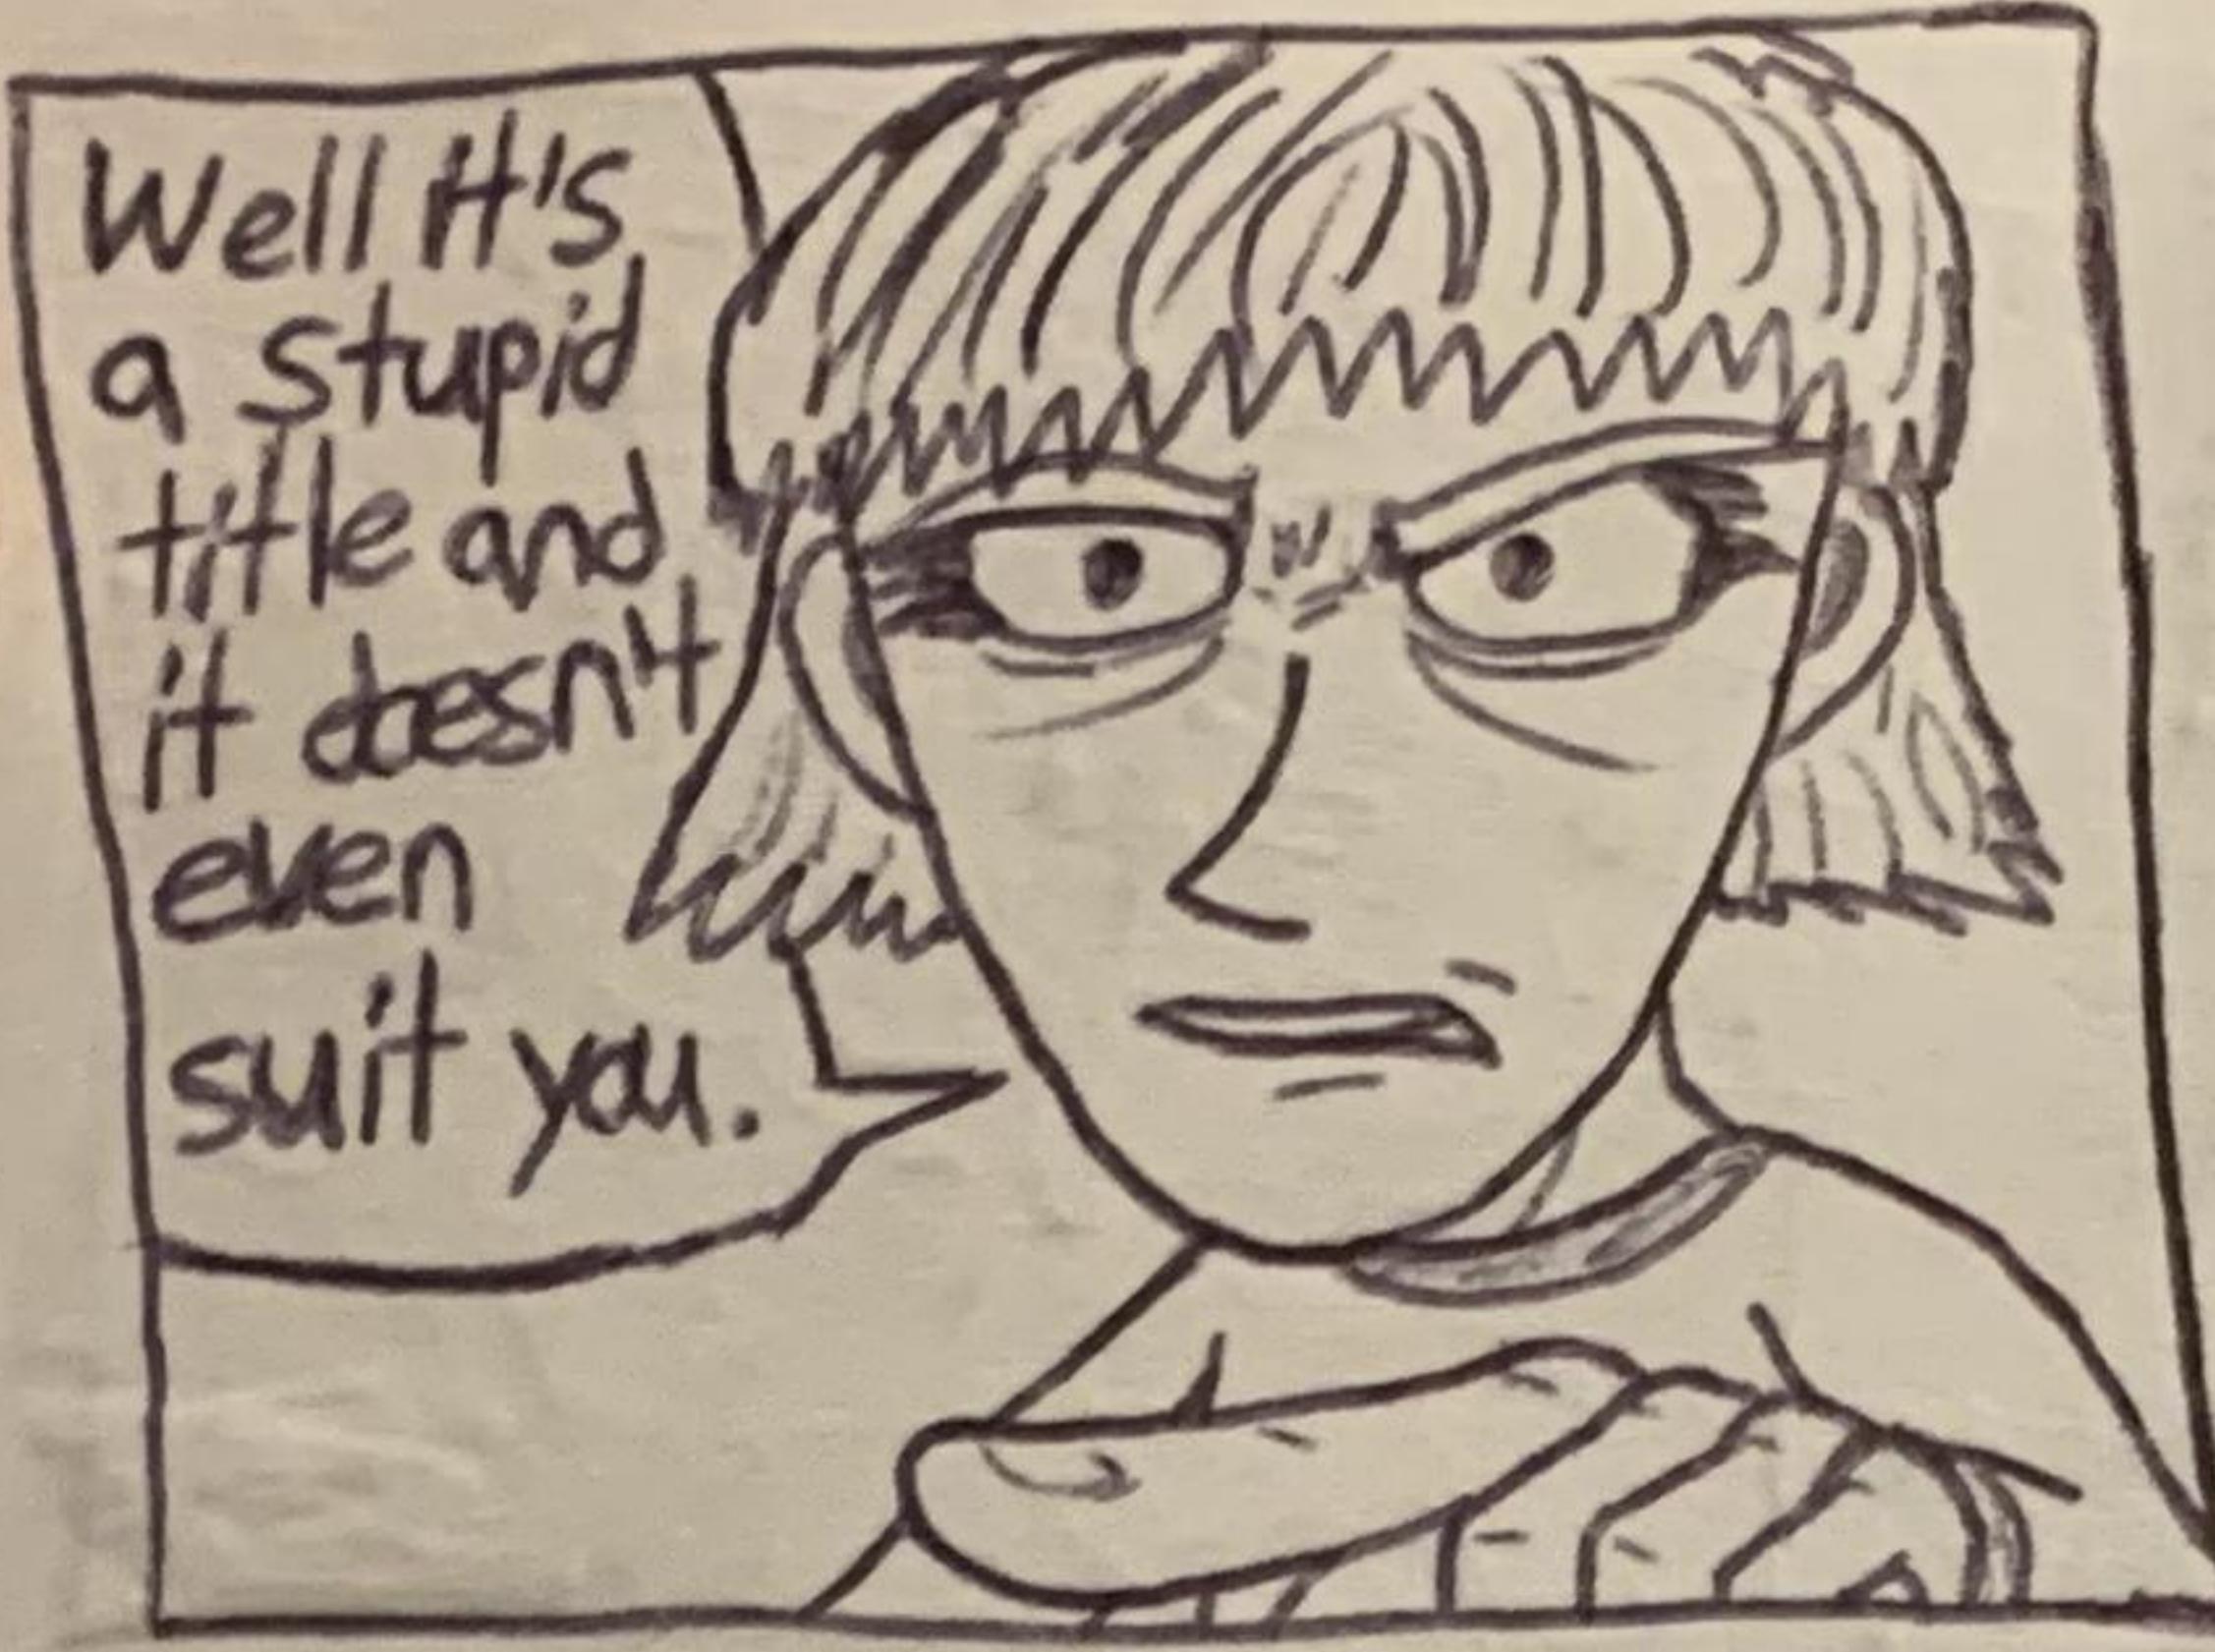

It doesn't say anything about that here. And how do you expect me to pay for all this?

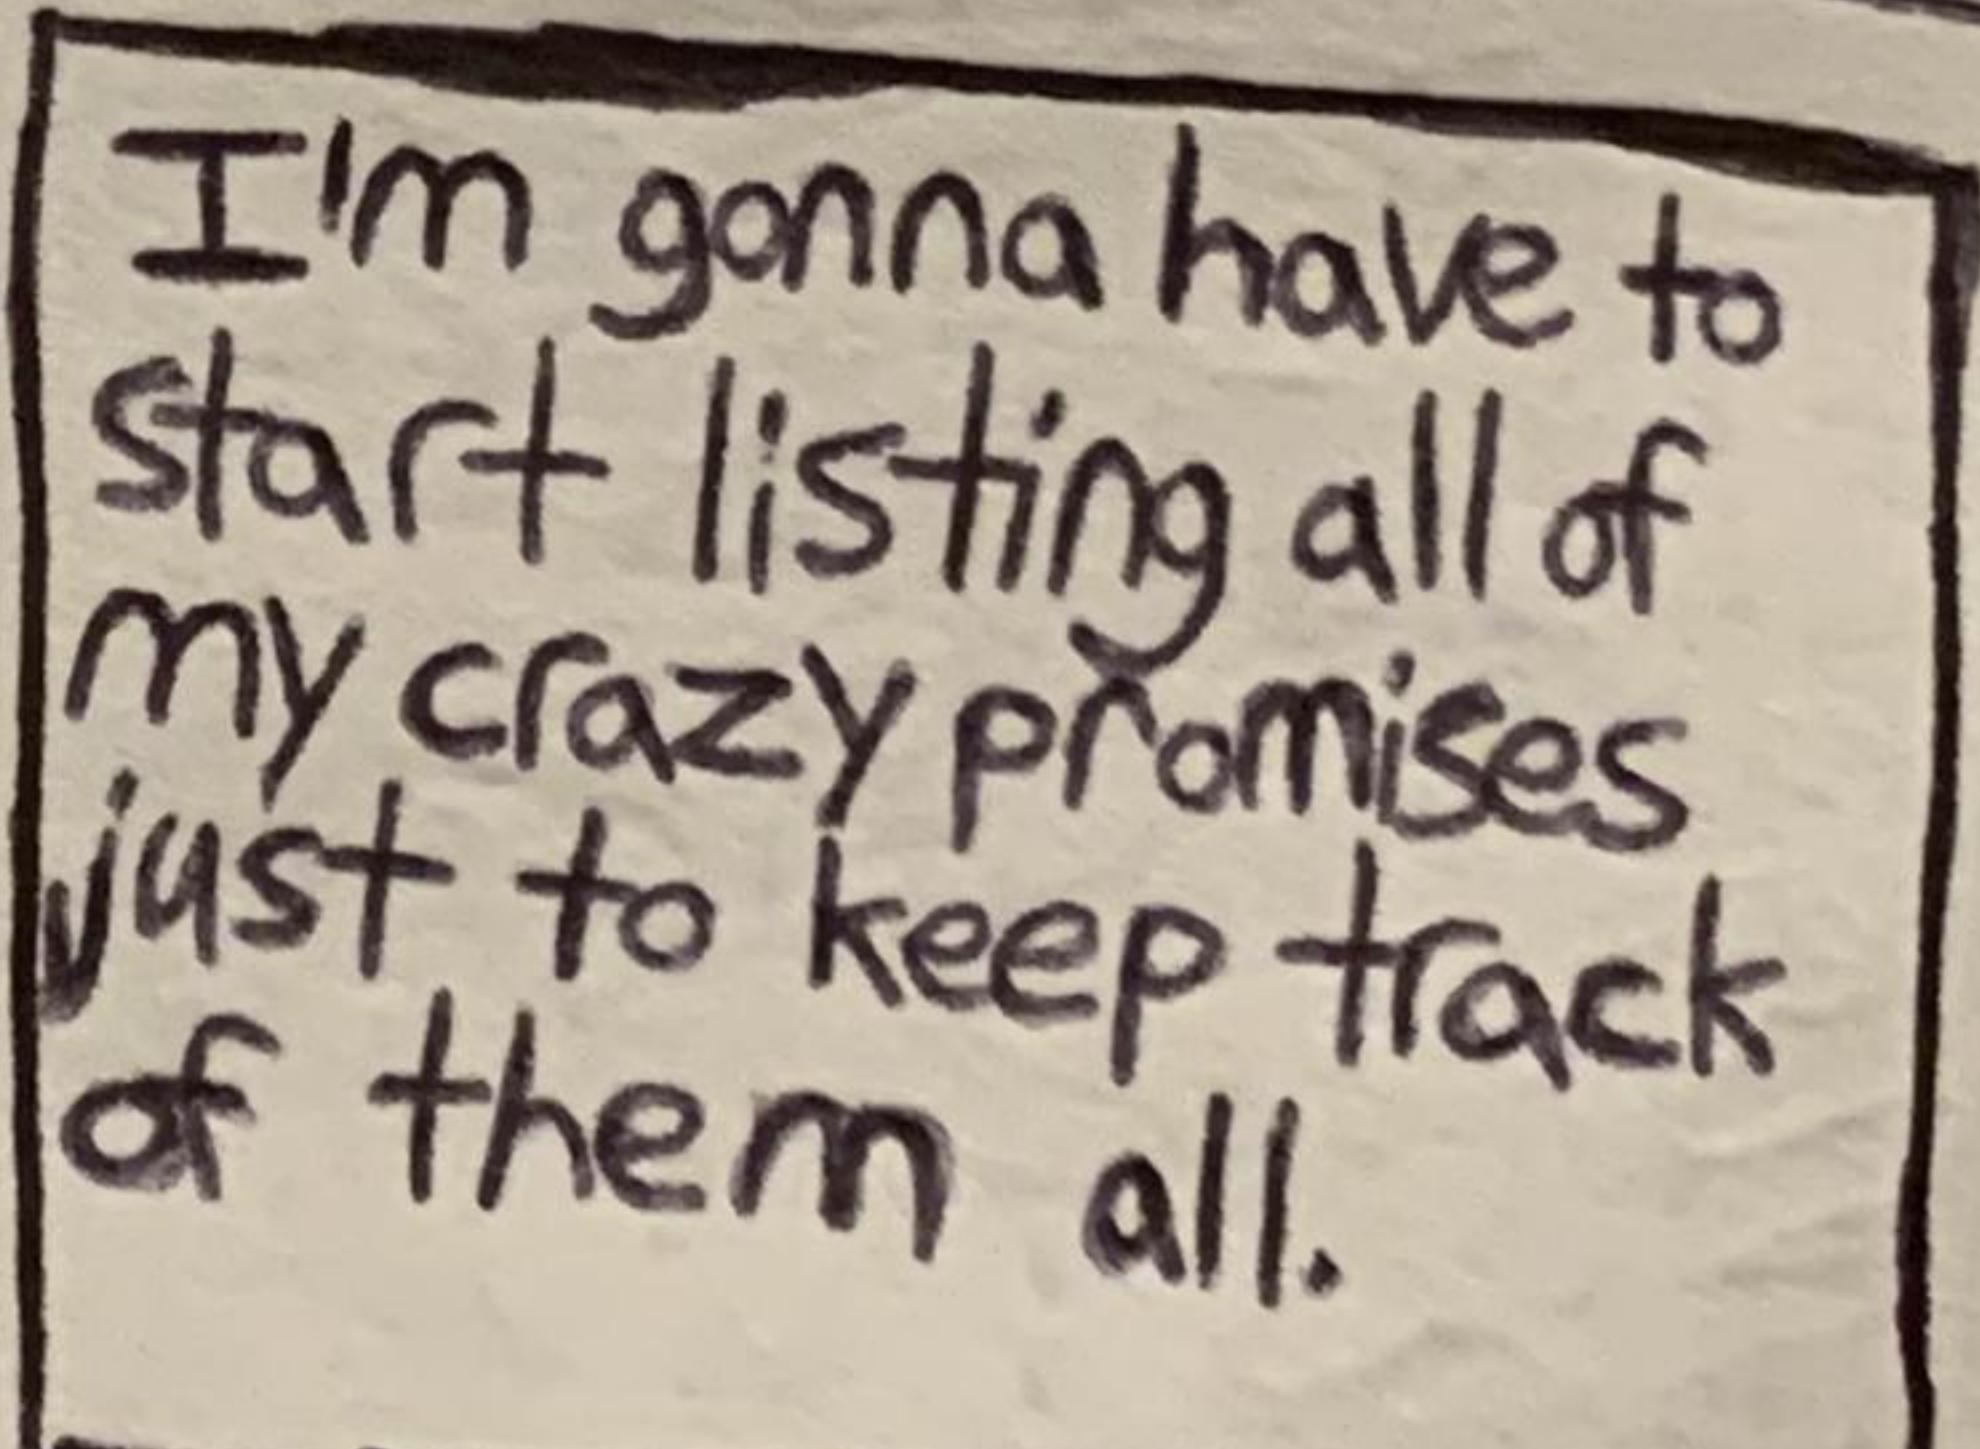

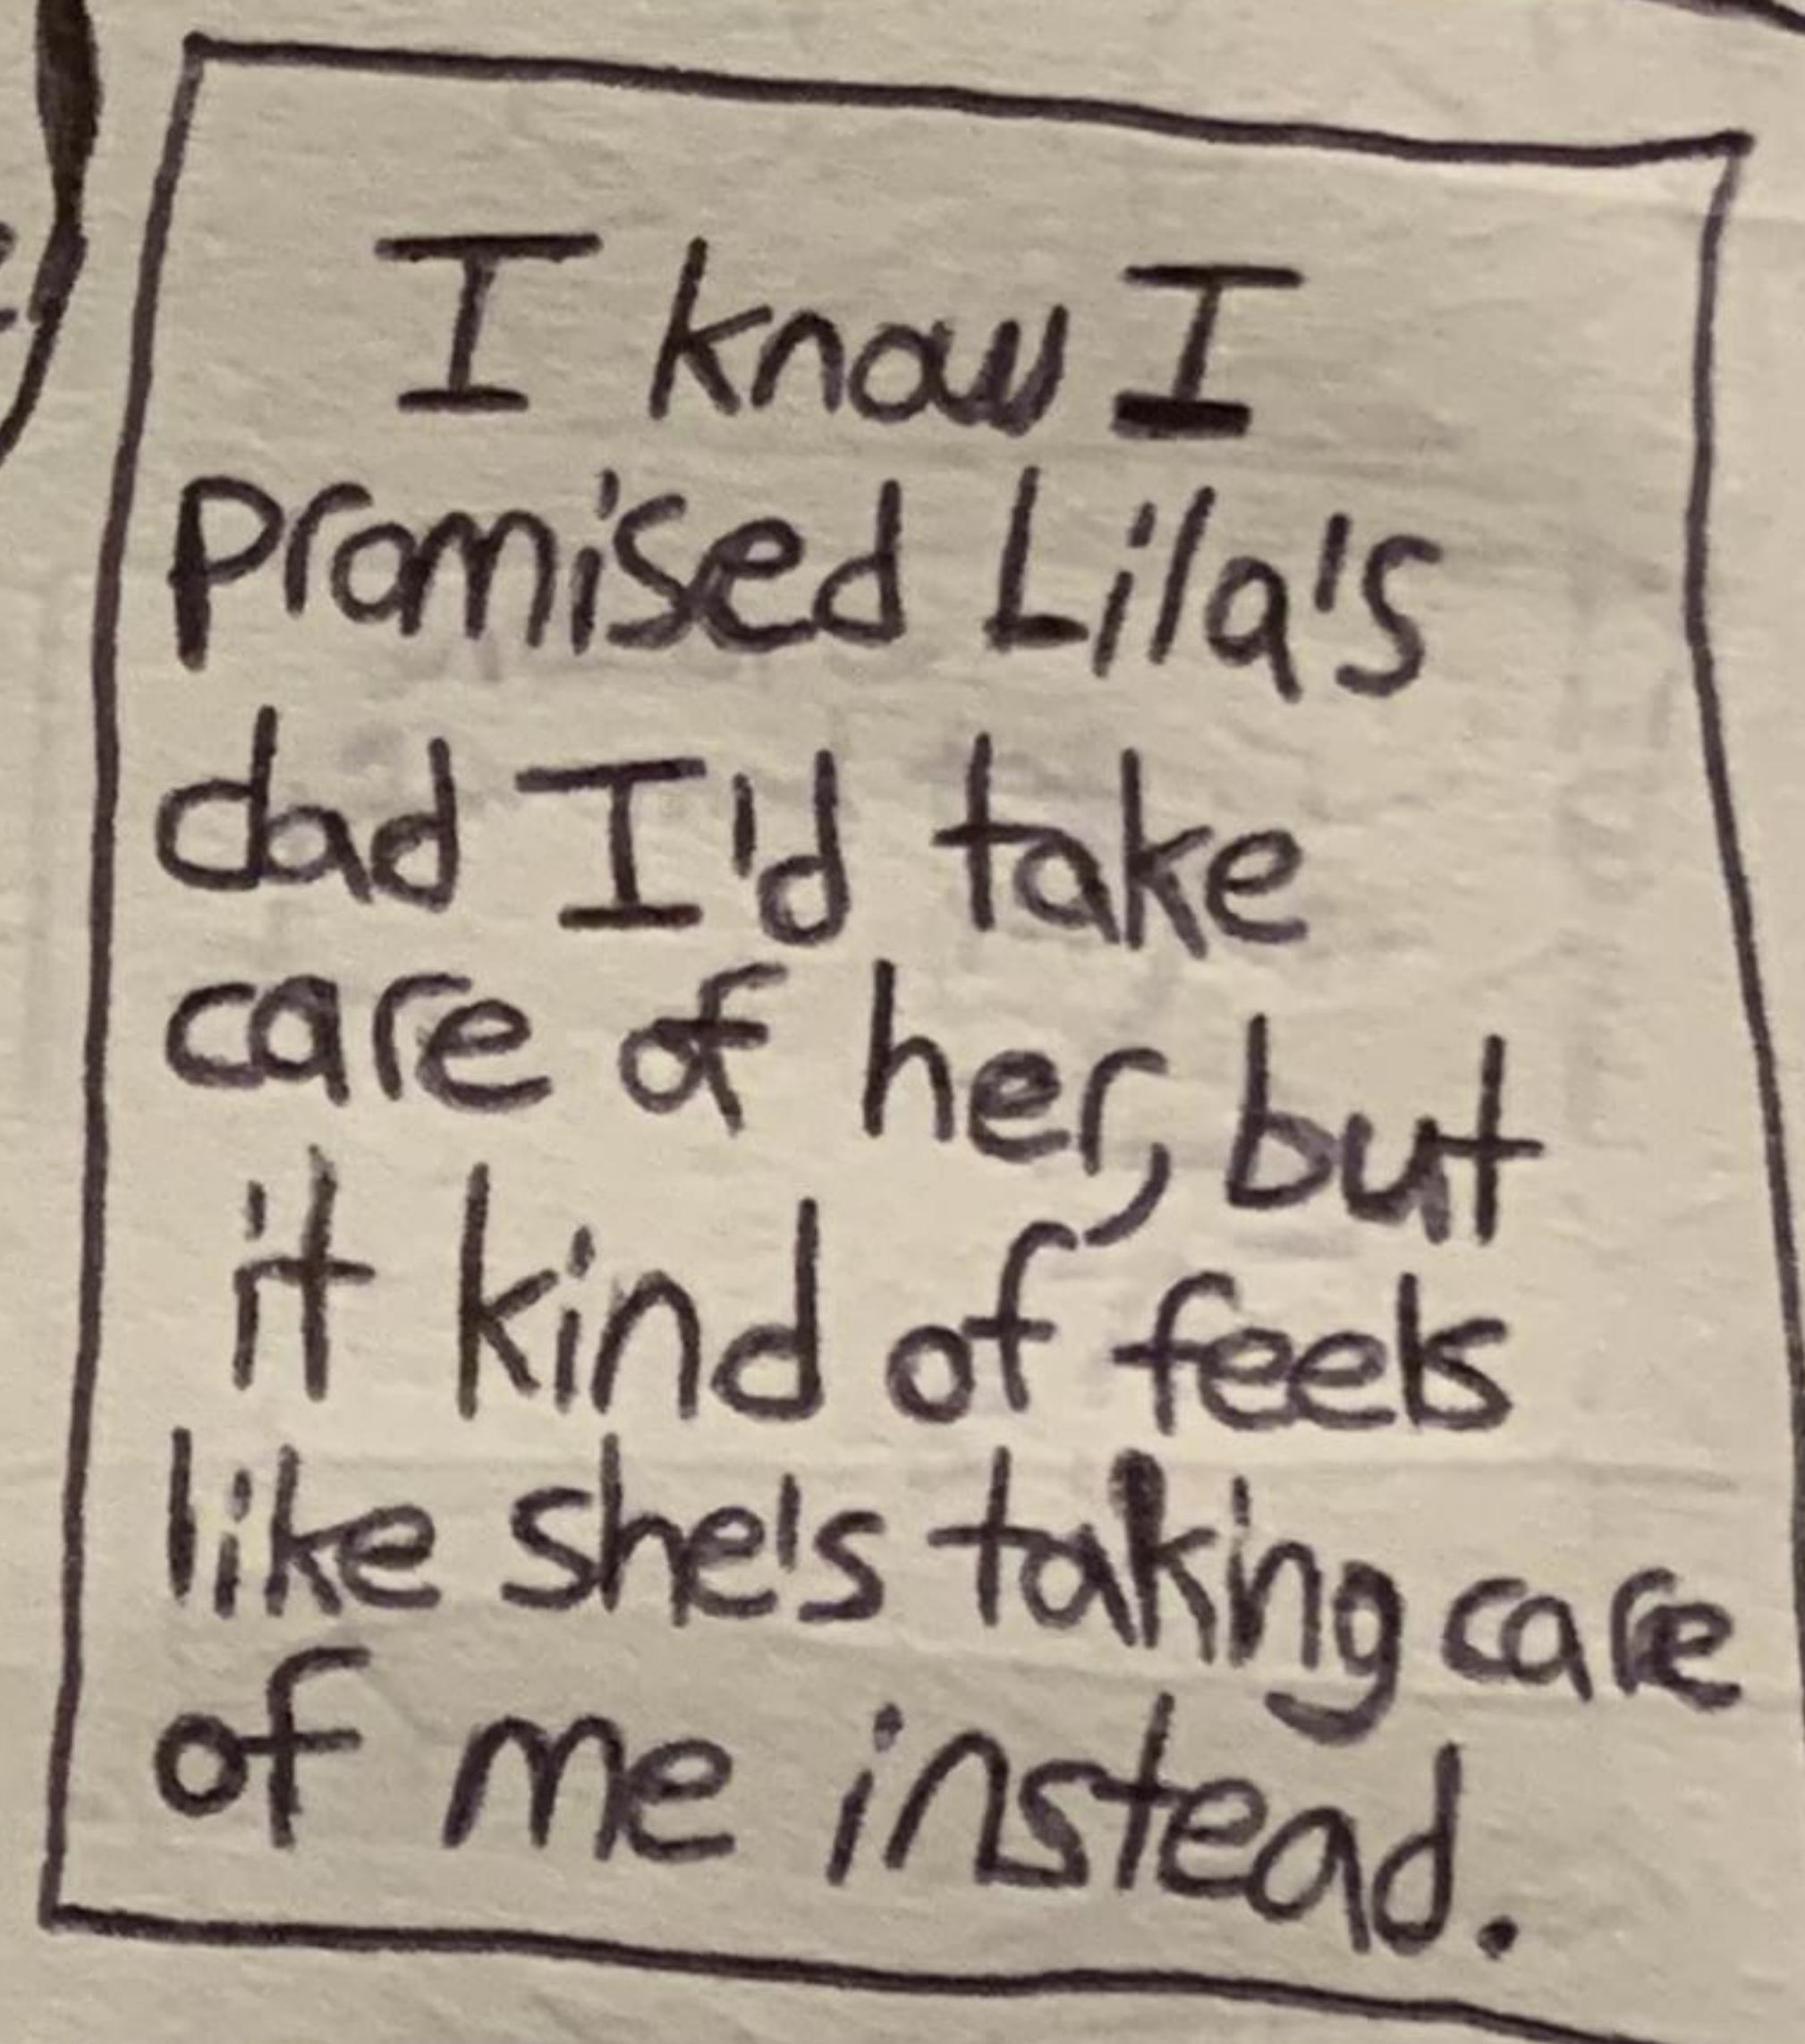

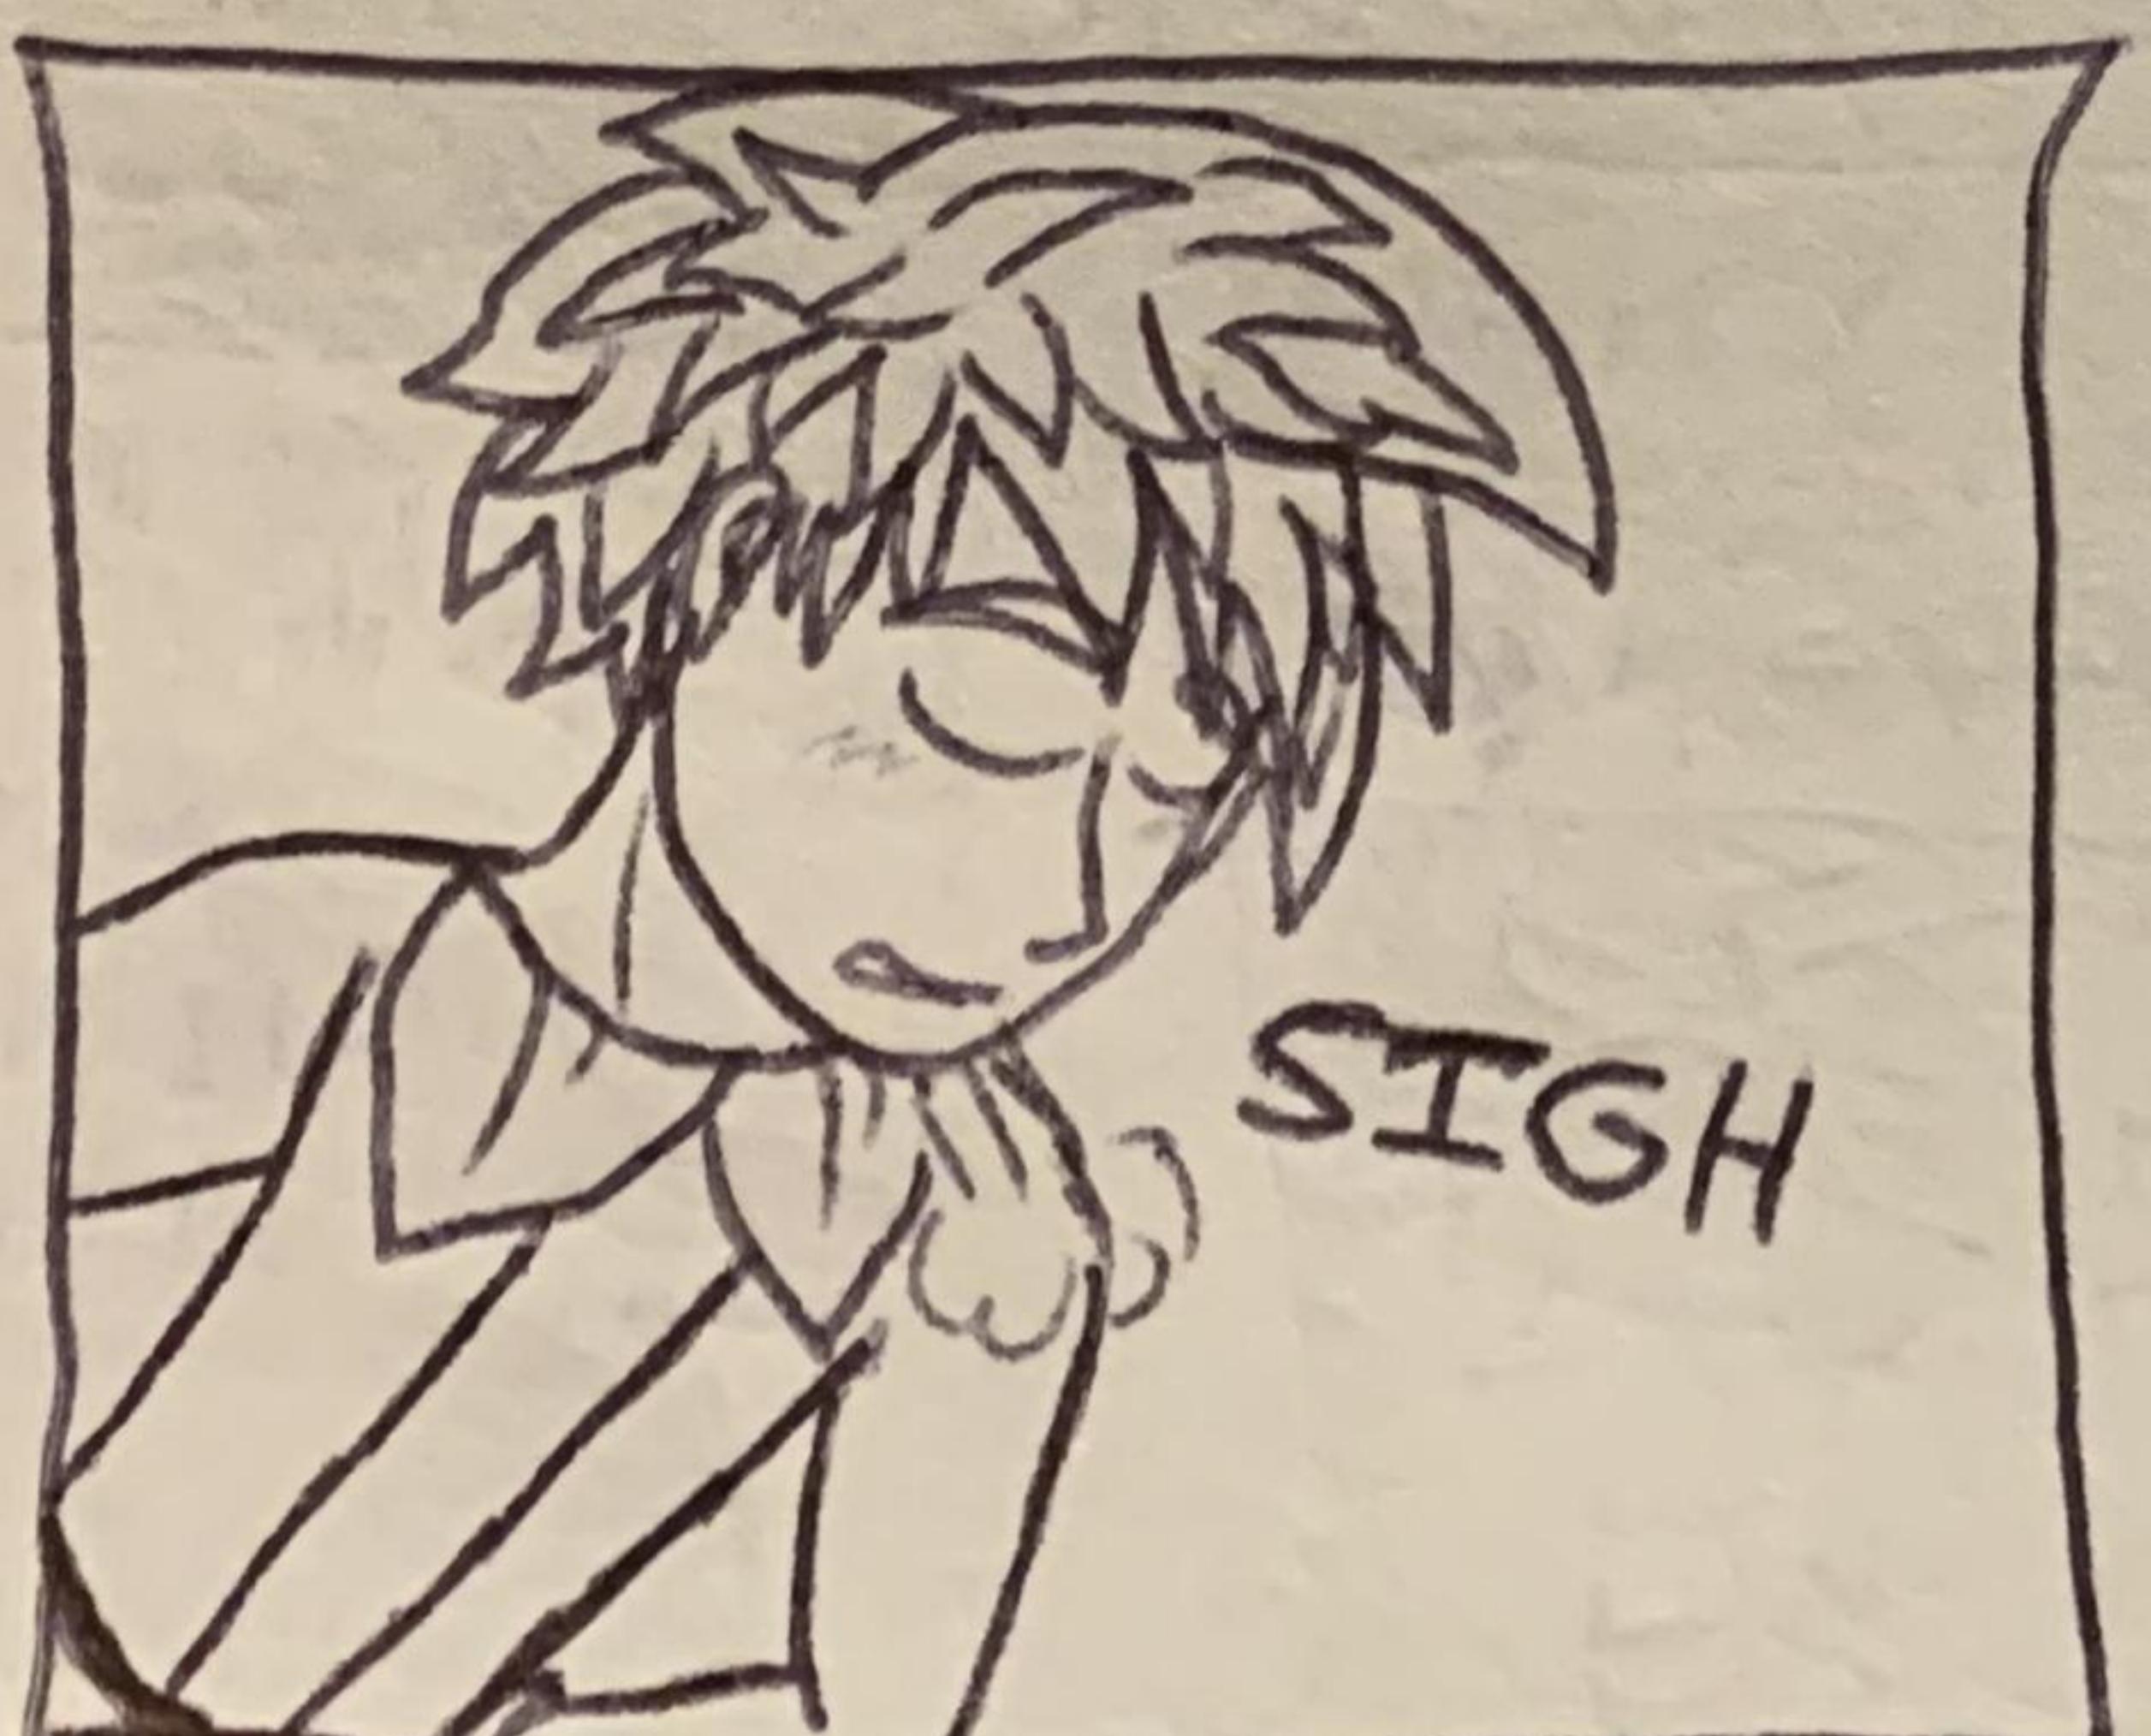

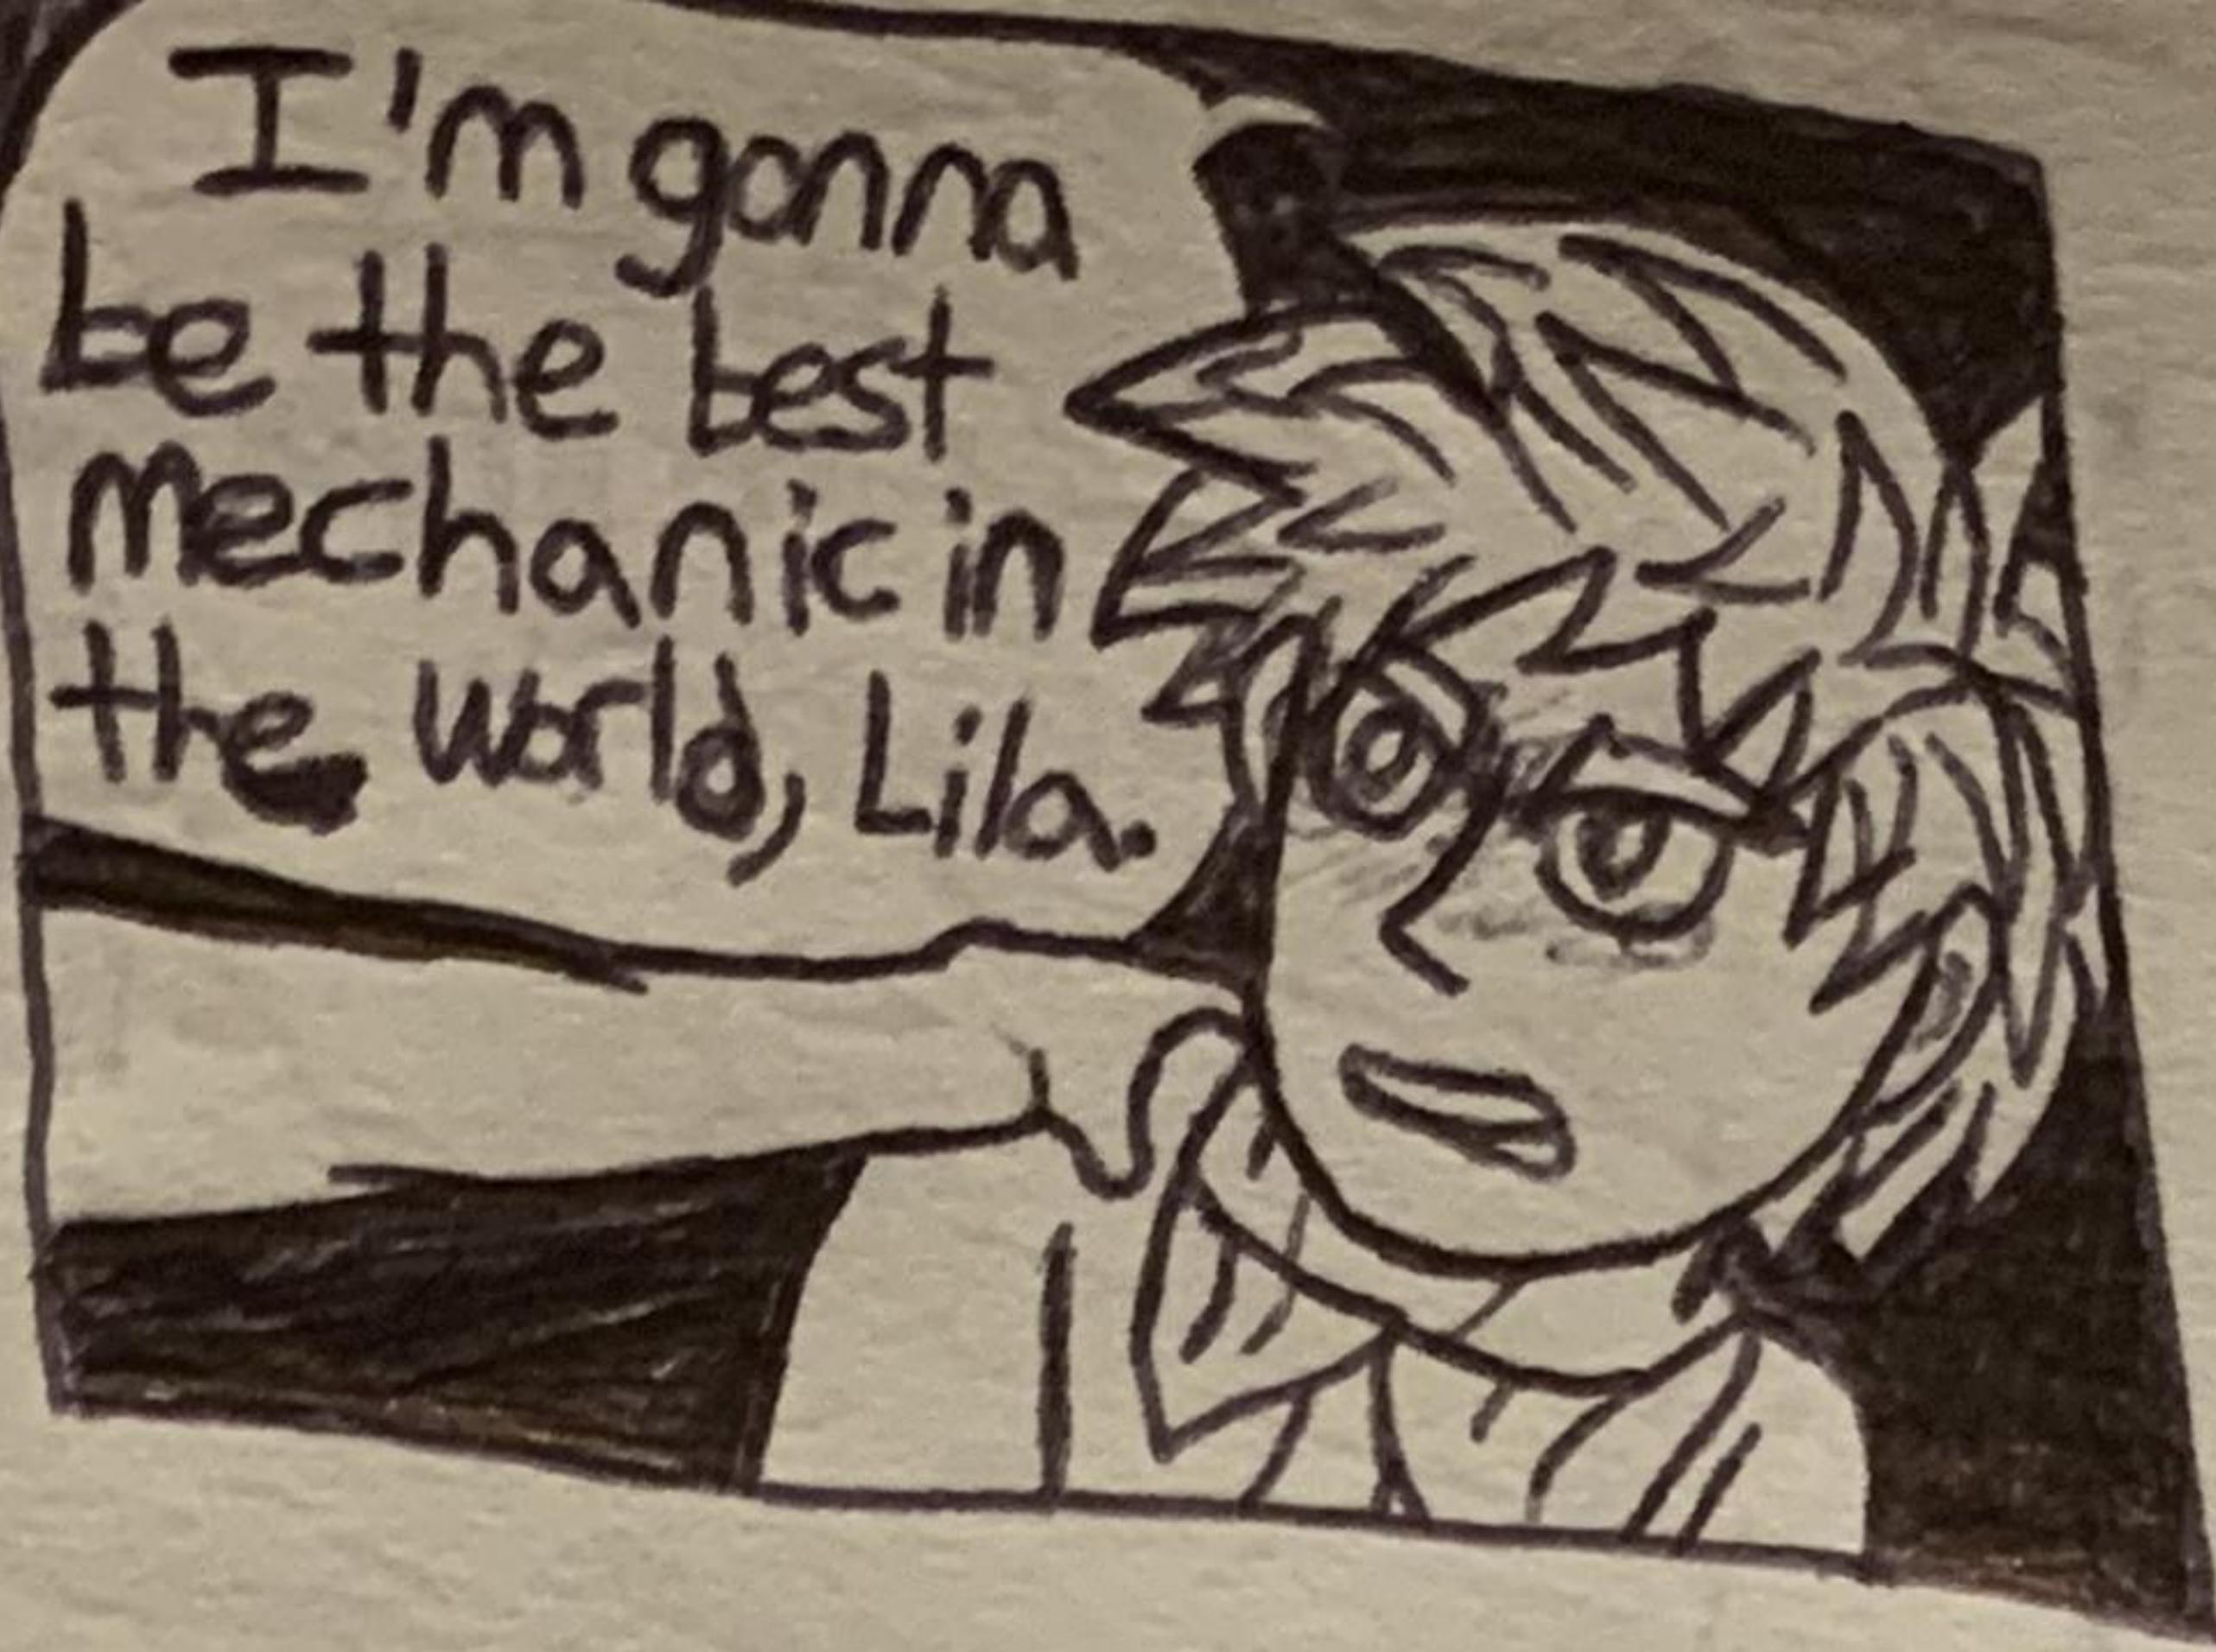

For this new program, they randomly offered one student free tuition!

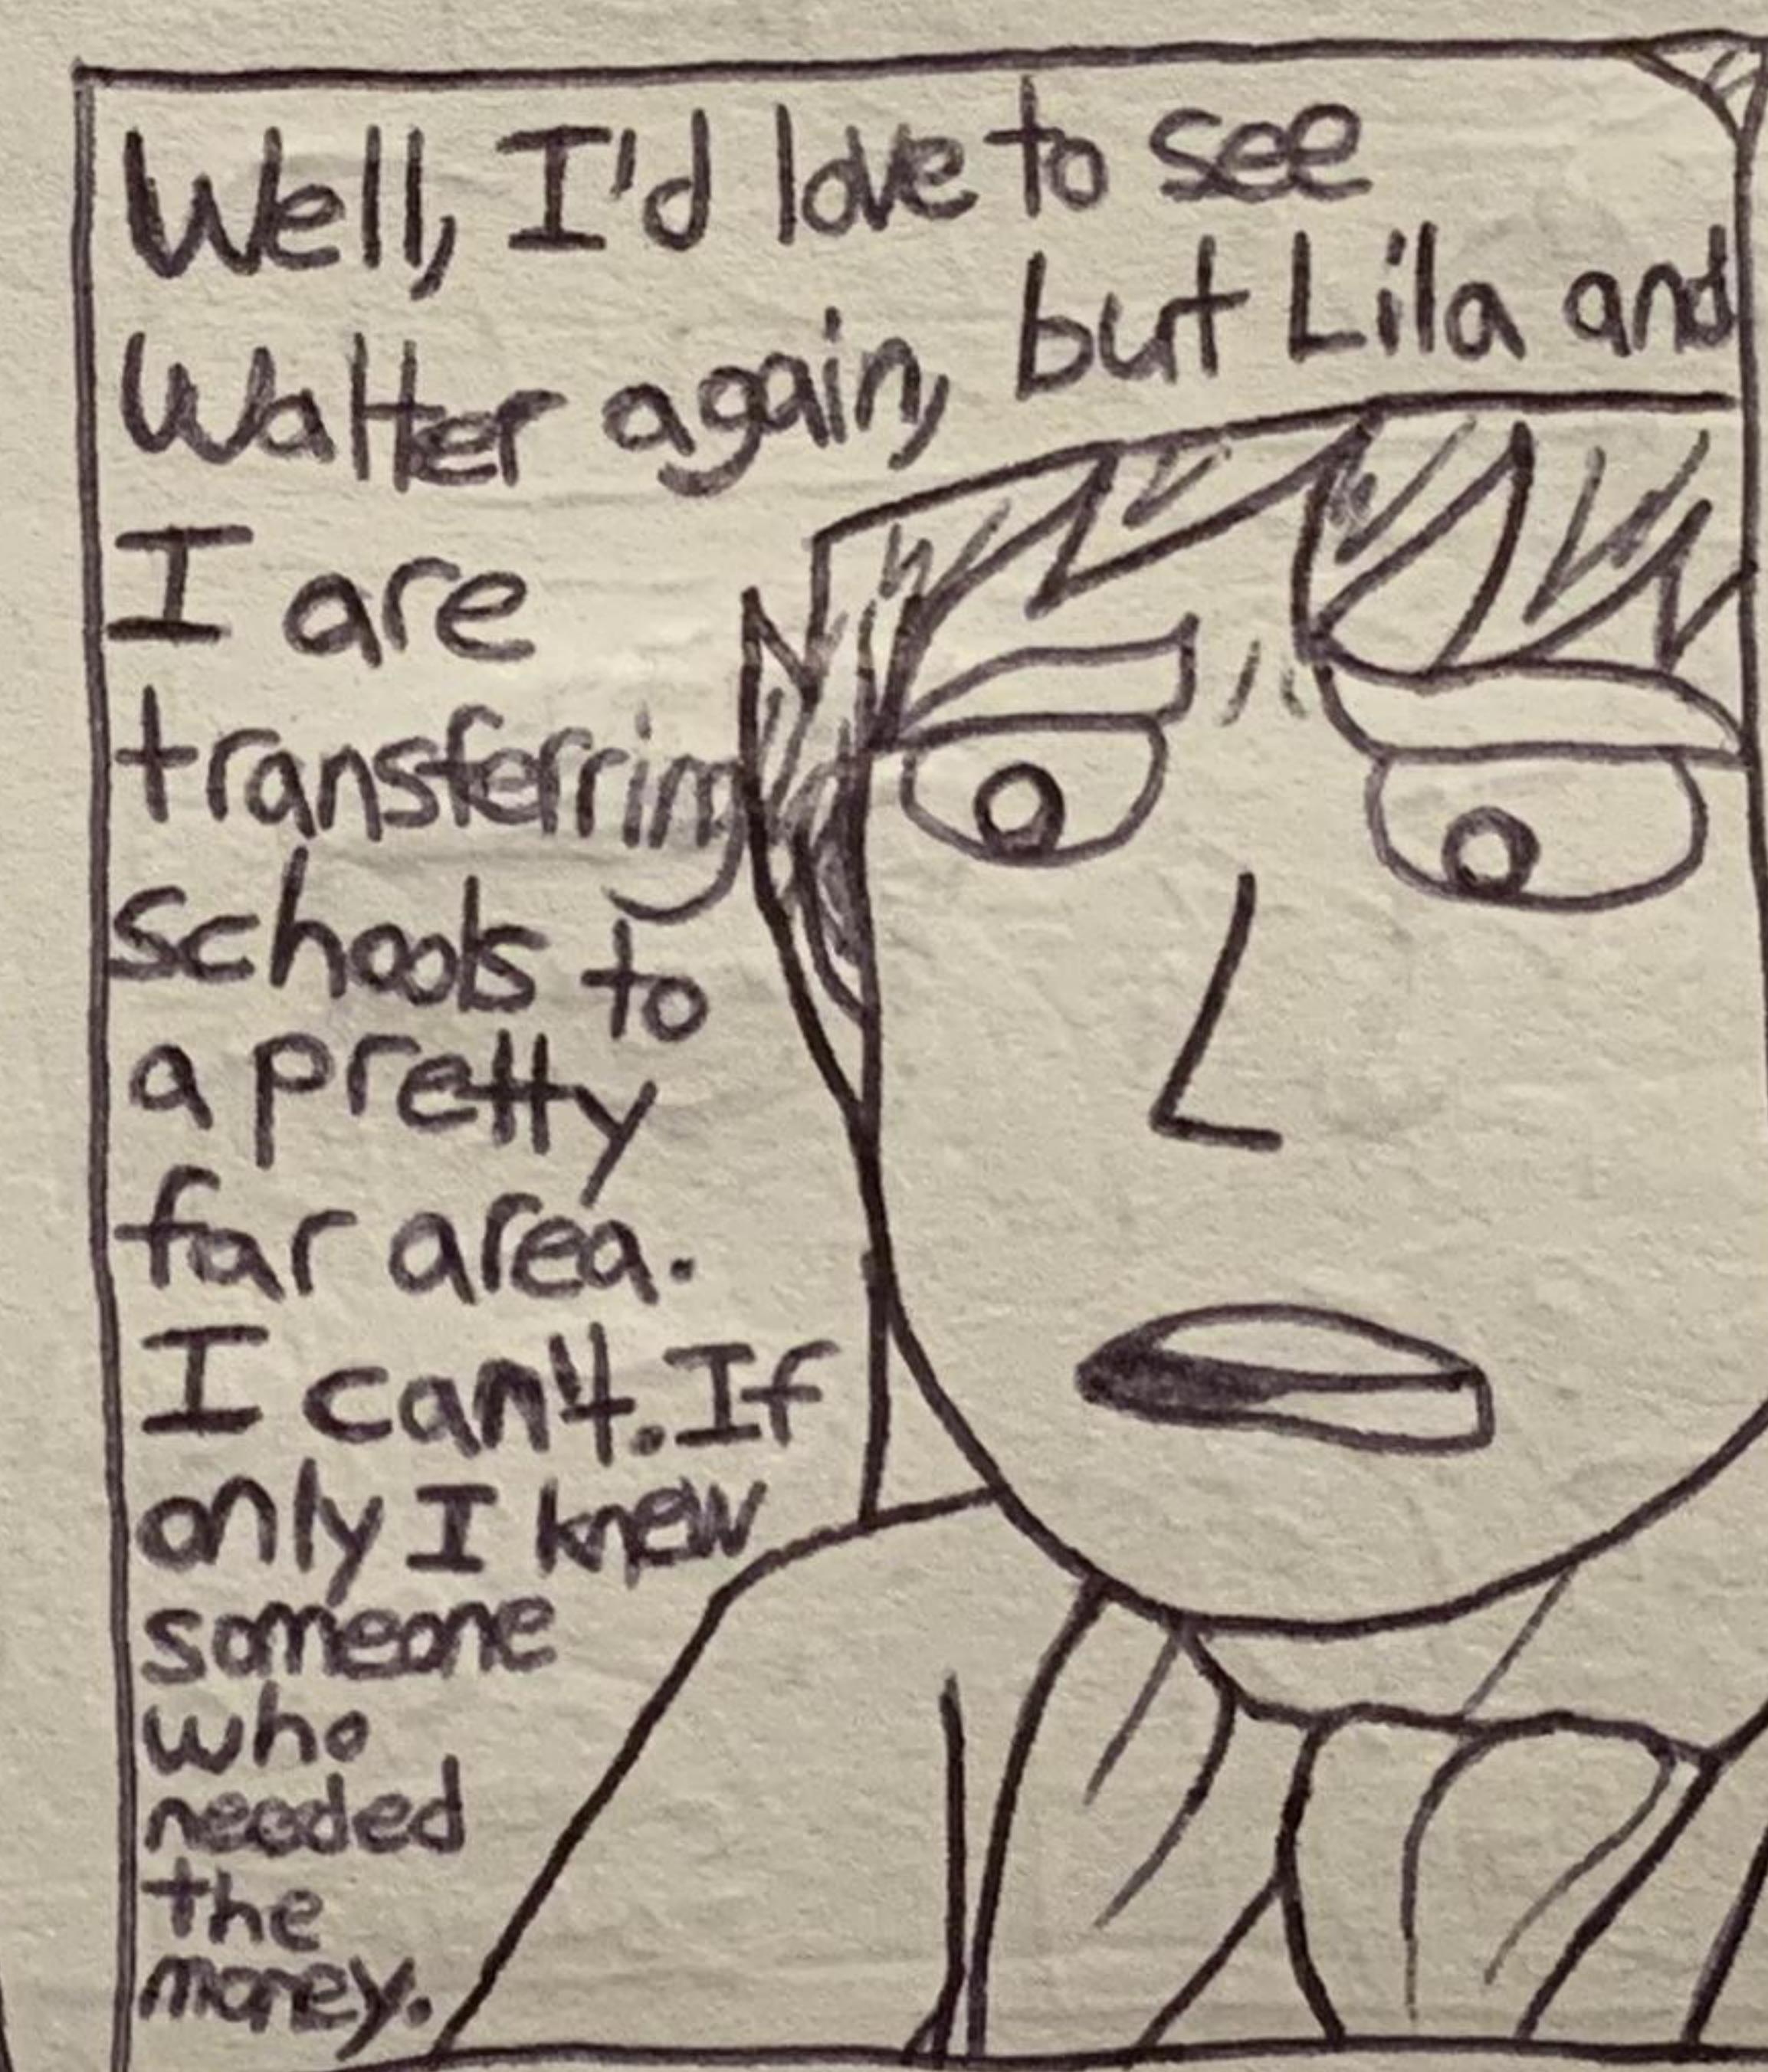

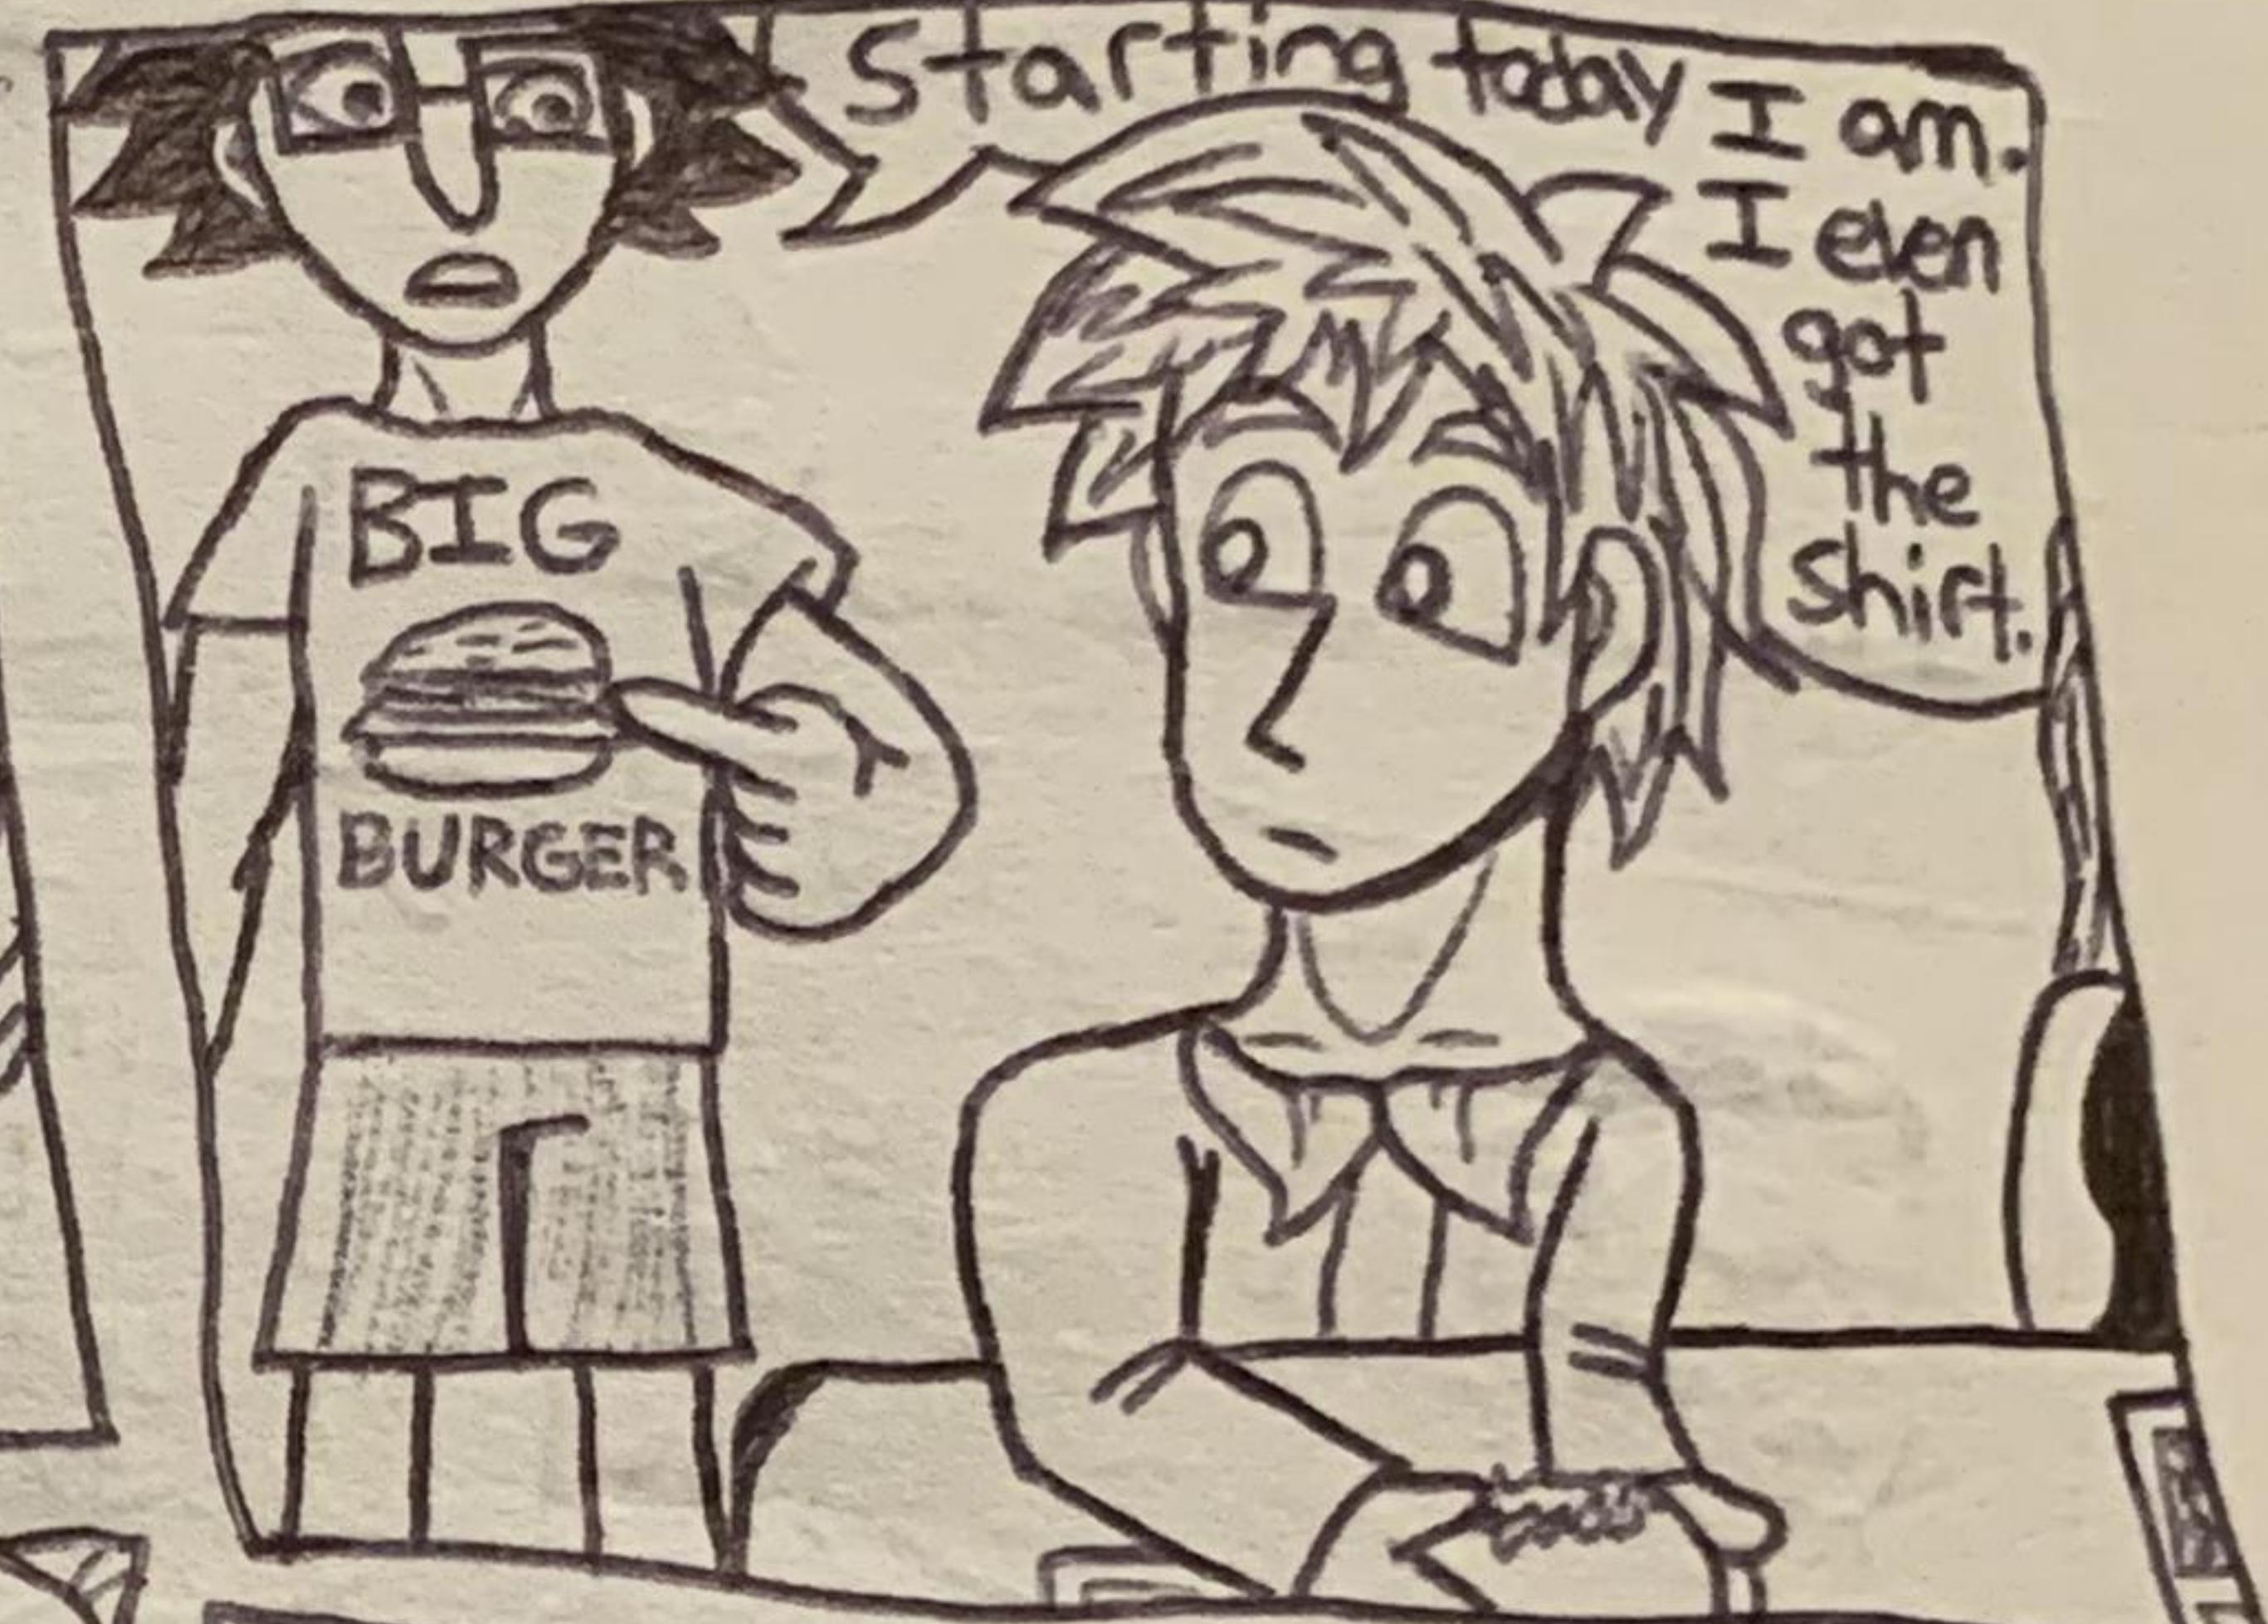

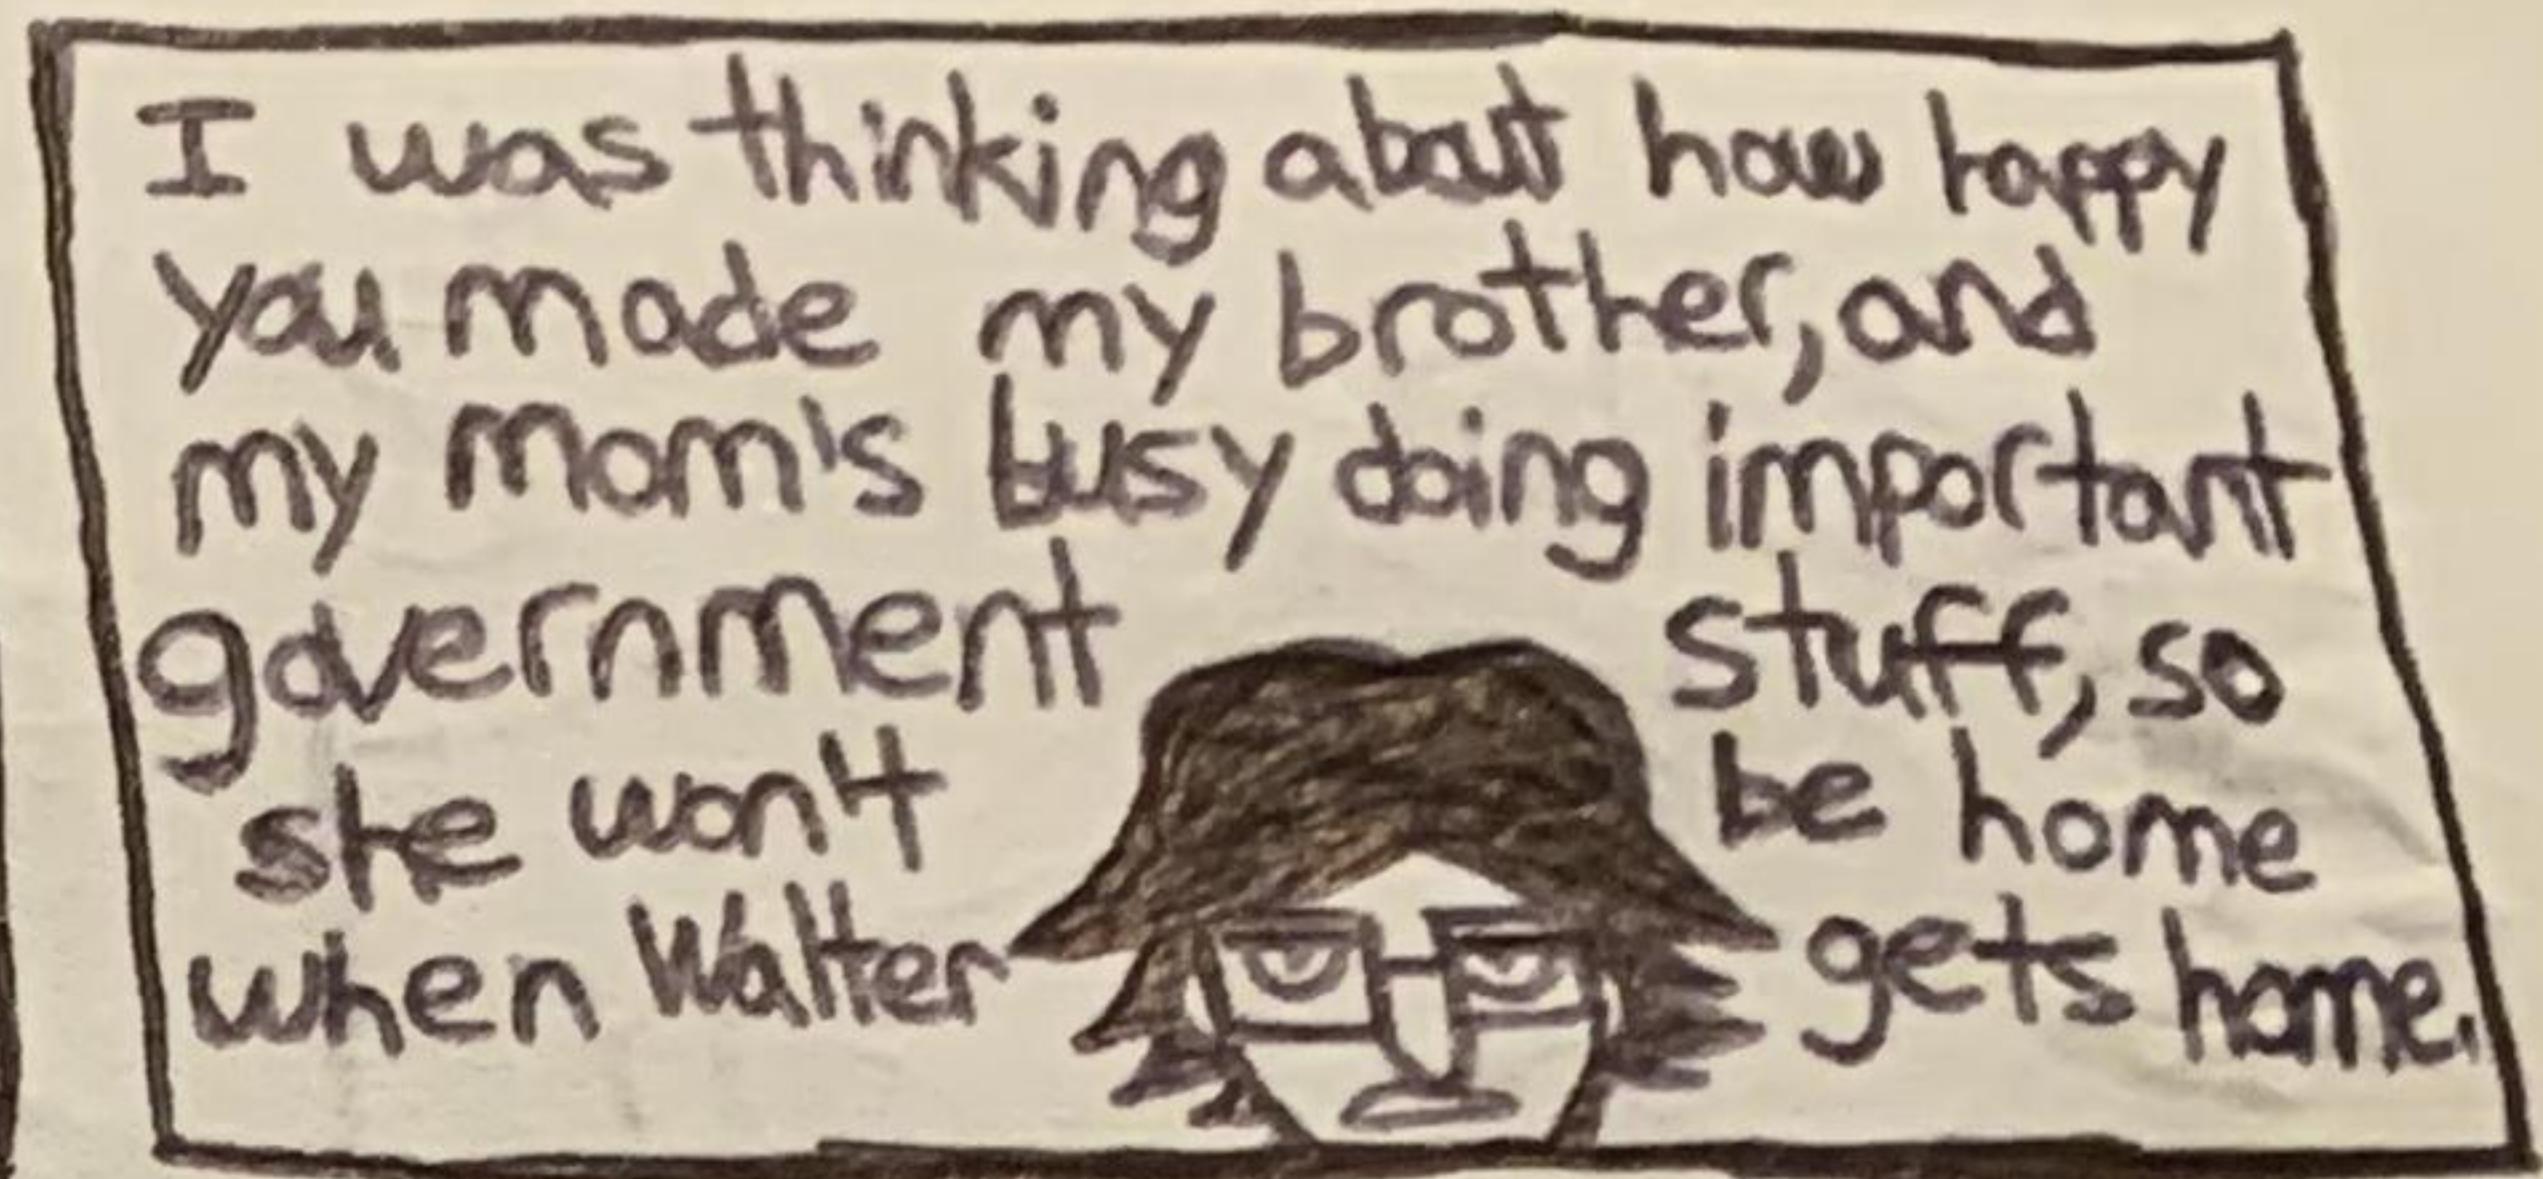

I'm what they call the "Super High School Level Good Luck!"

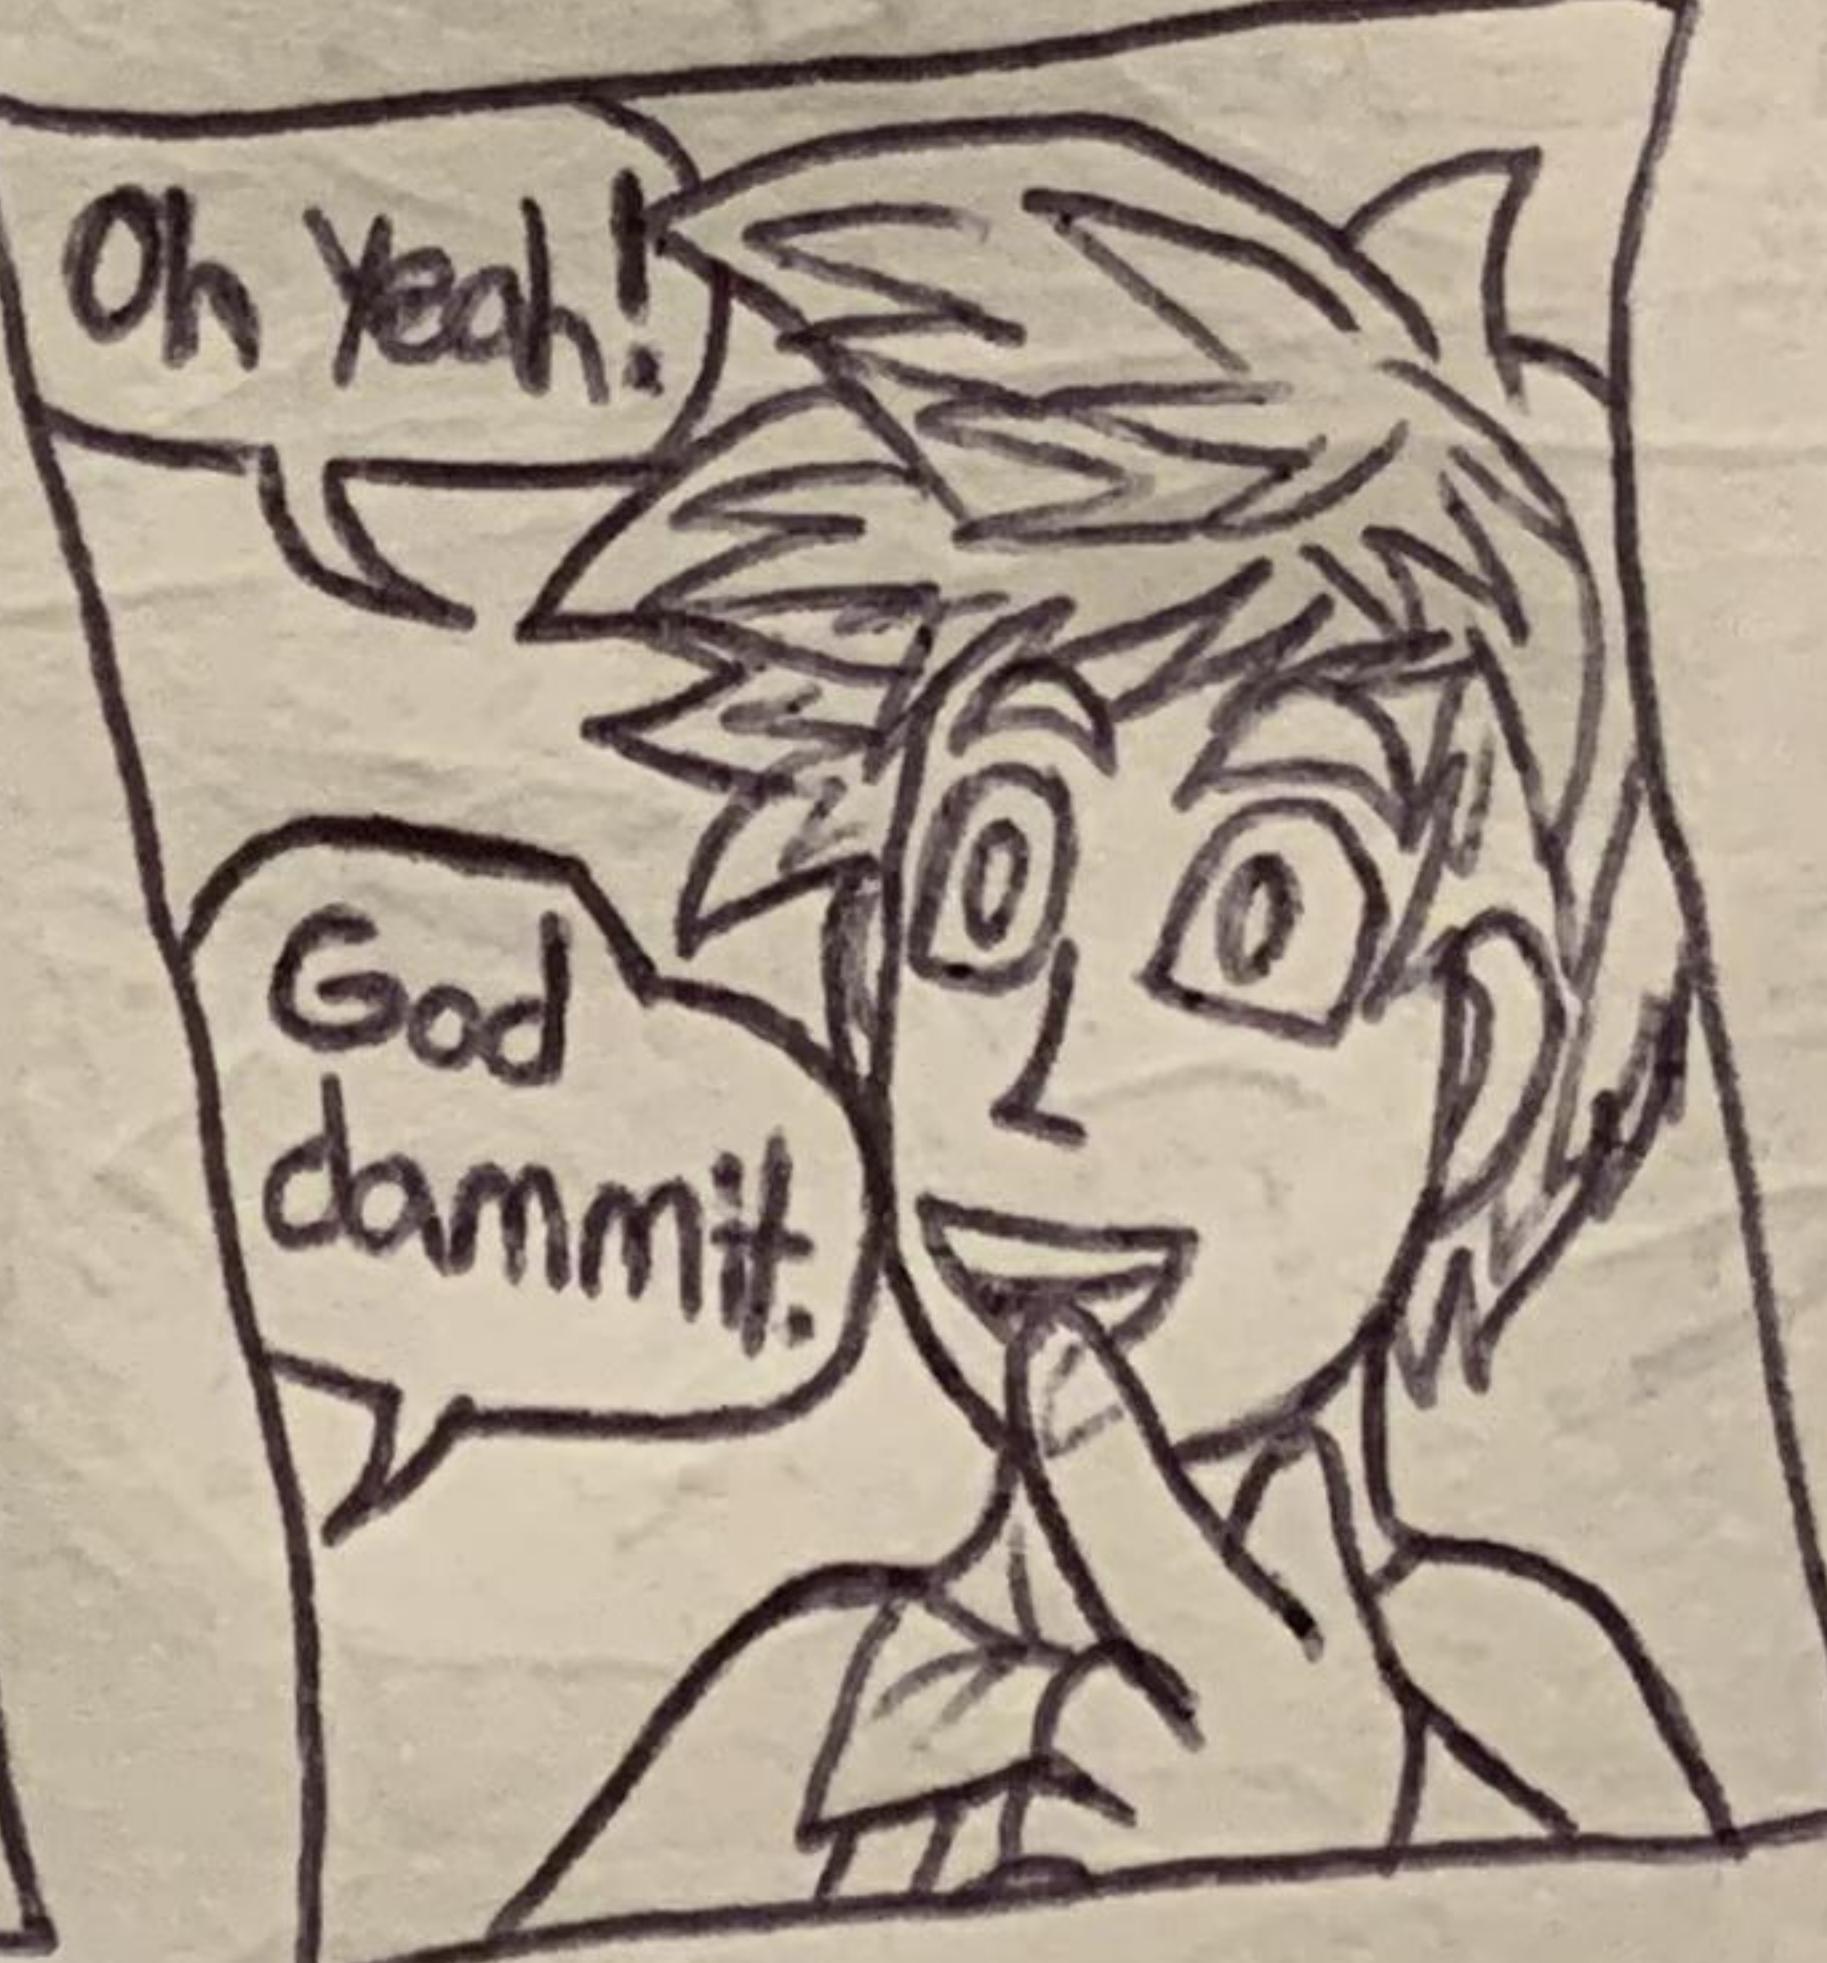

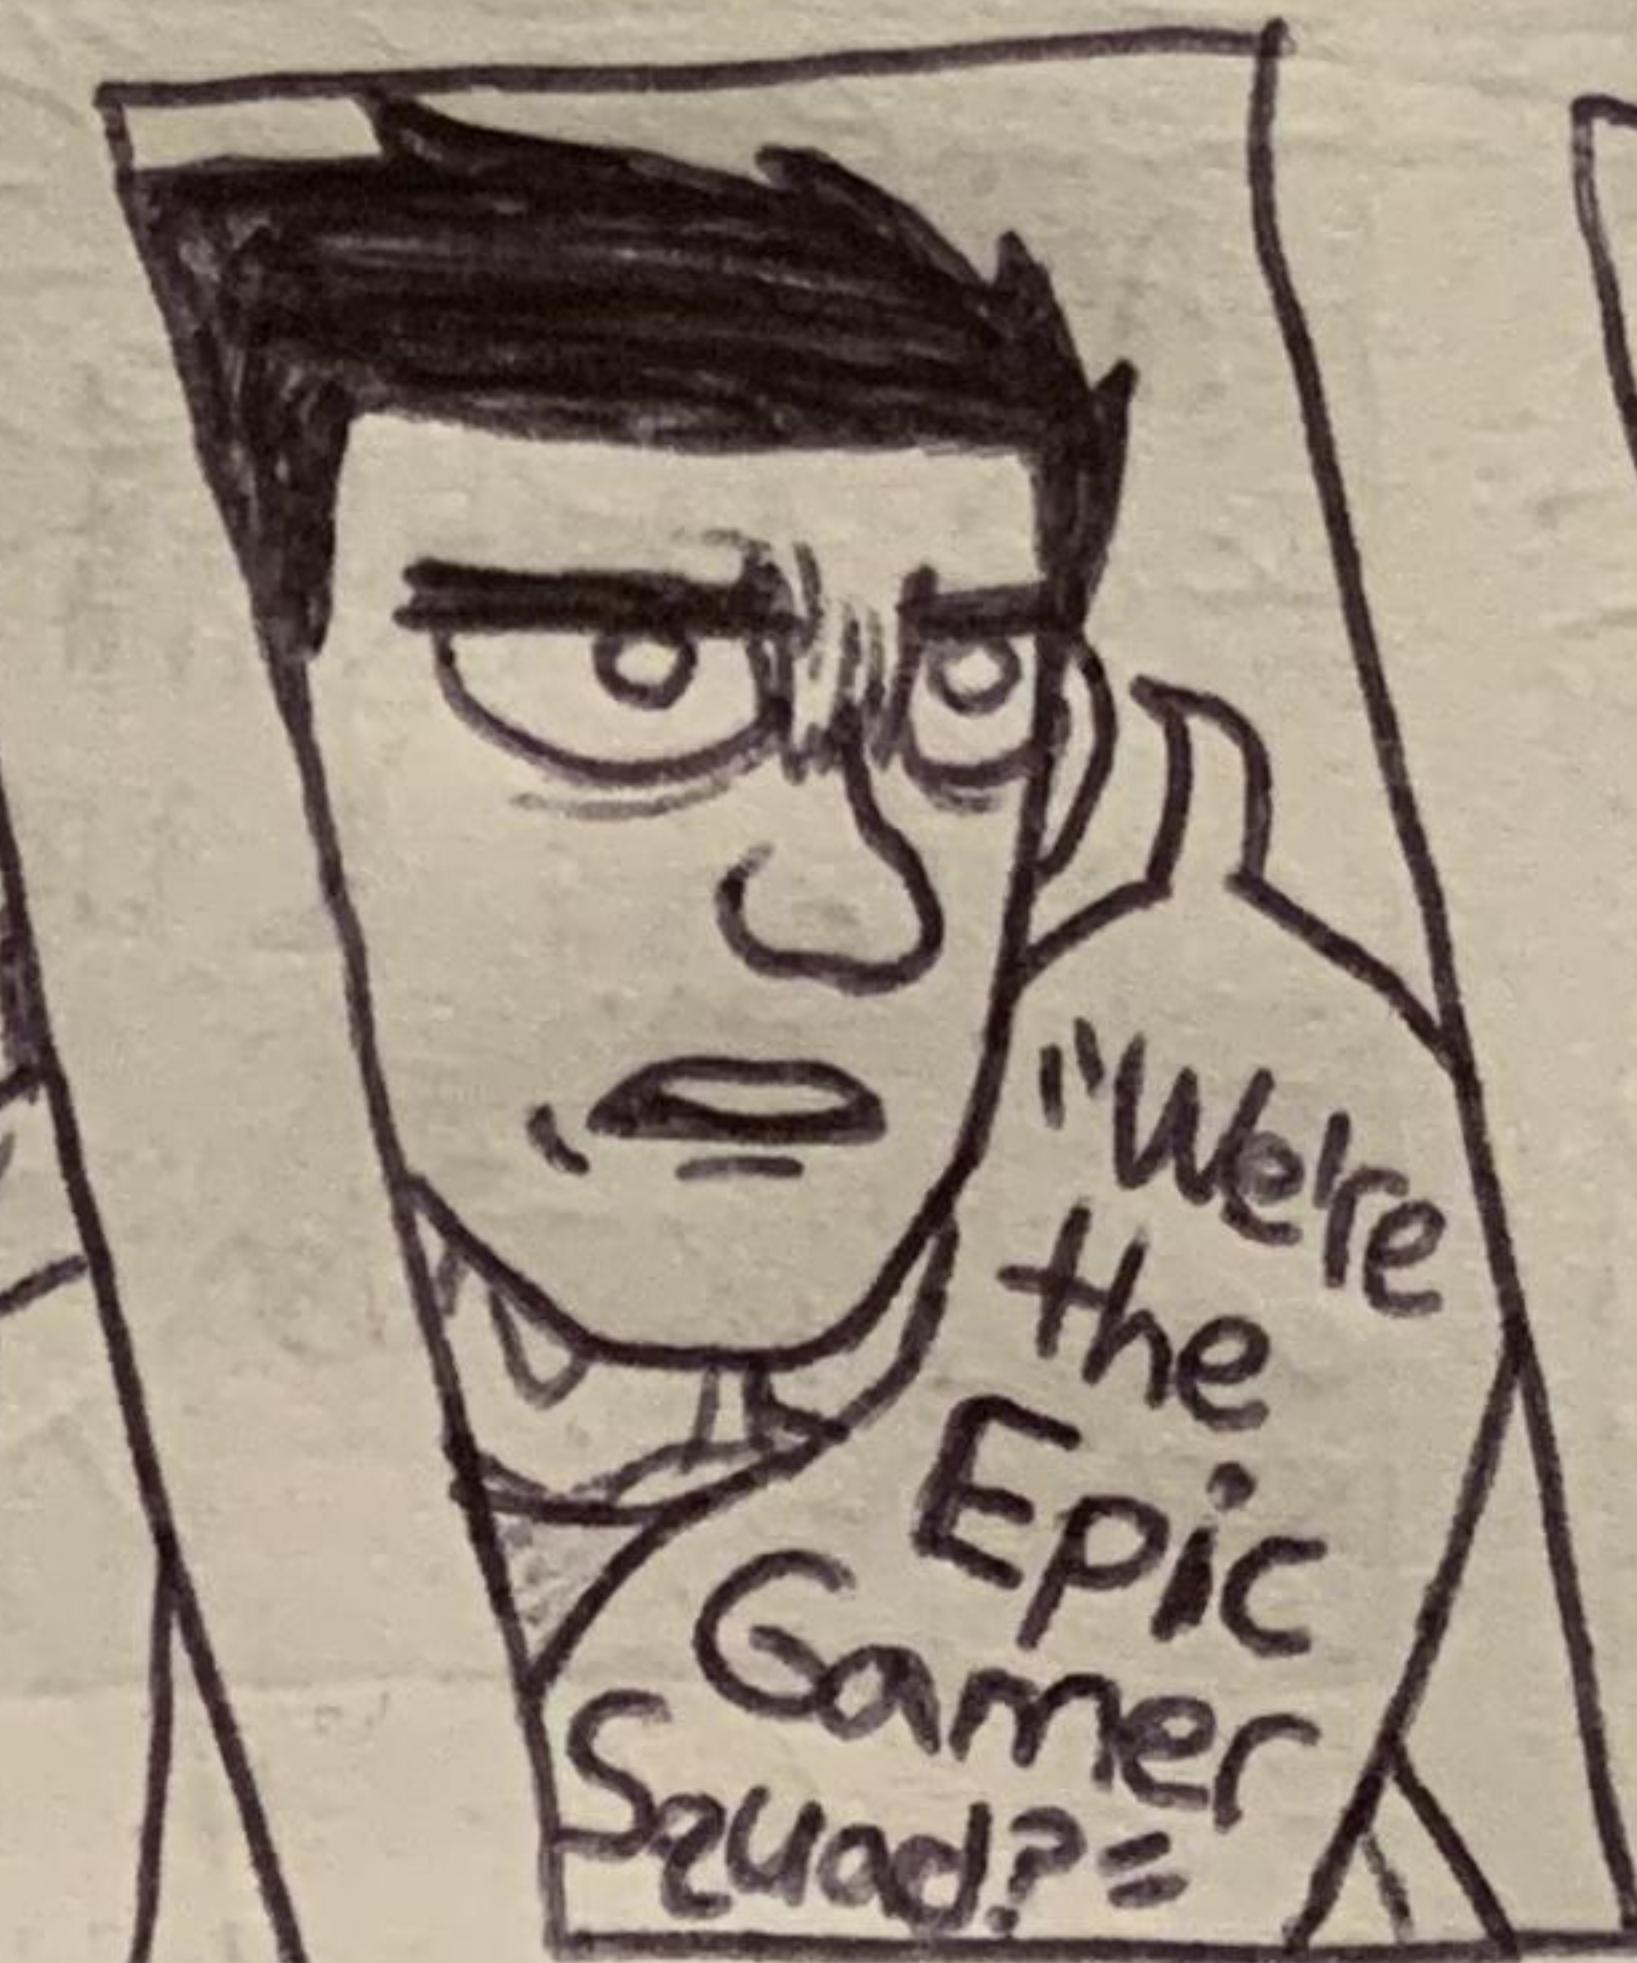

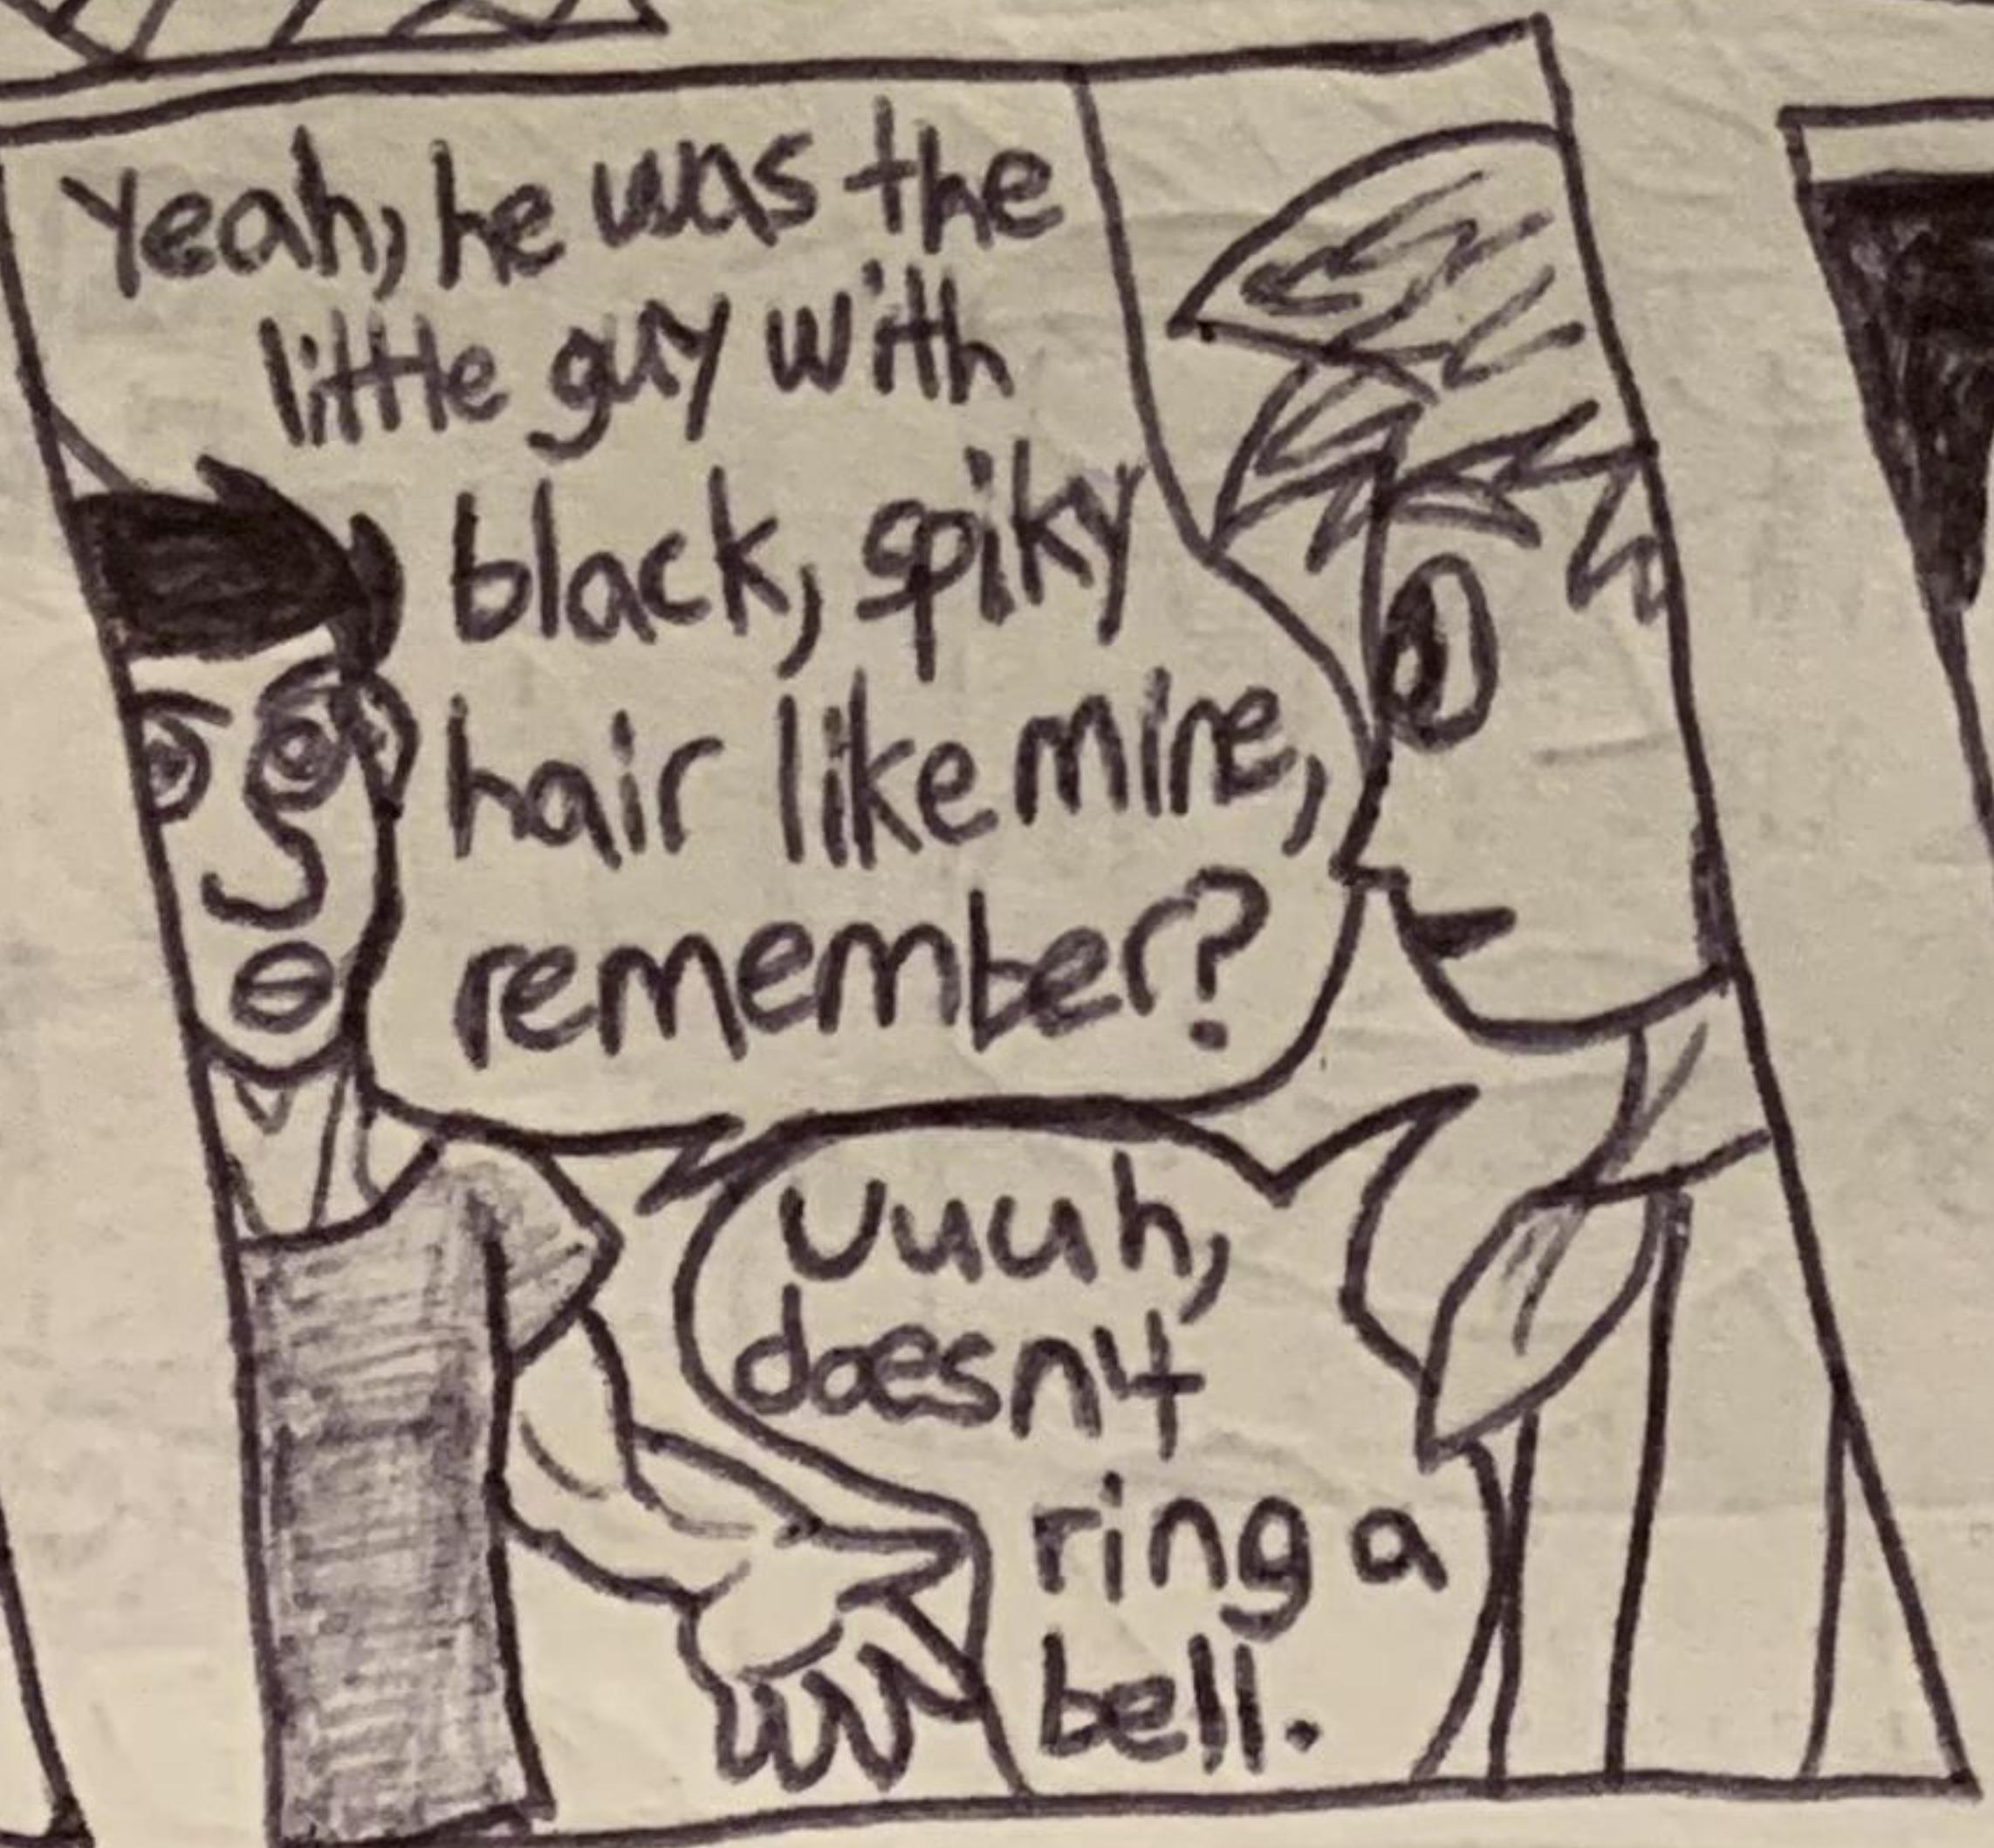

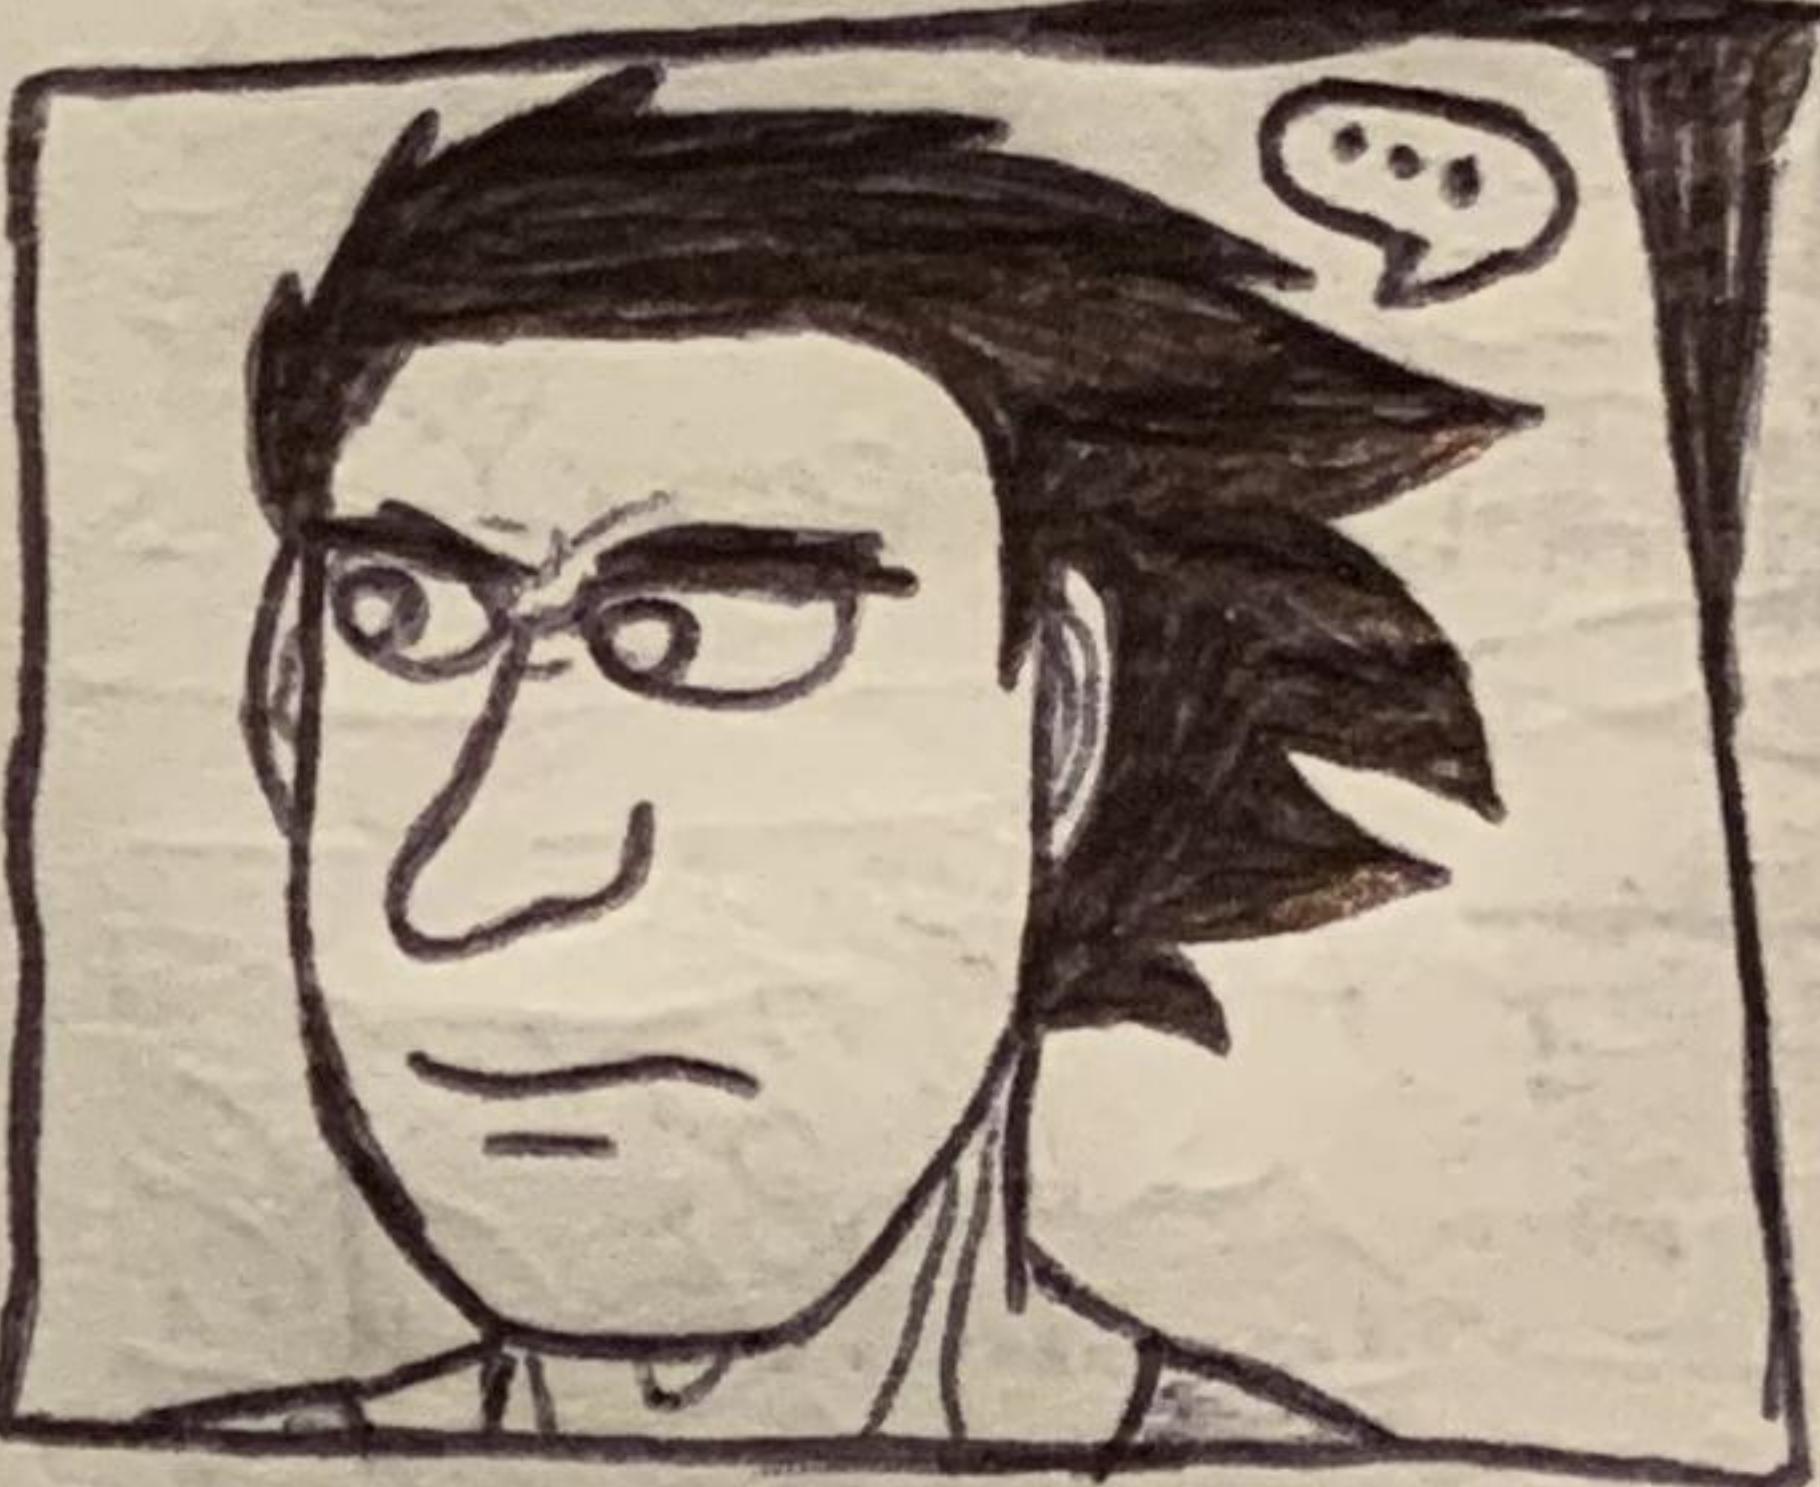

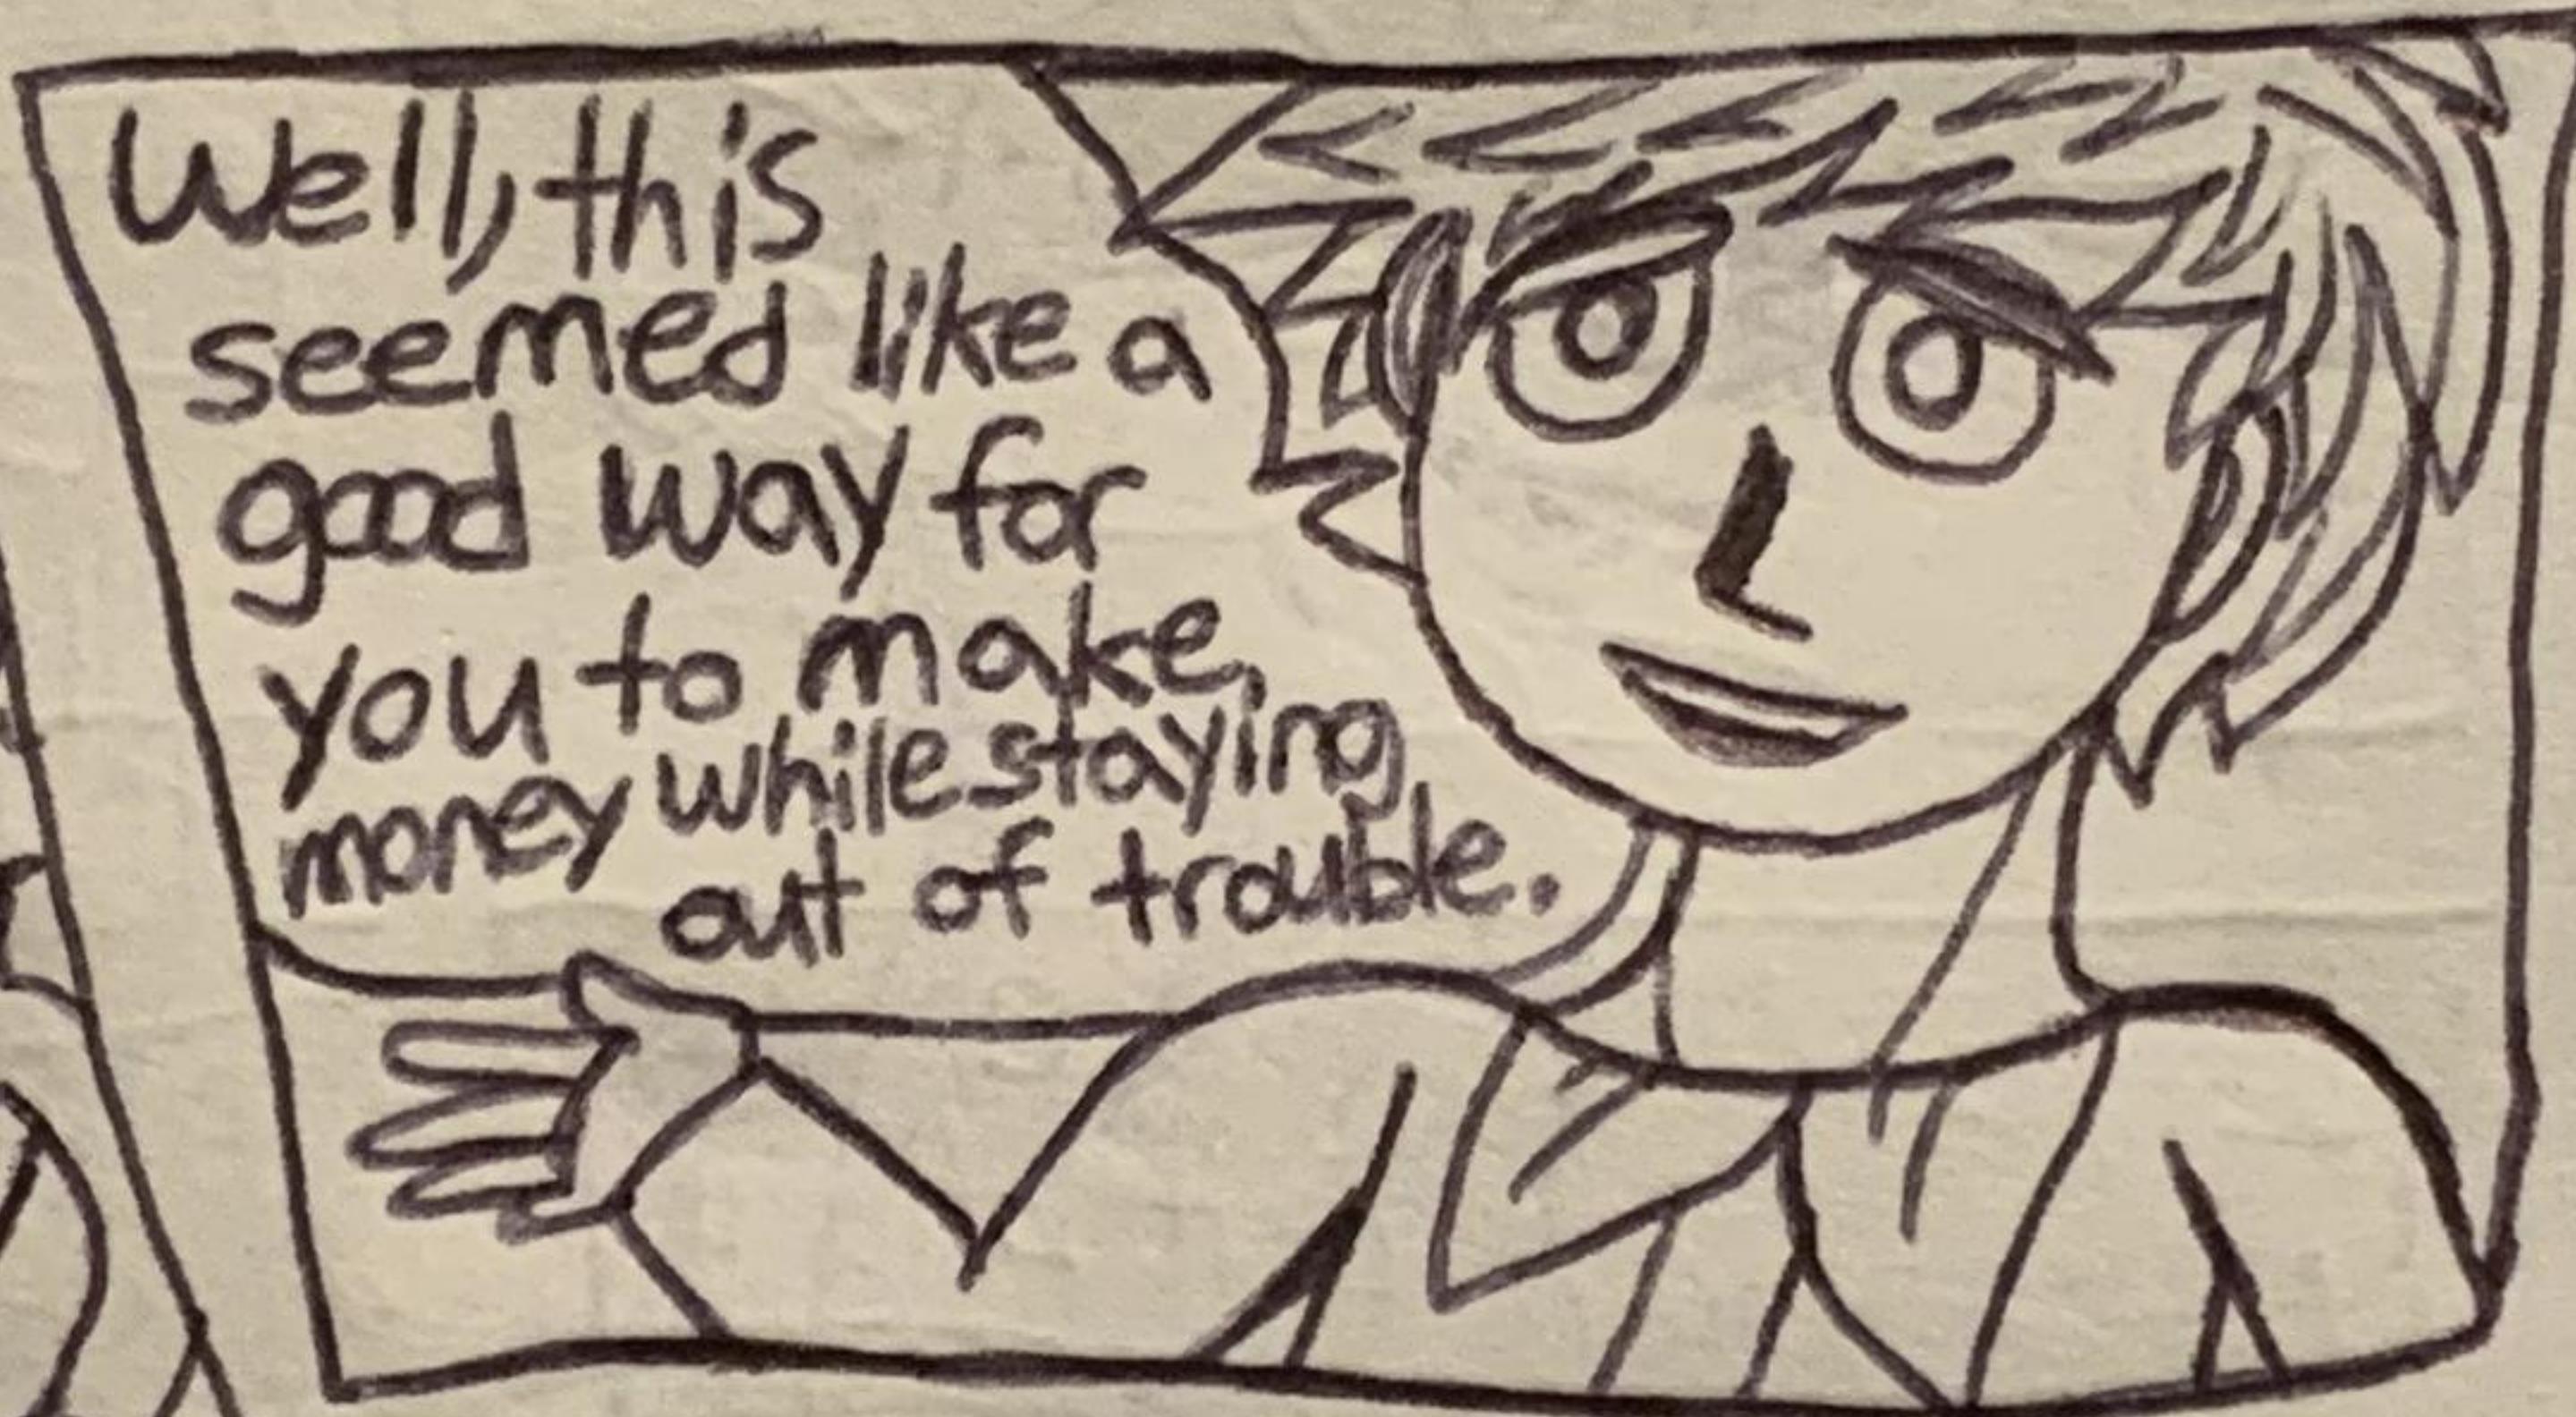

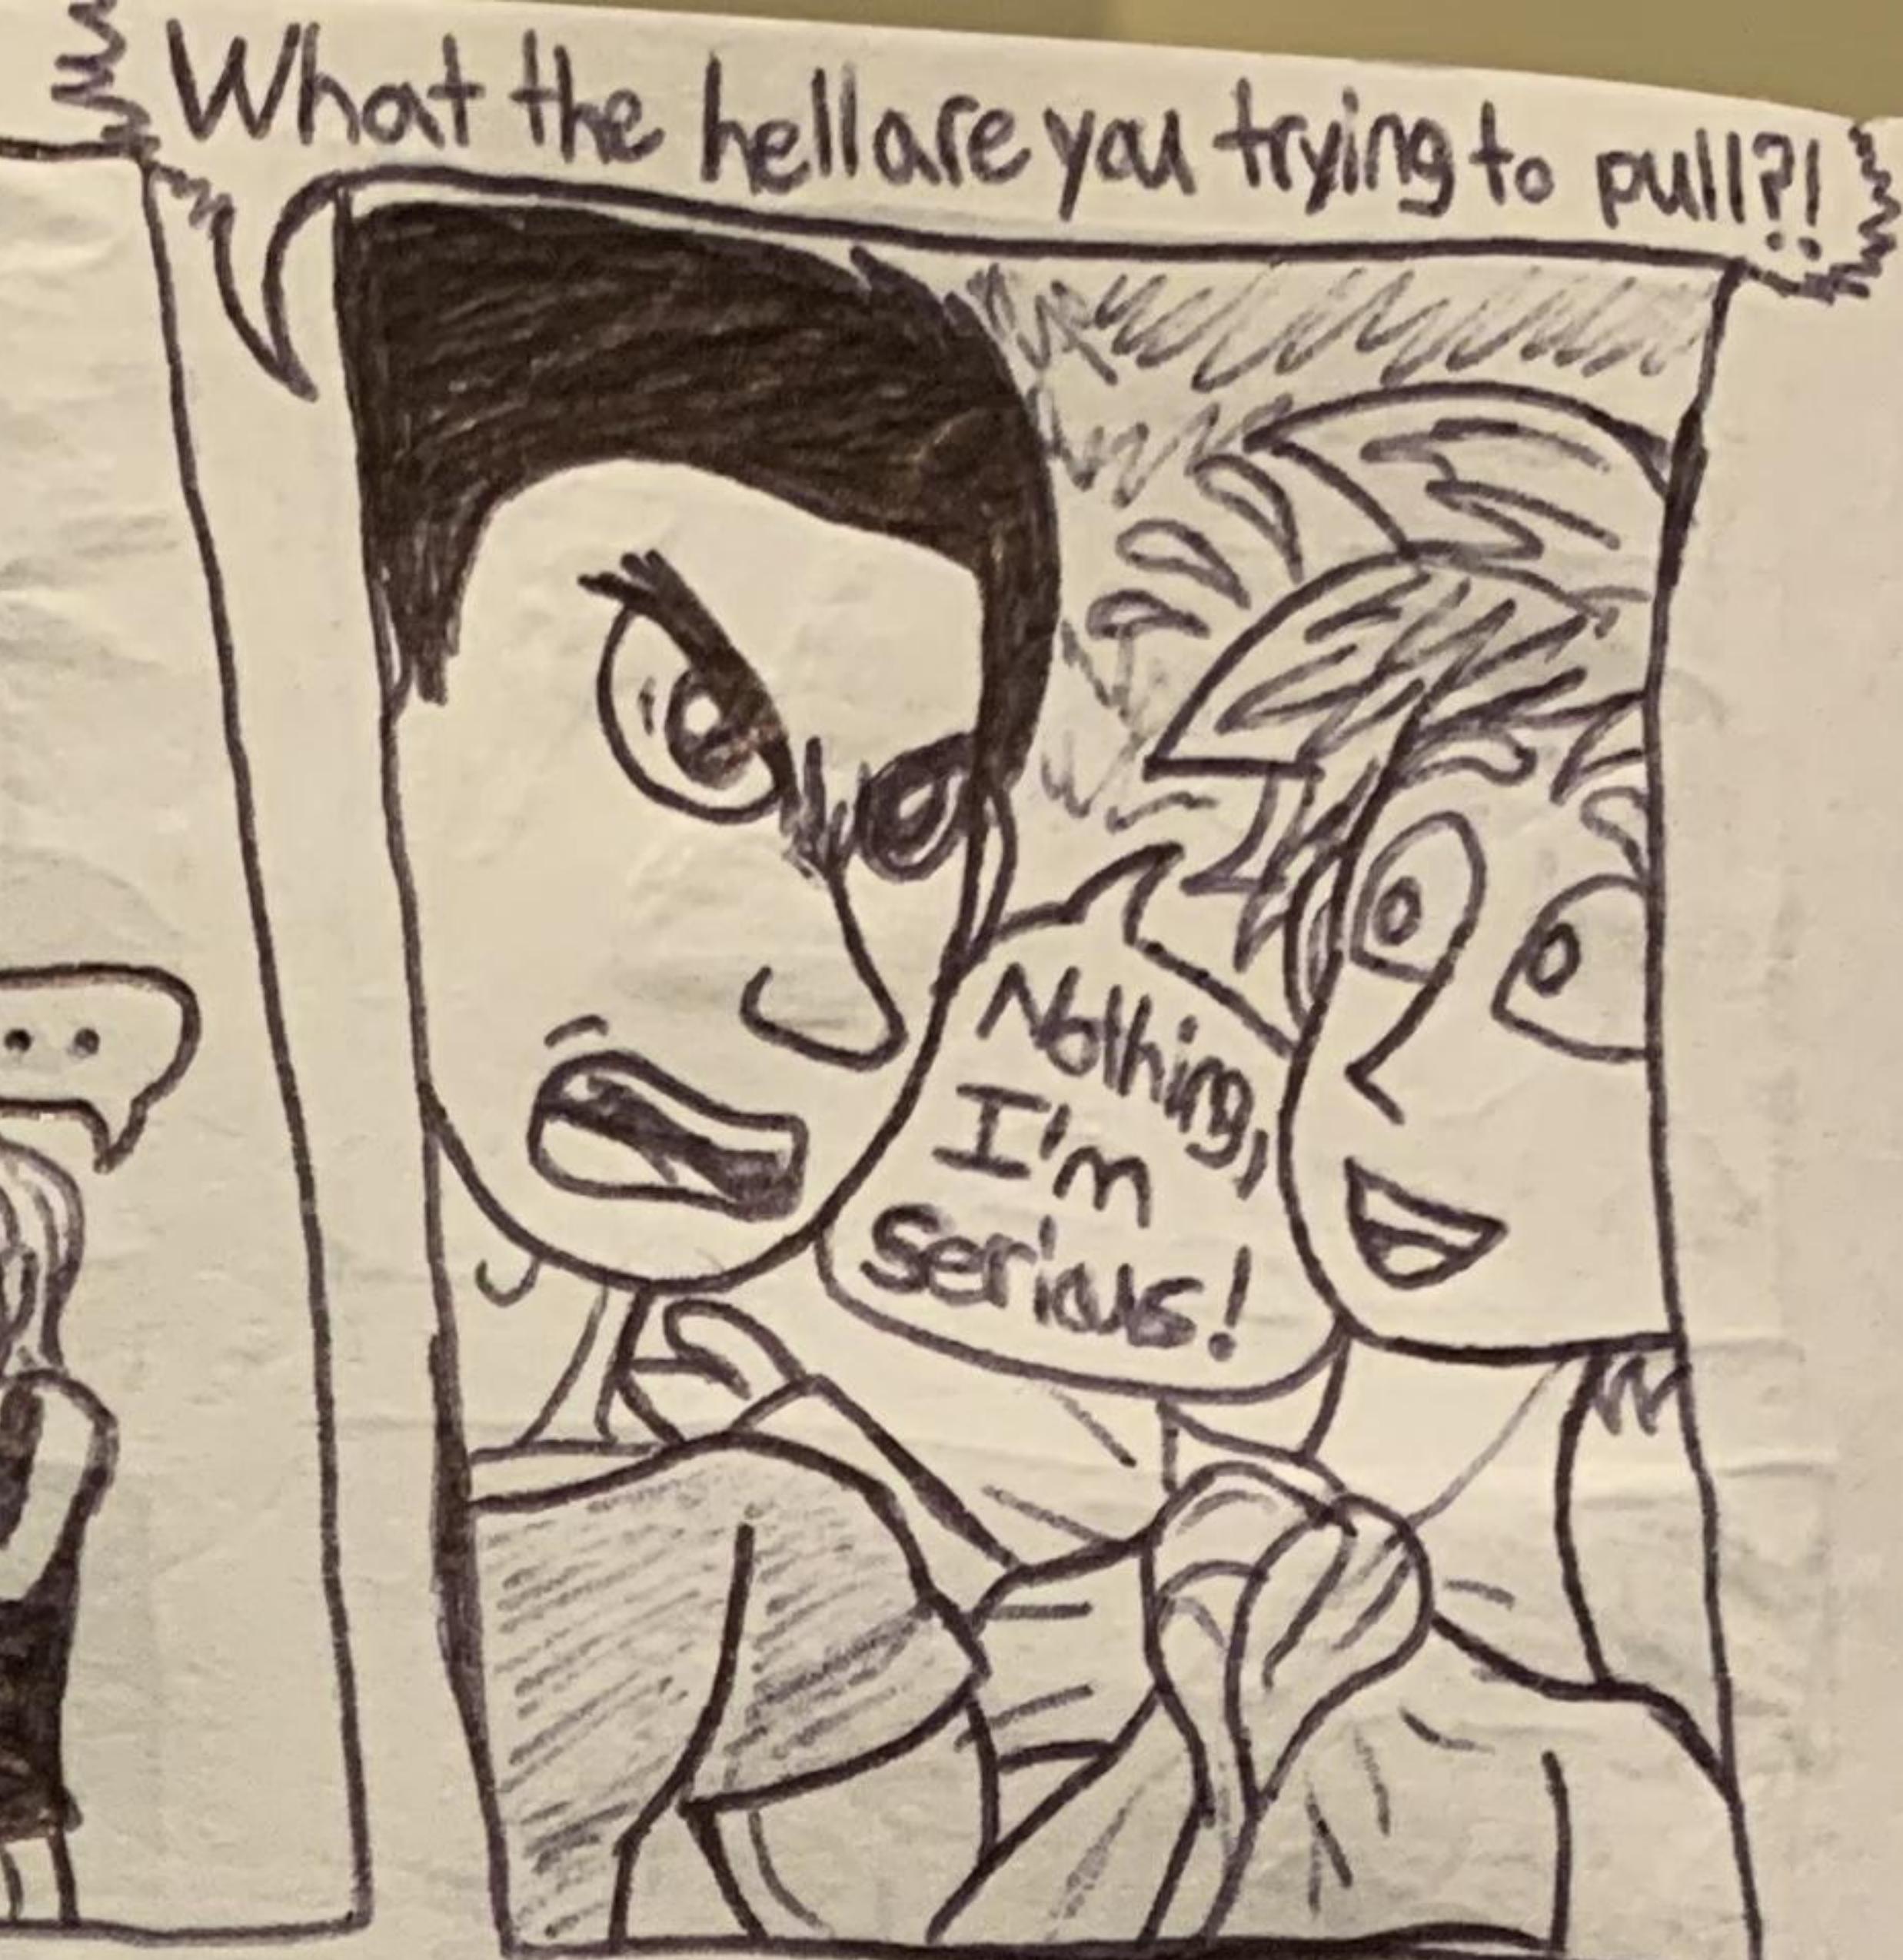

What kind of half-assed title is that? Your luck is just a bit better than the average high school Student's?

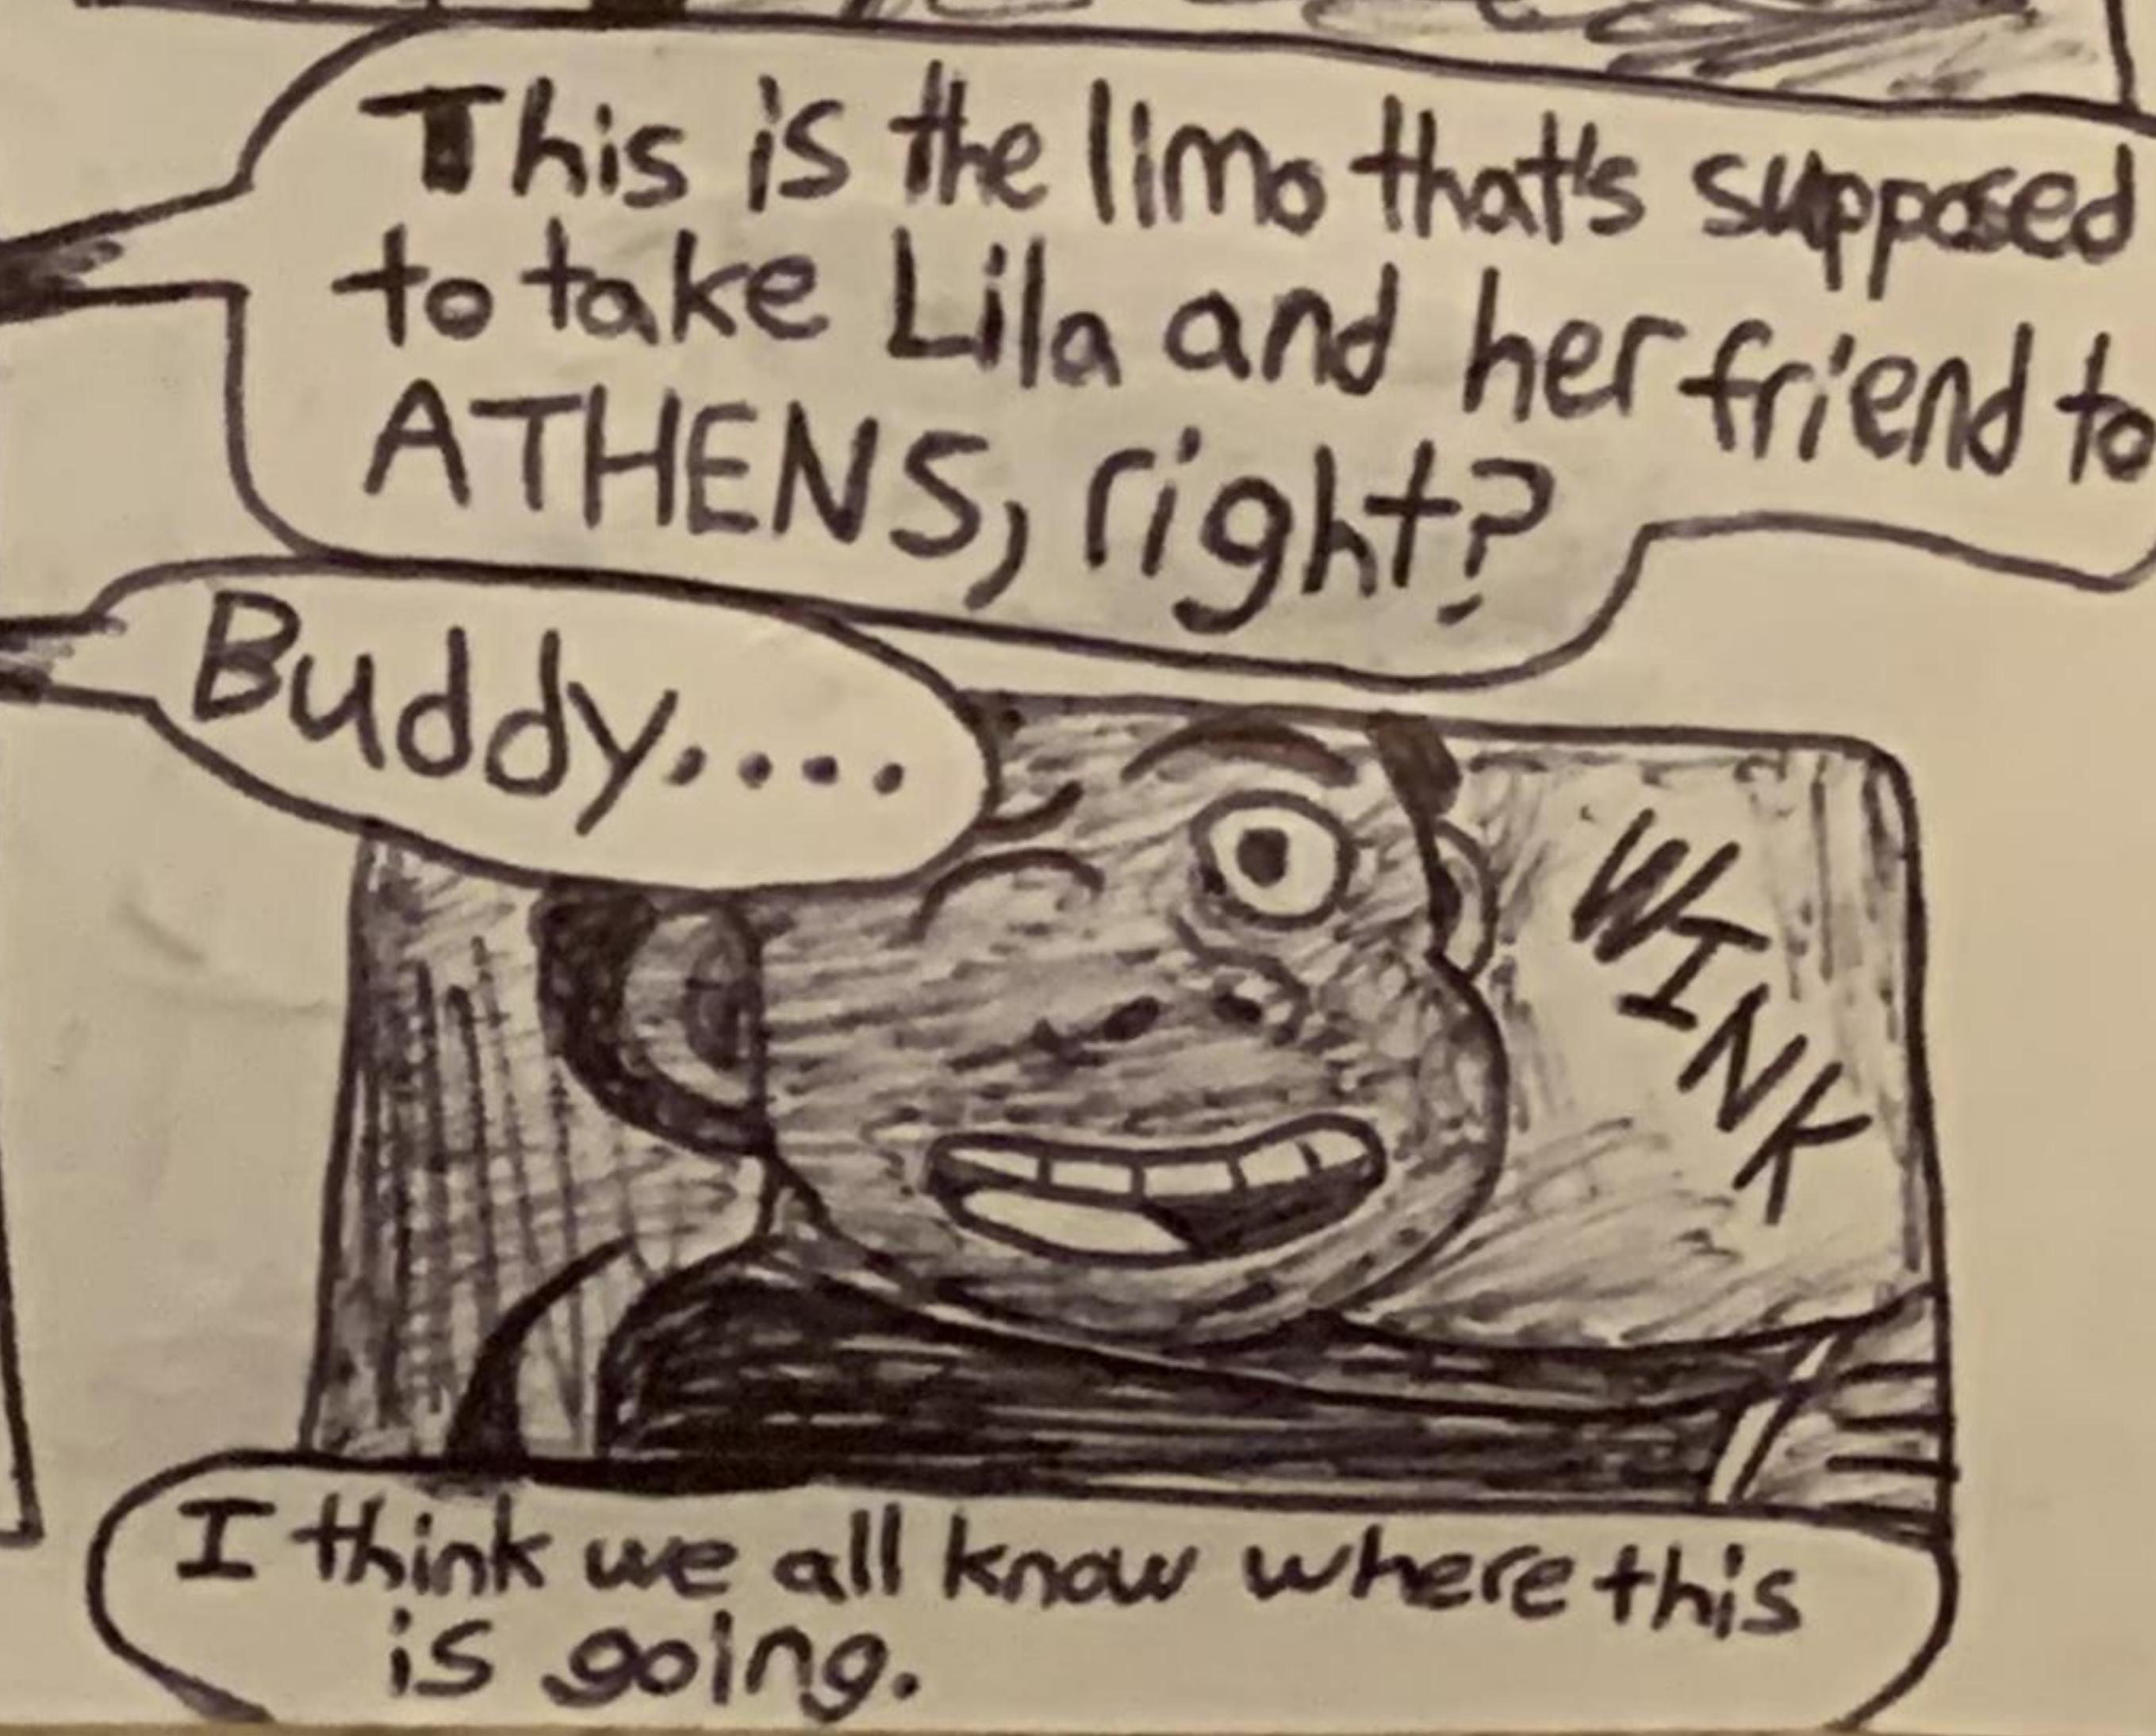

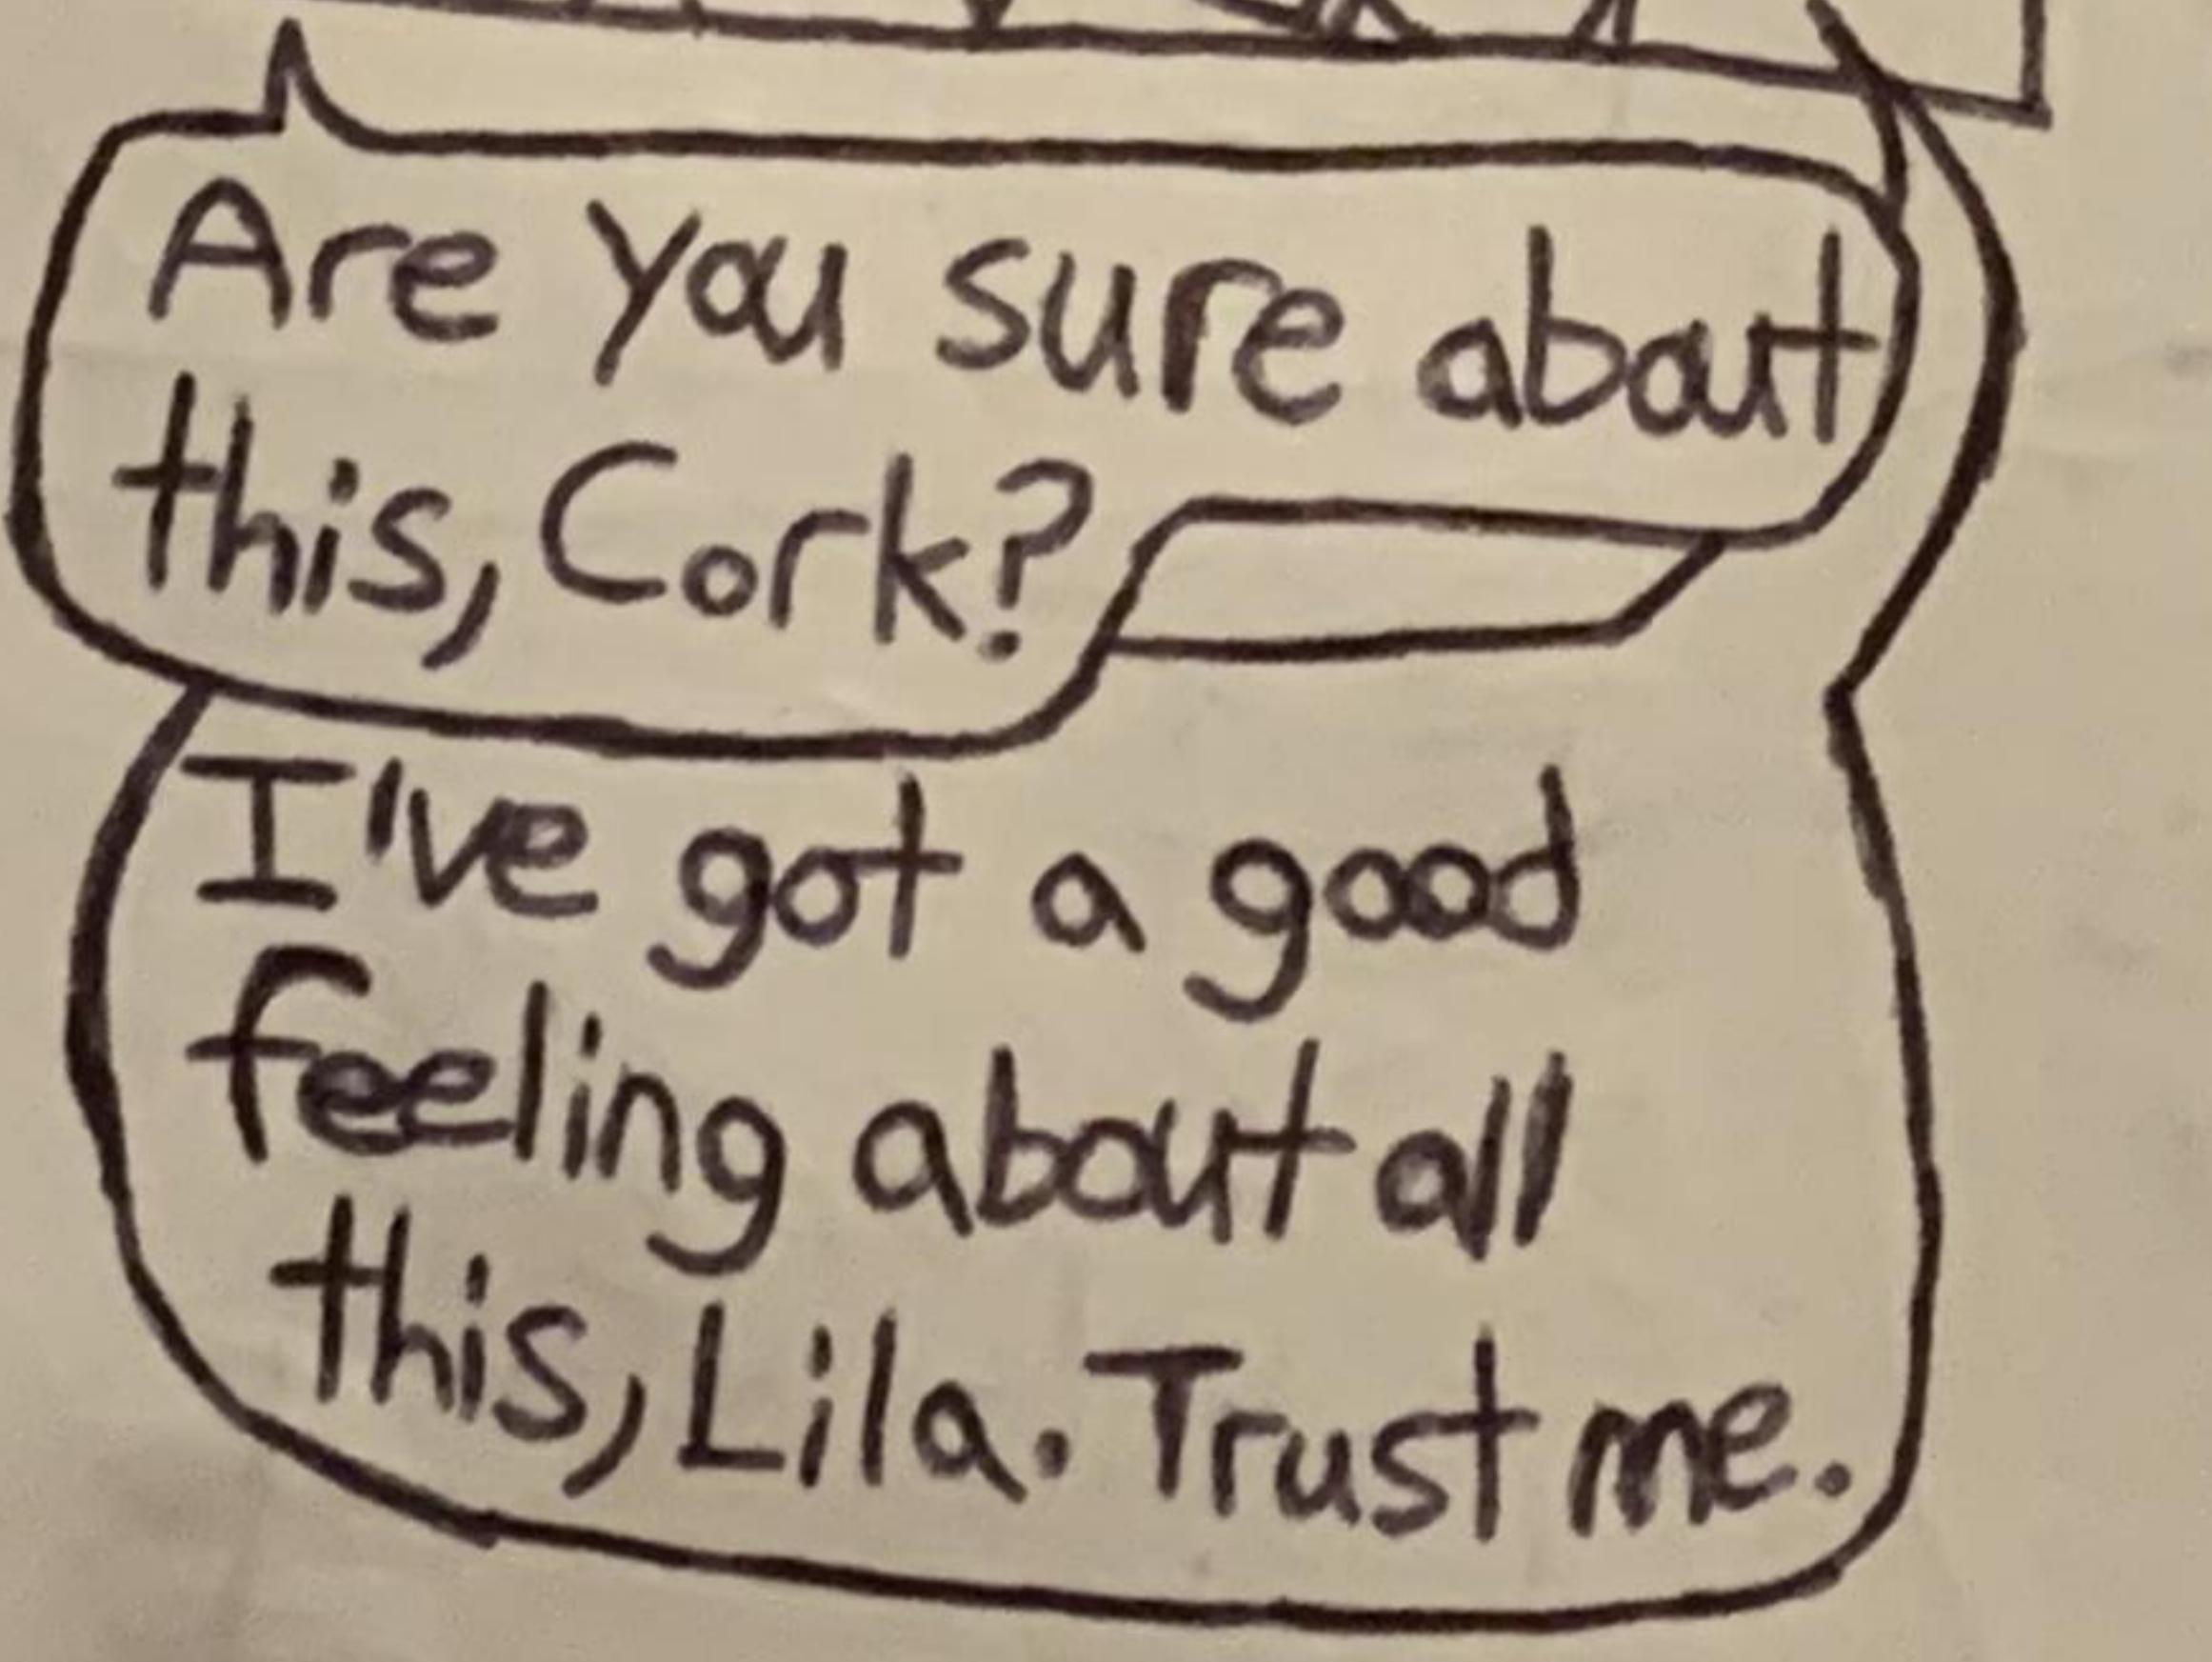

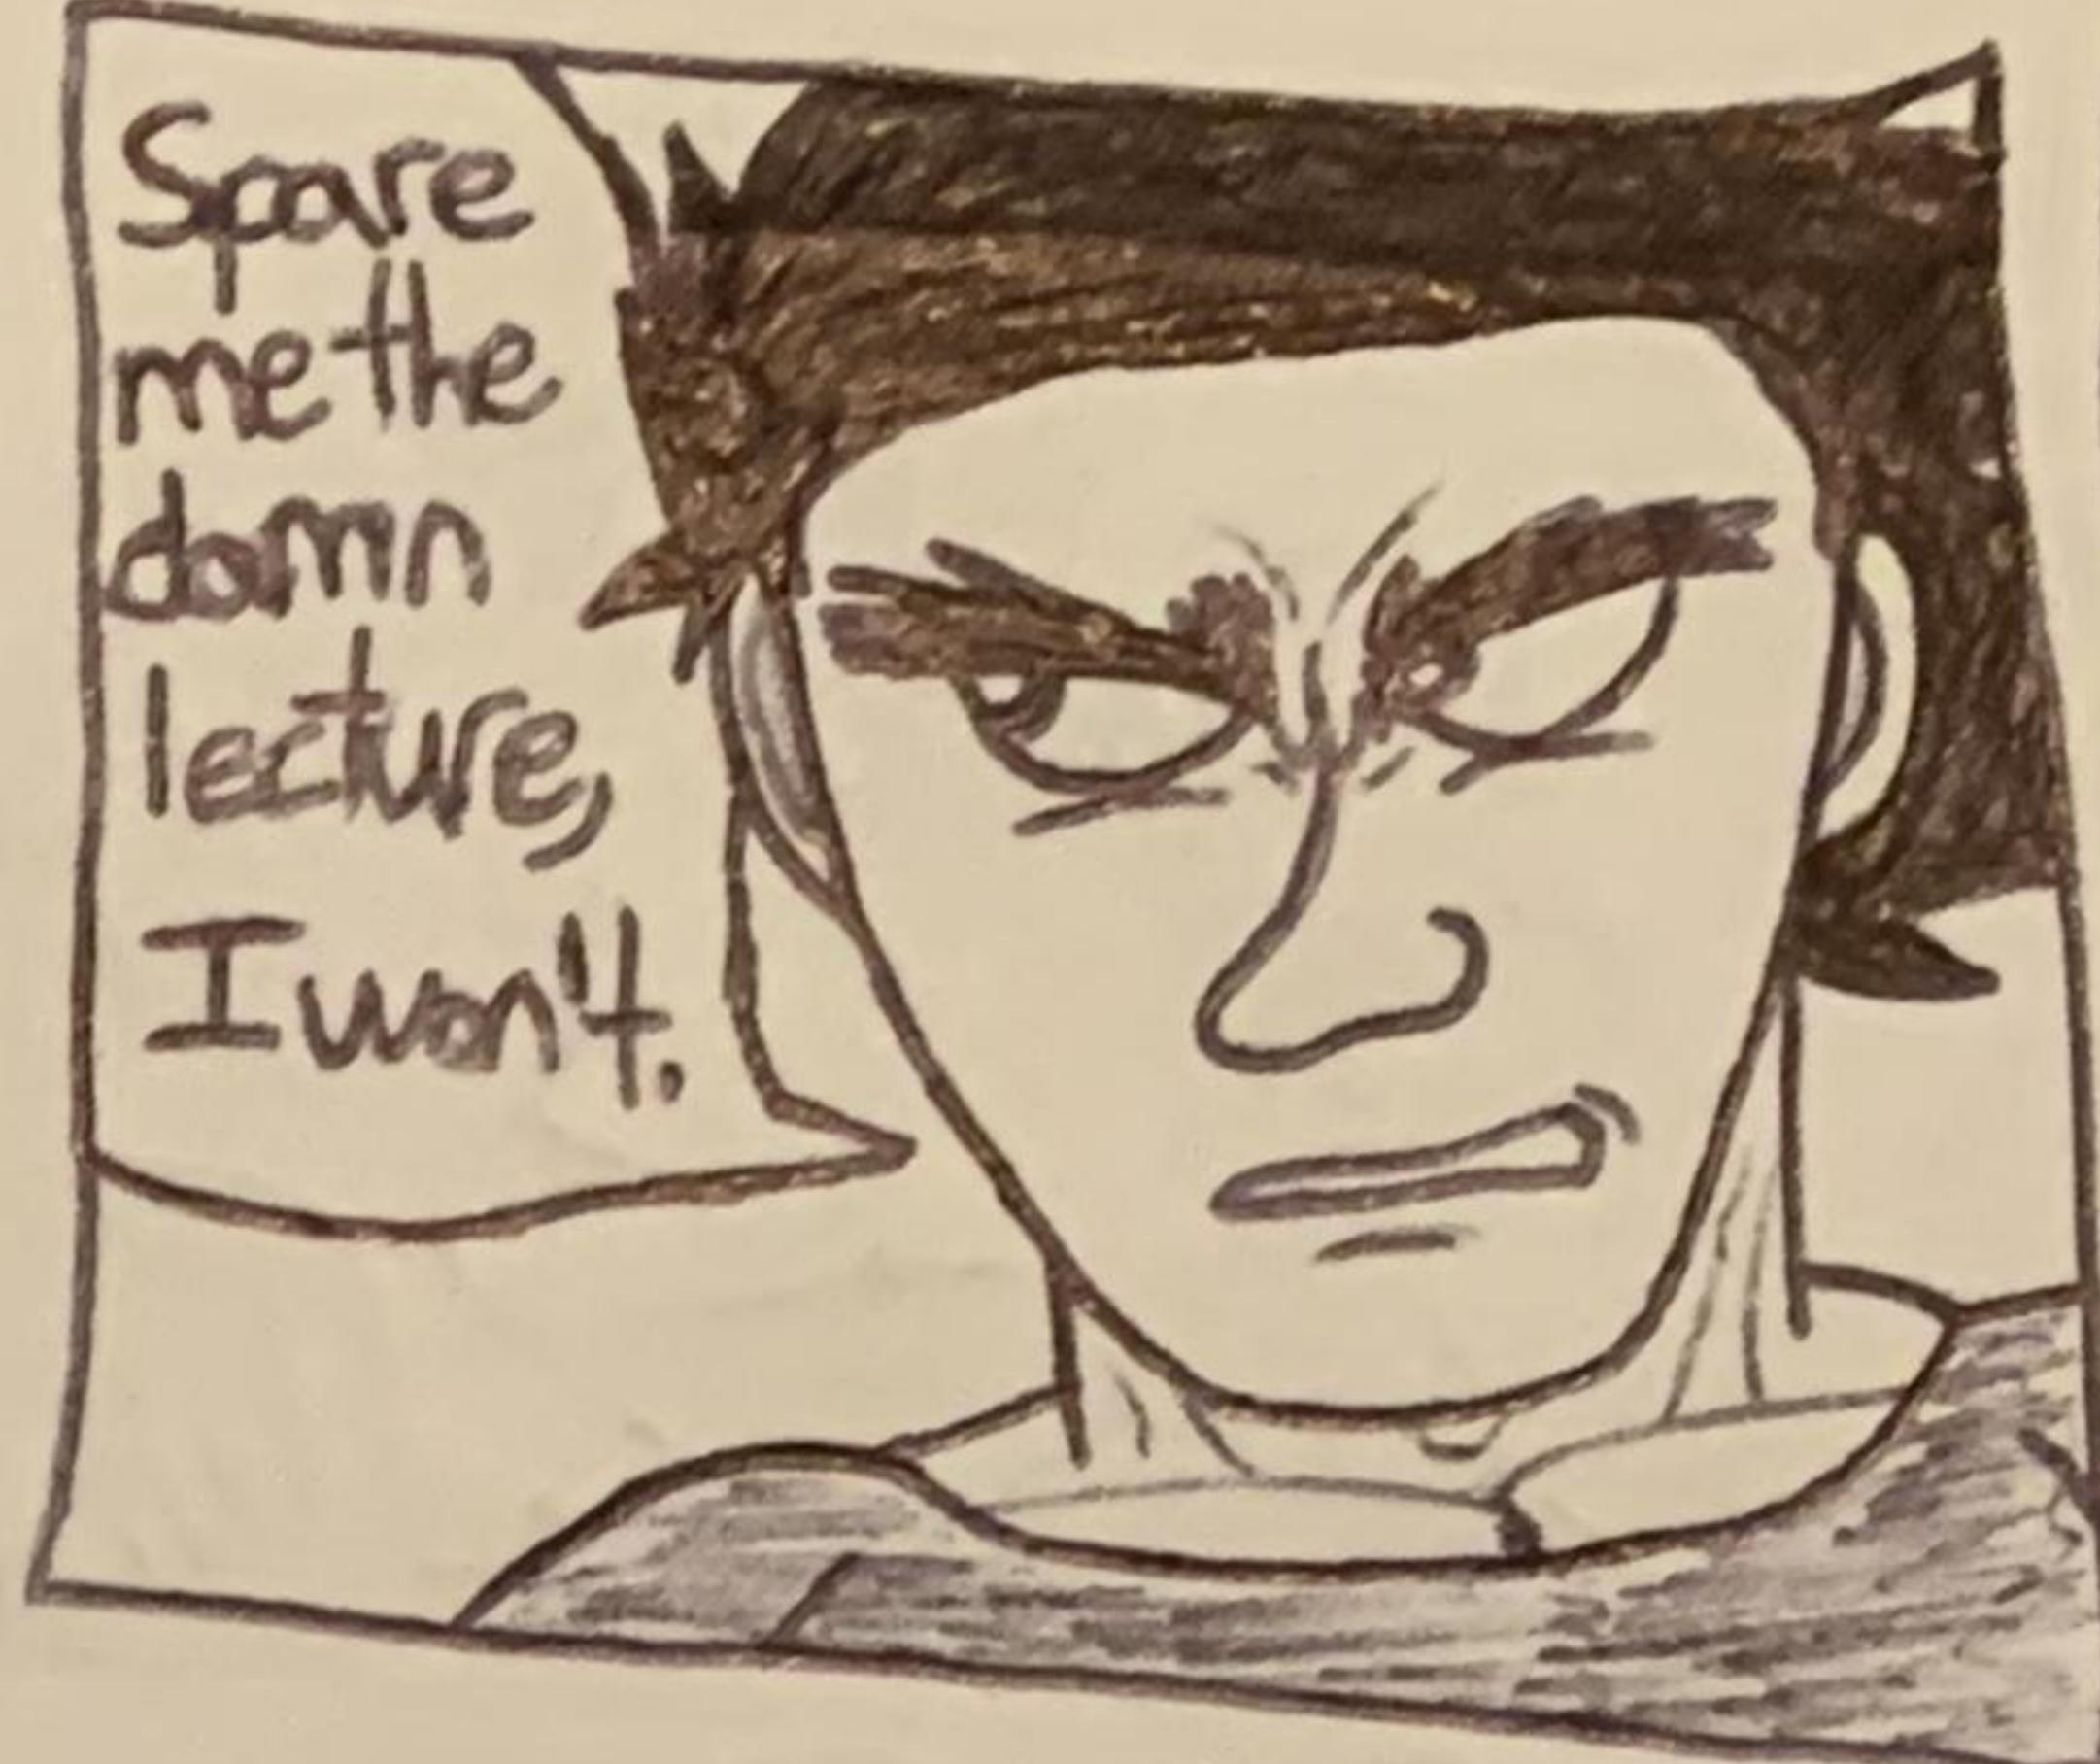

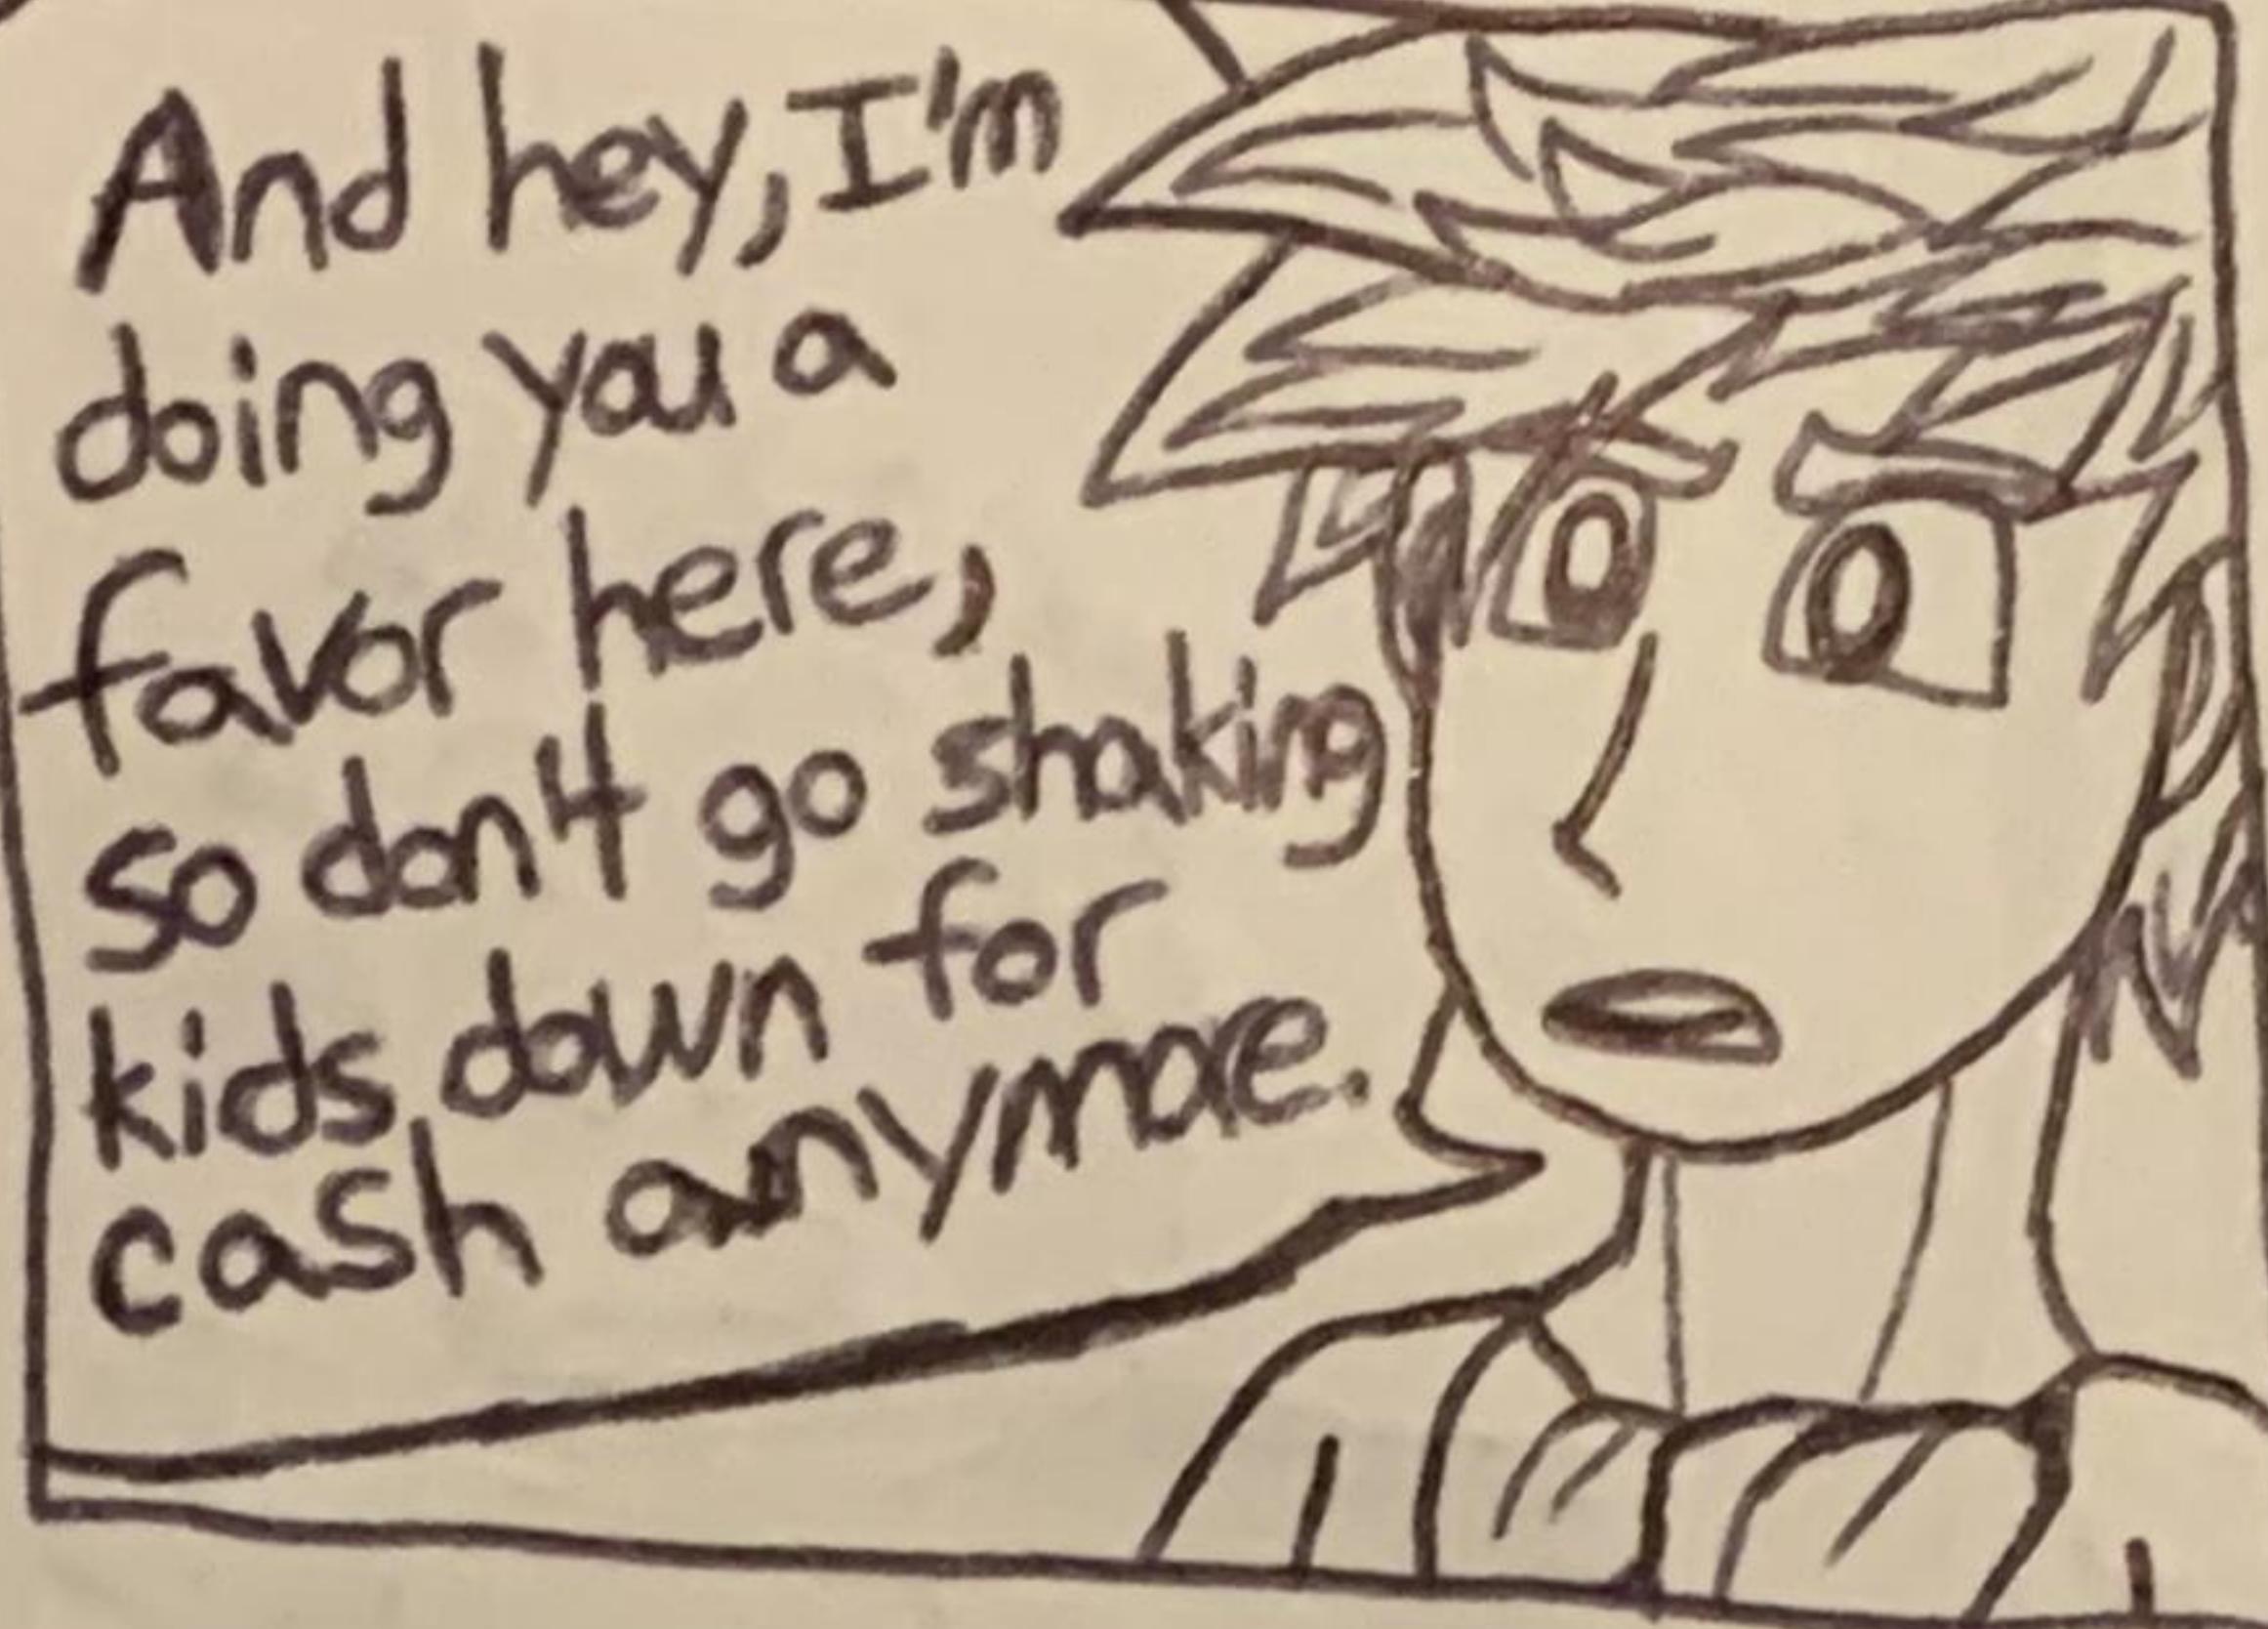

It's just a title, Mom ...

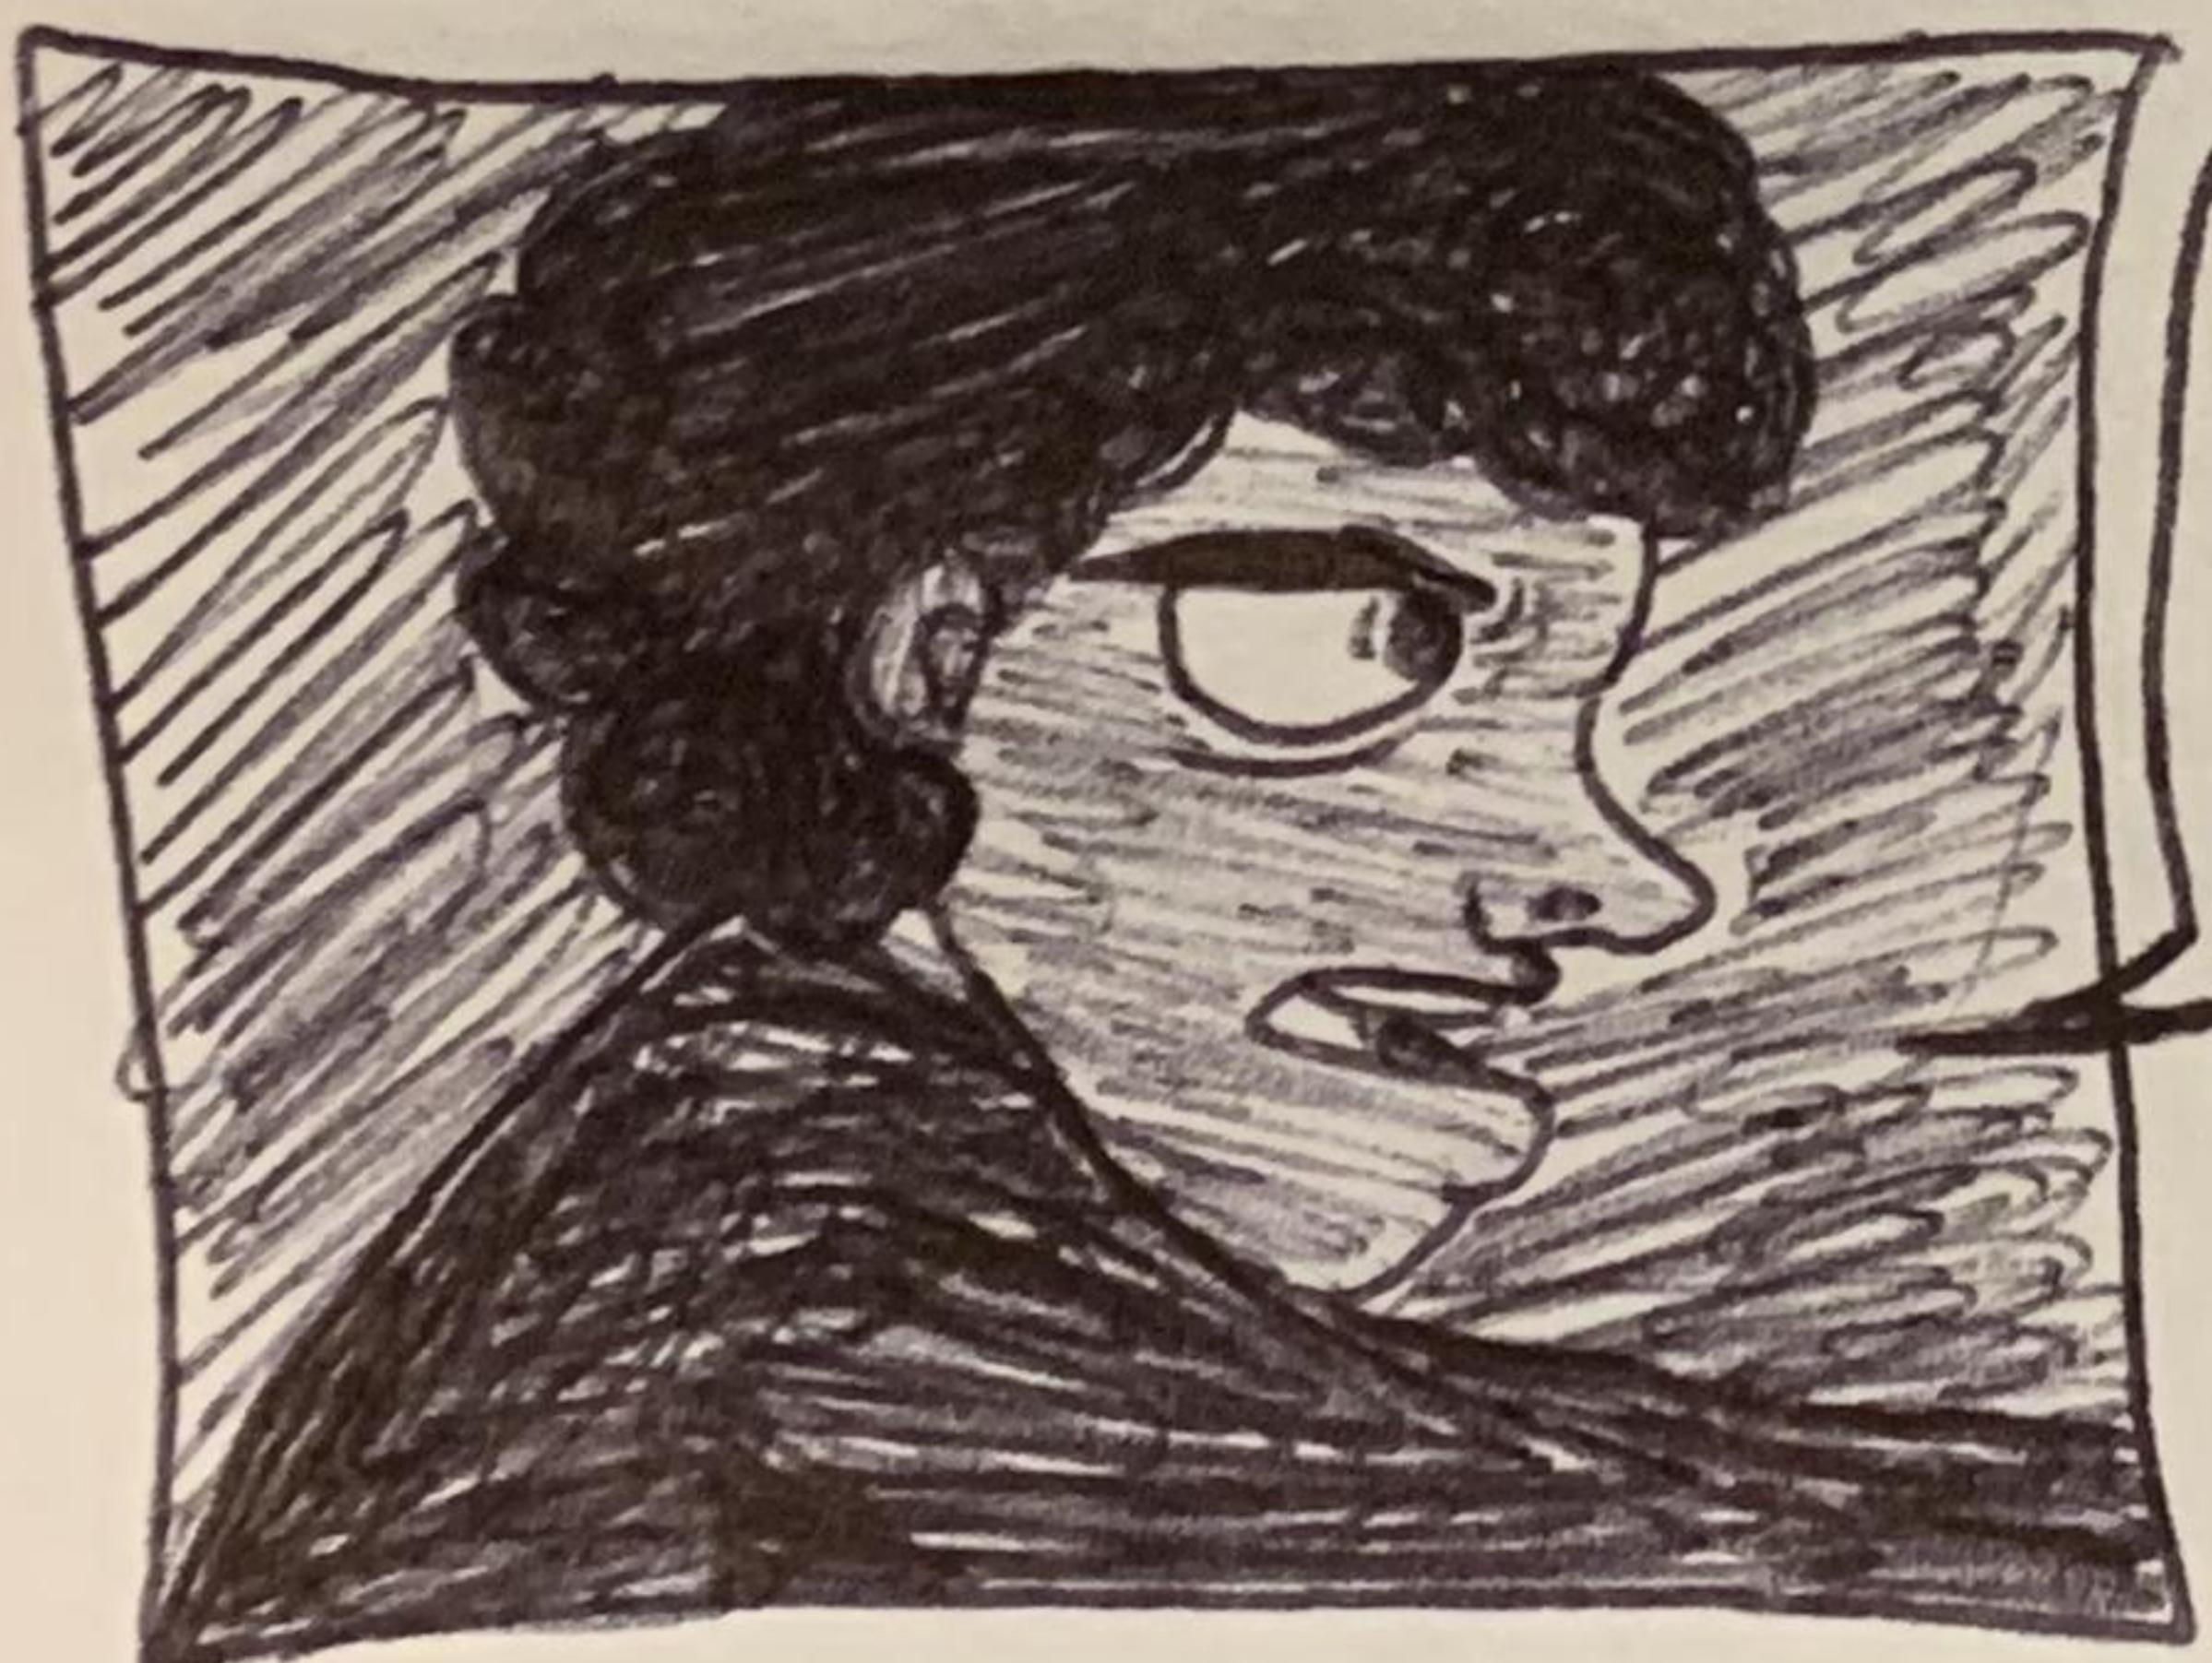

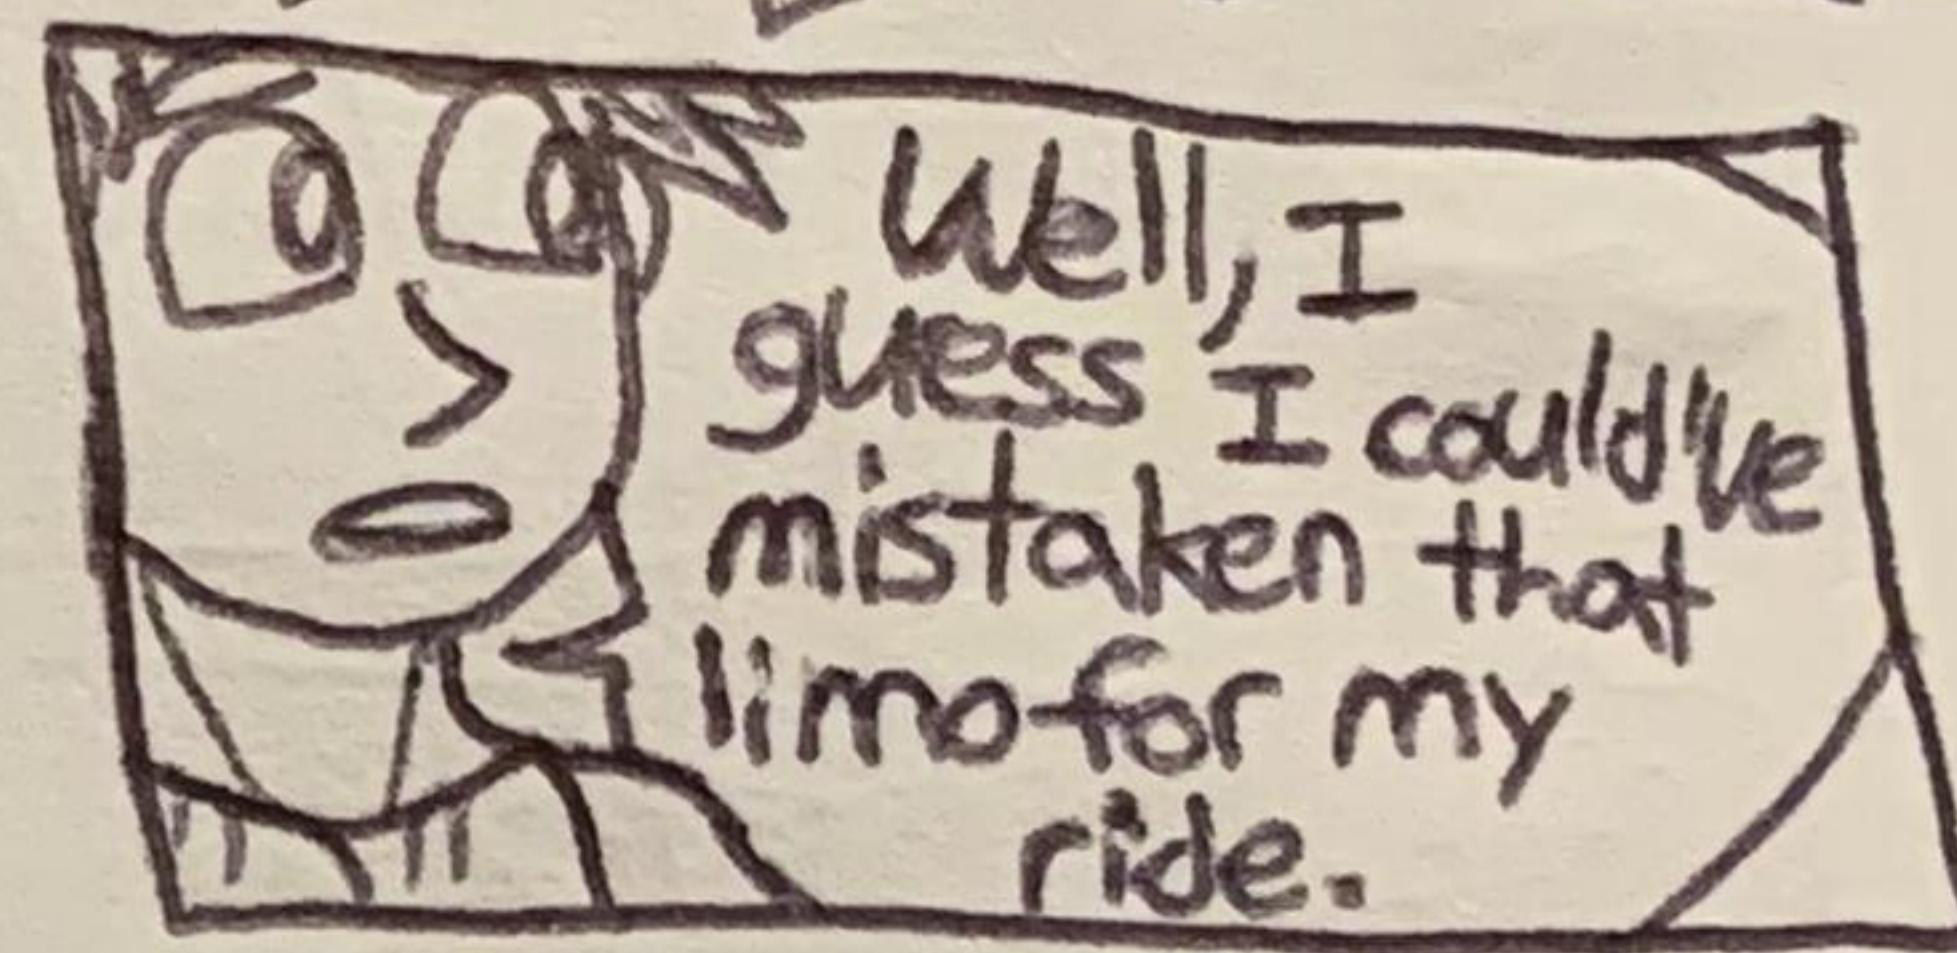

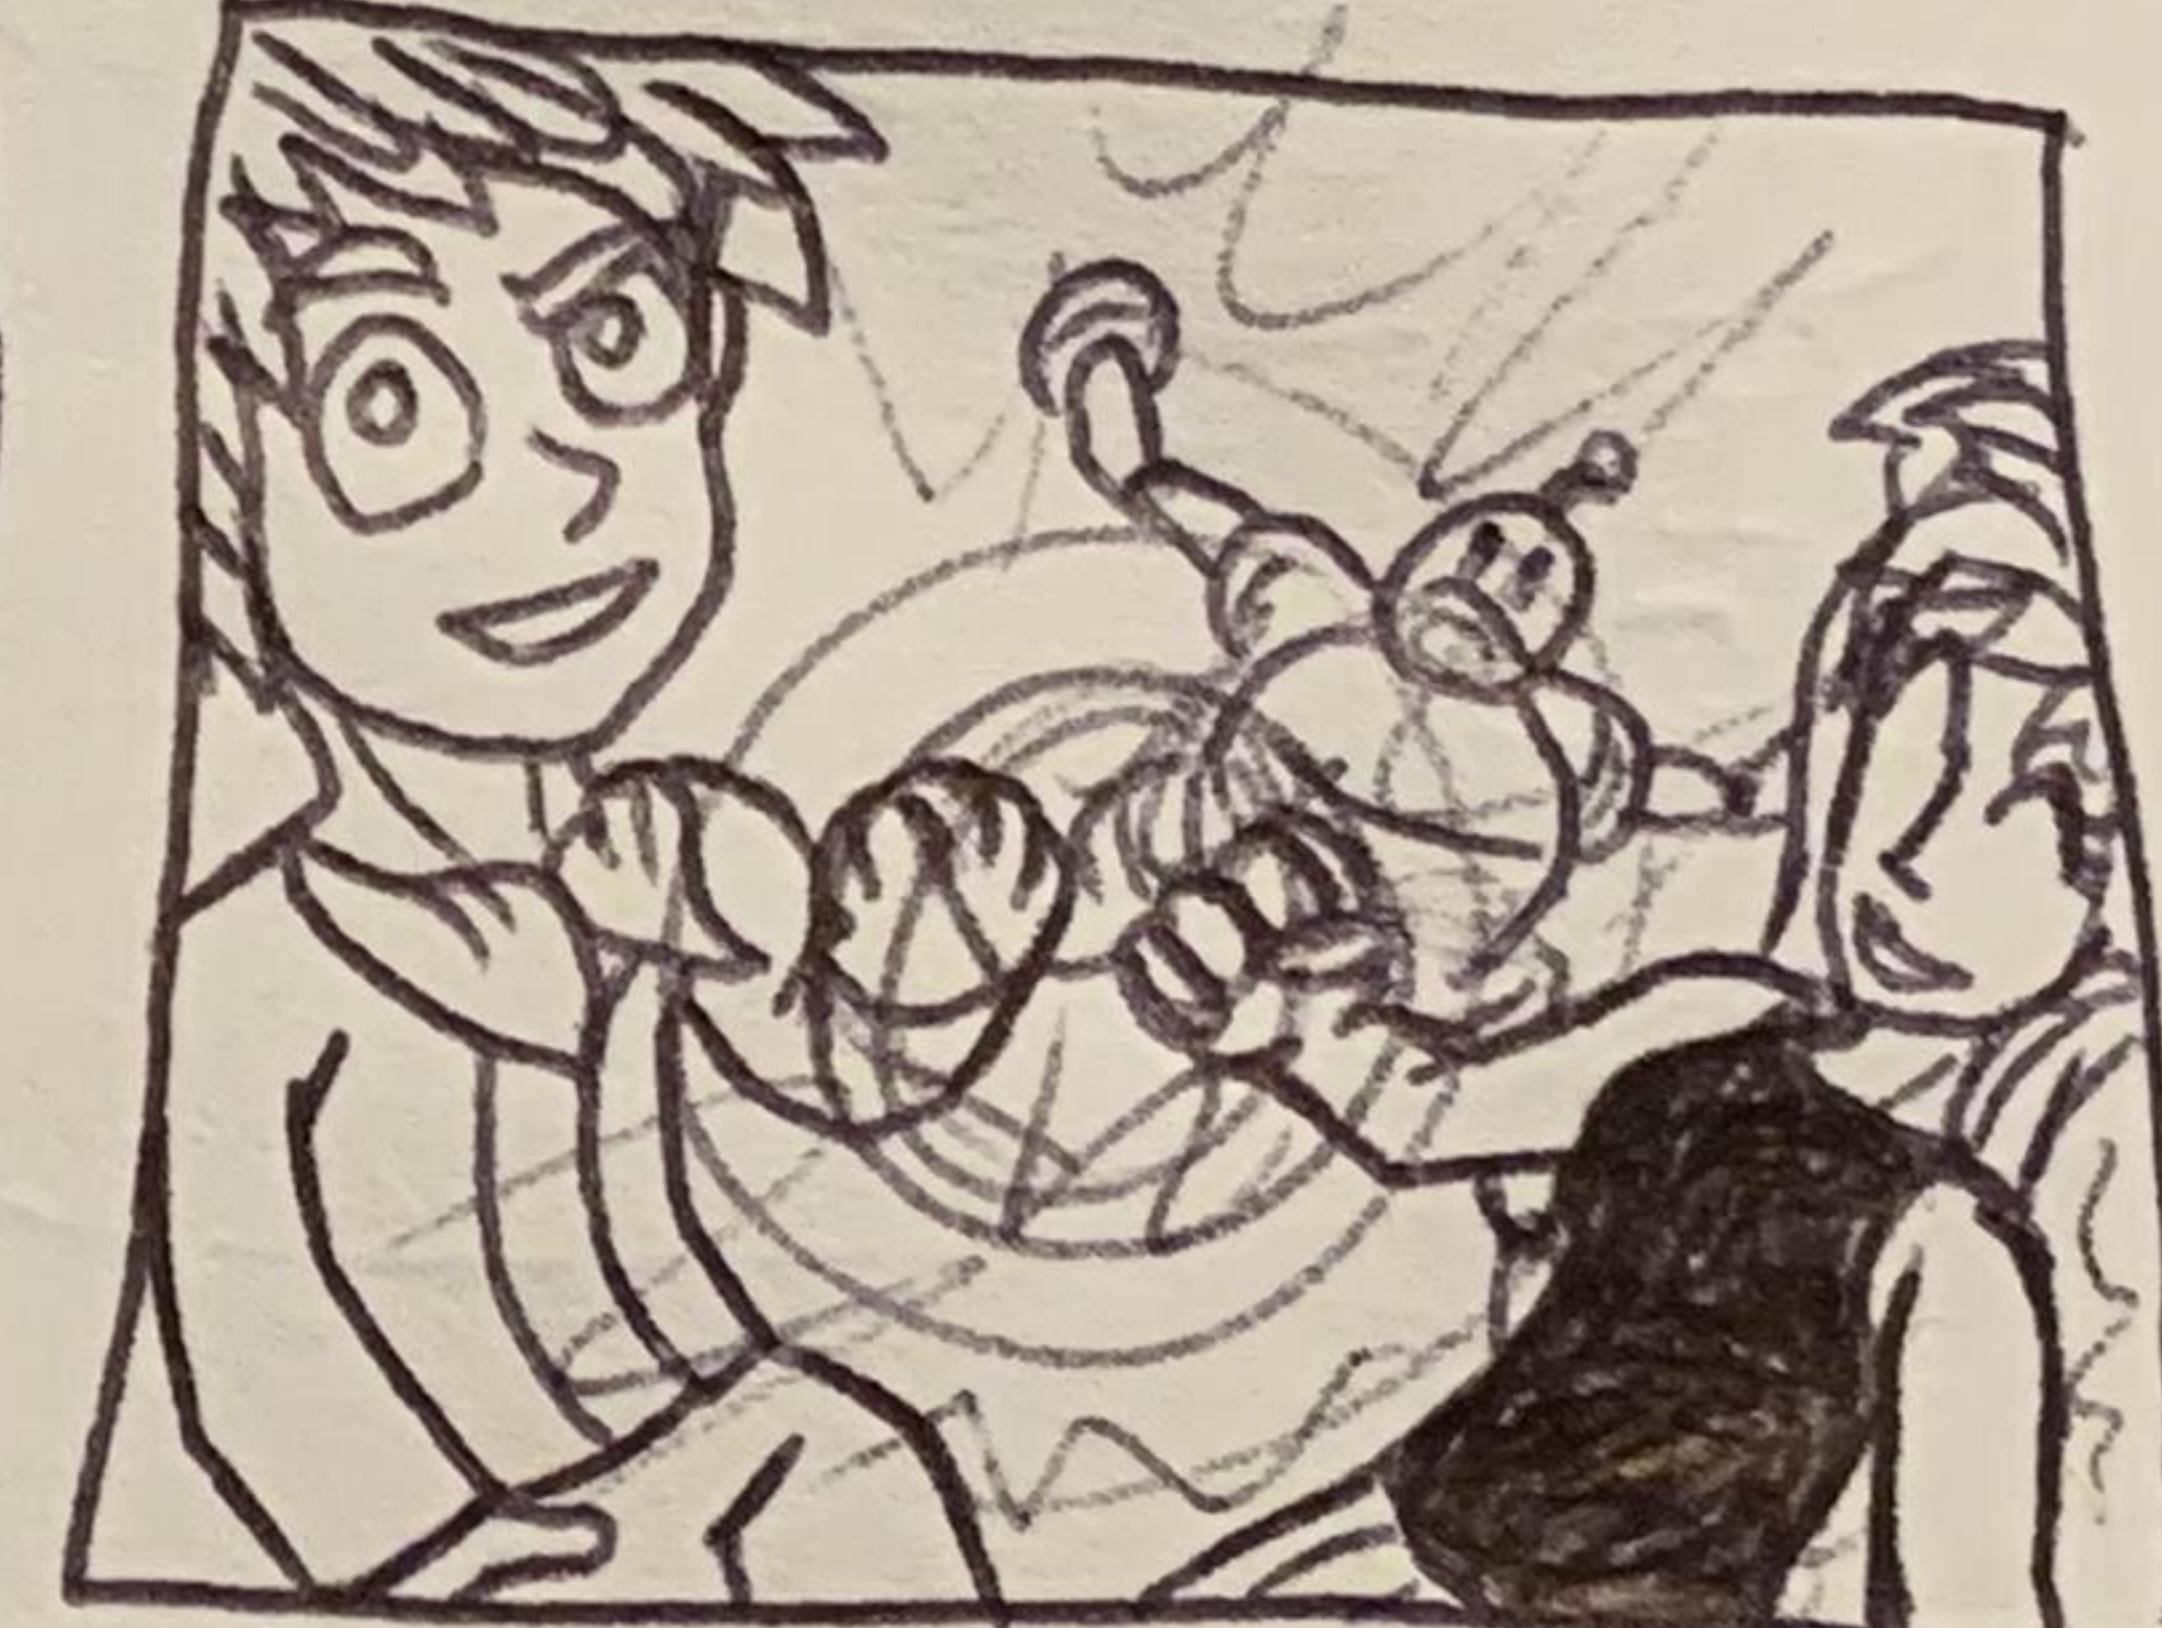

Buddy, do you see any other limos around?
You got the right limo!

Just get in the limo, man. I have to drive this eight hours round trip and I forgot my morning coffee.

Pre-School Arc Complete!
